## Independent Auditor's Report

Plan Administrator  
Miller Management, Inc. 401(k) Plan  
Erie, Pennsylvania

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of the Miller Management, Inc. 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Miller Management, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investments of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Miller Management, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Miller Management, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Miller Management, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Miller Management, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedules Required by ERISA***

The supplemental schedules identified in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### NOTE A DESCRIPTION OF PLAN

#### General

The following description of the Miller Management, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Miller Management, Inc. for the benefit of the employees of the following related Miller Management Group Companies (the Group) who have one year of service (1,000 hours during a 12-month period) and are age 19 or older:

Miller Management, Inc.	Flagler Chrysler Dodge Jeep, Inc.
Gary Miller Motors, Inc.	Erie Cadillac, Inc.
Contemporary Motorcar, Ltd.	Gator Chrysler, Inc.
Gator Motors, Inc.	Gary Miller Imports, Inc.

Terminated participants not employed at year end must have worked 500 hours during the Plan year to be eligible for Group profit-sharing contributions. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Capital Bank and Trust Company is the current trustee and custodian of the Plan. The trustee and custodian changed from Newport Trust Company, LLC to Capital Bank and Trust Company during March 2024.

#### Contributions

The Plan permits eligible employees through a salary deferral election to have the Group make annual contributions of up to 100 percent of their eligible compensation. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Group profit-sharing and matching contributions are discretionary and may be determined on an annual basis by the Group. Contributions are subject to certain limitations.

#### Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

#### Participant Accounts

Each participant's account is credited with the participant's contribution, the Group's contributions and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Group's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after six years of credited service.

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1 percent above the prime rate, as defined. Principal and interest is paid ratably through weekly payroll deductions.

## NOTES TO FINANCIAL STATEMENTS

---

### Payment of Benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account.

### Forfeited Accounts

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$730 and \$1,108, respectively. These accounts will be used to reduce employer contributions or to pay administrative expenses of the Plan. In 2024 and 2023, administrative expenses of \$1,280 and \$4,000 were paid from forfeited nonvested accounts, respectively.

### Other Unallocated Assets

The Plan has an unallocated Plan level expense account that is primarily funded by expense reimbursements provided by the Plan's service providers. At December 31, 2024 and 2023, the expense account balances were \$8,790 and \$0, respectively. Investment advisory fees and other administrative expenses paid from this expense account for the years ended December 31, 2024 and 2023 were \$11,886 and \$0, respectively. This account is regarded as an asset of the Plan for financial statement and Form 5500 reporting.

## **NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. The Plan's interest in the common and collective trust funds is valued at the NAV of units of the common and collective trusts. The NAV for the common and collective trust funds is used as a practical expedient to estimate fair value of the common and collective trust funds.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Contributions

Contributions from Plan participants and the matching contributions from the Group (when applicable) are recorded in the year in which the employee contributions are withheld from compensation.

### Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

# MILLER MANAGEMENT, INC. 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

---

### Payment of Benefits

Benefit payments to participants are recorded upon distribution.

### Administrative Expenses

Administrative expenses may be paid by the Group or the Plan, at the Group's discretion.

### **NOTE C CERTIFICATION OF PLAN TRUSTEES**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, LLC (for the period of January 1, 2023 through March 25, 2024) and Capital Bank and Trust Company (for the period of January 1, 2024 through December 31, 2024), the trustees of the Plan, have certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2024.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

### **NOTE D RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Certain Plan investments are shares of mutual funds managed by American Funds (a related entity of Capital Bank and Trust Company). Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Group directly pays certain other fees related to the Plan's operations.

The Plan paid \$394 and \$1,264 of recordkeeping fees to Newport Group, Inc. during the years ended December 31, 2024 and 2023, respectively. The Plan also paid \$5,978 and \$0 of recordkeeping fees to Capital Bank and Trust Company for the years ended December 31, 2024 and 2023, respectively. Individually nonmaterial expenses paid to other parties in interest aggregated \$10,171 and \$4,000 during the years ended December 31, 2024 and 2023, respectively. The Group provides certain administrative services at no cost to the Plan.

## NOTES TO FINANCIAL STATEMENTS

### NOTE E PLAN AMENDMENT

Effective March 11, 2024, the Plan was amended and restated with the adoption of a non-standardized adoption agreement in connection with a pre-approved plan document sponsored by Capital Group Retirement Plan Services. The following significant provisions were amended with the restatement:

- Added Roth elective deferrals as a permitted contribution source, and the Plan will now allow in-plan Roth rollovers.
- Removed the minimum and maximum limits on elective deferrals of 2% and 15% of participant compensation, respectively.
- Removed the provision that provided participant catch-up contributions would be matched by the Group (when applicable).
- Added two new participating employers to the Plan (Gator Motors, Inc. and Gary Miller Imports, Inc.).

### NOTE F DISCLOSURES ABOUT FAIR VALUE OF PLAN ASSETS AND LIABILITIES

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

#### Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2024 and 2023:

	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
<b>December 31, 2024</b>				
Mutual Funds	\$ 6,665,744	\$ 6,665,744	\$ -	\$ -
Total Assets in the Fair Value Hierarchy	6,665,744	\$ 6,665,744	\$ -	\$ -
Investment Measured at Net Asset Value (a)	617,428			
Investments at Fair Value	\$ 7,283,172			

**MILLER MANAGEMENT, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
<b>December 31, 2023</b>				
Mutual Funds	\$ 5,137,141	\$ 5,137,141	\$ -	\$ -
Total Assets in the Fair Value Hierarchy	5,137,141	\$ 5,137,141	\$ -	\$ -
Investment Measured at Net Asset Value (a)	1,516,623			
Investments at Fair Value	\$ 6,653,764			

(a) In accordance with Subtopic 820-10, certain investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit a reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2024 and 2023. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

**Investments**

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

**Investment Measured Using the Net Asset Value per Share Practical Expedient**

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	December 31, 2024			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
T. Rowe Price Stable Value Common Trust Fund Class A	\$ 601,170	N/A	Daily	None
Reliance MetLife Series 25053 CI 68	16,258	N/A	Daily	None
	\$ 617,428			

**MILLER MANAGEMENT, INC. 401(K) PLAN**

	December 31, 2023			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
T. Rowe Price Stable Value Common Trust Fund Class A	\$ 1,516,623	N/A	Daily	None

**NOTE G PLAN TERMINATION**

Although it has not expressed any intent to do so, the Group has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

**NOTE H TAX STATUS**

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

**NOTE I NONEXEMPT TRANSACTIONS**

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions to the Plan, there were late remittances of \$127,939 from prior years that have not yet been corrected. Management is in the process of determining the lost earnings for these late remittances and then intends to submit these amounts to the Plan.

**NOTE J RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE K SUBSEQUENT EVENTS**

Subsequent events have been evaluated through October 14, 2025, which is the date the financial statements were available to be issued.
