403(b) Thrift Plan of Ashtabula County Community Action Agency

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of 403(b) Thrift Plan of Ashtabula County Community Action Agency (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023; the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (collectively, the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Equitable Life Insurance Company, Corebridge Financial, Inc., and Mutual of America Life Insurance Company as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN OF ASHTABULA COUNTY COMMUNITY ACTION AGENCY
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the 403(b) Thrift Plan of Ashtabula County Community Action Agency (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more comprehensive description of the Plan’s provisions.

General

The 403(b) Thrift Plan for Ashtabula County Community Action Agency is a defined contribution plan covering all full-time employees of the employer, Ashtabula County Community Action Agency (the “Plan Sponsor”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2017, the Plan was amended to eliminate the minimum service requirement for participants to receive the discretionary employer contribution.

The Plan was restated effective January 1, 2019, changing the Plan type from a non-prototype plan to a prototype plan.

Participation Requirements

Employees are immediately eligible for elective deferral contributions. For purposes of employer contributions, certain employees, as defined, are eligible after meeting 1,000 service hours, and it is required that they be employed on the last day of the Plan year.

Contributions

The Plan allows participants to make voluntary contributions to the Plan, by entering into a salary reduction agreement with the employer for up to 100 percent of their pre-tax or after-tax annual compensation, as deemed, subject to the maximum permitted by the Internal Revenue Service (IRS). The Plan also allows participants who have attained age 50 before the end of the Plan year to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The employer may make a discretionary contribution to participants. This discretionary contribution is made to all participants regardless of whether the employee is deferring. Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and the employer’s contribution. The Plan’s earnings and administrative expenses are allocated based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants in the Plan are 100 percent vested in their contributions, all employer contributions, and any earnings thereon.

NOTES TO FINANCIAL STATEMENTS (Continued)
YEAR ENDED DECEMBER 31, 2024

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payments of Benefits

Benefits are recorded when paid. Upon termination of service due to death, disability, or retirement, a participant may elect to receive his or her benefit in a lump-sum amount equal to the value of the participant's vested interest in his or her account, in installment payments not to exceed the life expectancy of the participant, or in the form of an annuity. Participants may request an in-service distribution of their account balance attributable to employee before-tax contributions for purposes satisfying a financial hardship using the safe harbor provisions of the Plan document. Participants may withdraw any part of their vested account balance resulting from rollover contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balances. Loan transactions are treated as a transfer to (from) the investment funds from (to) the participant's loan receivable. Loan terms generally range from one to five years, or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate commensurate with local prevailing interest rates as determined by the employer.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting and reporting policies applied in the presentation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ significantly from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Administrative expenses of the Plan relating to administrative and accounting fees, investments management, recordkeeping, and miscellaneous administrative fees are paid by the Plan Sponsor.

403(b) THRIFT PLAN OF ASHTABULA COUNTY COMMUNITY ACTION AGENCY
NOTES TO FINANCIAL STATEMENTS (Continued)
YEAR ENDED DECEMBER 31, 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments

All of the Plan's assets were held in trust by the Plan custodians, Equitable Life Insurance Company (Equitable), Variable Annuity Life Insurance Company (VALIC), and Mutual of America Life Insurance Company (Mutual of America). Investments are reported at fair value (except for fully benefit-responsive contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies, utilizing information provided by the investment adviser, custodians, and insurance companies.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The net appreciation (depreciation) in fair value of investments includes investments purchased, sold, and held during the year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 3 – INVESTMENTS

The Plan investments are administered by Equitable, VALIC, and Mutual of America (collectively, the Trustees). The following is a summary of the investment information as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Trustees and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustees stating that information provided to the Plan Administrator by the Trustees related to the following investments is complete and accurate. Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule, related to investments:

	December 31,	
	2024	2023
Investments at fair value		
Pooled separate accounts	<u>\$ 3,103,325</u>	<u>\$ 2,889,756</u>
Investments at contract value		
Guaranteed investment contract	<u>\$ 562,757</u>	<u>\$ 809,031</u>

The Trustees also certified to the accuracy of \$372,816 of net appreciation in fair value of investments, \$12,163 of interest and dividends related to investments, and \$4,325 in interest income on participant loans for the year ended December 31, 2024.

403(b) THRIFT PLAN OF ASHTABULA COUNTY COMMUNITY ACTION AGENCY
NOTES TO FINANCIAL STATEMENTS (Continued)
YEAR ENDED DECEMBER 31, 2024

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into fully benefit-responsive group annuity investment contracts with Equitable, VALIC, and Mutual of America (collectively, the custodians). The custodians maintain the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. The guaranteed investment contracts are presented on the face of the Statements of Net Assets Available for Benefits at contract value.

Contract value, as reported to the Plan by the custodians, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with the issuers. Such events include the following: amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, participant communication that is designed to influence participants not to invest in the fund, Plan Sponsor withdrawals without the appropriate notice to the fund and/or issuer, and failure to meet certain tax qualifications. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include: an uncured breach of the Plan's investment guidelines, a material amendment to the contract without the issuer's consent, a violation of a material obligation under the contract, or a material misrepresentation. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contracts do not permit the custodians to terminate the agreement prior to the scheduled maturity date.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 – TAX STATUS

The Plan Sponsor has no determination letter from the Internal Revenue Service indicating that the Plan is qualified and the trust established under the Plan is tax exempt. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the code. Therefore, Plan Sponsor believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

403(b) THRIFT PLAN OF ASHTABULA COUNTY COMMUNITY ACTION AGENCY
NOTES TO FINANCIAL STATEMENTS (Continued)
YEAR ENDED DECEMBER 31, 2024

NOTE 6 – TAX STATUS (Continued)

Management of the Plan is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Participant loans held by the Plan reflect party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensations from the Plan. Ashtabula County Community Action Agency absorbs all costs incurred in relation to the administration of the Plan. Such costs include legal and accounting fees. In 2024, those fees total \$11,300.

NOTE 8 – FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan discloses fair value of its financial instruments. Financial instruments are defined as cash, evidence of ownership in an entity, or a contract that creates an obligation or right to receive or deliver cash or another financial instrument from/to a second entity on potentially favorable or unfavorable terms. If quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price per trading unit of the instrument. Investments, notes receivable, and employer contributions from participants would be considered financial instruments. At December 31, 2024 and 2023, the carrying amount of these financial instruments approximates fair values. The fair value of notes receivable from participants is based on amortized cost, which approximates fair value.

NOTE 9 – FAIR VALUE MEASUREMENTS

The Plan utilizes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

- *Level I:* Inputs to the valuation methodology are unadjusted quoted prices for assets or liabilities in active markets that the Plan has the ability to access.
- *Level II:* Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

403(b) THRIFT PLAN OF ASHTABULA COUNTY COMMUNITY ACTION AGENCY
NOTES TO FINANCIAL STATEMENTS (Continued)
YEAR ENDED DECEMBER 31, 2024

NOTE 9 – FAIR VALUE MEASUREMENTS (Continued)

- *Level III:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: The pooled separate accounts are valued at the net asset value (NAV) of units held by the Plan at year-end. The unit values of participation units in the pooled separate accounts (PSA) are based on the underlying mutual fund held in the PSA, minus liabilities, which are the contract charges imposed, divided by the number of participation units outstanding.

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2024 and 2023:

		2024			
		Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$	3,103,325	\$ -	\$ Immediate	\$ None
		2023

NOTE 10 – SUBSEQUENT EVENTS

Management has reviewed events occurring through October 15, 2025, the date that the financial statements were issued, and no subsequent events have occurred requiring disclosure.

NOTE 11 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of December 31, 2024, the Plan had investments of \$495,072 that were concentrated in Equitable Guaranteed Interest Account and \$491,838 that were concentrated in S&P 500 Index 1 Yr – 10 percent Buffer. As of December 31, 2023, the Plan had investments of \$741,632 that were concentrated in Equitable Guaranteed Interest Account.
