INDEPENDENT AUDITORS' REPORT

Board of Trustees
Ironworkers' Intermountain
Tax Deferral Plan
Salt Lake City, Utah

Dear Board of Trustees:

We have audited the accompanying financial statements of Intermountain Ironworkers' Tax Deferral Plan, which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Intermountain Ironworkers' Tax Deferral Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Intermountain Ironworkers' Tax Deferral Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about

Intermountain Ironworkers' Tax Deferral Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

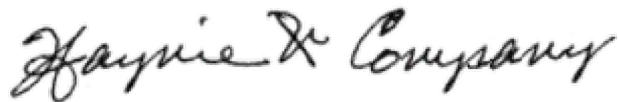

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Intermountain Ironworkers' Tax Deferral Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Intermountain Ironworkers' Tax Deferral Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held at end of year and the schedule of reportable transactions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

INTERMOUNTAIN IRONWORKERS' TAX DEFERRAL PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF PLAN

1. General. The following description of the Intermountain Ironworkers' Tax Deferral Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan was formed in 1990 under an agreement between the signatory employers of the New Mexico Building Branch, Associated General Contractors of America, and the International Association of Bridge, Structural, and Ornamental Iron Workers Local Unions No. 495, in Albuquerque, New Mexico. Subsequent to the formation, the Plan was amended to accept membership and contributions from Local Unions 21, 24, 27, and 732 of the International Association of Bridge, Structural, Ornamental, and Reinforcing Ironworkers. The Plan is a collectively bargained, multi-employer defined contribution retirement plan to provide retirement benefits for eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Contributions. Employers participating in the Plan are required to make monthly contributions for each hour worked by the participant at the specified rate. Participants direct the investment of employer contributions into various investment options offered by the Plan. The Plan currently offers thirteen registered investment companies, one pooled separate account and one guaranteed income fund as investment options for participants.
3. Participant Accounts. Each participant's account is credited with allocations of (a) the employers' contributions and, (b) plan earnings, and charged with an allocation of administrative expenses based on a flat monthly fee, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Under provisions of the plan, individual accounts may be deemed "unclaimed" and eventually forfeited where reasonable and repeated attempts to locate the owner have been unsuccessful.
4. Vesting. Participants are immediately vested in employers' contributions plus actual earnings thereon.
5. Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive the value of the participant's vested interest in his or her account. In addition, a Participant may request a distribution which shall be granted only upon a determination of Financial Hardship.
6. Participant Loans. The Plan does not allow for participant loans.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting. The financial statements of the Plan are prepared under the accrual method of accounting.
2. Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

3. Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. The investment contract with the insurance company is valued at contract value which is also fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. The values of the units of participation of the collective trust fund and pooled separate account are determined by the trustees of the collective trust fund and pooled separate account.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

4. Payment of Benefits. Benefits are recorded when paid.
5. Managements Review. In preparing these financial statements, plan management has evaluated events and transactions for potential recognition or disclosure through October 10, 2025, the date the financial statements were available to be issued. There are no subsequent events to be disclosed.

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting standards have established a framework for measuring the fair value of investments. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active or inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability or that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of

observable inputs and minimize the use of unobservable inputs, as practicable. A description of the valuation methodologies used for assets measured at fair value follows:

Level 1 Fair Value Measurements: The fair value of shares of registered investment companies is based on quoted market prices at year-end.

The plan also invested in pooled separate accounts. The accounts are included in the financial statements at net asset value (NAV) as reported to the Plan by the Plan's investment custodian.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

INTERMOUNTAIN IRONWORKERS' TAX DEFERRAL PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a fully benefit-responsive investment contract with Prudential Retirement Insurance and Annuity Company (Prudential). Prudential maintains the contributions to this investment in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and fees. The guaranteed investment fund issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment fund is fully benefit-responsive, contract value, which is also fair value, is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment fund.

Contract value, as reported to the Plan by Prudential, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Prudential declares interest crediting rates in advance of the specified guarantee period and guarantees that crediting rate for the guarantee period. Interest rates are determined based on many factors. They are not developed by a formula method. This contract does not have pre-defined cash flows, maturity dates, or a singular interest crediting rate from inception through discontinuance. The average yield and crediting interest rate was 2.15% for the year ending December 31, 2024 and 2.00% for the year ending December 31, 2023.

In 2024, the Plan changed investment custodians from Prudential to Empower. For the years ending December 31, 2024 and 2023, investment fees collected and retained by the investment custodians for investments held with Empower in 2024, and Prudential in 2023, amounted to \$122,394 and \$62,563, respectively. These amounts are included in investment expenses.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - PLAN TERMINATION

In the event of termination of the Plan, the assets then remaining, after providing for the expenses of the Plan, shall be distributed among the participants. Each participant shall receive that part of the total remaining assets in the same ratio as his accumulated share bears to the aggregate amount of the accumulated shares of all participants. No part of the assets shall be returned to any employer or inure to the benefit of any employer or the Union.

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 8 - AGREEMENTS WITH PARTIES-IN-INTEREST

The Trustees entered into an administrative agreement with Compusys of Utah to provide administrative services for the Plan. Amounts paid for administrative services were \$190,743 and \$166,132 for the years ending December 31, 2024 and 2023, respectively. The only other transactions with parties-in-interest are those with professionals and other service providers in the normal course of business.

NOTE 9 - FEDERAL TAX STATUS

The Internal Revenue Service determined and informed the Plan by letter, dated April 2, 2012, that the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan is an organization described in Section 501(c)(9) of the Internal Revenue Code, and as such, the Plan is not required to file Federal income tax returns, but is, however, required to file an information return (Form 5500) annually. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 10 - CONCENTRATION OF CREDIT RISK

The Plan's cash balances, maintained at a financial institution, are insured by the Federal Deposit Insurance Corporation (FDIC) for up to \$250,000. The excess balances over this amount, which represent uninsured credit risks, on December 31, 2023 and 2022, were \$336,142 and \$914,247 respectively.

NOTE 11 – RECONCILIATION TO FORM 5500

The following is a reconciliation of total plan additions and deductions per the financial statements to amounts on Form 5500 for the years ended December 31, 2024 and 2023, respectively:
