Independent Auditors' Report

To the Trustees of
Little Flower Children & Family Services Defined Contribution Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Little Flower Children & Family Services Defined Contribution Pension Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LITTLE FLOWER CHILDREN & FAMILY SERVICES DEFINED CONTRIBUTION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Little Flower Children & Family Services Defined Contribution Pension Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

A. General

The Plan is a defined contribution plan covering all eligible employees of Little Flower Children and Family Services of New York (the “Agency” or “Plan Sponsor”). As of January 1, 2014, the Plan was amended to include St. John’s Residence for Boys, Inc. (“St. John’s” or the “Participating Employer”), an affiliate of the Plan Sponsor, as a participating Employer in the Plan. As of January 11, 2019, the Agency formally became the sole member of St. John’s. Through this sole member agreement, the Plan is considered a single employer plan. Eligible employees are all workers employed by the Plan Sponsor and the Participating Employer, except those who are classified as either on-call or per diem. For participant elective deferrals, there is no minimum age or minimum months of service requirement for participation eligibility. To be eligible for the employer discretionary contribution, an employee must be credited with at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Agency’s Board of Directors is responsible for the oversight of the Plan. The Plan’s Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Agency’s Board of Directors.

B. Contributions

Each year, participants may contribute up to 100 percent of pre-tax annual compensation, as defined in the Plan document, up to the maximum limits of the Internal Revenue Code (“IRC”). Participants may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). During the years ended December 31, 2024 and 2023, the Agency made a discretionary contribution of approximately \$543,000 and \$293,000, respectively, to the Plan. The discretionary contributions were reduced by applied forfeitures annually, see Note 1G for further detail. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations. Employer contributions are recorded in the year earned. An employer contribution receivable is recorded for amounts not remitted by the end of the Plan year. All employer contributions are expected to be collected and no allowance is deemed necessary.

C. Participant Accounts

Each participant's account is credited with the participant's contribution, rollovers, an allocation of the employer discretionary contributions, and the Plan’s net earnings or losses. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

D. Vesting

Participants are vested immediately in their contributions plus allocated earnings thereon. Vesting in the Agency’s contribution portion of their accounts is based on years of continuous service. Participants are 100 percent vested after three years of credited service.

E. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant, or their designated beneficiary, may receive a lump-sum distribution equal to the value of the participant’s vested interest in their account. In addition, the Plan allows for hardship distributions if certain criteria are met. If the benefit payable for a terminated participant is \$5,000 or less, the benefit will be automatically paid to the Participant.

LITTLE FLOWER CHILDREN & FAMILY SERVICES DEFINED CONTRIBUTION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and mature at various dates through December 31, 2034. The loans bear interest at rates that range from 5.25 percent to 10.5 percent as of December 31, 2024, which are commensurate with local prevailing rates at inception of the loan as determined by the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence.

G. Forfeited Accounts

As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$6,084 and \$6,123, respectively. Forfeiture balances are continually credited with participants' forfeited balances and the Plan's net earnings or losses. Forfeitures of employer basic contributions are utilized to pay any expenses payable by the Plan or used to reduce future employer contributions. For the years ended December 31, 2024 and 2023, the Agency's contributions were reduced by approximately \$6,751 and \$900, respectively, from forfeited nonvested accounts.

H. Regulatory Compliance Affecting Retirement Plans

The Setting Every Community Up for Retirement Enhancement Act of 2022 ("SECURE Act 2.0") was signed into law in December 2022, delivering dozens of new retirement-related provisions. These changes build on the original SECURE Act of 2019, which altered the rules around how employees can save and withdraw money from their retirement accounts. SECURE 2.0 further increased the age of required minimum distributions ("RMDs"), increased the catch-up contributions for older workers and required automatic enrollment for new plans. The SECURE 2.0 Act increased the age at which individuals must begin taking RMDs to 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030. The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable years beginning after December 31, 2024.

In addition, the SECURE 2.0 Act lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k) so that it is easier for part-time employees to participate in them. Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either reached the later of age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

B. Investments, Valuation and Income Recognition

The Plan's investments, except for the fully benefit-responsive contract, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**LITTLE FLOWER CHILDREN & FAMILY SERVICES DEFINED CONTRIBUTION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fully benefit-responsive investment contracts held by a defined contribution plan are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the Plan.

C. Benefits Paid

Benefits are recorded when paid.

D. Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

E. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Agency. Expenses that are paid by the Agency or the Participating Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

F. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued, but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

NOTE 3 – INVESTMENTS - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIAN AS COMPLETE AND ACCURATE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company ("Principal"), a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules are complete and accurate:

	<u>2024</u>	<u>2023</u>
Investments:		
Mutual funds, at fair value	\$ 9,659,463	\$ 8,446,407

NOTE 3 – INVESTMENTS - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIAN AS COMPLETE AND ACCURATE (CONTINUED)

At the request of the Plan administrator, the Plan’s independent auditors did not perform auditing procedures with regard to the certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodology used for assets measured at fair value. There has been no changes in the methodology used at December 31, 2024 and 2023.

Mutual Funds

Mutual funds are valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value at December 31, 2024. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. As of December 31, 2024 and 2023, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Assets at Fair Value at December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 9,659,463</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,659,463</u>

**LITTLE FLOWER CHILDREN & FAMILY SERVICES DEFINED CONTRIBUTION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value at December 31, 2023. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

	<u>Assets at Fair Value at December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 8,446,407</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,446,407</u>

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a guaranteed general-account backed group annuity contract, the Principal Fixed Income Guaranteed Option (the “contract”) that has been issued by Principal Life Insurance Company to Principal Trust Company as custodian. The contract meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the contract as of December 31, 2024 and 2023 was \$441,253 and \$439,362, respectively.

The contract is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, but may not be less than zero percent. The methodology for calculating the interest crediting rate is defined in the contract under the term “Composite Crediting Rate.” Under the terms of the existing contract, the crediting rate is currently reset on a semiannual basis. The interest rate history for the contract is as follows:

<u>Time Period</u>	<u>Rate</u>
December 1, 2022 – May 31, 2023	4.05%
June 1, 2023 – November 30, 2023	4.35%
December 1, 2023 – May 31, 2024	4.65%
June 1, 2024 – November 30, 2024	5.15%
December 1, 2024 – May 31, 2025	4.85%

The Plan’s ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan’s failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan’s prohibition on competing investments options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan’s normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

LITTLE FLOWER CHILDREN & FAMILY SERVICES DEFINED CONTRIBUTION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include guaranteed investment contracts managed by Principal as of December 31, 2024 and 2023. Principal is the Plan's custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the custodian services provided to the Plan are reflected as administrative expenses in the accompanying financial statements, and amounted to \$78,397 and \$49,560 for the years ended December 31, 2024 and 2023, respectively.

The Plan issues notes to participants that are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – TAX STATUS

The Plan is an individually designed plan. As a result, there is no IRS opinion letter nor a determination letter for the Plan. The Plan has been designed to qualify under Section 403(b) of the IRC. The Plan administrator believes the Plan is operating in accordance with the applicable requirements of Section 403(b) of the IRC and therefore believes the Plan is qualified and the related custodial accounts are tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**LITTLE FLOWER CHILDREN & FAMILY SERVICES DEFINED CONTRIBUTION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REPAYMENTS AND EMPLOYER CONTRIBUTION ERRORS

Participants' contributions and loan repayments for payroll periods in 2016 and 2021, amounting to \$6,425 and \$19,831, respectively, were not remitted by the Plan Sponsor to the recordkeeper within the period prescribed by the Department of Labor regulations. There are Department of Labor regulations which require that the employee contributions be transferred to the Plan as of the earliest date on which such contributions can reasonably be segregated from the Plan Sponsor's general assets. The late remittances to the Plan were corrected outside of the VFCP, and the Plan Sponsor contributed \$306 of lost earnings, using the Department of Labor's lost earnings calculator, to the affected participants.

In 2022, Plan management identified miscalculations in employer discretionary contributions for the Plan years ended December 31, 2021 and 2020. Management has determined that the matter is not material to the financial statements of the Plan and does not anticipate any further corrective adjustments.

During 2024, it was discovered that the Plan Sponsor did not withhold participant contributions on certain types of compensation for the year ended December 31, 2023. Plan management is reviewing the error and will make any necessary corrections.

NOTE 11 – SUBSEQUENT EVENTS

Plan management has performed subsequent events procedures through October 15, 2025, which is the date the financial statements were available to be issued.

Effective July 1, 2025, the Plan document was amended and restated. One significant result from the restatement, referred to Plan eligibility rules that were amended to include the provision, that to the extent that an employee is covered by a collective bargaining agreement that sets forth eligibility provisions for such employee's participation in this Plan for employer contribution purposes, such collective bargaining agreement eligibility provisions shall be deemed an addendum to this Plan and shall supersede the contrary provisions of this Plan.

Additionally, as part of the July 1, 2025 restatement, an employer matching contribution will be made by the employer to eligible, contributing participants, equal to 25-percent of their contributions not in excess of 4-percent of their eligible compensation (such that the maximum employer matching contribution that may be contributed on behalf of any eligible participant for a Plan year is 1% of eligible compensation).
