Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **HOGAN TAYLOR, LLP**

(2) EIN: **73-1413977**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

- a** Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)
- b** Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)
- c** Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)
- d** Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)
- e** Was this plan covered by a fidelity bond?
- f** Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?
- g** Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?
- h** Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?
- i** Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)
- j** Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)
- k** Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?
- l** Has the plan failed to provide any benefit when due under the plan?
- m** If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)
- n** If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

INDEPENDENT AUDITOR'S REPORT

To the Participants, Plan Administrator, and Retirement Plan Investment Committee
Andale Ready Mix Central, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Andale Ready Mix Central, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Information Required by ERISA

The supplemental information, schedule of delinquent participant contributions and schedule of assets (held at end of year) as of or for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ANDALE READY MIX CENTRAL, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note 1 – Description of the Plan

Andale Ready Mix Central, Inc. (the Company) sponsors the Andale Ready Mix Central, Inc. 401(k) Plan (the Plan). The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of the employees of the Company and participating employers (collectively, the Employer), except for leased employees and employees covered under a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Retirement Plan Investment Committee, a committee appointed by the Company's board of directors, is responsible for the oversight of the Plan, and a member of the Company's management serves as the Plan's trustee. Mid Atlantic Trust Company (the Custodian) holds the Plan assets. Allen, Gibbs & Houlik, L.C. maintains the records of the participant data.

Eligibility

Nonexcluded employees who have reached 21 years of age and have completed six months and 500 hours of service are eligible to participate in the Plan. Participants may enter the Plan on the first day of each quarter after satisfying eligibility requirements.

Contributions

Participants may contribute up to 75% of their compensation, as defined in the Plan document, as either pretax or Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan also provides for Employer safe harbor matching contributions of 100% of deferrals up to 3%, plus 50% of deferrals on the next 2% of a participant's compensation. Employer safe harbor matching contributions are based on deferrals made each payroll period.

The Plan also provides for additional discretionary Employer matching contributions. For the year ended December 31, 2024, there were no discretionary Employer matching contributions.

Additional amounts may be contributed by the Employer under the Plan's nonelective provisions at the discretion of the Company's board of directors. Unless termination is due to death, disability or retirement, participants must be employed on the last day of the Plan year and must complete 1,000 hours of service during the Plan year to receive an allocation of Employer nonelective contributions. Allocations of Employer nonelective contributions are based on the classification of participants method. For the year ended December 31, 2024, there were no Employer nonelective contributions.

Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations of the Internal Revenue Code (the Code).

Participant accounts

Each participant's account is credited with participant contributions, Employer matching contributions, and allocations of Employer nonelective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and Employer safe harbor matching contributions plus actual earnings thereon. Vesting in Employer additional matching and nonelective contributions is based upon years of continuous service as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
One, but less than two years	20%
Two, but less than three	40%
Three, but less than four	60%
Four, but less than five	80%
Five years or more	100%

Participants automatically become 100% vested upon normal retirement (attainment of age 65), disability, or death. Participants who terminate for any other reason are entitled to the vested amount of their accounts.

Notes receivable from participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the excess of the highest outstanding loan balance during the preceding 12-month period over the outstanding loan balance on the date of the, or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 9.50%, which is based on a reasonable rate of interest commensurate with the interest rates charged under similar circumstances. Participants may only have one loan outstanding at any given time. Terms range from one to five years. Principal and interest is paid ratably through payroll deductions.

Payment of benefits

Upon retirement, termination, disability, or death, a participant, or his or her beneficiary in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Additionally, participants may take in-service distributions upon reaching age 59½. Upon termination, automatic distributions are required for balances of less than \$7,000. Automatic distributions above \$1,000 made without the participant's consent are rolled into an individual retirement account designated by the Custodian.

Forfeitures

Forfeitures may be used to restore participant balances previously forfeited, to pay Plan administrative expenses, or to reduce Employer contributions. The Plan had no unallocated forfeitures as of December 31, 2024 and 2023. For the year ended December 31, 2024, no forfeitures were utilized.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets. Investment expenses netted against investment income represent amounts associated with the net expense ratios of the investments in the Plan's fund lineup. The Plan participates in an agreement with the Custodian, where excess revenue may be returned and deposited into an unallocated revenue credit account. The amounts in the unallocated revenue credit account may be used to pay reasonable and necessary Plan expenses or may be allocated to participants. There were \$230 and \$0 of unallocated funds in the revenue credit account as of December 31, 2024 and 2023, respectively. For the year ended December 31, 2024, the Plan used \$457 from the revenue credit account to pay certain Plan expenses.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the valuation policies utilizing information provided by the Custodian of the Plan. See Note 4 for discussion of fair value measurements and Note 5 for contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for delinquent notes receivable from participants has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Contributions

Participant contributions, and the related Employer matching contributions, are recorded in the year in which the participant deferrals are withheld from compensation. Employer nonelective contributions are recorded as contributions once approved by the Company's board of directors for the respective Plan year.

Payment of benefits

Benefit payments are recorded when paid. There were no benefits requested before year-end that were not paid.

Subsequent events

The Plan administrator has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued.

Note 3 – Information Certified by the Plan's Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2024 and 2023;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024;
- Investment information included in the footnotes and on the supplemental schedule of assets (held at end of year) as of December 31, 2024.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There has been no change in the methodology used as of December 31, 2024 and 2023. During the year ended December 31, 2024, there were no transfers of financial instruments into or out of Level 3.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds – Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31:

	Fair value measurements as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds and total investments at fair value	\$ 9,741,091	\$ -	\$ -	\$ 9,741,091
	Fair value measurements as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds and total investments at fair value	\$ 7,349,000	\$ -	\$ -	\$ 7,349,000

Note 5 – Fully Benefit Responsive Investment Contract

The Plan holds a traditional guaranteed investment contract, issued by Standard Insurance Company (the Standard). This contract meets the fully benefit responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Standard is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the Standard but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated by the Plan before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with the fully benefit responsive investment contract is dependent on the Standard's ability to meet its financial obligations. The Standard's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the Standard. Upon occurrence of these events, a market value adjustment or other withdrawal restrictions may apply. Examples of such events include, but are not limited to the following:

- Termination of the contract
- Spin-offs, divestitures, layoffs, or corporate relocation

- Partial or total Plan termination
- Retirement incentive programs
- Liberalization of Plan withdrawal or transfer rules

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the Standard and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the Standard to terminate the contract with the Plan and settle at an amount different from contract value. The Standard may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause. Examples of such events that would be considered a reasonable cause include:

- The contract owner's failure to abide by state or federal law
- Failure to render performance necessary to comply with the terms of the contract
- Failure to maintain assets of at least \$25,000
- Plan disqualification
- Failure to adopt the Plan in a reasonable period of time

Note 6 – Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services. Certain administrative expenses, totaling approximately \$65,700, were paid by the Company on behalf of the Plan for the year ended December 31, 2024. The Company does not expect reimbursement from the Plan for these expenses.

The Plan also holds notes receivable from participants. These transactions qualify as party-in-interest transactions.

Certain fees incurred by the Plan are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan also made direct payments to service providers which were not covered by revenue sharing.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Employer contribution portion of their accounts.

Note 8 – Tax Status

The Company adopted a preapproved defined contribution plan (the Preapproved Plan) sponsored by Hinkle Law Firm LLC. The Internal Revenue Service has determined and informed the Preapproved Plan sponsor by a favorable opinion letter dated June 30, 2020, that the Preapproved Plan is designed in accordance with the applicable sections of the Code. The Preapproved Plan's opinion letter is being relied on by the Plan. Although the Plan has been amended since receiving the opinion letter, Plan management

believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and therefore, believes that the Plan is qualified and the related trust is tax-exempt. The Plan administrator has indicated that it will take the necessary steps, if any, to maintain the Plan's tax-exempt status.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported on the statements of net assets available for benefits.

Note 10 – Prohibited Transactions

During the years ended December 31, 2024, 2023, 2022, and 2021, the Company inadvertently failed to deposit \$30,510, \$349,673, \$650,737, and \$304,481, respectively, of participant contributions and loan repayments within the required timeframe as stated by the DOL. The DOL considers late deposits to be nonexempt prohibited transactions.
