## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustee  
Sysintelli, Inc. 401(k) Profit Sharing Plan & Trust  
San Diego, California

### **Opinion**

We have audited the accompanying financial statements of Sysintelli, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Line 4i - schedule of assets (held at end of year), as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**SYSINTELLI, INC. 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 1 - DESCRIPTION OF PLAN**

The Plan adopted by Sysintelli, Inc. (the "Employer") is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The following description of the Sysintelli, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

**A. General**

The Plan is a defined contribution plan covering all full-time employees of Sysintelli, Inc. Employees aged 21 and older are eligible to participate in the Plan. 500 hours of service shall be required to constitute a year of eligibility service. The Plan was originally effective on January 01, 2007, and was restated on May 20, 2022. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended.

**B. Plan Administration**

The Employer is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Employer has delegated certain responsibilities for the operation and administration of the Plan. Third party Administrator and recordkeeping services are provided by the Paychex.

Certain administrative expenses of the Plan, including recordkeeping, were paid directly by the Employer for the year ending December 31, 2024. Investment fees which may vary according to the individual funds selected, are paid out of the assets of the Plan. Participants should refer to the prospectus of the individual investment funds for further details on individual investment fees.

**C. Contributions**

Each year, participants may contribute up to 96% of annual compensation in an increment of 1% as defined in the Plan. The law limits the amount of 401(k) elective deferral contributions in any tax year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. Sysintelli, Inc. contributes additional profit-sharing amounts at the option of the board of directors. Contributions are subject to certain limitations. The limits include:

	<u>2024</u>	<u>2023</u>
Dollar limit on IRC Sec. 401(k) pre-tax contributions	\$ 23,000	\$ 22,500
Dollar limit on IRC Sec. 414(v) catch-up contributions	\$ 7,500	\$ 7,500
Dollar Limit on Defined Contribution Limits	\$ 69,000	\$ 66,000
Maximum covered compensation [IRC 401(a)(17)]	\$ 345,000	\$ 330,000

**D. Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer Profit Sharing Contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**E. Vesting**

Participants are vested in the range of 20%-100% progressively on completing two years of service. A participant is 100% vested after six years of credited service. 1000 hours of service must require to constitute a Year of Vesting Service.

**SYSINTELLI, INC. 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 1 - DESCRIPTION OF PLAN - CONT'D**

***F. Participant Loans***

The Plan provides that participants can borrow funds of at least \$1,000 up to a maximum equal to the lesser of 95% of their vested account balance or \$50,000. The Plan allows for one outstanding loan per participant. The loans are secured by the balance in the participant's account and bear interest at fixed rates equal to the published prime rate plus one percent. The term of the loan cannot exceed five years, except if the loan proceeds are used to finance the purchase of a primary residence, in which case the loan term may not exceed ten years. Principal and interest are paid ratably through payroll deductions.

***G. Payment of Benefits***

A Participant's Elective Deferrals, Qualified Nonelective Contributions, and earnings attributable to these contributions shall be distributed on account of the Participant's severance from employment. A Participant who has not incurred a Severance from Employment is entitled to request an in-service withdrawal from the Plan of that portion of the Participant's Individual Account attributable to Elective Deferrals, Qualified Nonelective Contributions, and Qualified Matching Contributions if the participant has attained age 59½. In-service distributions will be available from Pre-Tax and/or Roth Elective Deferrals.

***H. Forfeited Accounts***

Forfeitures from nonvested participant accounts are used to reduce the Plan's future Plan contribution obligations and pay certain administrative expenses of the Plan. As of December 31, 2024, and 2023 there were no forfeited nonvested accounts.

***I. Tax Status***

The Internal Revenue Service has determined and informed the plan sponsor by a letter dated August 31, 2020, that the Plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the plan sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. While the Plan is subject to routine audits by taxing jurisdictions, no audits are currently in progress for any tax periods.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***A. Basis of Accounting***

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting. Investment contracts held by a defined-contribution Plan are required to be reported at fair value. However, the contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution Plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts and the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

**SYSINTELLI, INC. 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONT'D**

***B. Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, as well as the disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

***C. Payment of Benefits***

Benefits are recorded when paid to the participants.

***D. Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***E. Loans to participants***

Loans to participants are measured at their unpaid principal balance. As of December 31, 2024, and 2023, the outstanding balances are \$90,766 and \$46,013, respectively.

***F. Operating Expenses***

Certain expenses of maintaining are paid by the Employer. A portion of the administrative cost is distributed among participants.

**NOTE 3 - PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Mid-Atlantic Trust Company and therefore, those transactions qualify as exempt party-in-interest transactions.

**NOTE 4 - INVESTMENTS**

The Plan's investments are held in a mutual fund by the Mid-Atlantic Trust Company. During the fiscal year ended 2024, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by \$254,612.

Moreover, changes in net assets during the year ended December 31, 2024, are as follows:

	<u>Beginning Balance</u>	<u>Contributions &amp; Earnings</u>	<u>Distributions &amp; Fees</u>	<u>Transfers</u>	<u>Ending Balance</u>
Interest-bearing cash	\$ 654,545	\$ 142,805	\$ (17)	\$ (57,353)	\$ 739,980
Registered Investment Co. & Loan	<u>1,616,133</u>	<u>638,289</u>	<u>(50,728)</u>	<u>57,353</u>	<u>2,261,047</u>
Total	<u>\$ 2,270,678</u>	<u>\$ 781,094</u>	<u>\$ (50,745)</u>	<u>\$ -</u>	<u>\$ 3,001,027</u>

**SYSINTELLI, INC. 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 4 - INVESTMENTS - CONT'D**

Investment income (loss) for the year ended December 31, 2024, was as follows:

Net appreciation in fair value of investments	\$ 254,612
Dividends	<u>102,824</u>
Total investment income	<u>\$ 357,436</u>

**NOTE 5 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820-10-3539 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

Money Market Deposit Funds - Valued at the carrying amount, which approximates fair value. Based on the amount of net contributions plus any investment earnings allocated to the account.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded, and are classified as level 1 investments in the fair value hierarchy.

**NOTE 5 - FAIR VALUE MEASUREMENTS - CONT'D**

Exchange Traded Funds - Valued at the closing price reported by the fund. Exchange traded funds (ETF) held by the Plan are open-ended management investment companies that are registered with the Securities and Exchange Commission. The shares are traded throughout the day at the market price.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets as of December 31, 2024 and 2023:

<u>Category</u>	<u>Fair value of investments as of December 31, 2024</u>

**NOTE 6 - ERISA FIDELITY BOND**

In accordance with ERISA Section 412, the Plan covers a fidelity bond intended to protect the Plan from risk of loss due to fraud or dishonesty on the part of persons who handle funds or other property on behalf of the Plan.

**NOTE 7 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market volatility, and credit risks. These risks may be impacted by certain external financial, business, and other factors, such as the effects of economic downturns, natural disasters, pandemics, war, or hostilities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 8 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE 9 - SUBSEQUENT EVENTS**

The management has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements, nor have any subsequent events occurred, the nature of which would require disclosure.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustee  
Sysintelli, Inc. 401(k) Profit Sharing Plan & Trust  
San Diego, California

### **Opinion**

We have audited the accompanying financial statements of Sysintelli, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Line 4i - schedule of assets (held at end of year), as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**SYSINTELLI, INC. 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 1 - DESCRIPTION OF PLAN**

The Plan adopted by Sysintelli, Inc. (the "Employer") is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The following description of the Sysintelli, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

**A. General**

The Plan is a defined contribution plan covering all full-time employees of Sysintelli, Inc. Employees aged 21 and older are eligible to participate in the Plan. 500 hours of service shall be required to constitute a year of eligibility service. The Plan was originally effective on January 01, 2007, and was restated on May 20, 2022. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended.

**B. Plan Administration**

The Employer is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Employer has delegated certain responsibilities for the operation and administration of the Plan. Third party Administrator and recordkeeping services are provided by the Paychex.

Certain administrative expenses of the Plan, including recordkeeping, were paid directly by the Employer for the year ending December 31, 2024. Investment fees which may vary according to the individual funds selected, are paid out of the assets of the Plan. Participants should refer to the prospectus of the individual investment funds for further details on individual investment fees.

**C. Contributions**

Each year, participants may contribute up to 96% of annual compensation in an increment of 1% as defined in the Plan. The law limits the amount of 401(k) elective deferral contributions in any tax year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. Sysintelli, Inc. contributes additional profit-sharing amounts at the option of the board of directors. Contributions are subject to certain limitations. The limits include:

	<u>2024</u>	<u>2023</u>
Dollar limit on IRC Sec. 401(k) pre-tax contributions	\$ 23,000	\$ 22,500
Dollar limit on IRC Sec. 414(v) catch-up contributions	\$ 7,500	\$ 7,500
Dollar Limit on Defined Contribution Limits	\$ 69,000	\$ 66,000
Maximum covered compensation [IRC 401(a)(17)]	\$ 345,000	\$ 330,000

**D. Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer Profit Sharing Contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**E. Vesting**

Participants are vested in the range of 20%-100% progressively on completing two years of service. A participant is 100% vested after six years of credited service. 1000 hours of service must require to constitute a Year of Vesting Service.

**SYSINTELLI, INC. 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 1 - DESCRIPTION OF PLAN - CONT'D**

***F. Participant Loans***

The Plan provides that participants can borrow funds of at least \$1,000 up to a maximum equal to the lesser of 95% of their vested account balance or \$50,000. The Plan allows for one outstanding loan per participant. The loans are secured by the balance in the participant's account and bear interest at fixed rates equal to the published prime rate plus one percent. The term of the loan cannot exceed five years, except if the loan proceeds are used to finance the purchase of a primary residence, in which case the loan term may not exceed ten years. Principal and interest are paid ratably through payroll deductions.

***G. Payment of Benefits***

A Participant's Elective Deferrals, Qualified Nonelective Contributions, and earnings attributable to these contributions shall be distributed on account of the Participant's severance from employment. A Participant who has not incurred a Severance from Employment is entitled to request an in-service withdrawal from the Plan of that portion of the Participant's Individual Account attributable to Elective Deferrals, Qualified Nonelective Contributions, and Qualified Matching Contributions if the participant has attained age 59½. In-service distributions will be available from Pre-Tax and/or Roth Elective Deferrals.

***H. Forfeited Accounts***

Forfeitures from nonvested participant accounts are used to reduce the Plan's future Plan contribution obligations and pay certain administrative expenses of the Plan. As of December 31, 2024, and 2023 there were no forfeited nonvested accounts.

***I. Tax Status***

The Internal Revenue Service has determined and informed the plan sponsor by a letter dated August 31, 2020, that the Plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the plan sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. While the Plan is subject to routine audits by taxing jurisdictions, no audits are currently in progress for any tax periods.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***A. Basis of Accounting***

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting. Investment contracts held by a defined-contribution Plan are required to be reported at fair value. However, the contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution Plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts and the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

**SYSINTELLI, INC. 401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONT'D**

***B. Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, as well as the disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

***C. Payment of Benefits***

Benefits are recorded when paid to the participants.

***D. Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***E. Loans to participants***

Loans to participants are measured at their unpaid principal balance. As of December 31, 2024, and 2023, the outstanding balances are \$90,766 and \$46,013, respectively.

***F. Operating Expenses***

Certain expenses of maintaining are paid by the Employer. A portion of the administrative cost is distributed among participants.

**NOTE 3 - PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Mid-Atlantic Trust Company and therefore, those transactions qualify as exempt party-in-interest transactions.

**NOTE 4 - INVESTMENTS**

The Plan's investments are held in a mutual fund by the Mid-Atlantic Trust Company. During the fiscal year ended 2024, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by \$254,612.

Moreover, changes in net assets during the year ended December 31, 2024, are as follows:

	<u>Beginning Balance</u>	<u>Contributions &amp; Earnings</u>	<u>Distributions &amp; Fees</u>	<u>Transfers</u>	<u>Ending Balance</u>
Interest-bearing cash	\$ 654,545	\$ 142,805	\$ (17)	\$ (57,353)	\$ 739,980

**NOTE 5 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820-10-3539 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

Money Market Deposit Funds - Valued at the carrying amount, which approximates fair value. Based on the amount of net contributions plus any investment earnings allocated to the account.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded, and are classified as level 1 investments in the fair value hierarchy.

**NOTE 5 - FAIR VALUE MEASUREMENTS - CONT'D**

Exchange Traded Funds - Valued at the closing price reported by the fund. Exchange traded funds (ETF) held by the Plan are open-ended management investment companies that are registered with the Securities and Exchange Commission. The shares are traded throughout the day at the market price.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets as of December 31, 2024 and 2023:

**NOTE 6 - ERISA FIDELITY BOND**

In accordance with ERISA Section 412, the Plan covers a fidelity bond intended to protect the Plan from risk of loss due to fraud or dishonesty on the part of persons who handle funds or other property on behalf of the Plan.

**NOTE 7 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market volatility, and credit risks. These risks may be impacted by certain external financial, business, and other factors, such as the effects of economic downturns, natural disasters, pandemics, war, or hostilities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 8 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE 9 - SUBSEQUENT EVENTS**

The management has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements, nor have any subsequent events occurred, the nature of which would require disclosure.
