## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the  
Arts & Letters Creative Co., LLC 401(K) Plan  
Richmond, Virginia

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Arts & Letters Creative Co., LLC 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **Auditor's Responsibilities for the Audit of the Financial Statements, Continued**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the Planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter**

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

## Supplemental Schedules Required by ERISA, Continued

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agree to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agree to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agree to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan also allows for discretionary profit-sharing contributions as elected by the Company. There were no profit-sharing contributions for 2024 or 2023. Contributions are subject to certain limitations.

**Participant Accounts:** Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investment Options:** Participants may direct the trustee as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time.

**Vesting:** Participants are immediately vested in their contributions and the Company safe harbor match, plus actual earnings thereon. Participants become fully vested after six years in nonelective profit-sharing Company contributions.

**Notes Receivable from Participants:** Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years, unless the proceeds are used to acquire a principal residence. The loans are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants, deemed to be in default by the plan administrator, are reclassified as distributions based upon the terms of the Plan document. Management has evaluated notes receivable from participants for collectability and has determined that no allowance is considered necessary.

#### 1. Description of Plan, Continued:

**Plan Administration:** Overall responsibility for administering the Plan rests with the Company. Participant accounts are administered by 4A's Benefits, Inc., the third-party administrator and recordkeeper of the plan, and affiliate of AAAA Retirement Fund for Member Agencies, the trustee of the Plan.

**Payment of Benefits:** Distribution of the vested portion of a participant's account will occur upon the participant's termination of service, retirement, death, disability, or hardship withdrawal, as defined in the Plan. A participant is entitled to receive a lump-sum payment in an amount equal to the vested value of his or her account.

**Forfeitures:** Forfeited balances of terminated participants' non-vested accounts are used to reduce Company contributions. There was no forfeited balance at December 31, 2024 and 2023.

#### 2. Summary of Significant Accounting Policies:

**Basis of Accounting:** The financial statements of the Plan are prepared on the accrual method of accounting.

**Investment Valuation and Income Recognition:** The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits:** Benefits are recorded when paid.

**Use of Estimates:** The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

#### 2. Summary of Significant Accounting Policies, Continued:

**Subsequent Events:** Management has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued and, except as described below, has determined that there are no subsequent events to be reported in the accompanying financial statements.

In July 2025, the Plan was amended to eliminate its safe harbor provision, effective August 1, 2025. As a result, employer safe harbor contributions will no longer be made after that date. This amendment does not impact the financial statements for the year ended December 31, 2024, during which the Plan operated under its safe harbor provisions and remains obligated to fund the required employer contributions for that period.

#### 3. Fair Value Measurements:

The Financial Accounting Standards Board (“FASB”) has issued guidance for measurement and disclosure of fair value and established a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology are quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common/collective trust:** Valued at the NAV of shares held by the Plan at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determinable to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

#### 3. Fair Value Measurements, Continued:

**Common/collective trust, continued:** Were the Plan to initiate a full redemption of the common/collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value:

	Assets at Fair Value as of December 31, 2024	
	Level 1	Total
Assets:		
Mutual funds	\$ 10,547,176	\$ 10,547,176

Common/collective trust, measured at net asset value*		414,771
Total investments at fair value		\$ 10,961,947

	Assets at Fair Value as of December 31, 2023	
	Level 1	Total
Assets:		
Mutual funds	\$ 8,256,705	\$ 8,256,705
Total assets in the fair value hierarchy	\$ 8,256,705	8,256,705

Total investments at fair value		\$ 8,601,274

#### 3. Fair Value Measurements, Continued:

\*In accordance with FASB Accounting Standard Update 2015-07, certain investments that were measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables summarizes investments measured at fair value based on NAV per share:

As of December 31, 2024				
Instrument	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust	\$ 414,771	N/A	Daily	None

As of December 31, 2023				
Instrument	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust	\$ 344,569	N/A	Daily	None

#### 4. Administrative Expenses:

The Plan paid administration fees in the amount of \$3,400 during 2024 and \$3,635 during 2023, all of which was paid to an affiliate of the trustee. Although not required by the Plan, some of the costs of the Plan administration are absorbed by the Company.

#### 5. Related Party Transactions:

Administration fees disclosed in Note 4 are paid to an affiliate of the trustee.

#### 6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

#### 7. Tax Status:

The Internal Revenue Service has determined and informed the prototype sponsor by letter dated June 30, 2020 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

### Notes to Financial Statements, Continued

#### 7. Tax Status, Continued:

Management has evaluated the effects of accounting guidance related to uncertain income tax positions and concluded that the Plan had no significant financial statement exposure to uncertain income tax positions at December 31, 2024 and 2023. The Plan is not currently under audit by any tax jurisdiction.

#### 8. Risks and Uncertainties:

The Plan provides for various investments in mutual funds and a common/collective trust. Investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

#### 9. Financial Information Certified by the Qualified Institution:

4A's Benefits, Inc., the recordkeeper of the Plan, has certified as agent on behalf of its affiliate and trustee of the plan, AAAA Retirement Fund for Member Agencies, that the following information is complete and accurate:

- Investments, at fair value
- Investment income, including net appreciation in value of investments
- Schedule of assets (held at end of year)
- Notes receivable from participants
- Interest income on notes receivable from participants

#### 10. Prohibited Transactions:

During the 2022 Plan year, the Company failed to remit an aggregate of \$104 of participant contributions in a timely manner, as reflected in the Schedule of Delinquent Participant Contributions. These contributions were remitted during 2023 and, as of December 31, 2024, have not been corrected for lost earnings.
