Independent Auditor's Report

Board of Trustees
Teamsters Local Union No. 422 Welfare Fund

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Teamsters Local Union No. 422 Welfare Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Teamsters Local Union No. 422 Welfare Fund's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Teamsters Local Union No. 422 Welfare Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, including determining that the modified cash basis of accounting is an acceptable basis of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local Union No. 422 Welfare Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teamsters Local Union No. 422 Welfare Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local Union No. 422 Welfare Fund's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Supplemental Schedules Required by ERISA

The supplemental schedules include Schedule H, Line 4i – Schedule of Assets (Held at End of Year) (Modified Cash Basis), as of December 31, 2024, and Schedule H, Line 4j – Schedule of Reportable Transactions, for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TEAMSTERS LOCAL UNION NO. 422 WELFARE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of Teamsters Local Union No. 422 Welfare Fund (the “Plan”) provides only general information about the Plan’s provisions. Participants should refer to the plan agreement for a complete description of the Plan’s provisions.

General

The Plan is a multiemployer defined benefit health and welfare plan which provides health and welfare benefits to individuals that were represented by Ice, Coal, Miscellaneous Scrap Metal, Auto Wrecking and Smelting Drivers & Workers, Local Union No. 422 Affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen & Helpers of America (“Local 422”). Local 422 merged with the Commission House Drivers, Helpers and Employees Union Local No. 400 (the “Union”). Certain Plan assets are held in a Voluntary Employees’ Beneficiary Association (“VEBA”) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan is administered by a Board of Trustees. The Plan’s Board of Trustees has overall responsibility for the operation and administration of the Plan. The Plan’s Board of Trustees determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Benefits

The Plan provides certain health benefits (medical, hospitalization, surgical, prescription, vision, and dental) and life insurance to eligible participants and covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). The Plan does not provide for coverage to retired participants.

The Plan fully insures the health benefits and life insurance benefits. The Plan purchases annual insurance contracts for these insured benefits. All other plan benefits are self-insured.

Eligibility

All full-time employees who are covered under a collective bargaining agreement (“CBA”) and currently employed by a contributing employer are eligible for health and welfare benefits under the Plan. Additionally, all full-time employees and officers of the Plan and the Union are eligible for health and welfare benefits under the Plan.

Contributions

Contributions to the Plan are made pursuant to CBAs between the Union and participating employers. The contributions are based upon the number of weeks worked by participants and consist of both an employer portion and a participant portion, which is withheld from the participant’s pay. Contributions are recognized when collected by the Plan.

Administrative Expenses

All administrative expenses of maintaining the Plan are paid by the Plan and are recorded in the accompanying statements of changes in net assets available for benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Modifications to the cash basis of accounting include reporting investments at fair value and reporting property and equipment net of its related accumulated depreciation. Accordingly, contributions are recognized when received rather than when earned and operating expenses are recognized when paid rather than when the obligation is incurred. The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies and procedures. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Cash

The Plan maintains a checking account at a national financial institution. The balance, at times, may exceed federally-insured limits. At December 31, 2024 and 2023, respectively, there were no amounts in excess of federally-insured limits.

Property and Equipment

Purchased property and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives ranging from 5-15 years.

Payment of Premiums and Other Benefits

Premium and benefit payments are recorded when paid.

Subsequent Events

In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 14, 2025, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information related to investments, which is disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), was obtained from data prepared and certified as complete and accurate by KeyBank National Association (the custodian of the Plan), as of and for the years ended December 31, 2024 and 2023:

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024, and 2023.

1. Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively-traded.
2. Money market fund: Valued at cost plus accrued interest, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the fair value of the Plan's assets as of December 31:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Fixed income mutual funds	\$ 285,939	\$ -	\$ -	\$ 285,939
Money market fund	805,958	-	-	805,958
Investments at fair value	<u>\$ 1,091,897</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,091,897</u>

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 274,634	\$ -	\$ -	\$ 274,634
Money market funds	814,864	-	-	814,864
Investments at fair value	<u>\$ 1,089,498</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,089,498</u>

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

NOTE 5 – INSURANCE CONTRACT PREMIUMS AND BENEFITS

Insurance contract premiums and benefits paid by the Plan, during 2024 and 2023, are summarized as follows:

	2024	2023
Medical Mutual premiums	\$ 303,178	\$ 510,246
Life insurance premiums	17,654	18,508
	<u>\$ 320,832</u>	<u>\$ 528,752</u>

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan reimburses Local 400 Terminal Employees Welfare Fund (the “Local 400 Welfare Fund”) for expenses incurred by the Welfare Fund in administering the Plan. Certain of these expenses are allocated between the Plan and Local 422 Pension Trust Fund, and include an allocation of salary, benefits, and taxes paid by the Local 400 Welfare Fund based on the amount of time spent administering the Plan. For the years ended December 31, 2024 and 2023, the Plan paid \$18,806 and \$27,566, respectively, for these services. These expenses are included in *office administration* on the accompanying statements of changes in net assets available for benefits (modified cash basis).

The Plan’s expenses include various amounts reimbursed to the Union for occupancy costs incurred in the normal course of the Plan’s operations. Total reimbursements to the Union, for the years ended December 31, 2024 and 2023, were \$2,315 and \$2,321, respectively.

The Plan maintains its cash, money market, and investments in accounts held by KeyBank National Association, the custodian of the Plan. These transactions qualify as party-in-interest transactions under ERISA. The Plan has several other arrangements with service providers, which are also party-in-interest transactions under ERISA.

NOTE 6 – INCOME TAX STATUS

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS), stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan’s funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded for the years ended December 31, 2024 and 2023 for unrelated business taxable income.

In addition, the Plan and trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Plan’s Board of Trustees, as a sponsor, reserves the right to modify the benefits provided to participants and to terminate the Plan at any time by majority vote, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be used for payment of benefits and administrative expenses incurred up to the date of termination and expenses incidental to such termination. No assets of the Plan may revert to the contributing employers or be used for purposes other than for the exclusive benefit of the Plan’s participants.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.
