INDEPENDENT AUDITOR'S REPORT

To Plan Management
Porter Scott, APC 401(k) Plan
Sacramento, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Porter Scott, APC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of change in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year, as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PORTER SCOTT, APC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of Porter Scott, APC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 1994 and is a defined contribution plan covering all eligible employees of Porter Scott, APC (the “Plan Sponsor”). Eligible employees are auto-enrolled in the Plan when they have attained the age of twenty-one (21). Employees that are members of a collective bargaining agreement, non-resident aliens, and leased employees are not eligible to join the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). John Hancock Trust Company LLC is the custodian and trustee of the Plan. An employee of the Plan Sponsor serves as special trustee.

Plan Year

The Plan year begins January 1 and ends December 31.

Contributions

The Plan allows for the following types of contributions:

- **Employee Salary Deferral 401(k) Contributions**
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the “Code”). Employees may voluntarily contribute a percentage of their regular wages subject to various nondiscrimination tests and limitations prescribed by the Code. Upon eligibility, employees are automatically enrolled in the Plan. The automatic enrollment contribution percentage is 6% and increases by 1% each first day of the following calendar year, up to 12%. Employees may also affirmatively elect to opt out of auto-enrollment or auto-escalation. Employee salary deferrals include pre-tax elective deferrals and Roth elective deferrals.
- **Employer Nonelective ADP and ACP Safe Harbor Contributions**
The Plan Sponsor may make a nonelective safe harbor contribution to the Plan equal to a discretionary amount as determined by the Plan Sponsor. Qualified nonelective contributions are allocated to participants based on eligible compensation. Participants must be 21 years old and complete six months of service during the Plan year to be eligible for qualified nonelective contributions. Employees who meet the definition of a Highly Compensated Employee or who are Key Employees for the Plan Year in which the contribution is made are not eligible for safe harbor contributions. The Plan Sponsor made \$283,463 and \$247,903 safe harbor contributions to the Plan in 2024 and 2023, respectively.
- **Employer Flexible Discretionary Matching Contributions**
The Plan Sponsor may make discretionary matching contributions to the Plan. The discretionary matching contribution made on behalf of the participants for any Plan year will not exceed the amount of \$200. Participants must be 21 years of age to be eligible for discretionary matching contributions. The Plan Sponsor made \$15,069 and \$13,622 in discretionary matching contributions to the Plan in 2024 and 2023, respectively.

NOTE 1: DESCRIPTION OF PLAN (Continued)

- **Employer Nonelective Discretionary Matching Contributions**

The Plan Sponsor may make a nonelective discretionary matching contribution to the Plan equal to a discretionary amount determined by the Plan Sponsor. Participants must be 21 years of age and have 6 months of service to be eligible for the employer matching contribution. The Plan Sponsor elected to make a nonelective matching contribution of \$471,271 and \$234,147 to the Plan year 2024 and 2023, respectively.

- **Employee Rollover Contributions from Another Qualified Plan**

Participants may make rollover contributions from another qualified plan.

Participant Accounts and Allocation

The Plan allows participants to self-direct their account balances and contributions among various investment options in self-directed accounts. Participants can direct their investments to a single fund or a combination of funds. Investment earnings and losses are allocated to participants' accounts based on the earnings or losses of the investments selected. Participant accounts may be charged with an allocation of administrative expenses paid by the Plan. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are always 100% vested in their voluntary contributions, employer contributions, and gains/losses credited thereon.

Forfeitures

Forfeitures may be used to reduce employer contributions and Plan expenses incurred by the participant. There are no forfeited amounts in the Plan at December 31, 2024 and 2023.

Retirement

Normal retirement under the Plan is the later of attaining age fifty-seven (57) or the 5th anniversary of joining the Plan.

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement; 2) termination of employment of the participant; 3) upon reaching age 59 ½; 4) total and permanent disability; 5) death of the participant, or 6) hardship. Benefit payments may be distributed to participants in the form of a lump sum or installment payment.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have 2 loans outstanding at any time. Principal and interest are paid through semi-monthly payroll deductions and loan periods range from one to five years, unless used for the purchase of principal residence, then the loan period may be up to 15 years. Loans are secured by the balance in the participants' account and bear interest at the Prime Rate.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan and the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair market value. Fair market value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year. Increases in the unit values of investments are reflected in each participant's self-directed account. Investments are valued daily.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged to the respective participant's account. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

The Plan adopted a non-standardized pre-approved plan which obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Code. The Plan has been amended since receiving the opinion letter. However, Plan management believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2024 there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee, John Hancock Trust Company, LLC, as of and for the year ended December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 4,688,007	\$ 19,816,551
Common collective trust funds	\$ 18,937,382	\$ 448,327
Notes receivable from participants	\$ 159,058	\$ 81,336
Net appreciation in fair value of investments	\$ 2,251,834	\$ 2,185,320
Interest and dividends, and other income	\$ 181,692	\$ 490,104
Interest income, notes receivable from participants	\$ 11,383	\$ 4,855

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission.

Common Collective Trusts: Invest mainly in mutual funds and stocks, both domestic and international. The majority of the underlying assets have Level 1 quoted pricing inputs and observed Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,688,007	\$ -	\$ -	\$ 4,688,007

Total assets at fair value	<u>\$ 4,688,007</u>	<u>\$ 18,937,382</u>	<u>\$ -</u>	<u>\$ 23,625,389</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 19,816,551	\$ -	\$ -	\$ 19,816,551

Total assets at fair value	<u>\$ 19,816,551</u>	<u>\$ 448,327</u>	<u>\$ -</u>	<u>\$ 20,264,878</u>

NOTE 5: FORM 5500 RECONCILIATION

The Plan financial statements include differences from the Form 5500 as follows:

	2024	2023
Net assets per Form 5500	\$ 23,784,447	\$ 20,346,214
Employee contributions receivable	2,000	2,012
Employer contributions receivable	769,803	495,672
Net assets as reported	<u>\$ 24,556,250</u>	<u>\$ 20,843,898</u>
Contributions per Form 5500	\$ 1,298,015	\$ 951,145
Change in employee contributions receivable	(12)	2,012
Change in employer contributions receivable	274,131	262,942
Contributions as reported	<u>\$ 1,572,134</u>	<u>\$ 1,216,099</u>

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7: **RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Plan assets include notes receivable from participants. Fees for recordkeeping services and investment advisory services paid to the trustee are included in administrative expenses. Indirect compensation for investment management services are recorded in net change in the fair value of investments. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8: **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9: **SUBSEQUENT EVENTS**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 13, 2025, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be disclosed.
