(1) Name: HOLYFIELD & THOMAS LLC

(2) EIN: 65-1083521

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

Jetstream Ground Services, Inc. 401 (k) Plan
Jupiter, Florida

We have audited the financial statements of JetStream Ground Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Empower Retirement, LLC, the custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 1, 2025. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by JetStream Ground Services, Inc. 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2024. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Estimates

Accounting estimates are an integral part of financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements is the fair value of financial instruments. We evaluated the methods, assumptions, and data used to develop the fair value of financial instruments in determining that it is reasonable in relation to the financial statements taken as a whole.

Disclosures

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

The following adjustments were proposed and recorded as a result of our audit procedures:

- To record deemed distributions in the current year for defaulted loans.
- To adjust distributions for prior year's deemed loans due to a distributable event.

Adjustments made during the year included recording liabilities related to excess participant contributions. Also, reclassification entries were necessary in order to reconcile the financial statements with the Form 5500.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
JetStream Ground Services, Inc. 401(k) Plan
Jupiter, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of JetStream Ground Services, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of JetStream Ground Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JetStream Ground Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JetStream Ground Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JetStream Ground Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JetStream Ground Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. **Description of Plan**

The following description of the JetStream Ground Services, Inc. 401(k) Plan, (the "Plan") provides for general information purpose only. Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan's provisions.

- a) *General* – The Plan is a defined contribution plan covering all employees of JetStream Ground Services, Inc. (the "Company") who have at least four months of service, excluding non-resident aliens and leased employees. There is no age requirement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on January 1, 2004, and most recently restated effective January 1, 2022, as required by the Internal Revenue Service's (IRS) restatement cycle.
- b) *Plan Administration* – The trustee of the plan is an officer and employee of the Company. Empower Retirement (Empower) held custody and serviced the Plan's investment assets as of December 31, 2024 and 2023. National Professional Planning Group, Inc. (NPPG), is the Plan's third-party administrator as of December 31, 2024 and 2023.
- c) *Contributions* – Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan and as subject to limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Participants may cease their individual contributions at any time, but may otherwise alter their deferral percentage on the first day of each month. The Plan includes an automatic deferral feature. Under this feature, if an employee satisfies the eligibility requirements, the Company will automatically withhold an established salary deferral percentage unless a salary reduction agreement is completed indicating otherwise. For the year ended December 31, 2024, the automatic enrollment deferral percentage was 4%. The plan allows the employer to make discretionary matching contributions. The employer matches 25% of the participant's deferrals up to 4% of plan compensation. The plan also allows the employer to make qualified nonelective contributions.
- d) *Participant Accounts* – Each participant's account is adjusted for participant's contributions, employer matching contributions, Plan earnings, and distributions, as well as a portion of plan expenses. In addition, participant accounts may be credited with an allocation of qualified nonelective contributions, if any. Allocations are based on a uniform percentage of the plan compensation to all non-highly compensated participants.
- e) *Vesting* – Participants are immediately vested in their contributions plus actual earnings thereon, as well as qualified nonelective contributions, if any. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant becomes 100% vested after 4 years of continuous service or immediately upon death or disability.

1. **Description of Plan, continued**

- f) *Administrative Expenses* – Individual participants pay for loan and distribution fees, and investment management expenses. The Plan sponsor pays for all other costs of plan administration.
- g) *Investment Options* – Upon enrollment in the Plan, a participant may direct the investment of their contributions to various investment options offered in the Empower portfolio of investments. Participants may change their investment options via phone or Internet access at any time.
- h) *Participant Notes Receivable* – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their individual vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant loan fund. Loan terms range from 6 months to 5 years or up to 10 years for the purchase of a primary residence. The loans bear interest at prevailing market rates as determined by the loan administrator. The interest rate is 1% higher than the prime rate when the loan is made. The interest rates on participant loans receivable as of December 31, 2024 and 2023, ranged from 4.25% to 9.50%. Principal and interest are paid ratably through bi-weekly and weekly payroll deductions. Loans to participants are reported at their unpaid principal balances plus any accrued interest. The loan balances are secured by the participants' investment accounts, therefore, no allowance for uncollectible loans was deemed necessary. For purposes of presentation on the schedule of assets held for investment purposes, the participant notes receivable are presented as part of the investments in the Form 5500 and are referred to as participant loans.
- i) *Payments of Benefits* – Upon retirement, disability, or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Hardship distributions, and in-service distributions for participants that have attained age 59½, are allowed under the plan. Furthermore, a participant who has salary deferrals contributed to the Plan pursuant to the automatic deferral election may elect to withdraw such contributions (and earnings attributable thereto) within 90 days after the first default salary deferral.
- j) *Forfeited Accounts* – All non-vested benefits are forfeited by participants should they terminate employment prior to becoming vested. Such forfeitures are used by the Company to reduce future employer contributions and/or to pay plan expenses. During 2024, \$149,490 was forfeited by employees. A total of \$48,880 of forfeitures were applied to reduce employer contributions in 2024. There were \$121,473 and \$49,479 in forfeitures available as of December 31, 2024 and 2023, respectively.

2. **Summary of Significant Accounting Policies**

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.

2. **Summary of Significant Accounting Policies, continued**

- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c) *Valuation of Investments and Income Recognition* – The Plan's investments are stated at fair value except for its benefit-responsive investment contract, which is valued at contract value (See Note 5). Investments are valued at quoted market prices, if available, of a national securities exchange on the last business day of the year. Investment options that do not have readily available market quotations are valued according to quotations from the custodian. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.
- d) *Payment of Benefits* – Benefits are recorded when paid.
- e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rates, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Certain Plan investments are mutual funds managed by the custodian. Changes in the custodian's management may affect operating results of the funds adversely. Additionally, the financial position of the Plan Sponsor, JetStream Ground Services, Inc., may have a significant impact on the Plan. Specifically, the ability of the Plan Sponsor to continue to make contributions and/or the stability of the Plan Sponsor's operations. Other external factors which may affect the Plan, and the Plan assets include legislation or regulations established by the Internal Revenue Service, Employee Retirement Income Security Act of 1974 (ERISA), and/or Department of Labor (DOL).

3. **Fair Value Measurements**

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;

3. **Fair Value Measurements, continued**

Level 2 – Inputs to the valuation methodology include (*continued*):

- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following descriptions list the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

- a) *Mutual funds held in pooled separate accounts* – Valued at the unit value calculated based on the observable net asset value (NAV) of the underlying investment, as quoted by the custodian, of units held by the plan at year-end. These unit values are updated daily.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds held in pooled separate accounts	<u>\$ -</u>	<u>\$ 2,761,938</u>	<u>\$ -</u>	<u>\$ 2,761,938</u>
	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds held in pooled separate accounts	<u>\$ -</u>	<u>\$ 3,807,124</u>	<u>\$ -</u>	<u>\$ 3,807,124</u>

4. Information Certified by the Plan's Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the custodian as of December 31, 2024 and 2023, certified that the data included in the accompanying financial statements and supplemental schedule is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule. The following information was prepared and certified as complete and accurate by the custodian:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	<u>\$ 2,761,938</u>	<u>\$ 3,807,124</u>
Investments, at contract value	<u>\$ 61,383</u>	<u>\$ 115,251</u>
Net appreciation in fair value of investments	<u>\$ 344,185</u>	
Dividends	<u>\$ 106,844</u>

5. Investment Contract with Insurance Company

The Plan has a traditional fully benefit-responsive group annuity contract (i.e., Fixed Account investment option) with Empower Retirement. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the Fixed Account investment at December 31, 2024 and 2023, was \$61,383 and \$115,251, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. The crediting interest rate is reviewed on a quarterly basis for resetting. The crediting interest rate at December 31, 2024 and 2023 was 2.80%.

Certain events limit the Plan's ability to transact at contract value with Empower. If the employer discontinues the contract and move's the plan's assets to another provider, amounts invested in the Fixed Account may be subject to a market value adjustment, which may alter the amount paid at discontinuance based on the formula set forth in the contract, or may be paid out over a set period of years as specified in the contract.

5. Investment Contract with Insurance Company, continued

Additional events that limit the Plan's ability to transact at contract value with Empower include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

6. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants within 2½ months of year-end. Excess contributions are reflected as a liability in the statement of net assets available for benefits.

7. Related Party Transactions

Certain plan investments are held by Empower Retirement. Empower is the custodian as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. However, they are not considered prohibited transactions in accordance with appropriate ERISA exceptions.

8. Tax Status

The Plan is utilizing a Non-Standardized Pre-Approved Profit Sharing Plan document provided by its TPA, National Professional Planning Group, Inc. The Plan reflects the implementation of the recent legislative changes in the regulations governing qualified tax-deferred arrangements via the IRS's Cycle 3 restatement. The restated Plan received an IRS opinion letter dated June 30, 2020. Although the Plan has been amended since receiving the IRS opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and accrued benefits, to the extent funded or required to be funded, which must be distributed to the participants.

10. Subsequent Events

The Plan's management has evaluated subsequent events through October 13, 2025, the date on which the financial statements were available to be issued, and determined there was one event to disclose as described below.

Management has decided to terminate the plan in the future, however no specified date has been elected as of the date of these financial statements.

11. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2024 and 2023 to Schedule H of Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 3,001,067	\$ 4,074,212
Participant loans deemed distributed	(14,279)	(9,226)
Excess contributions payable	<u>2,209</u>	<u>5,371</u>
Net assets available for benefits per the Schedule H of Form 5500	<u>\$ 2,988,997</u>	<u>\$ 4,070,357</u>

The following is a reconciliation of the change in net assets per the financial statements for the year ended December 31, 2024 to Schedule H of Form 5500:

	<u>2024</u>
Change in net assets per the financial statements	\$(1,073,145)
2023 participant loans deemed distributed	9,226
2024 participant loans deemed distributed	(14,279)
2023 excess contributions payable	(5,371)
2024 excess contributions payable	<u>2,209</u>
Change in net assets per the Schedule H of Form 5500	<u>\$(1,081,360)</u>

The Plan reports defaulted loans as deemed distributions, which generate Form 1099-Rs for Form 5500 purposes. However, for financial statement purposes the loans are considered assets as participant loans and remain in the plan until a distributable event occurs. Once a distributable event occurs, the Plan will offset the loans against distributions, and the loans will no longer be assets on the financial statements. For these purposes, distributable events include termination of employment, death, and disability. Excess contributions are recorded as distributions on the Schedule H of Form 5500 according to the cash basis of accounting, which is when excess contributions are paid.
