## Independent Auditors' Report

To the Plan Participants and Plan Administrator  
Savings Plan for Union Employees of Unilever:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Savings Plan for Union Employees of Unilever (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*Supplemental Schedules Required by ERISA*

The supplemental schedules of Schedule H, line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The Savings Plan for Union Employees of Unilever (the “Plan”) is a defined contribution plan that is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan’s sponsor is Conopco, Inc. (the “Company”). Assets of the Plan along with assets from the UNICare Savings Plan (the “Savings Plan”) and Unilever Advantage Savings Plan (the “Advantage Plan”), affiliated plans sponsored by Unilever United States, Inc., the parent of the Company (“Unilever US”), are maintained in the Unilever United States, Inc. Master Trust (the “Master Trust”). The following brief description of the Plan is provided for general information purposes only. Participants should refer to the summary Plan description for more complete information.

#### Eligibility

All employees at the Hammond, Indiana, plant represented by the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy and Allied Industrial and Service Workers International Union Local 7-0336 (“Hammond plant”) are eligible to become participants of the Plan after the completion of 90 days of continuous service.

All employees located at the Chicago, Illinois, plant represented by the United Food and Commercial Workers International Union AFL-CIO, CLC Local 1546 or the International Union of Operating Engineers AFL-CIO Local 399 (“Chicago plant”) who are at least 18 years old are eligible to become participants of the Plan after the completion of 45 days of service.

All employees at the Independence, Missouri, plant represented by the International Brotherhood of Teamsters Local 838 are eligible to become participants of the Plan after the completion of one year of service.

All employees at the St. Albans, Vermont, plant represented by the International Brotherhood of Electrical Workers Local 300 (“St Albans plant”), scheduled to work twenty or more hours a week, are eligible to participate in the Plan upon date of hire. Employees who are not regularly scheduled to work twenty or more hours a week can participate in the Plan after completing one year of service, if determined they have completed at least 1,000 hours in a given year.

Unilever’s Tea Business, which is comprised of the business units of ekaterra Tea HoldCo USA Inc., Unilever Tea MSO USA LLC, Unilever Tea Manufacturing USA LLC, T2 US, LLC and Pukka Herbs, Inc. (collectively, the “Tea Business”), was sold effective July 1, 2022.

Effective September 17, 2023, the Plan was amended to allow for employees with alternative work schedules that were previously excluded from eligibility to become eligible for the employer matching contribution of 4% of eligible compensation. Under the amendment, the Plan made “Make-Up” contributions from the period February 24, 2021 through September 16, 2023 in the amount of 4% of compensation for the individuals outlined above.

On March 19, 2024, the Company’s parent announced plans to separate its Ice Cream business as a separate standalone business, and a productivity program to drive faster growth and higher margin for the Company. The demerger of the Ice Cream business is expected to occur during November 2025. Due to the timing and the expected timeframe included as part of the announcement, Plan’s management does not believe that there is any impact on the financial statements of the Plan for the year ended December 31, 2024.

## Notes to Financial Statements

### December 31, 2024 and 2023

---

During the year ended December 31, 2024, the Plan transferred net assets of \$89,531 to affiliated plans.

#### **Contributions**

Plan participants are permitted to make voluntary contributions to the Plan through payroll deductions. Before-tax contributions, representing 401(k) contributions are deposited in a “before-tax account”, Roth after-tax contributions are deposited in a “Roth account” and after-tax contributions, where applicable, are deposited in an “after-tax account.”

The sum of before-tax and Roth contributions is limited to \$23,000 for 2024 and \$22,500 for 2023. Participants who will be age 50 or older by the end of the Plan year are eligible to make before-tax catch-up contributions limited to \$7,500 for 2024 and 2023.

The permitted contributions vary for each collective bargaining unit at the discretion of the Company and range from 1%-16% to 1%-50% of eligible compensation through payroll deductions on a before-tax basis, Roth basis and after-tax basis, respectively, or a combination of all three provided that the maximum participant contribution to the before-tax, Roth and after-tax accounts do not exceed 16% to 50% of eligible compensation.

Roth 401(k) contributions were implemented in the UNICare Savings Plan and Savings Plan for Union Employees effective January 1, 2019.

Additionally, participants may contribute amounts representing distributions from other qualified plans as rollover contributions.

The Company matches contributions made by participants for some employees, based on the terms of the applicable collective bargaining agreement. Company matching contributions vary for each collective bargaining unit at the discretion of the Company and range from 100% of 4% to 100% of 5% of eligible earnings participants elect to contribute.

Ben & Jerry’s Union employees receive a 100% company matching contribution up to 5% on their base pay. Independence Union employees continued to receive a company match of 100% of the first 4% that the employee contributes. Hammond union employees receive a company match of 100% of the first 4% that the employee contributes, plus 50% of the next 2% that the employee contributes. Beginning in 2024, Hammond union employees will receive a 100% company matching contribution up to 5% on their base pay. All Chicago union employees receive a company match of 100% of the first 4% that the employee contributes.

All collective bargaining employees at the St. Albans plant hired on or after April 1, 2007, at the Hammond plant hired on or after January 12, 2007, at the Chicago plant represented by the United Food and Commercial Workers International Union AFL-CIO, CLC Local 1546 hired on or after November 22, 2008, and at the Chicago plant represented by the International Union of Operating Engineers AFL-CIO Local 399 hired on or after December 16, 2008 and at the Independence Plan are eligible to receive non-elective contributions of 4% of compensation after one year of service.

The UNICare Retirement Plan, an affiliated plan, was frozen effective June 30, 2017, and there were no more benefit accruals under that plan for some union employees (Ben & Jerry’s and Independence Unions). Instead, all impacted Union employees now receive a 4% Company Non-Elective contribution in the Savings Plan for Union Employees of Unilever. This affiliated plan was then frozen effective August 31, 2018 for the Chicago union employees, and there were no additional benefit accruals under this plan for Chicago union employees. Instead, effective September 1, 2018,

## **Savings Plan for Union Employees of Unilever**

### **Notes to Financial Statements**

### **December 31, 2024 and 2023**

---

all impacted Chicago union employees now receive a 4% Company Non-Elective contribution in the Savings Plan for Union Employees of Unilever.

Under the provisions of the UNICare Retirement Plan, participants who retire from that plan may roll over their lump-sum distribution to the Plan.

#### **Participant Accounts**

Each participant's account is credited with (a) the participant's contribution; (b) the Company's contribution; and (c) an allocation of Plan earnings (losses) and administrative expenses.

The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

#### **Vesting**

Participants are fully vested in all of their before-tax, Roth and after-tax contributions as well as the earnings thereon.

Participants are immediately vested in Company matching contributions, except for Chicago union employees who become vested after three years of service. Non-elective contributions vest after three years of service, upon attainment of age 65, death from active status or disability for all participants receiving non-elective employer contributions.

The balance of forfeitures was \$34,829 and \$192,380 as of December 31, 2024 and 2023, respectively. Amounts forfeited by non-vested participants who terminated employment during the years ended December 31, 2024 and 2023 were \$154,995 and \$116,440, respectively. Forfeitures reduced Company matching contributions and Company non-elective contributions in the amount of \$308,729 and \$5 for the years ended December 31, 2024 and 2023, respectively. Forfeitures of \$9,120 and \$0 were used to pay Plan expenses for the years ended December 31, 2024 and 2023, respectively.

#### **Payment of Benefits**

Provisions for the withdrawal of contributions of active participants vary for each collective bargaining unit in accordance with the collective bargaining unit agreement and include in-service withdrawals of the after-tax account, rollover account, prior plan profit sharing account, portion of Company matching account on deposit for two years, before-tax and Roth accounts for reasons of hardship provided the withdrawal does not exceed the amount of the hardship, and before-tax account, Roth account and Company matching account following attainment of age 59.5.

Effective August 12, 2022, participants who withdraw after-tax contributions (and associated earnings) that were contributed to the Plan after August 12, 2022 are suspended from making after-tax contributions to the Plan for a period of six months.

Upon termination of employment, participants are entitled to all of their vested balances and must receive their full balance upon reaching the age of 65.

Retired employees may elect to leave their account balances in the Plan until they attain age 73, at which time Internal Revenue Service (the "IRS") regulations require minimum distributions to be made. Failure to make a voluntary election to defer payment will result in a total distribution of vested Plan balances at age 65.

### Investments

Participants have the option to direct contributions toward a wide variety of funds in the Master Trust including capital preservation, bond, balanced, equity and Target Date Funds. The fund lineup includes custom Target Date Funds, seven core investment funds and Fidelity Brokerage Link. The funds offered by the Plan are as follows:

- **Capital Preservation Fund**  
This fund is primarily invested in a diversified portfolio of synthetic fully benefit responsive guaranteed investment contracts issued by highly rated financial institutions such as insurance companies and banks. Each contract has its own specific terms, including interest rate and maturity date. The crediting interest rates at December 31, 2024 and 2023 for the contracts range from 2.04% to 2.94% and 2.13% to 2.46%, respectively. The weighted average crediting interest rates at December 31, 2024 and 2023 for the contracts are 2.74% and 2.45%, respectively.
- Diversified Bond Fund
- US Equity Index Fund
- Diversified Equity Fund
- International Equity Index Fund
- Diversified Equity Sustainability Fund
- Real Assets Fund
- Target Retirement, Target Date 2025, Target Date 2030, Target Date 2035, Target Date 2040, Target Date 2045, Target Date 2050, Target Date 2055, Target Date 2060, Target Date 2065
- Self-directed brokerage accounts, whereby the participant is able to select from various mutual funds and short-term investments.

### Notes Receivable from Participants

At the request of Plan participants, notes receivable from participants are permitted up to the lesser of \$50,000 reduced by the largest outstanding loan balance in the previous 12 months or one-half of the participants' vested interest in their accounts less any outstanding loans. Loans bear interest at a fixed rate determined at the time of origination based on the Reuters published prime rate plus 1%. Loans relating to the acquisition or construction of a participant's principal residence are to be repaid within 15 years. All other loans are required to be repaid within five years.

Interest rates ranging from 4.25% to 9.50% were charged on the loans for both the years ended December 31, 2024 and 2023.

For participants that were transferred from the Ben and Jerry's Homemade Plan in 2006, loans relating to the acquisition or construction of a participant's principal residence are to be repaid within 30 years. Other loans relating to the acquisition or construction of a participant's principal residence are to be repaid within 15 years. All other loans are required to be repaid within 5 years.

## Notes to Financial Statements

### December 31, 2024 and 2023

---

Effective October 1, 2014, the loan policy and/or Administrative Services Agreement was amended to permit 1) terminated participants to continue to repay a plan loan, and 2) the full or partial prepayment of a plan loan at any time.

#### **Administration**

The Plan provides that the Benefits Administration Committee is responsible for the general administration of the Plan.

## **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

#### **Valuation of Plan Investments and Income Recognition**

The assets of the Plan have been commingled in the Master Trust with the assets of the Savings Plan and Advantage Plan for investment and administrative purposes. The investment in the Master Trust represents the Plan’s interest in the net assets of the Master Trust. The Plan’s investment in the Master Trust is primarily stated at fair value and is based on the beginning of the year value of the Plan’s interest in the Master Trust plus contributions and allocated investment income (loss) less distributions and allocated expenses. However, certain fully benefit-responsive investment contracts are stated at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Gains and losses on the sale of investment securities are determined on the average cost method. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on an accrual basis.

The Plan presents in the Statements of Changes in Net Assets Available for Benefits the investment income for the Plan’s interest in the Master Trust, which consists of its allocated share of investment income (loss), realized gains and losses, and the change in unrealized appreciation and depreciation from the Master Trust.

#### **Notes Receivable from Participants**

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses as incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are recorded as deemed distributions based on the terms of the Plan.

#### **Benefit Payments**

Benefit payments are recorded when paid and include deemed distributions of \$23,233 and \$76,630 for the years ended December 31, 2024 and 2023, respectively.

#### **Administrative Expenses**

Investment management fees for all funds are included as a reduction of investment income. Certain other professional fees are paid by the Plan. Certain expenses incurred in connection with the administration of the Plan are paid by the Company.

# **Savings Plan for Union Employees of Unilever**

## **Notes to Financial Statements**

### **December 31, 2024 and 2023**

---

#### **Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities, if any, at the date of the financial statements. Actual results could differ from those estimates.

#### **Risks and Uncertainties**

Through the Master Trust, the Plan provides for various investment options in any combination of stocks, commingled funds, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the December 31, 2024 and 2023 Statements of Net Assets Available for Benefits.

The Master Trust is exposed to credit loss in the event of non-performance by the companies with whom guaranteed investment contracts are placed. However, the Plan does not anticipate non-performance by these companies and believes that the risk to the Master Trust portfolio from credit loss is not material due to the diversified nature of assets held.

#### **Effects of New Accounting Pronouncements**

The Plan is not aware of any new accounting standards that were required to be adopted in 2024, or yet to be adopted, that would impact the Plan's 2024 or prospective financial statements.

### **3. Tax Status of the Plan**

The Plan last received a favorable tax determination letter dated April 23, 2014. The Plan has been amended subsequent to the receipt of the IRS determination letter; however, the Plan Administrator believes that the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires the Plan's administrator to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor. The Plan's administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**4. Investment Certification**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Fidelity Management Trust Company, the Trustee of the Plan, has certified the completeness and accuracy of all investments and related activity and notes receivable from participants and interest from notes receivable from participants included in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2024 and 2023 and the accompanying supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024. The Plan’s independent accountants did not extend their audit procedures to the information certified by the Trustee, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

**5. Investments Held by the Master Trust**

At December 31, 2024 and 2023, the Master Trust is comprised of the investment assets of the Plan, the Savings Plan and the Advantage Plan, affiliated plans of Unilever US.

Investment assets of the Master Trust, held by Fidelity Management Trust Company, the Trustee, related earnings (losses) and expenses are allocated to the plans participating in the Master Trust based upon the total of each individual plan’s share of the Master Trust.

As of December 31, 2024, the investment categories of the Master Trust and Plan’s share were as follows:

<b>Investments, at fair value, except for synthetic guaranteed investment contracts which are at contract value</b>	<b>Master Trust Balances</b>	<b>Plan’s Interest in Master Trust Balances</b>
Short-term investment funds	\$ 30,223,693	\$ 1,895,598
Self-directed brokerage accounts	166,188,817	9,501,825
Commingled funds	2,023,811,151	66,069,240
Synthetic guaranteed investment contracts	<u>116,912,626</u>	<u>7,458,308</u>
Master Trust investments	<u>\$ 2,337,136,287</u>	<u>\$ 84,924,971</u>

As of December 31, 2023, the investment categories of the Master Trust and Plan's share were as follows:

<b>Investments, at fair value, except for synthetic guaranteed investment contracts which are at contract value</b>	<b>Master Trust Balances</b>	<b>Plan's Interest in Master Trust Balances</b>
Short-term investment funds	\$ 26,719,485	\$ 1,543,965
Self-directed brokerage accounts	143,848,308	9,243,621
Commingled funds	1,819,668,331	61,583,299
Synthetic guaranteed investment contracts	<u>147,787,780</u>	<u>9,992,111</u>
Master Trust investments	<u>\$ 2,138,023,904</u>	<u>\$ 82,362,996</u>

During the years ended December 31, 2024 and 2023, the investment income of the Master Trust was as follows:

	<b>2024</b>	<b>2023</b>
Net appreciation in fair value of net investments	\$ 253,246,172	\$ 263,959,294
Interest	2,629,395	3,644,600
Dividends	<u>9,048,287</u>	<u>5,815,982</u>
Total net investment income	<u>\$ 264,923,854</u>	<u>\$ 273,419,876</u>

The Plan's interest in the net investment income of the Master Trust for the years ended December 31, 2024 and 2023 was \$8,749,187 and \$9,748,488, respectively.

**Investment Valuation and Income Recognition of Master Trust**

Master Trust investments, with the exception of synthetic guaranteed investment contracts, are stated at fair value. The Investment Committee reviews the valuation and performance of the investment options on an annual basis. There are no redemption restrictions or unfunded commitments for any Master Trust investments.

Investment income for the Master Trust includes net appreciation of investments, as well as interest and dividends from investments. The net appreciation of investments held in the Master Trust consists of the realized gains (losses) and the unrealized appreciation (depreciation) on these investments.

**Investment Contracts**

As of December 31, 2024 and 2023, the following are synthetic guaranteed investment contracts, of the Master Trust, which are fully benefit responsive:

<b>Investments, at contract value</b>	<b>2024</b>	<b>2023</b>
Transamerica	\$ -	\$ 24,577,726
Met Tower Life	19,839,407	25,069,793
State Street Bank	19,390,058	24,522,268
Voya	19,418,923	24,549,895
Pacific Life Insurance	19,427,361	24,531,018
RGA	19,395,278	24,537,080
Nationwide Life Insurance	<u>19,441,599</u>	<u>-</u>
	<u>\$ 116,912,626</u>	<u>\$ 147,787,780</u>

The Master Trust entered into fully benefit-responsive investment contracts, such as synthetic guaranteed investment contracts ("GICs"), with various third-party financial institutions. These fully benefit-responsive investment contracts are held through the INVESCO Interest Income Fund (the "Fund"). Contract values represent contributions made to the investment contract plus earnings, less participant withdrawals and administrative expenses.

A synthetic GIC provides for a fixed return on principal over a specified period of time through fully benefit-responsive wrapper contracts issued by third-party financial institutions which are backed by underlying assets owned by the Master Trust. The wrapper contract amortizes the realized and unrealized gains and losses on the underlying investments, typically over the duration of the investments through adjustments to the future interest crediting rate (which is the rate earned by participants). The issuer of the wrapper contract provides assurance that the adjustments to the interest crediting rate do not result in a future interest crediting rate that is less than zero. An interest crediting rate less than zero would result in a loss of principal or accrued interest.

#### *Calculating the Interest Crediting Rate in Wrapper Contracts*

The key factors that influence future interest crediting rates for a wrapper contract include:

- The level of market interest rates
- The amount and timing of participant contributions, transfers, and withdrawals into/out of the wrapper contract
- The investment returns generated by the fixed income investments that back the wrapper contract
- The duration of the underlying investments backing the wrapper contract

Wrapper contracts' interest crediting rates are typically reset on a monthly or quarterly basis. While there may be slight variations from one contract to another, most wrapper contracts use a formula that is based on the characteristics of the underlying portfolio. Over time, the crediting rate formula amortizes the Fund's realized and unrealized market value gains and losses over the duration of the underlying investments. Because changes in the market interest rates affect the yield to maturity and the market value of the underlying investments, they can have a material impact on the wrapper contract's interest crediting rate. In addition, participant withdrawals and transfers from the Fund are paid at contract value but funded through the market value liquidation of the underlying investments, which also impacts the interest crediting rate. The amortization of the embedded market value gains (losses) is reflected in future interest crediting rates higher (lower) than if they otherwise would have been.

All wrapper contracts provide for a minimum interest crediting rate of 0%. In the event that the interest crediting rate should fall to zero and the requirements of the wrapper contract are satisfied, the wrapper issuers will pay to the Plan the shortfall needed to maintain the interest crediting rate at zero. This helps to ensure that participants' principal and accrued interest will be protected.

#### *Events That Limit the Ability of the Master Trust to Transact at Contract Value*

In certain circumstances, the amount withdrawn from the wrapper contract would be payable at fair value rather than at contract value. These events include termination of the Master Trust, a material adverse change to the provisions of the Master Trust, if the employer elects to withdraw from a wrapper contract in order to switch to a different investment provider, or if the terms of a successor plan (in the event of the spin-off or sale of a division) do not meet the wrapper contract issuer's underwriting criteria for issuance of a clone wrapper contract. The events described above that could result in the payment of benefits at market value rather than contract value are not probable of occurring in the foreseeable future.

#### *Issuer-Initiated Contract Termination*

Examples of events that would permit a wrapper contract issuer to terminate a wrapper contract upon short notice include the Master Trust's loss of its qualified status, uncured material breaches of responsibilities, or material and adverse changes to the provisions of the Master Trust. If one of these events were to occur, the wrapper contract issuer could terminate the wrapper contract at the market value of the underlying investments.

### Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this standard are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted, or published for the commingled funds, prices for identical assets or liabilities in active markets that the Master Trust has the ability to access.
- Level 2 - Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

#### *Mutual Funds (Self-directed Brokerage Account)*

A mutual fund's Net Asset Value ("NAV") is based on the value of underlying assets owned by the fund minus its liabilities and then divided by the number of shares outstanding calculated as of the close of business of the New York Stock Exchange. The mutual fund's assets normally are fair valued for the purpose of computing the fund's NAV. Since the NAV is a quoted price in a market that is active, they are classified within Level 1 of the valuation hierarchy.

#### *Commingled Funds*

These investments are investment vehicles valued using the NAV provided by the administrator of the fund. The values of the underlying assets owned by the fund are valued at quoted market prices in an active market. Each common/collective trust fund provides for daily redemptions by the Plan at reported NAVs with no advance notice requirement. The NAV is valued daily based on the fair value of the underlying investments held by the trust and classified within Level 1 of the valuation hierarchy.

#### *Short-term Investment Funds*

The short-term investment funds, which include money market funds, are valued at quoted market prices in an active market, which represent the NAVs held by the Plan at year-end and are classified within Level 1 of the valuation hierarchy.

---

In accordance with the guidance relating to fair value measurements, the following tables represent the Master Trust's, and Plan's interest therein, fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2024 and 2023. For the years ended December 31, 2024 and 2023, all of the following financial assets were measured within Level 1 of the valuation hierarchy.

<b>December 31, 2024</b>	<b>Master Trust Balances</b>	<b>Plan's Interest in Master Trust Balances</b>
Short-term investment funds	\$ 30,223,693	\$ 1,895,598
Self-directed brokerage accounts	166,188,817	9,501,825
Commingled funds	<u>2,023,811,151</u>	<u>66,069,240</u>
Master Trust investments	<u>\$ 2,220,223,661</u>	<u>\$ 77,466,663</u>
<b>December 31, 2023</b>	<b>Master Trust Balances</b>	<b>Plan's Interest in Master Trust Balances</b>
Short-term investment funds	\$ 26,719,485	\$ 1,543,965

Commingled funds	<u>1,819,668,331</u>	<u>61,583,299</u>
Master Trust investments	<u>\$ 1,990,236,124</u>	<u>\$ 72,370,885</u>

There have been no changes in methodologies used for the years ended December 31, 2024 and 2023.

**6. Transactions with Related Parties and Parties in Interest**

Certain Master Trust investments consist of units in investment funds managed by Fidelity, the Trustee. Fidelity owns these investment funds and is a party in interest as defined by ERISA. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA. In the opinion of the Plan administrator, fees paid during the year for services rendered by parties in interest were based on customary and reasonable rates for such services. Administration fees paid by the Plan to Fidelity during 2024 and 2023 are disclosed within administrative expenses on the Statements of Changes in Net Assets Available for Benefits.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of the Plan termination, the participants' rights to their accrued benefits are non-forfeitable. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Investment income as presented in Form 5500	<u>\$ 8,880,332</u>	<u>\$ 9,848,562</u>

**9. Subsequent Events**

The Plan has evaluated subsequent events through October 14, 2025, the date that the financial statements were available to be issued. Based on this evaluation, the Plan's administrator determined that the following additional subsequent events require disclosure.

Effective January 1, 2025, non-union employees at the St. Albans and Waterbury factories unionized. The newly unionized employees began contributing to the Plan as of January 2025. On April 21, 2025, approximately \$15,500,000 of assets were transferred, in-kind, from the UniCare Savings Plan to the Savings Plan for Union Employees of Unilever.
