## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Pediatric Associates Employee Savings and Retirement Plan  
Plantation, Florida

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Pediatric Associates Employee Savings and Retirement Plan, (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Pediatric Associates Employee Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Pediatric Associates Employee Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pediatric Associates Employee Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pediatric Associates Employee Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pediatric Associates Employee Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and

disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Assets Held for Investment Purposes at Year End is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Pediatric Associates Employee Savings and Retirement Plan  
Notes to Financial Statements**

**1. Description of Plan**

**General.** The following description of Pediatric Associates Savings and Retirement Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan covering all full-time employees of Saltzman, Tanis, Pittell, Levin, Jacobson d/b/a Pediatric Associates, P.A. (the “Company”) who have completed three months of continuous service and are age 18 or older. Date of eligible participation occurs on the first day of each month after the requirements have been met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a profit-sharing plan under Section 401(k) of the Internal Revenue Code.

**Contributions.** Participants may contribute up to 100% of pre-tax annual compensation up to a maximum of \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively. Catch up contributions are permitted for participants age 50 or reaching an age of 50 during each of the plan years. Participants can also rollover amounts representing distributions from other qualified defined contribution plans. The Company, at its own discretion, may make a matching contribution to the Plan. The Company matches 50% of the first 3% of pre-tax annual compensation that non-highly compensated participants contribute to the Plan. The Company contributed employer matching contributions of \$6,112,675 and \$5,753,519 during the years ended December 31, 2024 and 2023, respectively. Additionally, profit sharing amounts may be contributed at the option of the Company’s Board of Directors, which are allocated to participants employed at the end of the year. Such allocations are based on a formula, which considers both lengths of service and current earnings. The Company did not contribute profit sharing amounts to the Plan in 2024 or 2023.

**Participant Accounts.** Each participant’s account is credited with the participant’s contribution and allocations of the Plan’s earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting.** Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in Company contributions based upon the following schedule:

<i>Years of Service</i>	<i>Vested Percentage</i>
1	20%
2	40%
3	60%
4	80%
5	100%

Employee deferral and rollover account balances (balances resulting from transfers of benefits from another qualified plan) and earnings thereon are 100% vested at all times.

**Payment of Benefits.** Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account or in installments as designated by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

**Investment Options.** Upon enrollment in the Plan, participants may direct their contributions to any of the investment options selected by the Plan administrator.

Participants may change their investment options with the custodian in writing, via the Internet or by telephone. Changes are processed by the following day.

## **Pediatric Associates Employee Savings and Retirement Plan Notes to Financial Statements**

### **1. Description of Plan (Cont'd.)**

**Notes Receivable from Participants.** Participants are immediately vested in their own contributions plus actual earnings thereon. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.5%, which are commensurate with local prevailing rates as determined periodically by the custodian. Principal and interest is paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Transfers.** During 2022, the trustees of the Plan approved the merger of KTimeHR Profit Sharing and Retirement Savings 401(k) Plan into the Plan. As a result, net assets available for benefits of \$-0- and \$2,994 were transferred into the Plan during the years ended December 31, 2024 and 2023, respectively.

**Forfeited Amounts.** At December 31, 2024 and 2023, balance of forfeited non-vested accounts totaled \$2,318,422 and \$1,102,587, respectively. During the years ended December 31, 2024 and 2023, forfeited non-vested amounts of \$-0- and \$48,421, respectively, were used to offset fees and employer contributions.

### **2. Summary of Significant Accounting Policies**

**Basis of Accounting.** The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**Estimates.** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition.** The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Investments in mutual funds are stated at estimated fair values, which have been determined based on the unit values of the mutual fund. Notes receivable from participants are valued at cost which approximates fair values. See Note 4 for discussion of fair value measurements.

Investment transactions are accounted for on a trade date basis. Realized gains or losses on sales of securities are determined on an average-cost basis. The Statement of Changes in Net Assets Available for Plan Benefits includes the net appreciation in fair value of its investments, which consists of the realized gains or losses and the change in unrealized appreciation on those investments.

The Plan is exposed to loss in the event of nonperformance by the investment manager for the funds in which the Trustee invests. However, the Plan does not anticipate nonperformance by the investment manager.

Benefits are recorded when paid.

**Administrative Expenses.** The employer bears most of the administrative expenses of implementing the Plan in accordance with the Plan document. Management fees paid to the Trustee are incurred by the participants.

**Pediatric Associates Employee Savings and Retirement Plan  
Notes to Financial Statements**

**2. Summary of Significant Accounting Policies (Cont'd.)**

*Subsequent Events.* The Plan Administrator has evaluated subsequent events through October 14, 2025, the date these financial statements were available to be issued.

**3. Investments**

The Plan offers various investment options in stocks, bonds, fixed income securities, mutual funds and other investment securities. These investment options are exposed to interest rate, market and credit risks. Due to the types of risks associated with these investment options, it is possible that changes in the value of certain of these investment options may occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Plan Benefits and the Statement of Changes in Net Assets Available for Plan Benefits.

In the schedule below, as well as included within the Plan's investment assets, as listed on the Supplemental Schedule on page 8, are individual investment options which represent at least 5% of the Plan's net assets at December 31, 2024 and 2023.

The following presents investments that represent 5% or more of the Plan's net assets at December 31, 2024 and 2023:

	2024	2023
Pioneer Fundamental Growth Fund	\$ 9,875,202	\$ 8,765,312
Western Asset Core Plus Bond Fund	\$ 8,610,902	\$ 8,393,306
iShares MSCI EAFE International Index Fund	\$ 8,529,140	\$ 7,632,244
iShares S&P 500 Index I Fund	\$ 25,637,803	\$ 17,410,036
Templeton Foreign Fund	*	\$ 5,916,672
Touchstone Divident Equity Fund	*	\$ 8,383,251
Oppenheimer Global Fund	*	\$ 5,910,676
American Funds New World Fund	\$ 7,732,945	\$ 6,451,439
Schwab US Large-Cap Value Index Fund	\$ 9,998,467	*
MFS International Growth Fund	\$ 6,414,473	*

\* - Investment does not represent 5% or more of the Plan's net assets available for benefit

**4. Fair Value Measurements**

The applicable guidance provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under the applicable guidance are described below:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**Pediatric Associates Employee Savings and Retirement Plan  
Notes to Financial Statements**

**4. Fair Value Measurements (Cont'd.)**

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Registered Investment Companies:** Valued at fair value of shares held by the Plan at year end and categorized as a Level 1 fair value measurement.

**Insurance Funds (fixed income accounts):** Value reported daily based on the valuation method disclosed in the annuity contract and categorized as Level 2 fair value measurement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<b>Fair Value Measurements at December 31, 2024</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Registered investment companies	\$ 123,928,635	\$ -	\$ -	\$ 123,928,635

<b>Balance, December 31, 2023</b>	<b>\$ 104,545,092</b>	<b>\$ 2,138,336</b>	<b>\$ -</b>	<b>\$ 106,683,428</b>

**5. Contract with Insurance Company**

During 2024 and 2023, the Plan offered fixed interest investment options (fixed income accounts) that earn guaranteed interest at specified rates for specific periods. Contributions to these accounts are invested in the general assets of Empower Annuity Insurance Company of America as of December 31, 2024 and 2023. The interest rate on the fixed income accounts was 1.4% and 1.2% for the years ended December 31, 2024 and 2023, respectively.

Notes to Financial Statements**

**6. Information Prepared by the Trustee and Certified by the Directed Trustee (Unaudited)**

Empower Annuity Insurance Company of America, the Trustee, holds all of the Plan’s investment assets and executes transactions in the assets. The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the Directed Trustee as agent to the Trustee (Custodian):

	2024	2023
Cash and cash equivalents	\$ 2,318,422	\$ 1,102,587
Investments, at fair value:		
Value of interest in registered investment companies	\$ 123,928,635	\$ 104,545,092
Value of funds held in insurance companies' general accounts	\$ 2,222,006	\$ 2,138,336
Notes receivable from participants	\$ 3,731,283	\$ 2,608,727
Investment income:		
Net appreciation in fair value of investments	\$ 10,923,769	\$ 13,322,522
Interest	\$ 228,941	\$ 121,932

**7. Related Party Transactions**

During 2024 and 2023, certain Plan investments were shares of registered investment companies and pooled separate accounts and fixed income accounts managed by Empower Annuity Insurance Company of America, the custodian, as defined by the Plan. Fees paid to Empower Annuity Insurance Company of America by the Plan for the years ended December 31, 2024 and 2023 were \$428,828 and \$330,463, respectively.

**8. Income Tax Status**

The Plan adopted the “Prototype Plan,” which has obtained an IRS Favorable opinion letter on March 31, 2014 stating that the Prototype Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. As an adopter of this Prototype Plan, the Plan may rely on this favorable opinion letter with respect to the qualification. The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and is tax-exempt.

The Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. Additionally, the Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

**9. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will receive a benefit equal to the value of the participant’s vested interest in their account as of the date of the distribution. Participants will have the option of receiving a lump sum distribution or can rollover their distribution into an Individual Retirement Account.

**Pediatric Associates Employee Savings and Retirement Plan  
Notes to Financial Statements**

**10. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Plan Benefits.
