## **INDEPENDENT AUDITOR'S REPORT**

To the Participants and Administrator of  
Ameriforge 401(k) Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C)**

We have performed audits of the financial statements of the Ameriforge 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP")
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **INDEPENDENT AUDITOR'S REPORT, CONTINUED**

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## INDEPENDENT AUDITOR'S REPORT, CONTINUED

### **Other Matters - Supplemental Schedules Required by ERISA**

The supplemental schedules, *Schedule H, Line 4a – Schedule of Delinquent Participant Contributions* for the year ended December 31, 2024 and *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)* as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTES TO FINANCIAL STATEMENTS**

### **1. Description of Plan**

The following brief description of the Ameriforge 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan was established, effective March 1, 2000, as a defined contribution plan sponsored by Ameriforge Group, Inc. (the "Company") dba AFGlobal Corporation, covering substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Prior to July 29, 2024, the Plan was adopted by the following related employers: Taper-Lok Corporation, AF Gloenco, Inc., Ameri-Forge Corporation, AFG Holdings, Inc., Century Corrosion Technologies, LLC, Allpoints Oilfield Services, LLC, Ameriforge Cuming Insulation, LLC, Cuming Corporation, NRG Manufacturing Louisiana, LLC, Flotation Technologies, LLC, NRG Manufacturing Inc., and MPO LLC.

Effective July 29, 2024, the Plan was amended whereby only the following related employers participate in the Plan: Ameri-Forge Corporation, AFG Holdings, Inc. and Taper-Lok Corporation. The term "Employers" used in the accompanying financial statements and notes thereto, refer to the collective group of related employers listed above.

The Plan has been amended and restated from time to time , most recently on April 7, 2022, to comply with the most recent statutory and regulatory changes applicable to plans maintained under Code Section 401(a) and 401(k) of the Internal Revenue Code ("IRC").

#### **Administration**

The Plan is administered by the Company and, accordingly, certain administrative functions are performed by officers or employees of the Company. No officers or employees receive compensation from the Plan. Fidelity Management Trust Company and Fidelity Workplace Services, LLC ("Fidelity" and "Trustee") are the trustee and record keeper of the Plan.

#### **Eligibility**

Employees, except for resident of Puerto Rico, over the age of 18 years may elect to participate in the Plan as of the first day of the month after the employee's hire date.

#### **Automatic Enrollment**

All eligible employees are automatically enrolled in the Plan and are deemed to have elected a deferral rate of 3% of their pre-tax compensation. An employee may affirmatively elect not to participate in the Plan or may elect a different deferral rate.

#### **Contributions**

Participants of the Plan may designate, as a payroll deduction, a percentage of their compensation as pre-tax deferral 401(k) contributions, Roth 401(k) contributions, or a combination thereof, not to exceed the limitation (\$23,000 in 2024 and \$22,500 in 2023) set forth in Section 402(g) of the IRC. Participants may also designate a percentage of their compensation as after-tax contributions. Total employee contributions, including pre-tax deferral 401(k) contributions, Roth 401(k) contributions and after-tax contributions, may not exceed 75% of the participant's compensation. Participants may make catch-up contributions, pre-tax contributions that exceed the annual elective deferral limit, during any calendar year ending on or after the participant's 50th birthday. Participants' total catch-up contributions were limited to a maximum of \$7,500 in both 2024 and 2023. Participants may also make rollover contributions from other qualified plans.

# AMERIFORGE 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

### 1. Description of Plan, continued

#### Contributions, continued

The Employers may make discretionary matching contributions equal to a percentage of the participant's elective salary deferral contributions to the Plan. The Plan permits the application of different discretionary Employer matching contribution formulas by the individual participating Employers. The Employers may also elect to make additional discretionary contributions to be contributed to the Plan as Employer non-elective contributions. Employer non-elective contributions are allocated to each eligible participant, as defined in the Plan document, based on the ratio of the eligible participant's compensation to the total compensation paid to all eligible participants for the Plan year. During the years ended December 31, 2024 and 2023, discretionary Employer matching contributions totaled \$471,084 and \$541,776, respectively. The Employers made no discretionary non-elective contributions during the years ended December 31, 2024 and 2023.

#### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (i) Plan earnings or losses, (ii) expenses and (iii) Employer discretionary contributions, if any. Contributions and allocations are invested in securities held in trust and may be directed at the participant's option to any of the Plan's investment alternatives. Earnings and losses are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. Upon the occurrence of a distributable event, the benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

#### Vesting

Participants are 100% vested in employee contributions and any earnings thereon. Participants are subject to the following vesting schedule for Employer contributions.

<u>Years of Service</u>	<u>Percent Vested</u>
1	33%
2	66%
3 or more	100%

A participant becomes 100% vested in all Employer contributions upon death, disability or attaining the normal retirement age, as defined in the Plan document.

#### Notes Receivable from Participants

Participants may borrow from their fund accounts any amount greater than \$1,000 up to a maximum amount equal to the lesser of (a) \$50,000 minus the participant's highest outstanding note balance during the prior twelve-month period, or (b) 50% of the participant's vested account balance. Note terms range from one to five years, except for notes used for the purchase of a principal residence, which may be repaid over 10 years. Principal and interest payments are made by payroll withholdings according to the terms of the promissory note. Notes are secured by the vested balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates ranged from 3.25% to 8.50% on notes outstanding in both 2024 and 2023.

#### Payment of Benefits

The Plan provides benefits for eligible participants upon retirement, death, termination, or permanent disability, according to the form of payment elected by the participant within the limitations defined in the Plan document. Distributions shall be made in the form of a lump sum or equal periodic installments.

Prior to termination of employment, participants over the age of 59 ½ may elect to receive a distribution of their vested account balance. The Plan also allows hardship withdrawals prior to age 59 ½, subject to Internal Revenue Service ("IRS") regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the employee and is limited to certain purposes.

# AMERIFORGE 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

### 1. Description of Plan, continued

#### Forfeited Accounts

All Employer contributions credited to a participant's account, but not vested, are forfeited by the participant upon distribution of the full vested value of his or her account. Forfeitures are used to pay Plan expenses or reduce Employer contributions. During the years ended December 31, 2024 and 2023, forfeited non-vested amounts of \$72,608 and \$68,809, respectively, were used to pay Plan expenses and reduce Employer contributions. As of December 31, 2024 and 2023, forfeitures available to pay Plan expenses or reduce future Employer contributions totaled \$9,860 and \$12,775, respectively.

#### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employers. Expenses that are paid by the Employers are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

### 2. Summary of Significant Accounting Policies

#### Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

#### Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

#### Risks and Uncertainties

The Plan provides for various investment securities. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

#### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transactions between market participants at the measurement date. See Note 3 for discussion of the fair value measurements.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments that were purchased and sold as well as held during the year.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

#### Benefit Payments

Benefits are recorded when paid.

## AMERIFORGE 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

### 3. Fair Value Measurements

Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining the fair value of the assets and liabilities, the Plan generally uses the market approach. The market approach uses prices and other relevant data based on market transactions involving identical or comparable assets.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money market fund:* Valued at the daily closing price as reported by the money market account.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s investments measured at fair value on a recurring basis as of December 31, 2024 and 2023:

	<b>Investments at Fair Value as of December 31, 2024</b>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

**4. Information Certified by the Trustee (Unaudited)**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest income on notes receivable from participants, and interest and dividends for the years then ended, was obtained from the information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

**5. Tax Status**

The Plan adopted by the Company is a non-standardized pre-approved defined contribution plan document established by FMR, LLC, an affiliate of Fidelity. The non-standardized pre-approved plan received a favorable opinion letter from the IRS dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, management of the Company and the Plan administrator believe the Plan complies with and is being operated in accordance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate the tax position taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the DOL and IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

**7. Party-in-Interest Transactions**

Certain Plan investments are in shares of registered investment companies managed by the Trustee and Record keeper. The Plan also includes notes receivable from participants. These transactions qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

**AMERIFORGE 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**8. Delinquent Participant Contributions**

During the year ended December 31, 2024, the Company determined that an employee deferral of \$193, had not been remitted to the Plan in a timely manner, according to DOL regulations. Although this remittance was made, it fell outside the normal processing time the Company allows. An investigation was held to determine the root cause of the delinquent contributions, and corrective measures were taken. The lost earnings estimate of \$44 was processed and deposited in 2025.

**9. Subsequent Events**

The Plan administrator has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued and has concluded that there are no significant events to be reported.
