Report of Independent Auditors

To the Administrator of Cambridge Associates, LLC 401(k) Savings Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Cambridge Associates, LLC 401(k) Savings Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and December 31, 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors'

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The Schedule of Assets (Held at End of Year) - (Schedule H, Part IV, Item 4i, Form 5500) as of December 31, 2024 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Administrator of Cambridge Associates, LLC 401(k) Savings Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Cambridge Associates, LLC 401(k) Savings Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and December 31, 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors'

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The Schedule of Assets (Held at End of Year) - (Schedule H, Part IV, Item 4i, Form 5500) as of December 31, 2024 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CAMBRIDGE ASSOCIATES, LLC 401(k) SAVINGS PLAN AND TRUST

Notes to Financial Statements

For the Year Ended December 31, 2024

(1) Description of Plan

The following description of Cambridge Associates, LLC 401(k) Savings Plan and Trust (the “Plan”) is provided for general information purposes only. Reference should be made to the Plan document or Summary Plan Description for a more complete description of the Plan’s provisions.

General Information

The Plan is a defined contribution plan sponsored by Cambridge Associates, LLC (the “Company”) which became effective, as restated, on January 1, 1994. The Plan is administered by the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Vanguard Fiduciary Trust Company (“Vanguard”) is the Trustee and record keeper of the Plan.

Participation

Each otherwise eligible employee of the Company may participate in the Plan upon attainment of age 21.

Contributions

Participants may elect to make before-tax and after-tax contributions equal to any dollar amount or percentage of their compensation not to exceed the limits imposed by the Internal Revenue Code (the "Code"). In addition, active participants in the Plan may, as permitted by the Plan administrator, make rollover contributions or direct transfers from other retirement plans qualified under Sections 401(a) and 403(a) of the Code into the Plan. The employer match to the Plan is equal to 66.67% of the employee's contribution at a maximum of 6% of the employee's earnings.

In addition, the Company can contribute a profit-sharing contribution. However, there were no profit-sharing contributions in 2024.

Participant Accounts

A separate account is established for each participant at the time of enrollment in the Plan. Participant accounts are credited with contributions and investment earnings based on the investment results of the funds chosen by the participant. Contributions may be invested among a variety of investment options. Participants have the options of changing their deferral contribution percentage and investment options as needed.

Vesting

Participants are always fully vested in the current value of their contributions, employer basic matching contributions, employer supplemental matching contributions, and the earnings thereon.

Forfeitures

Forfeitures of nonvested employer supplemental matching contributions and forfeitures of nonvested employer profit sharing contributions are allocated to the individual accounts of the qualifying contributing participants in the ratio that each participant’s compensation for the Plan year bears to the total compensation of all participants for such Plan year. During the years ended

CAMBRIDGE ASSOCIATES, LLC 401(k) SAVINGS PLAN AND TRUST

Notes to Financial Statements

For the Year Ended December 31, 2024

(1) Description of Plan (continued)

December 31, 2024, and 2023, forfeited nonvested accounts totaling \$0 and \$1,363, respectively, were allocated accordingly. As of December 31, 2024 and 2023, the balance of forfeited nonvested accounts totaled \$31,443 and \$30,175, respectively.

During the years ended December 31, 2024 and 2023, there were no forfeited excess aggregate contributions applied to reduce employer contributions.

Benefit Payments

Benefits are payable to participants upon the occurrence of one of the following events: retirement at age 55 or later, complete and permanent disability, termination of employment, death, or financial hardship. Participants must consent in writing to receiving benefits prior to age 65.

Participants may elect to receive the value of their vested account balance in the form of a lump-sum distribution or equal annual installments over a stated number of years. Participants must take a lump-sum payment of their benefits if the total vested balance of their account is less than \$5,000.

Expenses

The Plan bears administrative and maintenance expenses for active employees. All other expenses, such as loan origination fees, are borne by the participants. Starting July 1, 2018, the Plan began to engage in an expense recapture program. During the year ended December 31, 2024, the Plan repaid a total of \$30,384 to Plan participants as part of this program. These amounts are distributed quarterly to participant accounts on a pro-rata basis.

Notes from Participants

The Plan provides that participants, to the extent qualified, may obtain a distribution from the Plan in the form of a loan to be repaid over a specified period of time. The maximum loan amount is limited to the lesser of 50% of the participant's account balance or \$50,000 and is secured by the participant's remaining account balance. Interest is to be charged on the outstanding loan amount at current market rates as determined by the Plan administrator. The interest rate for participant loans will be the Prime Rate as published in the Wall Street Journal. Principal and interest is paid ratably through regular payroll deductions for a period of up to five years, except for the purchase of a principal residence whereby such repayment is for a period of 15 years. Participants, or their beneficiaries where applicable, becoming eligible for benefits prior to the full repayment of the loan balance will have their benefits reduced by any unpaid loan balance.

Plan Amendment and Termination

The Company expects to continue the Plan indefinitely but reserves the right to amend or terminate the Plan at its discretion subject to the provisions of ERISA. If the Plan is terminated or if employer contributions are completely discontinued, each participant shall have a fully vested right to the value of their account. The Plan will continue to be held for distribution in a manner in accordance with Plan documents to be determined by the Board of Managers of the Company.

(2) Summary of Significant Accounting Policies

The following is a summary of significant accounting policies which are in conformity with accounting principles generally accepted in the United States of America ("GAAP") and consistently followed by the Plan in the preparation of its financial statements.

Notes to Financial Statements

For the Year Ended December 31, 2024

(2) Summary of Significant Accounting Policies (continued)

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The presentation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosures in the financial statements. Actual results could differ from these estimates.

Investments Valuation and Income Recognition

Investments are held by Vanguard and are carried at fair value. Shares of mutual funds are valued at the net asset value representing the value at which shares of the fund may be purchased or redeemed at year end. Self-directed brokerage accounts primarily consist of mutual funds that are valued on the basis of readily determinable market prices. Collective Trust Funds (“CTFs”) and Collective Investment Trusts (“CITs”) are valued at the net asset value per unit. The net asset value per unit, as provided by the Trustee, is used as a practical expedient to estimate fair value. The net asset value per unit is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value per unit. CTFs and CITs are designed to support participants by providing an efficient and cost-effective offering similar in profile to traditional mutual funds. Asset mixes are curated to match risk profiles and maximize return. Participant transactions (purchases and sales) may occur daily. In unusual market conditions, in accordance with the governing documents of the collective trust, the trustee of the underlying trust may impose restrictions on the redemption of units. The CTFs and CITs trade daily and there is no redemption notice period. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Interest income is accrued when earned. Net appreciation (depreciation) on investments includes both realized and unrealized gains and losses. There are no unfunded commitments to the CTFs and CITs.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Income Taxes

The Internal Revenue Service (“IRS”) has determined and informed the Plan by a letter dated February 21, 2019, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(3) Fair Value Measurements

Fair value is defined as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy is based on three levels of inputs, of which the first two are considered observable and the last is considered unobservable, that may be used to measure fair value:

Level 1	Unadjusted quoted prices in active markets for identical assets or liabilities.
Level 2	Observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities or other inputs that are observable or have been corroborated by observable market data for substantially the full term of the related assets or liabilities.
Level 3	Unobservable inputs supported by little or no market activity that are significant to the fair value of the assets or liabilities.

A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement.

Valuation Techniques

There have been no changes in the valuation methodologies used during the current period. The valuation methodologies used to measure plan investments at fair value are generally classified as follows:

- Registered investment companies: Valued at the unadjusted quoted net asset value of shares held by the Plan at year end.
- Common Collective Trusts: Valued at the net asset value per unit, as provided by the Trustee, as a practical expedient to estimate fair value.

(3) Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 12,387,363	\$ -	\$ -	\$ 12,387,363
Mutual Funds	301,154,791	-	-	301,154,791
Self-Directed Brokerage Account	7,185,349	-	-	7,185,349
Total assets in the fair value hierarchy	\$ 320,727,503	-	-	320,727,503
Investments measured at net asset value (a)	-	-	-	\$ 43,899,781
Total investments at fair value	\$ 320,727,503	\$ -	\$ -	\$ 364,627,284

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 13,207,976	\$ -	\$ -	\$ 13,207,976
Mutual Funds	253,555,735	-	-	253,555,735
Self-Directed Brokerage Account	6,251,907	-	-	6,251,907
Total assets in the fair value hierarchy	273,015,618	-	-	273,015,618
Investments measured at net asset value (a)	-	-	-	\$ 43,991,662
Total investments at fair value	\$ 273,015,618	\$ -	\$ -	\$ 317,007,280

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Vulcan Value Partners CIP-Large Cap will be maintained with the objective of seeking long-term capital appreciation by investing primarily in mid-and large-capitalization U.S. companies believe to be both undervalued and possessing a sustainable competitive advantage. The Principal Diversified Real Asset CIT Tier 1 fund investment objective is to seek a long-term return in excess of inflation.

The investment objective of the Polen Focus Growth Collective Investment Trust is to seek long term capital appreciation through investment principally in publicly-traded equity securities of Large Cap Growth companies, including common and preferred stocks and securities convertible into common and preferred stocks. Performance will be measured over a normal market cycle. There is no assurance that the Fund will achieve its investment objective.

CAMBRIDGE ASSOCIATES, LLC 401(k) SAVINGS PLAN AND TRUST

Notes to Financial Statements

For the Year Ended December 31, 2024

(3) Fair Value Measurements (continued)

The investment objective of the Jackson Square SMID Cap Growth CIT Fund is to outperform the Russell 2500 Index, net of fees on an annualized basis over a full market cycle. There is no assurance that the Fund will achieve its investment objective.

In accordance with the authoritative guidance on fair value measurements and disclosures under GAAP, as a practical expedient, an entity holding investments in certain entities that calculate net asset value (“NAV”) per share or its equivalent for which the fair value is not readily determinable, is permitted to measure the fair value of such investments on the basis of that NAV or its equivalent without adjustment.

Management has used NAV as a practical expedient to measure the fair value of \$43,899,781 as at December 31, 2024 and \$43,991,662 as at December 31, 2023 of underlying CITs. These investments have not been classified in the fair value hierarchy. CITs have daily redemption frequency with certain restrictions imposed by the Trust.

There were no material transfers into or out of Level 3 during the year.

(4) Notes from Participants

At December 31, 2024 and 2023, the Plan had loans receivable from participants aggregating \$1,775,714 and \$1,324,821, respectively. Interest rates on the loans ranged from 3.25% to 8.5% at December 31, 2024, and from 3.25% to 8.5% at December 31, 2023. Notes are presented at net realizable value.

(5) Party-in-Interest Transactions

Certain of the Plan’s assets are invested in mutual funds managed by Vanguard. Accordingly, these transactions, as well as notes from participants, fees paid to Vanguard, and loan fees, qualify as party-in-interest transactions. Certain staff employed by the Company perform financial reporting and administrative tasks for the Plan at no charge to the Plan.

(6) Summary of Financial Information Certified by the Plan Trustee

The following is a summary of the financial information certified by Vanguard, Trustee of assets of the Plan, as complete and accurate, as permitted under Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

	December 31, 2024	December 31, 2023
Statements of Net Assets Available for Benefits		
Participant directed investments	\$ 357,441,935	\$ 310,755,373
Self-directed brokerage account	7,185,349	6,251,907
Notes from participants	1,775,714	1,324,821
Net assets available for benefits	\$ 366,402,998	\$ 318,332,101

	Year ended December 31, 2024
Statement of Changes in Net Assets Available for Benefits	
Net appreciation in fair value of investments	\$ 34,867,289
Interest and dividend income	8,323,670
Interest on notes from participants	103,103

Supplemental Schedule of Assets (Held at End of Year) is also certified by Vanguard as complete and accurate.

(7) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

CAMBRIDGE ASSOCIATES, LLC 401(k) SAVINGS PLAN AND TRUST

Notes to Financial Statements

For the Year Ended December 31, 2024

(8) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to the Form 5500 at December 31, 2024 and 2023:

	December 31	
	2024	2023
Net assets available for benefits per the financial statements	\$ 366,402,998	\$ 318,332,101
Amounts deemed distributions of participant loans as reflected in the Form 5500 for the current year	(9,341)	(10,426)
Amounts deemed distributions of participant loans as reflected in the Form 5500 from prior years		
Net assets available for benefits per Form 5500	<u>\$ 366,393,657</u>	<u>\$ 318,321,675</u>

The following is a reconciliation of the total increase in net assets available for benefits per the accompanying financial statements for the year ended December 31, 2024 to net income per Form 5500:

	December 31, 2024
Increase in net assets available for benefits per the financial statements	\$ 48,070,897
Amounts deemed distributions of participant loans as reflected in the Form 5500 for the current year	(9,341)
Amounts deemed distributions of participant loans as reflected in the Form 5500 from prior years	10,426
Total net income per Form 5500	<u>\$ 48,071,982</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared with the Plan's financial statements. Government reporting rules were used in preparing the Form 5500, whereas the Plan's financial statements have been prepared on the accrual basis of accounting as required by GAAP. The Code requires participant loans that are in default to be recorded as deemed distributions on the Form 5500, although the Plan still holds the participant loans as a note receivable.

(9) Subsequent Events

The Plan evaluated all events or transactions that occurred after December 31, 2024, up through October 14, 2025, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
