## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of  
West Wichita Family Physicians, P.A. Profit Sharing Plan and 401(k)

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of West Wichita Family Physicians, P.A. Profit Sharing Plan and 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of West Wichita Family Physicians, P.A. Profit Sharing Plan and 401(k)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis of Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of West Wichita Family Physicians, P.A. Profit Sharing Plan and 401(k) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about West Wichita Family Physician, P.A. Profit Sharing Plan and 401(k)'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of West Wichita Family Physicians, P.A. Profit Sharing Plan and 401(k)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about West Wichita Family Physician's Profit Sharing Plan and 401(k)'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and other certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in

the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

West Wichita Family Physicians, P.A. Profit Sharing Plan and 401(k)  
Notes to Financial Statements  
December 31, 2024 and 2023

1. Description of Plan

The following description of the West Wichita Family Physicians, P.A. (the Company) Profit Sharing Plan and 401(k) (the Plan) provides only general information. Participants should refer to the Summary Plan Description and Plan Agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service and are aged twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Administrative Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

b. Contributions

The Company makes a non-elective safe harbor employer contribution equal to 3% of employee compensation. At the discretion of the Executive Committee, the Company may also make a profit sharing contribution. Participants can also make employee contributions. Participants direct the investment of their accounts into the various investment options offered by the Plan. Contributions are subject to certain limitations.

c. Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution, Company's contributions and allocation of plan earnings and is charged with an allocation of administrative expenses. Allocations are based on account balances, as defined. The participant will be entitled to a benefit equal to his or her vested account balance.

Participants may choose from various funds, as listed in the financial statements, in which to invest their accounts. Participants may change their investment options at any time throughout the year via direct phone access or internet access to the Plan's third-party administrator.

d. Vesting

Each participant is 100% invested at all times in employee deferrals and non-elective safe harbor Company contributions. For profit sharing contributions, each participant is vested in his or her account based upon the following schedule:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

West Wichita Family Physicians, P.A. Profit Sharing Plan and 401(k)  
Notes to Financial Statements  
December 31, 2024 and 2023

1. Description of Plan (continued)

e. Notes Receivable from Participants

The plan does not permit participant loans.

f. Payment of Benefits

Plan benefits are available in the event of death, disability, termination of employment, retirement, and transfer of funds to a different retirement account (rollover). Benefits must be paid in a lump-sum amount equal to the vested balance of the participant's account upon termination. This method of distributions may be used for required minimum distributions due to a participant reaching age 73.

g. In-Service Withdrawals

Participants may elect an in-service withdrawal of vested funds after attaining normal retirement age, which is the later of the date the participant attains age 59.5 or the fifth anniversary of the first day of the Plan Year in which the participant commenced participation in the Plan.

h. Forfeited Accounts

During 2024, there were new forfeitures of \$16,860, which were all used to reduce employer contributions. At December 31, 2024 and 2023 there were no unused forfeitures.

i. SECURE Act 2.0

In December 2022, the President signed into law the Setting Every Community Up for Retirement Enhancement Act 2.0 (SECURE Act 2.0), which expands retirement coverage and saving opportunities. Some of the significant changes that will take effect January 1, 2025, include the following:

- Automatic enrollment of participants and escalation features for employee contributions
- Reduced the requirement to allow long-term, part-time workers to participate in employers' 401(k) plans to two years
- Increase catch-up limits for individuals who have attained the age of 60-63 during the calendar year

The Plan must be amended to reflect the changes resulting from Secure Act 2.0 by December 31, 2026.

2. Summary of Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

West Wichita Family Physicians, P.A. Profit Sharing Plan and 401(k)  
Notes to Financial Statements  
December 31, 2024 and 2023

2. Summary of Accounting Policies (continued)

b. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

c. Investment Valuation and Income Recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan’s valuation policies. See Note 3 for explanation of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments consists of dividends reinvested as well as the plan’s gains and losses on investments bought and sold as well as held during the year.

d. Payment of Benefits

Benefits are recorded when paid.

e. Operating Expenses

Officers or employees of the Company perform certain administrative functions. No such officer or employee receives compensation from the Plan. Administrative expenses relating to recordkeeping and audit fees are paid directly by the Company. The Plan does not reimburse the Company for the cost of such services; therefore, they are not included in the financial statements.

3. Fair Value Measurements

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

West Wichita Family Physicians, P.A. Profit Sharing Plan and 401(k)  
Notes to Financial Statements  
December 31, 2024 and 2023

3. Fair Value Measurements (continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Pooled separate accounts with underlying mutual fund investments are valued based on the observable NAV of the underlying investment. There are no restrictions on the redemption of these investments. There are no unfunded commitments. Redemption may be daily. There are no unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31, 2024 and 2023:

4. Investment Information Certified by the Plan Custodian

The Plan has entered into a contract with John Hancock Life Insurance Company (John Hancock) for the investment of funds and the payments of benefits provided by the Plan. The Plan offers investments in pooled separate accounts, which are maintained and administered by John Hancock. Participants elect the funds to which their contributions are allocated.

The December 31, 2024 and 2023 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

5. Investment Contracts with Insurance Company

The Plan has entered into investment contracts with John Hancock that provide for guaranteed interest rates for three calendar years. The guaranteed interest rate is determined by averaging the rates in effect on each day during the calendar year during which deposits are directed to the respective deposit contract account. All rates credited during the 12-month deposit year are averaged into a single composite rate. In 2024, guaranteed interest income was \$12,835.

Since the investment contracts are not fully benefit responsive they are reported at fair value of \$653,342 and \$622,123 as of December 31, 2024 and 2023, respectively. The Form 5500 reports the contracts at contract value, which was \$665,137 and \$641,539 as of December 31, 2024 and 2023, respectively.

6. Related Party Transactions

Plan investments are shares of pooled separate accounts and guaranteed interest contracts managed by John Hancock. John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid

6. Related Party Transactions (continued)

by the Plan to John Hancock were \$191,118 for the year ended December 31, 2024. Due to the large size of the Plan, John Hancock awards the Plan with reimbursement of their fees. During 2024 fee reimbursement from John Hancock was \$20,314.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to the participant accounts and distributed in such a manner as the Company may determine.

8. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan may have been amended since receiving the determination letter, the Plan administrator and the Plan's third-party administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

9. Concentration of Credit Risk

At December 31, 2024 and 2023, all of the Plan's investments in insurance company pooled separate accounts, guaranteed interest accounts, and cash deposits were held by one financial institution. In addition, the Company's cash on these dates exceeded federally insured limits by \$1,001,683 and \$591,864, respectively. The cash deposits are held in the John Hancock money market account.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
