INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and participants of
Mayco Savings Plan
Birmingham, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Mayco Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mayco Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Mayco Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Mayco Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mayco Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Mayco Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAYCO SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Mayco Savings Plan (the Plan), as amended, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Company adopted a prototype non-standardized 401(k) profit sharing plan designed to meet Internal Revenue Service (IRS) guidelines under Section 401 of the Internal Revenue Code (IRC). All eligible employees of Mayco Manufacturing, LLC and Santa Rosa Lead Products, LLC. are covered by the Plan. Mayco Manufacturing, LLC (the Company), is the Sponsor and Plan Administrator of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees covered by a collective bargaining agreement must have completed one hour of service to be eligible for participation in the Plan. All other employees, who are not specifically excluded, who have completed one-half year of service are eligible for participation in the Plan.

Contributions

All participants may contribute up to 100% of compensation as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Subject to certain regulatory limitations and at the option of the Board of Directors, the Company may make discretionary matching and profit sharing contributions to the Plan on behalf of eligible participants. Discretionary matching contributions are based upon a matching percentage of the amount contributed by the participant. The Sponsor instituted a match up to 6% of compensation effective January 1, 2024. Employees covered by a collective bargaining agreement that were employed by the Company at any time during the Plan year are eligible for profit sharing contributions. For the plan year ended December 31, 2024, the Company's profit sharing contribution was \$66 per month for one employee that participated in the previous pension plan and \$25 per month for all other employees covered by the collective bargaining agreement.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based on the participant's contribution and earnings as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

MAYCO SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN – Continued

Vesting

Participants covered by a collective bargaining agreement are 100% vested in their voluntary contributions and 100% vested in employer profit sharing contributions immediately upon participation in the Plan. All participants are 100% vested in employer match contributions after three years of service as defined by the Plan document.

Notes Receivable from Participants

Participants may borrow 50% of their vested account balance up to a maximum amount of \$50,000 (less the highest outstanding balance of loans in the past 12 months). The term of general purpose loans cannot exceed 60 months. The term of loans used to acquire a principle residence cannot exceed 15 years. Loans are assets of the individual participants' accounts and are secured by the balances in their accounts. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of service due to separation, retirement, death or disability, the benefit to which a participant is entitled is the vested portion of contributions and income thereon allocated to such participant's account. Terminating participants with less than \$5,000 will receive this amount in a lump sum payment.

A participant may take an in-service distribution for hardship from the vested portion of his or her account. In-service distributions are also permitted when a participant reaches age 59½. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 72.

Forfeitures

Terminated employees, whose account balances are not fully vested, forfeit their non-vested portion. The funds in these accounts can be used first to reduce future employer contributions and second to offset administrative expenses with any remaining amounts allocated to participant accounts. Forfeited non-vested accounts used to offset employer profit-sharing contributions were \$3,223 and \$5,890 for the years ended December 31, 2024 and 2023, respectively. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$0.

Administrative Costs

Investment and advisory fees for the maintenance and custody of plan assets are paid from the assets of the Plan. The Company pays other costs on behalf of the Plan including administrative and audit costs.

MAYCO SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been presented on the accrual basis of accounting which conforms to accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan is in compliance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures* as well as subsequent guidance in Accounting Standards Update (ASU) 2015-07 *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)*, and ASU 2015-12 *Plan Accounting: Defined Contribution: Part(I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Expedient*.

ASC 820 requires that investments held by the Plan be stated at fair value which is defined as the price that the Plan would receive upon selling an investment in an orderly transaction to an independent buyer in the principal or most advantageous market of the investment. ASU 2015-07 and 2015-12 clarify the definition of fair value for certain types of investments.

For certain investments measured using net asset value (NAV) as the practical expedient for fair value, ASC 2015-07 exempts inclusion of these investments from categorization within the fair value hierarchy established by ASC 820. Since the Plan's pooled separate accounts and collective investment income funds use NAV as a practical expedient of fair value, they are not presented in the fair value hierarchy.

ASU 2015-12, a three-part standard, simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. The Plan's fixed income guaranteed group annuity contract (GIC) is considered to be a fully benefit-responsive investment contract and is therefore valued at contract value. ASU 2015-12 exempts the inclusion of this investments from categorization within the fair value hierarchy established by ASC 820.

The Plan presents the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments in the statement of changes in net assets available for benefits.

MAYCO SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Other Employer Receivables

Other employer receivables are amounts due to the Plan from the Company to correct Plan operational errors. The balance is determined by totaling all operational errors including lost investment earnings incurred during the Plan year, but not corrected by year end. The DOL requires the Sponsor to remit these corrective amounts to the Plan within two years of the Plan year end in which they were incurred. Management has determined that no allowance for credit losses was necessary for the years ended December 31, 2024 and 2023.

Excess Employee Contributions

Amounts payable to participants for their contributions and associated matching contributions in excess of amounts allowed by the IRS, are recorded as liabilities with a corresponding decrease in contributions. The Plan is required to distribute all excess contributions and lost investment earnings by March 15 following the Plan year end.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Plan administrative expenses are recognized when paid.

Reclassifications

Certain reclassifications have been made in the previously reported financial statements to make prior year amounts comparable to those in the current year. Such reclassifications had no effect on the previously reported net assets or changes in net assets.

Subsequent Events

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued.

MAYCO SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEES

Effective for years beginning January 1, 2021, the annual compliance permitted by electing 29 CFR 2520.103-8 of the Department of Labor’s (DOL) rules and Regulations for Reporting and Disclosure under ERISA was replaced by ERISA Section 103(a)(3)(C). Consequently, for the years ended December 31, 2024 and 2023, the Plan sponsor’s annual reporting was in conformance with ERISA Section 103(a)(3)(C). Principal Life Insurance Company and Principal Trust Company, the trustees, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants held by the Trust as shown on the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net investment activity and interest income on notes receivable from participants as shown on the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 31, 2024.

The Plan’s independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 – FAIR VALUE MEASUREMENTS

ASC 820 established a three-tier hierarchy to maximize the use of observable market data and minimize the use of unobservable inputs, and to establish classification of fair value measurements for disclosure purposes. Inputs refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity’s own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available.

The three-tier hierarchy of inputs is summarized in the three broad levels listed below.

- Level 1 – quoted prices in active markets for identical investments
- Level 2 – other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.)
- Level 3 – significant unobservable inputs (including the Plan’s own assumptions in determining the fair value of investments)

The level in the fair value hierarchy within the fair value measurement is based on the lowest level of input that is significant in the fair value measurement.

MAYCO SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 4 – FAIR VALUE MEASUREMENTS – Continued

Investments measured at fair value on a recurring basis consisted of the following types of instruments at year end:

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) and contract value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

The following is a summary of significant valuation techniques for assets and liabilities measured at fair value on a recurring basis:

Level 1 measurements

Mutual funds: Comprised of actively traded, exchange-listed U.S. and international equity securities. Valuation is based on unadjusted quoted prices for identical assets in active markets that the Plan can access.

NOTE 5 – FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV VALUE AS A PRACTICAL EXPEDIENT

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

	<u>2024</u>	<u>2023</u>	<u>Unfunded commitments</u>	<u>Redemption frequency</u>	<u>Redemption notice period</u>
Pooled separate accounts	\$ 260,411	\$ 196,536	N/A	Daily	Daily
Collective investment trust fund accounts	<u>2,315,805</u>	<u>1,942,492</u>	N/A	Daily	Daily
Total investments at NAV	<u>\$ 2,576,216</u>	<u>\$ 2,139,028</u>			

Pooled separate accounts: Investments are maintained by Principal Life Insurance Company and are comprised of pools of invested funds received from participating benefit plans invested in stocks (both domestic and foreign), bonds, mortgages, real estate, mutual funds, other pooled separate accounts and other investments that are specified in the investment policies of the accounts. Principal Life Insurance Company owns the underlying investments and each plan shares in the pooled funds on a participation unit basis. Valuation of these investments is at NAV which is calculated by dividing the “rate” level market value less management fees by the number of participation units in the fund. Investment returns are not guaranteed and participants transact at NAV. Pooled separate accounts file a Form 5500 as direct filing entities (DFEs).

Collective investment trust fund accounts: Funds are placed in hybrid contracts maintained by Principal Global Investors Trust Company and are governed by the terms of the participation agreement with the Plan. These collective investment trusts invest in various types of investments, including Principal funds managed toward a particular target (retirement date) or the approximate date an investor starts withdrawing money. The strategy of each investment is to increase exposure in more conservative investments as the target date approaches. Asset allocation is regularly re-adjusted to conform to this strategy. Neither Principal or the underlying assets of the trusts are guaranteed. Valuation of these accounts is at NAV adjusted daily. Unit value is calculated to include an allocation of investment income and expenses to each unit. The collective investment trust fund accounts file a Form 5500 as DFEs.

NOTE 6 – INVESTMENTS VALUED AT CONTRACT VALUE

The following investment is valued at contract value at December 31:

	<u>2024</u>	<u>2023</u>
Fixed income guaranteed GIC	<u>\$ 28,661</u>	<u>\$ 63,752</u>

NOTE 6 – INVESTMENTS VALUED AT CONTRACT VALUE – Continued

Fixed income GIC: The guaranteed account is a group annuity contract guaranteed by Principal Life Insurance Company against loss of principal and is structured to provide a stable rate of return to investors. It is reported at contract value which represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing plan. Based on the characteristics of the contract, management has determined that it qualifies as a fully benefit-responsive defined contribution plan investment. The contract continues in-force until it is terminated by the Plan or the trustee. Events such as the premature termination of the contract, plant closings, layoffs, termination of the Plan, bankruptcies and mergers may limit the ability of the Plan to transact at contract value with the participants of the Plan. There are no indications that these events are likely to occur.

Upon enrollment in the Plan, participants may direct their contributions and any employer match contributions in any of 25 options available at December 31, 2024, and may change their investment options daily.

NOTE 7 – INVESTMENTS IN FUNDS WITH FOREIGN EXPOSURE

Investments of the Plan are held in various mutual funds and are stated at fair value as determined by the trustee based on the net asset value (NAV) of each fund. Certain funds held by the Plan include exposure to foreign markets through investments in international or global equity securities.

All investments are denominated and reported in U.S. dollars. Any foreign currency translation and related gains or losses occur within the underlying mutual funds and are reflected in their reported NAVs. Accordingly, the Plan's financial statements are not directly exposed to foreign currency risk beyond the indirect impact through these investment funds.

NOTE 8 – OTHER EMPLOYER RECEIVABLES

Other receivables totaling \$14,639 and \$13,204 for the years ended December 31, 2024 and 2023, respectively, are reported on the statements of changes in net asset available for benefits. The Company has indicated that it intends to remit the appropriate amounts for the plan years ended December 31, 2021, 2022, 2023 and 2024 in compliance with deadlines established by the DOL for correction of plan operational errors. The corrections will be done using the Self Correction Program (SCP) made available by the IRS's Employee Compliance Resolution System (EPCRS).

NOTE 9 – COMPLIANCE TESTING

The Plan did not complete its compliance testing for the 2024 and 2023 Plan years by the IRS deadline of March 15 of the following year. As of the date of the Independent Auditor's Report, the testing for the 2024 Plan year had been completed, resulting in \$78,289 of excess contributions payable to participants as of December 31, 2024.

NOTE 10 – PARTY-IN-INTEREST TRANSACTIONS

During 2024 and 2023, Plan investments included shares of mutual funds, common investment trust fund units, pooled separate accounts and a fixed income guaranteed GIC managed by Principal Life Insurance Company and Principal Trust Company, the trustees. Therefore, transactions occurring during the years ending December 31, 2024 and 2023 with these parties qualify as party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Company. No officer or employee received compensation from the Plan for these services.

NOTE 11 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, each participant's account becomes fully vested and the assets will be distributed to the participants.

NOTE 12 – TAX STATUS

The IRS has informed the Plan sponsor by an opinion letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operating in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax exempt.

The Plan follows the accounting requirements associated with uncertainty in income taxes using the provisions of FASB ASC 740, *Income Taxes*. The Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. Previous open tax years may be subject to examination by taxing authorities.

NOTE 13 – RISKS AND UNCERTAINTIES

Investments in general are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Other financial impacts could occur and are uncertain at this time. Due to these risks and uncertainties, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 14 – CONCENTRATIONS OF CREDIT RISK

Investments are subject to concentrations of credit risk. Investments held by the Plan are insured by the Securities Investor Protection Corporation (SIPC) up to \$500,000 in securities and cash combined, with a \$250,000 limit on cash. At times investment balances exceeded SIPC insured limits. The Plan has not experienced and does not anticipate any credit losses on these balances.
