To the Trustees and Plan Administrator
Orthopaedic Associates, PA Profit Sharing 401(k) Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Orthopaedic Associates, PA Profit Sharing 401(k) Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (in liquidation) as of December 31, 2024, and the related statement of changes in net assets available for benefits (in liquidation) for the year ended December 31, 2024, and the statement of net assets available for benefits as of December 31, 2023 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical

responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the plan trustees approved a plan of liquidation on August 31, 2024, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the ongoing basis of accounting used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to

those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, and Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ORTHOPAEDIC ASSOCIATES, PA PROFIT SHARING 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN

The following description of the Orthopaedic Associates, PA Profit Sharing 401(k) Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide employees of Orthopaedic Associates, P.A., as defined, (the Company or the Sponsor) the opportunity to accumulate savings that provide benefits in the event of retirement, disability or death. The Plan is structured to comply with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Nationwide Life Insurance Company serves as the custodian of the group annuity contract, and Nationwide Trust Company serves as the custodian of the Plan's mutual funds (collectively the Certifying Entities).

In 2024, the trustees of the Plan approved the termination of the Plan effective August 31, 2024. As a result of the termination, Plan participants became 100% vested in Plan assets. Distributions began in 2025.

Effective November 1, 2022, the Plan was amended to merge the Southern Orthopedics Profit Sharing 401(k) Plan into the Plan. Effective May 31, 2024, the assets related to the merger were transferred into the Plan and are reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

Plan Administration

The Plan is administered by the trustees which, as Plan administrator, have substantial control of and discretion over the administration of the Plan. Nationwide Financial Services, Inc. is the recordkeeper for the Plan.

The following key provisions are relative to the Plan prior to the Plan termination.

Eligibility

Employees become eligible to participate in the Plan on the next eligibility date after they have completed one year of service and attained age 21. Eligibility dates are the first and seventh month of the Plan year coinciding with or following the date the participant satisfies the eligibility requirements.

Contributions

Each year, participants may contribute up to the maximum percentage allowable of pretax annual compensation, as defined by the Plan, not to exceed the Internal Revenue Service (IRS) limitations. Participants may also designate a percentage of eligible compensation as Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan Sponsor has adopted a safe harbor formula, whereby the employer matches 100% of the first 3% of eligible compensation. The Sponsor may also, at its sole discretion, make a matching contribution in an amount as determined by the Sponsor. There were no discretionary matching

ORTHOPAEDIC ASSOCIATES, PA PROFIT SHARING 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

contributions contributed in 2024. The Sponsor may also make a discretionary nonelective contribution to the Plan. Discretionary nonelective contributions of \$295,182 were made to the Plan during the year ended December 31, 2024.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, allocations of the Company's contributions and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses, as applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

As a result of the termination, effective August 31, 2024, Plan participants became 100% vested in Plan assets.

Payment of Benefits

Upon termination of employment, death, disability or retirement, a participant, or their beneficiary, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may request in-service withdrawals if they are at least 59½ or have an immediate financial hardship, as defined by the Plan document. The Plan provides for a mandatory lump-sum distribution of a participant's vested account balance if the account balance is less than \$5,000 upon severance from employment. If a participant's vested account balance exceeds \$5,000 at termination, participants may elect to postpone distributions of their account balance to a normal retirement age of 65. Payments commence as soon as administratively feasible following the close of the valuation period during which a distribution is requested or is otherwise payable. Participants receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures

Upon termination of employment, participants forfeit their nonvested balances. The Plan may use forfeitures to reduce Sponsor contributions or to pay Plan expenses. The forfeiture balance as of December 31, 2024 and 2023, was \$16,193 and \$5,643, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

In accordance with accounting principles generally accepted in the United States of America (GAAP), the Plan has changed its basis of accounting from an on going basis used in the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

ORTHOPAEDIC ASSOCIATES, PA PROFIT SHARING 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of the group annuity contract which is stated at contract value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits to participants are recorded when paid.

Excess Contributions Payable

Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy to prioritize inputs with valuation techniques that measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Observable inputs such as quoted prices in active markets;

Level 2 – Inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and

Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

ORTHOPAEDIC ASSOCIATES, PA PROFIT SHARING 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The following is a description of the valuation methodologies used for assets measured at fair value:

- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total

NOTES TO THE FINANCIAL STATEMENTS

4. GROUP ANNUITY CONTRACT

The Plan entered into a Group Annuity Contract (the Contract) with Nationwide Life Insurance Company (Nationwide) which offers fixed and annuity products. The fixed option is backed by the general assets of the insurance company. The fixed option employs a modified new money interest crediting policy. Nationwide declares a current interest rate at the beginning of each month applicable to contributions received during that month. The current rate declared is guaranteed until the end of that calendar year for contributions received that month. It is the intent of Nationwide, though not guaranteed, to continue to credit interest at the same rate for such contributions for an additional calendar year. At the beginning of the third calendar year, such contributions will earn interest at a new declared pool rate. This rate is established January 1 of each calendar year and guaranteed for that entire calendar year. The contractually guaranteed minimum interest rate is applicable for the lifetime of the contract. Once a transfer has been made into the account, no other transfers from this account will be permitted for 30 days. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The minimum guaranteed interest rate is 1.25%. The guarantees are based on Nationwide's ability to meet its financial obligations from the assets of Nationwide.

5. CERTIFICATION OF CERTIFYING ENTITIES

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the Certifying Entities.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

During 2024, certain Plan investments featured shares of funds managed by Nationwide Trust Company, as well as the group annuity contract with Nationwide Life Insurance Company, which are the custodians as defined by the Plan; therefore, these transactions qualify as party-in-interest to the Plan. Additionally, for the year ended December 31, 2024, the Plan paid administrative fees of \$54,387 to the Plan's recordkeeper and third-party custodian.

7. PLAN TERMINATION

The Plan was terminated effective August 31, 2024. In accordance with the termination, the Company began to distribute the all the remaining participant accounts in 2025. As a result of the termination, Plan participants became 100% vested in Plan assets.

ORTHOPAEDIC ASSOCIATES, PA PROFIT SHARING 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

8. INCOME TAXES

The Company adopted a non-standardized preapproved profit-sharing plan with Cash or Deferred Arrangement (CODA) sponsored by Warren Averett Benefit Consultants (the Prototype Plan). The Prototype Plan received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Prototype Plan was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. NON-EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Company remitted certain 2024 participant contributions and loan repayments of \$2,873 to Nationwide later than required by Department of Labor's Regulation 2510.3-102. The Company is in the process of completing the Form 5330 with the IRS and required excise tax on the transactions. In addition, participant accounts were credited with the amount of investment income that would have been earned had the participant contributions been remitted on a timely basis.

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2025, which is the date the financial statements were available to be issued, and has determined that there are no additional subsequent events that require disclosure under Financial Accounting Standards Boards (FASB) Accounting Standards Codification (ASC) Topic 855, *Subsequent Events*.
