## INDEPENDENT AUDITORS' REPORT

Plan Management and Committee  
Coffman Specialties, Inc. 401k Profit Sharing Plan  
San Diego, California

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Coffman Specialties, Inc. 401k Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Coffman Specialties, Inc. 401k Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coffman Specialties, Inc. 401k Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coffman Specialties, Inc. 401k Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coffman Specialties, Inc. 401k Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coffman Specialties, Inc. 401k Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter***

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF THE PLAN**

The following description of the Coffman Specialties, Inc. 401k Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution Profit Sharing plan established by Coffman Specialties, Inc. (Company) on November 1, 1992. The Plan covers all employees of Coffman Specialties, Inc., except those employees covered by a collective bargaining agreement. The Plan was amended and restated on January 1, 2016, to bring the Plan into compliance with the Pension Protection Act of 2006 (PPA) to maintain the Plan's tax-qualified status and to include the safe harbor contribution provisions. The restated Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees, along with the investment committee, determines the appropriateness of the Plan's investment offerings and monitors investment performance. On November 1, 2024, the plan was amended to remove the safe harbor contribution provision effective January 1, 2025.

**Participant Contributions**

The Plan has an Elective Contribution arrangement for all eligible employees, wherein participants may contribute from 1% to 25% of annual compensation each year as defined by the Plan. Total participant contributions in any calendar year are limited to the applicable limit under Internal Revenue Code Section 402(g). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Plan assets are held by Empower Annuity Insurance of America (Empower). The Trustee invests plan assets at the direction of the participants in fixed income accounts and a variety of diversified mutual funds.

**Employer Wage Rate Contributions**

The Plan has a Wage Rate Contribution arrangement for all eligible employees working on a project covered by a Prevailing Wage Rate Schedule and shall be equal to the Fringe Benefit Pension Rate determined for such participant multiplied by each hour of service performed for the year. There were no Wage Rate Contributions made for the Plan years ended December 31, 2024 and 2023.

**Employer Profit Sharing Contributions**

The Plan has a discretionary Profit Sharing Contribution arrangement for all eligible employees and is determined annually by the Company. The eligible employees are participants who have completed a year of service with the Company and who are active participants on the last day of the Plan year. The amount allocated to each eligible employee in each allocation group is equal to the sum of discretionary contributions multiplied by the

ratio of his or her annual compensation to the total of such compensation for all eligible employees in each allocation group. The Company did not make any discretionary profit sharing contributions for the Plan years ended December 31, 2024 and 2023.

**Safe Harbor Contributions**

The Plan has a safe harbor employer contribution for all employees who are eligible to make salary deferrals into the Plan. The eligible employees will not be required to work a certain number of hours or be employed on the last day of the Plan year to receive the safe harbor employer contributions. The safe harbor contribution is equal to approximately 3.00% of the employees' Plan compensation. The Company made \$271,808 and \$276,476 in safe harbor employer contributions for the Plan years ended December 31, 2024 and 2023, respectively.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, employer wage rate contributions, safe harbor employer contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined.

**Vesting**

Participants are immediately vested 100% in employee portions of all contributions and safe harbor employer contributions plus actual earnings thereon. Participants are vested at the rate of 20% each year after two years of vesting service (20% vested in second year) in employer discretionary profit sharing contributions. However, participants are immediately vested 100% in employer discretionary profit sharing contributions made prior to the 2009 Plan year.

**Plan Termination**

Although the Company has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Payments of Benefits**

A terminating participant of the Plan is paid the current value of all contributions made to his or her separate account in the Plan.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

**Receivables**

Receivables represent amounts due to the Plan for safe harbor employer contributions and employee contributions made subsequent to the year end for the Plan years ended December 31, 2024 and 2023. There is no collateral related to these receivables. The Plan performed a review of various factors, such as outstanding receivables, historical experience, and economic conditions, to determine that an allowance for current expected credit losses does not have a material impact on the financial statement balances as presented. Uncollectible receivable accounts are expensed in the period if any such amounts are determined.

**Concentration of Credit Risk**

Financial instruments, which potentially subject the Plan to concentration of credit risk, consist of investments.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. There were no discrimination tests performed for the Plan years ended December 31, 2024 and 2023 due to the inclusion of the safe harbor contribution provisions in the Plan. There were no excess contributions distributed for the Plan years ended December 31, 2024 and 2023.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Payments of Benefits**

Benefits paid out of the Plan are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

**NOTE 3 FAIR VALUE MEASUREMENTS**

FASB Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 3 FAIR VALUE MEASUREMENT (continued)**

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

General Account: Liquidation value based on actuarial formula as defined under the terms of the contract and no unobservable inputs.

Pooled Separate Account with underlying mutual fund investment: Unit value calculated based on the observable Net Asset Value (NAV) of the underlying investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Mutual Funds		8,568,072		8,568,072

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 4 CERTIFIED INFORMATION**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023;
- Net appreciation in fair value of investments and dividends reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024;
- Investments reflected on the schedule of assets (held at end of year).

**NOTE 5 FORFEITURES**

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$634 and \$2,441, respectively. These amounts were used to reduce the Company's safe harbor employer contributions at December 31, 2024 and 2023.

**NOTE 6 PARTY-IN-INTEREST TRANSACTIONS**

Asset Management fees: Certain Plan investments are shares of pooled separate accounts and funds held in insurance company general account managed by Empower. Empower is the trustee and custodian, as defined by the Plan, and qualifies as a party-in-interest. Total fees paid from the Plan assets during the years ended December 31, 2024 and 2023 were \$3,353 and \$1,300, respectively. In addition, Empower also receives fees from each investment option in the Plan based on the percentage rate on the Plan's year-end balance.

Retirement Service Group Inc. is the third-party administrator, as defined by the Plan, and qualifies as a party-in-interest. Total fees paid from Plan assets during the years ended December 31, 2024 and 2023 were \$3,900 and \$2,475, respectively.

**NOTE 7 DELINQUENT PARTICIPANT CONTRIBUTIONS**

The Company failed to remit certain employee deferrals to the Plan in a timely manner according to DOL regulations aggregating \$40 for the plan year ended 2023. The Plan sponsor did not remit the deferrals during the year ended December 31, 2023, and intends to remit a 50% QNEC contribution and compensate the participant for any lost earnings resulting from the delay in contributions during 2025.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 8 SELF CORRECTIONS PROGRAM**

The Company intends to correct the operational error related to employee deferrals from the December 31, 2023 year end, under the IRS's Employee Plans Compliance Resolutions System using the Self-Correction program in 2025.

**NOTE 9 ADMINISTRATIVE COSTS**

Administrative costs of the Plan have been paid for by the Company and the participants.

**NOTE 10 TAX STATUS**

The Internal Revenue Service has determined and informed the Company by a letter dated March 19, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter.

However, Plan management and the administrator believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities.

The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that the Plan did not have unrecognized tax liabilities as of December 31, 2024 and 2023 and does not expect this to change over the next 12 months. The Plan is subject to routine audits by taxing jurisdictions; however, currently there are no audits for any tax periods in progress.

**NOTE 11 RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. They are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Except as disclosed in Note 1, Trustees confirm that no significant events or transactions have occurred subsequent to the Plan year end and through October 14, 2025, that would require adjustment to, or disclosure in, the financial statements.

**NOTE 13 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

There were no differences between the Form 5500 and the financial statements as of December 31, 2024 and 2023 and for the year ended December 31, 2024.
