### Independent Auditor's Report

To the Plan Administrator  
 Ventana USA 401(k) Plan

#### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Ventana USA 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ventana USA 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America and Empower Trust Company, LLC, qualified institutions, as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

#### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditor's Report**

*(continued)*

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ventana USA 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ventana USA 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

*(continued)*

**Independent Auditor's Report**

*(continued)*

***Auditor's Responsibilities for the Audit of the Financial Statements (continued)***

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ventana USA 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ventana USA 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

*(continued)*

**Independent Auditor's Report**

*(continued)*

***Other Matter — Supplemental Schedule Required by ERISA (continued)***

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**VENTANA USA 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**NOTE 1 – PLAN DESCRIPTION**

The following description of the Ventana USA 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan with a 401(k) employer matching feature covering substantially all employees of Ventana USA, Pennekamp Enterprises, LP and Ventana Associates, Inc. (Company) who have worked 500 hours of service within six months of employment and are age eighteen or older. Except for union, nonresident aliens, part-time, temporary and seasonal employees, as these are excluded classes of employees per the Plan document. A part-time, temporary, and seasonal employee is defined as an employee whose regularly scheduled service is less than 500 hours of service in the relevant eligibility computation period. Part-time, temporary, and seasonal employees who complete one year of service, defined as having completed 1,000 hours of service or more in a relevant computation period would thereby become eligible to participate in the Plan. See the Plan Amendments Note for information on long-term part-time employee eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan agreement utilized a nonstandardized prototype sponsored by Dunbar Bender & Zapf. The administrator of the Plan and Plan sponsor is Ventana USA.

Contributions

Plan participants may contribute up to 100% of their annual compensation on a pretax and/or after-tax basis, as defined by the Plan document, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to limitations under the IRC. The Plan has an automatic enrollment feature, whereby employees who met the eligibility requirements will automatically be enrolled unless the employee affirmatively elects otherwise. Employees who are automatically enrolled will have 3% of their eligible compensation withheld as a pretax salary deferral and their contributions invested in a designated fund until changed by the participant. The Plan also has an automatic increase provision, whereby all automatically enrolled participants will have their contribution increased by 1% each year until they reach 10% pretax deferral. The Plan also allows participants to make qualified rollover contributions.

For the years ended December 31, 2024 and 2023, the Company made discretionary matching contributions equal to 50% of the first 6% of eligible compensation that a participant contributed to the Plan. Additionally, nonelective (profit sharing) amounts may be contributed annually at the discretion of the Company. No such profit sharing contributions were awarded for the years ended December 31, 2024 and 2023.

Participant Accounts

Participants direct the investment of their contributions including Company contributions into various investment options offered by the Plan. Participants may change their investment election for future contributions, or the percentage(s) invested in each of these options or transfer funds among these options on any business day. All investments are participant directed.

**VENTANA USA 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**NOTE 1 – PLAN DESCRIPTION (continued)**

Participant Accounts (continued)

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, the Company's related discretionary matching and profit sharing contributions and the net investment income (loss) attributable to the participant's account. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account balance.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms generally range from one to five years but may be up to fifteen years for the purchase of a principal residence. A participant may not have more than one outstanding loan at any time. Loans are secured by the balance in the participant's account and bear interest at 1% plus the prime rate published in the Wall Street Journal on the first business day of the month before the loan is originated. Principal and interest are paid ratably through monthly payroll deductions. Upon termination of employment, loans will immediately become payable. If a loan is not repaid within a reasonable time following termination of employment, the loan will be recorded as a distribution against the participant's vested account balance.

Benefits

Benefits may be distributed to participants, spouses or designated beneficiaries, as appropriate, upon normal retirement (age 65), early retirement (age 55), death, disability or termination of employment. Prior to termination of service, participants who have attained the age of 59 ½ may take in-service withdrawals from all accounts. Participants who have not yet attained the age of 59 ½ may only withdrawal their rollover accounts. The Plan provides for required minimum distributions commencing at age 72 for certain participants. The required minimum distribution age was increased to age 73 effective January 1, 2023 in accordance with the Setting Every Community Up for Retirement Enhancement Act 2.0. The Plan provides participants may make emergency withdrawals from the Plan to meet certain hardships. The minimum in-service and hardship distribution is \$500. The permitted hardships are defined by Internal Revenue Service (IRS) and the requirements are strict.

Vesting

Participants are vested immediately in their elective contributions, including rollovers, catch-up contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching contribution and profit sharing portions of participants' accounts plus actual earnings thereon is based on years of service. A participant is 100% vested after five years of credited service. Additionally, participants will become 100% vested regardless of years of completed service, in the year of their death, disability and/or retirement, provided they are still employed at that time.

**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**NOTE 1 – PLAN DESCRIPTION (continued)**

Vesting (continued)

The vesting schedule is as follows:

<b>Company Matching and Profit Sharing Accounts</b>	
<b>Years of Service</b>	<b>Percentage</b>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures

Participant account balances which are not 100% vested upon termination of services are forfeited. Forfeitures can be used to pay for Plan administrative expenses or to reduce the Company's contributions. As of December 31, 2024 and 2023 the forfeiture account balance was \$8,291 and \$6,091, respectively. During the years ended December 31, 2024 and 2023, \$3,224 and \$5,630, respectively were used to pay Plan administrative expenses.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and reported changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Contributions Receivables and Allowance for Credit Losses

Contributions receivables consist of amounts due from participants and/or the Plan sponsor at year end and are stated at the amount the Plan expects to collect. Management has considered past transaction history and current economic trends when determining the collectability of contributions receivables. As of December 31, 2024 and 2023, there were no contributions receivables.

**VENTANA USA 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as distributions based upon terms of the Plan document.

Investment Valuation and Income Recognition

Investments in all funds are presented at fair value (except fully benefit-responsive investment contracts, which are reported at contract value), based on quoted market prices of the underlying securities within each fund at December 31, 2024 and 2023. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Participant loans are valued at amortized cost which represents fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Reliance Stable Value Collective Trust Fund is reported at fair value by calculating the net asset value (NAV) per share (or its equivalent) in a manner consistent with the measurement principles of Accounting Standards Codification (ASC) 946 *Financial Services Investment Companies*. As required by ASC 946, the NAV calculated by the fund is based on “net assets” which includes fully benefit-responsive investment contracts at contract value. The EI Fixed Account is a guaranteed annuity contract, which has been determined to be fully benefit-responsive and as such, is reported at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

GAAP establishes a framework for measuring fair value that requires or permits fair value measurements and enhances disclosures about fair value measurements. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The required disclosures concerning inputs used to measure fair value are included in Note 8.

Plan Administration Costs

Certain costs of administrating the Plan are paid either by the Plan or Company, as defined by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. Participant accounts are also charged with an allocation of administrative expenses. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

**December 31, 2024 and 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Payment of Benefits**

Benefits are recorded when paid by the Plan.

**Benefit Claims Payable**

Benefit claims payable represents uncashed benefit payment checks that have been returned and deposited into the Plan's forfeiture account.

**Subsequent Events**

The Plan sponsor evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued. The Plan sponsor is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

**NOTE 3 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their investments, including all employer accounts.

**NOTE 4 – INCOME TAX STATUS**

The underlying nonstandardized prototype Plan has received an opinion letter dated June 30, 2020 from the IRS that stated that the Plan and related Trust are designed in accordance with applicable sections of the IRC. Subsequent to the receipt of the determination letter from the IRS, the Plan document has been amended. The Plan is required to operate in conformity with the IRC to maintain its qualification. In the opinion of the Plan administrator, the Plan and the related Trust are currently operated in accordance with the Plan document and in conformity with applicable provisions of the IRC and are exempt from federal taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

**NOTE 5 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**VENTANA USA 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS**

Fees paid in the ordinary course of business during 2024 and 2023 for professional, administrative and custodial services were paid by the Plan based on customary and reasonable rates for services. While these transactions qualify as party-in-interest activity, they are expressly exempt from the prohibited transaction rules. Administrative fees paid by the Plan for professional, administrative and custodial services for the years ended December 31, 2024 and 2023 amounted to \$36,605 and \$36,994, respectively.

**NOTE 7 – SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2024 and 2023, net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

The trustee has certified the following investments, notes receivable from participants and investment income as of and for the years ending December 31:

	<u>2024</u>	<u>2023</u>

**NOTE 8 – FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value and requires certain disclosures about the fair value measurement (see Note 2). The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for the Plan's investments measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- *Mutual funds* – Valued at the NAV of shares held by the Plan at year end. The NAV is based on quoted market prices.
- *Stable value collective trust fund* – a stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out within an orderly business manner.

**VENTANA USA 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**NOTE 8 – FAIR VALUE MEASUREMENTS (continued)**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan sponsor believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024 and 2023:

	<b>December 31, 2024</b>			
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 6,443,058	\$ -	\$ -	\$ 6,443,058
Total assets in the fair value hierarchy	6,443,058	-	-	6,443,058
Investments measured at NAV {a}	-	-	-	112,917
Investments, at fair value	\$ 6,443,058	\$ -	\$ -	\$ 6,555,975
	<b>December 31, 2023</b>			
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 5,761,761	\$ -	\$ -	\$ 5,761,761
Total assets in the fair value hierarchy	5,761,761	-	-	5,761,761
Investments measured at NAV {a}	-	-	-	61,958
Investments, at fair value	\$ 5,761,761	\$ -	\$ -	\$ 5,823,719

{a} In accordance with Subtopic 820-10, certain investments that were measured at NAV share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**NOTE 8 – FAIR VALUE MEASUREMENTS (continued)**

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Stable Value Collective Trust Fund	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period

December 31, 2023	\$ 61,958	N/A	Daily	12 months

**NOTE 9 – GUARANTEED ANNUITY CONTRACT WITH INSURANCE COMPANY**

In 2022, the Plan entered into a fully benefit-responsive guaranteed annuity contract with Great-West Life & Annuity Insurance Company (Great-West), noted herein as the EI Fixed Account (Contract). Great-West is the parent company of Empower, who is the Plan’s custodian and recordkeeper. Contributions to the EI Fixed Account under this Contract are maintained in the general account of Great-West and is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The Contract does not have a maturity date.

The Plan’s ability to receive amounts due in accordance with the Contract is dependent on Great-West’s ability to meet its financial obligations. Great-West’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Because the guaranteed annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed annuity contract. The guaranteed annuity contract is presented at contract value on the face of the statements of net assets available for benefits. Contract value, as reported to the Plan by Empower was \$72,245 and \$11,524 at December 31, 2024 and 2023, respectively, and represents contributions made under the Contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. The EI Fixed Account has no minimum interest credit rating. Interest rates are reviewed on a quarterly basis for resetting. For the years ended December 31, 2024 and 2023, the actual average yield earned by the Plan was 1.41% and 1.23%, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include changes to the Plan’s prohibition on competing investment options, premature termination of the contracts by the Plan, plant closings, layoffs, Plan termination, bankruptcy, mergers, and early retirement incentives.

**VENTANA USA 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**NOTE 9 – GUARANTEED ANNUITY CONTRACT WITH INSURANCE COMPANY (continued)**

The Plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer, and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the Contract with the Plan and settle at an amount different from contract value. Examples of such events include (1) an uncured violation of the Plan’s investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

**NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	<b>2024</b>	<b>2023</b>
Net assets available for benefits per the financial statements	\$ 6,739,744	\$ 5,986,776
Deemed distributions	(12,900)	(20,249)
Net assets per Schedule H of Form 5500	\$ 6,726,844	\$ 5,966,527

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Schedule H of Form 5500:

	<b>2024</b>	<b>2023</b>
Net increase per the financial statements	\$ 752,968	\$ 1,097,409
Adjustment for deemed distributions	7,349	(8,063)
Net income per Schedule H of Form 5500	\$ 760,317	\$ 1,089,346

**NOTE 11 – PLAN AMENDMENTS**

The Setting Every Community Up for Retirement Enhancement Act 2.0 (SECURE Act 2.0) of 2022 was signed into law on December 29, 2022. The SECURE Act 2.0 is a retirement plan bill that aims to increase access to retirement plans and encourage Americans to save for their future. It builds on the changes made by the SECURE Act of 2019, which was signed into law in December 2019. Some of the SECURE Act 2.0 changes affecting the Ventana USA 401(k) Plan include, increasing the required minimum distribution (RMD) age, additionally, Roth accounts in employer retirement plans are exempt from the RMD requirements as of 2024, increasing the dollar limit for mandatory distributions of former participants from \$5,000 to \$7,000, allows participant self-certification for hardship distributions and expanded eligibility to long-term part-time employees (LTPT).

**VENTANA USA 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**NOTE 11 – PLAN AMENDMENTS (continued)**

The original SEUCRE Act required employers allow LTPT workers participant in their 401(k) plans effective January 1, 2024, provided the employees had three consecutive years of service with at least 500 hours of service in each year. The SECURE Act 2.0 reduced the three consecutive years of service down to two consecutive years of service with at least 500 hours of service in each year allowing them entry on January 1, 2025. While employers are required to allow LTPT employees to make contributions, they are not obligated to make matching contributions for them. The SECURE ACT 2.0 also allows participants to take one self-certified, penalty-free withdrawal of up to \$1,000 per calendar year for unforeseeable or immediate financial needs relating to personal or family emergency expenses. Only one withdrawal per 3-year repayment period is permitted if the first withdrawal has not been repaid. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with law and IRS guidance.
