Independent Auditors' Report

To the Voluntary Employee Benefits Association Committee DSRA Benefit Trust Plan

Opinion

We have audited the financial statements of DSRA Benefit Trust Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits - modified cash basis of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits - modified cash basis for the year ended December 31, 2024, in accordance with the modified cash basis of accounting.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Modified Cash Basis

As described in Note 2, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

Independent Auditors' Report

To the Voluntary Employee Benefits Association Committee DSRA Benefit Trust Plan

Opinion

We have audited the financial statements of DSRA Benefit Trust Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits - modified cash basis of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits - modified cash basis for the year ended December 31, 2024, in accordance with the modified cash basis of accounting.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Modified Cash Basis

As described in Note 2, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

The following description of the DSRA Benefit Trust Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan was organized, effective September 1, 2009, and amended and restated effective January 1, 2020, to offer welfare benefit coverage to eligible retirees and their qualified family members of Delphi Salaried Retirees Association (DSRA), with coverage beginning on October 1, 2009, as described in the Plan Agreement, including related insurance contracts incorporated by reference.

The Plan is intended to be a single employer welfare benefit plan and is subject to the requirements of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The DSRA Voluntary Employee Benefit Association (VEBA) is the Plan’s sponsor, and its Board of Directors (VBOD) administers the Plan. The VBOD has contracted with a third party, Benistar, to administer substantially all benefits offered by the Plan. Comerica Bank (“Comerica”) serves as custodian for the Plan’s trust.

Contributions

The Plan is funded through a VEBA Trust, DSRA Benefit Trust (DSRA BT), set up by the Official Delphi Section 1114 Committee (“1114 Committee”) with monies obtained solely from Delphi Corporation (“Delphi”) pursuant to a Stipulation and Agreed Order entered between Delphi and the 1114 Committee (entered in Case No. 05-4481, United States Bankruptcy Court S.D. New York, as may be modified from time to time) (hereinafter referred to as the “Settlement Agreement”) and by premium contributions from eligible retirees. The original funding from Delphi was \$7,750,000 plus a \$1,000,000 Hardship Fund.

Health benefits for participants under age 65 may qualify for Health Coverage Tax Credits (HCTC). The HCTC was reauthorized by the Internal Revenue Service (IRS) effective July 1, 2015, and retroactive to January 1, 2014. However, the Advance Monthly Payment (AMP) administered by BCBSM was not initiated for eligible participants until 2016. Participants eligible for the HCTC can apply to the IRS for the AMP to receive the HCTC prior to the month the premium is due. Eligible retirees pay any residual premiums to the extent not covered by the HCTC payments or Plan subsidies. The premium rates are set by the VBOD after consultations with its consultants, third party administrators, and insurance carriers. Terminated retirees or their dependents may elect to continue their coverage, as provided under the Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”) regulations, by making contributions to cover the full cost of their insurance premiums.

The VBOD approves applications for hardship payments. None were approved in 2024.

Benefits

The Plan provides participants specified medical, prescription drug, vision, dental benefits, and life insurance benefits. All benefits provided are fully insured through various insurance contracts.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Benefits (Continued)

Benistar provides administrative services for enrollment, billing, and collection for the following fully insured benefits and receives fees for these services:

- Medicare supplemental insurance contracts with Hartford Life and Accident Company for participants over the age of 65. Premiums for each of the five plans are based on high/low benefit levels and maximum out-of-pocket costs selected.
- Prescription drug coverage for participants eligible for Part D coverage under Medicare for participants over the age of 65. This Employer Group Waiver Plan (EGWP) is administered by Benistar, and prescriptions are filled through a contract with Express Scripts Insurance Company.
- Life insurance coverage insured by Met Life for all participants. Premiums are determined by gender, age, and the amount of voluntary coverage elected.
- Blue Cross Blue Shield of Michigan (“BCBSM”) provides healthcare for participants under the age of 65 through insurance. Vision and dental may be included with healthcare for some contracts but can also be purchased as stand-alone coverage. Benistar provides the administration services for BCBSM.

In addition to the above benefits, Metropolitan Life Insurance Company (“MetLife”) provides life insurance coverage to selected participants. When Delphi completed bankruptcy procedures, DSRA BT became the policy holder for current retirees. These participants may reduce or terminate their coverage amount at any time. No additional participants can be added to this contract. MetLife bills and collects premiums for this contract without further involvement of third-party administrators or DSRA BT.

Because certain contracts are “experience-rated”, premiums are affected by, among other things, the number, and the size of claims. At December 31, 2024, no amounts were due to or payable from the Plan related to the experience-rated contracts.

Because retiree only healthcare plans are exempt from many of the group health plan standards required by the Patient Protection and Affordable Care Act, as well as many provisions of the Health Insurance and Portability Accountability Act, the Plan’s provisions may contain certain annual or lifetime limits, exclusions or other provisions required in other healthcare plans.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, contributions and income are recorded when received and premiums and expenses are recorded when paid. Accrued expenses are not reflected.

Use of Estimates

The preparation of the financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Payments

A third-party administrator pays the benefits according to the schedule of benefits. Hardship payments and insurance premiums are recorded when paid.

Administrative Expenses

Administrative costs paid from the Plan assets include fees for the billing and collecting of premiums, processing of claims, reinsurance premiums and fees, trust fees, and professional services.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (ASU) Topic 820 are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, then the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money market fund: Valued at the net asset value of shares held by the Plan at year end.

Registered investment companies: Valued at the net asset value of shares held by the Plan at year end.

Common collective trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

	<u> </u>	<u> </u>	<u> </u>
Total assets at fair value	<u>\$ 273,009</u>	<u>\$ 450,754</u>	<u>\$ 723,763</u>

NOTE 4 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Comerica. Comerica is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Comerica also provides to the Plan certain accounting and administrative services.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 - TAX STATUS

The Plan's Trust was established pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC) and, therefore, the Plan's net investment income is exempt from income taxes. The Trust is required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. The Trust has received a tax exemption letter from the IRS dated November 4, 2010, and the VBOD believes that the Trust continues to qualify and operate as designed.

Authoritative accounting standards require the Plan to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest as incurred in its statement of changes in net assets available for benefits - modified cash basis.

NOTE 7 - RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2024 and 2023, approximately 40% and 36% of the Plan's investments were invested in Comerica Large Cap Index Fund, respectively.

NOTE 8 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 15, 2025, which is the date the financial statements were available to be issued. No significant matters were identified.
