Independent Auditor's Report

The Board of Trustees
OODA Employee Health Care Plan
Grain Valley, Missouri 64029

Opinion

We have audited the accompanying financial statements of the OODA Employee Health Care Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related summary of significant accounting policies and notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of the OODA Employee Health Care Plan as of December 31, 2024 and 2023, and the changes in its benefit obligations and its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the OODA Employee Health Care Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the OODA Employee Health Care Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditor's Report

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the OOIDA Employee Health Care Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the OOIDA Employee Health Care Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OIDA EMPLOYEE HEALTH CARE PLAN

Summary of Significant Accounting Policies Years Ended December 31, 2024 and 2023

Affiliation

The Owner Operator Independent Drivers Association and certain affiliated companies maintain the Plan.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis.

Receivables and Allowance for Credit Losses

Receivables are stated at the amount management expects to collect from balances outstanding at year-end. The allowance estimate, if any, is derived from a review of the Plan's historical losses in relation to the Plan's historical receivable balances as well as management's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. Management has concluded that realized losses on balances outstanding at year-end will be immaterial. Accordingly, no allowance for credit losses has been recorded. There were no write-offs or recoveries during either year ended December 31, 2024 and 2023.

Payment of Benefits and Benefit Obligations

Premiums paid by the Plan are recorded as premiums paid in the accompanying statements of changes in benefit obligations and net assets available for benefits.

Claim payments are recorded when paid by the third-party processor. Amounts currently payable for health benefits represent claims processed and approved for payment by the Plan by December 31, 2024 and 2023, but not yet paid as of that date as well as claims incurred by December 31, 2024 and 2023, but not reported.

The Plan's benefit obligation at December 31, 2024 and 2023 is estimated by Plan management based on prior claims experience and claims reported subsequent to year end. Claims subsequent to year end are based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if the claims are submitted and approved for payment.

Stop-Loss

Premiums for stop-loss insurance are included in premiums paid in the accompanying statements of changes in benefit obligations and net assets available for benefits. Stop-loss refunds totaling \$902,905 and \$511,652 for the years ended December 31, 2024 and 2023, respectively, have been netted with claims paid in the accompanying statements of changes in benefit obligations and net assets available for plan benefits. At December 31, 2024 and 2023, the Plan has a receivable for stop-loss insurance refunds of \$733,592 and \$271,610, respectively.

Refunds, Rebates, and Recoveries

Refunds, rebates, and recoveries of claims paid are recorded when earned. At December 31, 2024 and 2023, the Plan has receivables for prescription rebates of \$0 and \$28,682, respectively. There are no refunds or recoveries due to the Plan as of December 31, 2024 and 2023. Refunds, rebates, and recoveries of \$33,246 and \$36,409 for the years ended December 31, 2024 and 2023, respectively, have been netted with claims paid in the accompanying statements of changes in benefit obligations and net assets available for benefits.

OIDA EMPLOYEE HEALTH CARE PLAN

Summary of Significant Accounting Policies Years Ended December 31, 2024 and 2023

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. The most significant estimate relates to claims incurred but not reported as of year-end. Actual results could differ from those estimates.

OOIDA EMPLOYEE HEALTH CARE PLAN

Notes to the Financial Statements Years Ended December 31, 2024 and 2023

1. Description of Plan

The following description of the OOIDA Employee Health Care Plan provides only general information about the Plan's provisions. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan provides health, dental, and death benefits covering substantially all active employees of OOIDA, its subsidiaries and affiliates (the Sponsor), who have completed 60 days of consecutive service. Enrollment is on the first day of the month following 60 days of consecutive service. It is intended to comply with the welfare benefit provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The effective date of the Plan is April 1, 1998, and it was revised January 1, 2022. The Plan is intended to satisfy all of the requirements for a qualified health and welfare plan under the appropriate provisions of the Internal Revenue Code and applicable state tax laws.

Benefits. The Plan provides health (hospital, surgical, major medical, prescription, and supplemental accident), dental and death benefits to full-time employees of the Sponsor (minimum of 30 regular work hours per week), who have met the length of service requirements described above, and to their covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). Benefit payments are made according to plan provisions.

Insured Benefits. The Plan participates in a preferred provider network (PPO). The Plan fully insures the basic life insurance benefit and supplemental accident benefit with Puritan Life Insurance Company of America. The Plan purchases annual insurance contracts for these insured benefits. Premiums for the basic life insurance and supplemental accident insurance are paid to the insurance company by the Plan.

Stop-Loss Coverage. For the years ended December 31, 2024 and 2023, the Plan has entered into a stop-loss insurance arrangement with Gerber Life Insurance Company in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount in a policy year as well as aggregate exposure for all claims).

Self-insured Benefits. All other health benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor under an administration agreement. After receiving approval from Plan management, the claims processor pays claims directly from a checking account at the Sponsor. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers is retained by the Plan.

Contributions. The Plan is self-funded from contributions by the Sponsor and participants. In addition to deductibles and copayments, employees may contribute specified amounts, determined periodically by the Plan administrator, to extend coverage to eligible dependents. The Sponsor makes contributions to the Plan to pay the full cost of the basic life insurance, supplemental accident insurance and stop-loss insurance. The Sponsor also makes contributions as needed to pay claims.

2. Administrative Expenses

The Plan has an administration agreement with Med-Pay, Inc. (Med-Pay), which acts as an agent for the Plan in receiving and processing claims for benefits under the Plan, disbursing claim payments under the Plan, and performing certain additional duties. The Plan administrator has reserved the right to make the final determination of the intent of the Plan's provisions. For the years ended December 31, 2024 and 2023, the Plan paid administrative expenses of \$58,679 and \$59,373, respectively, to Med-Pay.

OIDA EMPLOYEE HEALTH CARE PLAN

Notes to the Financial Statements Years Ended December 31, 2024 and 2023

2. **Administrative Expenses** (continued)

Certain administrative and personnel services are provided by the Sponsor without charge to the Plan. The Sponsor also pays certain administrative expenses of the Plan.

3. **Federal Income Taxes**

An Internal Revenue Service determination letter is not required for health and welfare plans. However, the Plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

4. **Cash**

The Plan has no cash account. All Plan activity is accounted for in a separate account at the Sponsor.

5. **Termination of the Plan**

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

6. **Reconciliation of Financial Statements to Schedule H of Form 5500**
