# Report of Independent Auditor

To,  
The Participants and the Plan Administrator,  
Coforge Limited 401(k) Plan

## Scope and nature of the ERISA Section 103(a)(3)(c) audit

We have performed audits of the accompanying financial statements of Coforge Limited 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and December 31, 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024, and December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2024, and December 31, 2023, and for the years ended December 31, 2024, and December 31, 2023, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s responsibilities for the audit of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to

provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional scepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matters- Supplemental schedules required by ERISA**

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2024, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2024, (referred to as the “supplemental information”), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTE 1: DESCRIPTION OF PLAN**

The Coforge Limited 401(k) Plan (the Plan) was established on July 29, 2005, and was last restated on November 01, 2021.

The Plan covers the employees of Coforge Limited (“the Company/ Plan Sponsor/ Plan Administrator”), the U.S. branch of NIIT Technologies, Ltd., an Indian corporation. Coforge DPA NA Inc. was added as a participating employer in 2021, and Coforge BPM, Inc., NIIT Healthcare Technologies, Inc., NIIT Technologies, LTD, and RuleTek, LLC. (“RuleTek”) were added as participating employers in 2022 (collectively referred to as the Companies, including Coforge Limited).

The following description of the Plan provides only general information. Participants should refer to the Plan documents for a complete description of the Plan’s provisions.

### *General*

The Plan is a defined contribution plan covering substantially all employees of the Companies who are age twenty-one or older. To qualify for employer contributions (including matching), employees must have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### *Contributions*

Participants may contribute up to 100 percent of pretax annual compensation, subject to a statutory dollar limitation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

At their discretion, the Companies may make matching contributions of salary deferrals or nonelective contributions.

### *Participant accounts*

Each participant’s account is credited with the participant’s contributions, the Companies’ matching contributions, and an allocation of the Companies’ nonelective contributions based on compensation, and an allocation of investment earnings less plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participants may designate into which of several funds their accounts should be invested, and the earnings or losses on investments are credited or charged to the participants’ accounts.

### *Vesting*

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies’ matching and discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service.

## Coforge Limited 401(k) Plan

### Financial Statements

December 31, 2024, and December 31, 2023

The vesting percentages for matching and discretionary contribution for the year ended December 31, 2024, and December 31, 2023, for all participants except for RuleTek participants, are as follows:

<b>Years of vesting service</b>	<b>Vested percentage</b>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

The vesting percentages for matching and profit-sharing contributions for the year ended December 31, 2024, and December 31, 2023, for RuleTek participants, are as follows:

<b>Years of vesting service</b>	<b>Vested percentage</b>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

#### *Notes receivable from participants*

Participants may borrow from their accounts a maximum equal to the lesser of \$50,000 or 50 percent of their non-forfeitable account balance. Loan terms may not exceed 5 years except when borrowed for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through monthly payroll deductions.

#### *Forfeitures*

Forfeitures of nonvested accounts of participants terminating before becoming entitled to full benefits, as well as forfeitures of nonvested corrective adjustments, are used to pay plan expenses and to reduce future employer contributions. For the year ended December 31, 2024, and December 31, 2023, \$200,738 and \$241,379 were forfeited from participants' accounts, respectively. As of December 31, 2024, and December 31, 2023, the amount of such forfeitures remaining unallocated was \$2,412 and \$159,703, respectively, which includes adjustments for earnings and losses, amounting to \$1,496 and \$4,038 for the years ended December 31, 2024, and December 31, 2023, respectively. During the year ended December 31, 2024, \$359,471 of forfeitures were used to reduce employer contributions, and \$54 were used to pay Plan expenses. During the year ended December 31, 2023, \$316,614 of forfeitures was used to reduce employer contributions, and \$603 was used to pay plan expenses.

#### *Payment of benefits*

Benefits are generally payable upon retirement, death, disability, or termination of employment. Withdrawals may be made at other times, subject to restrictions. The final payment of benefits may be made as a one-sum cash payment or in instalments not to exceed one year.

## Coforge Limited 401(k) Plan

Financial Statements

December 31, 2024, and December 31, 2023

### NOTE 2: SUMMARY OF ACCOUNTING POLICIES

#### *Basis of accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### *Use of estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions about future events that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

#### *Investment valuation and income recognition*

Investments in mutual funds and common/collective trusts are valued at fair value, as provided by Fidelity Management Trust Company (“the trustee”). See note 4 for a discussion of fair value measurements.

Net appreciation includes gains and losses on investments bought and sold as well as held during the Plan year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date and are reinvested in the respective fund.

#### *Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. An allowance for credit losses of \$22,000 has been recorded as of December 31, 2024, and 2023. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

#### *Recognition of benefits*

Benefits are recognized when paid.

#### *Administrative expenses*

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are included in the net appreciation of the fair value of investments. Administrative expenses are paid as follows:

	<b>December 31, 2024</b>	<b>December 31, 2023</b>
Recordkeeping fees	133,685	107,067
Investment advisory and management fees	86,367	77,736
<b>Total expenses</b>	<b>220,052</b>	<b>184,803</b>

#### *Basis of fair value measurements*

The Plan follows fair value guidance provided in Accounting Standards Codification (ASC) 820 Fair Value Measurement, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The fair value measurement standard defines fair value as the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date (referred to as an “exit price”). A fair value hierarchy is established that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets and liabilities (Level 1

## Coforge Limited 401(k) Plan

### Financial Statements

December 31, 2024, and December 31, 2023

measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices, such as quoted market prices for similar assets or liabilities, or other inputs that are observable or can be corroborated by market data. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

An asset or liability's level within the fair value hierarchy is based on the lowest level of any significant input used to measure its fair value. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

### **NOTE 3: INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY ("TRUSTEE") (UNAUDITED)**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements as of and for the years ended December 31, 2024 and December 31, 2023, and supplemental schedules as of and for the year ended December 31, 2024, including investments and notes receivable from participants balances (excluding the allowance for credit losses) and net appreciation in fair value of investments, interest, and dividends income, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company (Fidelity), the trustee:

	<u>December 31, 2024</u>	<u>December 31, 2023</u>
<b>ASSETS</b>		
<b>Investments at fair value:</b>

<b>Notes receivable from participants</b>	<b>1,316,703</b>	<b>846,753</b>
<b>Transactions during the year</b>		
Net appreciation in fair value of mutual funds	9,542,265	11,138,855
Net appreciation in fair value of the common collective trust	95,293	98,699
Interest and dividend income	2,850,424	1,651,849
Interest income on participants' loans	80,870	54,983

The Plan's independent auditors did not perform auditing procedures with respect to the above information, except for comparing it to the related information included in the accompanying financial statements and supplemental schedules.

### **NOTE 4: FAIR VALUE MEASUREMENTS**

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as at December 31, 2024, and December 31, 2023:

## Coforge Limited 401(k) Plan

### Financial Statements

December 31, 2024, and December 31, 2023

*Mutual funds:* Fair values for investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/collective trusts:* Units held in common/collective trusts (“CCT”) are valued using the net asset value (“NAV”) practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used or transfers between levels during the years ended December 31, 2024, and December 31, 2023.

The following table sets forth, by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024, and December 31, 2023:

### NOTE 6: PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

### NOTE 7: TAX STATUS OF THE PLAN

The Plan Sponsor entered into a non-standardized adoption agreement of Fidelity Management & Research LLC ("FMR LLC"), a *Non-Standardized Pre-Approved Profit-Sharing Plan with Cash or Deferred Arrangement ("CODA")*. FMR LLC has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, that states that the form of the non-standardized pre-approved profit-sharing plan is acceptable under Section 401 of the Internal Revenue Code (IRC).

U.S. generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analysed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, and December 31, 2023, there are no uncertain positions taken or expected to be

taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### NOTE 8: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500 as of December 31, 2024, and December 31, 2023:

#### NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

Fidelity Management Trust Company acts as trustee of the Plan. Fidelity Investments Institutional manages certain Plan investments. Fidelity Investments Institutional is an affiliate of the trustee as defined by the Plan, and therefore, these transactions qualify as a party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing rather than a direct payment.

Fidelity Investments Institutional and other service providers also received compensation paid either directly by the Companies or indirectly by other service providers.

## Coforge Limited 401(k) Plan

Financial Statements

December 31, 2024, and December 31, 2023

### NOTE 10: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### NOTE 11: DELINQUENT CONTRIBUTIONS

Due to unintentional delays, the Companies failed to deposit payroll withholdings within the time frame deemed to be in compliance with DOL regulations for timely remittances for Plan years 2024, 2023, and 2022. The Plan Sponsor will calculate and remit lost earnings for Plan year 2024 delinquent contributions using DOL guidelines for late deposits. The Plan Sponsor corrected the Plan year 2023 and 2022 delinquent contributions by calculating and remitting lost earnings to the affected participant accounts to compensate those participants.

<b>Plan year</b>	<b>Total delayed contributions</b>	<b>Delays corrected</b>	<b>Delays not corrected</b>	<b>Correction year</b>	<b>Lost earnings remitted</b>
2024	\$51,054	-	\$51,054	-	No
2023	\$1,155,044	\$1,155,044	-	2025	Yes
2022	\$44,494	\$44,494	-	2025	Yes

Late remittances of participant contributions and loan repayments constitute non-exempt prohibited transactions under ERISA and the IRC. Any applicable excise taxes and required filings (including VFCP/PTE 2002-51, if applicable) are the responsibility of the Plan Sponsor.

The Plan did not engage in any other non-exempt prohibited transactions during the years presented.

### NOTE 12: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2024, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
