Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Optimist Boys' Home and Ranch, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Optimist Boys' Home and Ranch, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Optimist Boys' Home and Ranch, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of Optimist Boys' Home and Ranch, Inc. 401(k) Profit Sharing Plan ("the Plan") provides only general information. Participants should refer to the Plan's agreement for a more complete description of the Plan's provisions.

General

The Plan as amended, restated, and renamed effective January 1, 2010, is a profit-sharing plan covering all eligible employees of Optimist Boys' Home and Ranch, Inc. dba Optimist Youth Homes and Family Services ("the Home") as defined in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Home offers a match to staff who contribute to the retirement plan via payroll deduction. The match will be as follows:

The Safe Harbor Basic Matching Contribution is 100% of the first 5% of compensation deferred. The contribution allocated to all eligible, participating employees on a per-pay-period basis and the match will be 100% vested. Participants who choose not to contribute to the retirement plan will not receive the employer match. Voluntary employee contributions are permitted under the Plan. Participants qualifying for age-based provisions may contribute additional catch-up deferrals.

For the year ended December 31, 2024, the Home made employer's matching contributions in the amount of \$239,815 to the Plan.

Participant Accounts

Each participant's account is credited with an allocation of the Home's contribution and the Plan's earnings. Allocations are based on account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

In accordance with the provisions of Safe Harbor plans, salary reduction contributions from employees and matching employer share of contributions are 100% vested immediately. The following vesting schedule applies for the Discretionary Non Safe-Harbor employer base contributions:

<u>Years of service</u>	<u>Percentage vested</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5	100%

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Forfeitures

Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures of employer matching contributions will be applied to reduce employer contributions. At December 31, 2024 and 2023, there were \$0 and \$512, respectively of non-vested forfeited accounts. No forfeiture was used during 2024 and \$512 was used in 2023.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to the lesser of: 1) \$50,000 minus the highest outstanding balance of loans in the past 12 months, or 2) 50% the present value of their vested account balance. The maximum loan term is five years unless such loan is used to acquire a dwelling unit that will be used as your principal residence. The maximum loan term for a principal residence loan is 10 years. The loans are secured by the balance in the participant's account and bear interest at 2% above the Wall Street Journal prime rate published on the first business day of the month.

Payment of Benefits

Upon termination of service, a participant may elect to receive payments as: 1) lump sum distribution, 2) rollover; 3) purchase of single payment immediate or deferred non-transferable annuity contract to provide periodic payments to participant during the participant's lifetime or other beneficiary; or 4) any other method selected by the trustee, which provides installments in approximately equal amounts.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are reported on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned, and related fees are recorded as administrative expenses and expensed when incurred.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relate to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results may differ from those estimates.

Administrative Expenses

Employees of the Home perform certain administrative functions. Neither the Home nor its employees receive compensation from the Plan. Annual audit fees are paid by the Home.

Subsequent Events

Management has evaluated subsequent events through October 14, 2025, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS

3. Notes Receivable from Participants

Notes receivable from participants are repaid through bi-weekly payroll deductions at varying interest rates. Interest rates on outstanding notes receivable are 4.25% - 9.50%, at December 31, 2024 and 2023, respectively. Notes receivable from participants outstanding at December 31, 2024 and 2023, were \$3,937 and \$24,926, respectively.

4. Information Prepared and Certified by the Trustee

No auditing procedures were performed on investments and interest income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Mutual of America Life Insurance Company, the trustee of the Plan at December 31, 2024 and 2023, respectively:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$14,590,424	\$13,080,032
General account	<u>794,388</u>	<u>763,481</u>
	<u>\$15,384,812</u>	<u>\$13,843,513</u>
Notes receivable from participants	<u>\$3,937</u>	<u>\$24,926</u>

During the years ended December 2024 and 2023, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by \$1,583,647 and \$1,764,398, respectively.

5. Fair Value Measurements

The following table presents the balances of assets measured at fair value at December 31, 2024 and 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2024</u>				
Mutual funds				
in the fair value hierarchy	\$14,590,424	\$ -	\$ -	<u>\$14,590,424</u>
<u>December 31, 2023</u>				
Mutual funds				
in the fair value hierarchy	\$13,080,032	\$ -	\$ -	<u>\$13,080,032</u>

The fair value of mutual funds in the fair value hierarchy has been measured on a recurring basis using quoted prices for identical assets in active markets (Level 1 inputs).

6. General Account Investments

The following table summarizes general account investments as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
General account	<u>\$794,388</u>	<u>\$763,481</u>

The general account (interest accumulation account) is comparable to a cash equivalent and therefore exempt from classification as a Level 1, 2, or 3 asset under ASU-820-10 for the following reasons: 1) there are no front-or-back end chargers, so investments in the general account are completely liquid; 2) the interest rate credited to investments in the general account is a current rate, and is not dependent upon the length of time the assets are invested with Mutual of America Life Insurance Company; 3) requests for withdrawal can be made at any time and are processed on the day that they are received; they are not dependent on the company having to liquidate securities in order to generate a payment; and 4) the value shown on the pension fund report is the redeemable value of the fund; there are no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of a withdrawal request.

NOTES TO FINANCIAL STATEMENTS

7. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items.

Parties-in-interest transactions include those with Plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee transactions, including revenue sharing and fee offset agreements, as well as the Plan's payment of certain plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee were \$2,849.

The Plan's investment options include funds managed by Mutual of America Life Insurance Company's or its affiliates. As trustee and recordkeeper, Mutual of America Life Insurance's transactions qualify as exempt parties-in-interest transactions.

8. Plan Termination

Although it has not expressed any intent to do so, the Home has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

9. Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate sections of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service ("IRS") and the Plan's sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

OPTIMIST BOYS' HOME AND RANCH, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with certain investment securities that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across various asset classes and the utilization of investment managers.
