Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Mar-Jac Poultry, Inc. 401(k) and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audits"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from the qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audits opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audits does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, schedule of assets (held at end of year) as of December 31, 2024 and schedule of delinquent participant contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements**December 31, 2024 and 2023****1. Summary of Significant Plan Provisions**

The following description of the Mar-Jac Poultry, Inc. 401(k) and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- a. **General** – The Plan is a defined contribution plan for the benefit of eligible employees of Mar-Jac Poultry, Inc. (the “Employer”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.
- b. **Eligibility** – Employees, who are not leased employees, are not covered by a collective bargaining agreement and are not a nonresident alien, are eligible to participate in the Plan upon completion of 12 months of continuous service during which the employee completes at least 1,000 hours of service. The participant may enter the Plan on the first day of the month coinciding with or the next month following the date on which the eligibility requirements are met.
- c. **Contributions** – Participants may contribute through payroll deductions or eligible rollover contributions. Participants may contribute up to the limits set forth in Internal Revenue Code (“IRC”). The Employer made safe harbor matching contributions in an amount equal to 200% of the participant’s contributions that did not exceed 3% of the participant’s compensation for the years ended December 31, 2024 and 2023. In addition, the Employer may make a discretionary profit sharing contribution. The Employer made no discretionary profit sharing contributions during the years ended December 31, 2024 or 2023.
- d. **Participant accounts** – Each participant’s account is credited with the participant’s and Employer contributions and allocations of Plan earnings/losses, and is charged with applicable withdrawals and an allocation of administrative expenses. Allocations are based on participant’s earnings, contributions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- e. **Investment options** – Upon enrollment in the Plan, a participant may direct contributions to any of the investment options offered under the Plan. Participants may change their investment selections at any time.
- f. **Vesting rights** – A participant is always fully vested in their own contributions and the Employer safe harbor matching contributions, plus earnings/losses thereon. The interest of a participant in Employer discretionary profit sharing contributions plus earnings/losses thereon shall be fully vested and nonforfeitable if their employment is terminated as a result of death, incapacity, or retirement. If a participant terminates employment for any reason other than the ones previously mentioned, they are entitled to a vested percentage of any Employer discretionary profit sharing contributions plus earnings/losses thereon.

Notes to Financial Statements

December 31, 2024 and 2023

1. Summary of Significant Plan Provisions (cont.)

This vested percentage is determined as follows:

<u>Years of Service</u>	<u>Percentage of Account Vested</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

- g. **Forfeited accounts** – The portion of the participant’s account to which they are not entitled upon the termination of participation is deemed a forfeiture. Forfeitures are used to offset future Employer contributions to the Plan or pay Plan expenses and are allocated to participant accounts in the same manner as the contributions they offset. Forfeitures are included in an unallocated holding account. Such unallocated assets were approximately \$90,000 and \$70,300 as of December 31, 2024 and 2023, respectively. No forfeitures were utilized for the years ended December 31, 2024 or 2023.
- h. **Notes receivable from participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000, as reduced in accordance with the Plan agreement; or one-half of the participant’s vested account. Note terms range from one to five years, unless the note is used to purchase a primary residence, in which case the note term cannot exceed 10 years. The notes are secured by the participant’s account and bear a reasonable interest rate of Prime plus 2%. Principal and interest are paid at least quarterly through payroll deductions.
- i. **Payment of benefits** – A participant may elect to receive benefits in a lump sum payment, periodic substantially equal installments, or partial payments, or in the form of an annuity. If the participant’s vested balance is \$5,000 or less, it will be automatically distributed. In-service withdrawals are available to participants who attain age 59½ or meet certain hardship requirements.
- j. **Corrective distributions** – The Plan failed the 402(g) limitation of elective deferrals test for the years ended December 31, 2024 and 2023. As a result, corrective distributions in the amount of \$5,775 and \$9,693 are recorded as a liability on the accompanying statement of net assets available for benefits as of December 31, 2024 and 2023, respectively, and as a reduction of participant contributions on the accompanying statement of changes in net assets available for benefits. These corrective distributions were refunded to the applicable participants in April 2025 and February 2025, respectively.
- k. **Termination of the Plan** – Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes to Financial Statements**December 31, 2024 and 2023****2. Summary of Significant Accounting Policies**

- a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- b. **Estimates** – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.
- c. **Investment valuation and income recognition** – Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value as disclosed in Note 3. See Note 5 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in value of investment includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

- d. **Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan documents.
- e. **Payment of benefits** – Benefits are recorded when paid.
- f. **Administrative expenses** – Fees related to loans and distributions are charged directly to the participants’ accounts. Administrative expenses charged to the Plan are allocated to participants’ accounts. Administrative expenses paid by the Employer are excluded from these financial statements.

3. Fully Benefit-Responsive Investment Contract

The Plan has entered into a fully benefit-responsive guaranteed investment contract (“GIC”) with Massachusetts Mutual Life Insurance Company (“Mass Mutual”). Mass Mutual maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Mass Mutual is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion of, their investment at contract value.

Notes to Financial Statements

December 31, 2024 and 2023

3. Fully Benefit-Responsive Investment Contract (cont.)

There are no reserves against the contract value for credit risk of Mass Mutual or otherwise. The contract guarantees a minimum rate of interest semiannually. The crediting interest rate is determined monthly and is based on several factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets, and the amortization of any capital gains and/or losses realized on the sale of invested assets.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the Plan or termination of the contract. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. There will be no surrender charges in the event this contract is terminated; however, a market value adjustment will apply.

The following represents the contract value of the GIC held by the Plan at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Traditional investment contract	<u>\$ 31,351,731</u>	<u>\$ 30,826,908</u>

4. Investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by Mass Mutual and Empower Trust Company, the trustees of the Plan, and was not subjected to any audit procedures, except for comparing the information with the related information included in the financial statements and supplemental schedules:

- a. Total investments as shown on the accompanying statement of net assets available for benefits of \$84,922,774 and \$76,684,092 as of December 31, 2024 and 2023, respectively.
- b. Total investment income as shown on the accompanying statement of changes in net assets available for benefits of \$8,174,195 and \$8,643,695 for the years ended December 31, 2024 and 2023, respectively.
- c. All investment transactions that occurred during the years ended December 31, 2024 and 2023.
- d. All information included in the schedule of assets (held at end of year), excluding participant loans.

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Notes to Financial Statements**December 31, 2024 and 2023****5. Fair Value Measurements**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is categorized based on a hierarchy that gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 or 2023.

Mutual funds: These investments are valued at quoted market prices on the last business day of the Plan year.

Pooled separate accounts: These investments are valued based on the net asset value ("NAV") of the pooled separate account multiplied by the number of shares held by the Plan at year-end. The NAV is determined based on the fair value of the underlying investments, adjusted for expenses. The NAV is used as a practical expedient to estimate fair value.

Common collective trust funds: These investments are stated at fair value based on the NAV of units held by the Plan at year-end, as calculated by the issuer. The NAV is calculated based on the fair value of the underlying assets owned by the funds, minus their liabilities, divided by the number of units outstanding. The NAV is used as a practical expedient to estimate fair value.

Notes to Financial Statements

December 31, 2024 and 2023

5. Fair Value Measurements (cont.)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2024</u>				
Mutual funds	\$ 21,838,480	\$ -	\$ -	\$ 21,838,480
Total assets in the fair value hierarchy	<u>\$ 21,838,480</u>	<u>\$ -</u>	<u>\$ -</u>	21,838,480
Investments measured at NAV*				<u>31,732,563</u>
Investments at fair value				<u>\$ 53,571,043</u>
<u>December 31, 2023</u>				
Mutual funds	\$ 30,352,405	\$ -	\$ -	\$ 30,352,405
Total assets in the fair value hierarchy	<u>\$ 30,352,405</u>	<u>\$ -</u>	<u>\$ -</u>	30,352,405
Investments measured at NAV*				<u>15,504,779</u>
Investments at fair value				<u>\$ 45,857,184</u>

*Certain investments that are measured at NAV per share (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

Notes to Financial Statements

December 31, 2024 and 2023

5. Fair Value Measurements (cont.)

The following table summarizes investments for which fair value is based on the NAV practical expedient:

	<u>Fair Value as of December 31,</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2024</u>	<u>2023</u>			
Pooled separate accounts					
Blend	\$ 10,750,492	\$ 8,268,659	N/A	Daily	None

Bond	3,235,271	2,910,627	N/A	Daily	None
Value	<u>3,082,121</u>	<u>3,662,323</u>	N/A	Daily	None
Total pooled separate accounts	<u>\$ 19,735,778</u>	<u>\$ 15,504,779</u>			
Common collective trust funds	<u>\$ 11,996,785</u>	<u>\$ -</u>	N/A	Daily	None

6. Tax Status

The Plan is utilizing a non-standardized pre-approved profit sharing plan document (the “Plan Document”), which received an opinion letter dated November 14, 2022, in which the Internal Revenue Service (“IRS”) stated the Plan Document is designed in accordance with the applicable sections of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter of the Plan Document for its own qualification. Although the Plan Document has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

Notes to Financial Statements**December 31, 2024 and 2023****7. Parties-in-Interest Transactions**

The Plan is invested in a GIC with Mass Mutual. Inasmuch as Mass Mutual serves as trustee of the Plan, it is by definition a party-in-interest. Empower Annuity Insurance Company (“Empower Annuity”) is the third-party administrator of the Plan. The Plan has investments in pooled separate accounts with Empower Annuity. The Plan pays Empower Annuity for its services. Inasmuch as Empower Annuity serves as third-party administrator of the Plan, it is by definition a party-in-interest. Marietta Wealth Management, LLC (“Marietta”) serves as investment advisors to the Plan and Empower Advisory Group, LLC (“Empower Advisory”) provides investment management services to the Plan. The Plan pays Marietta and Empower Advisory for their services. Marietta and Empower Advisory are by definition parties-in-interest. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with parties-in-interest. All of these transactions are exempt from being prohibited transactions under ERISA.

8. Delinquent Participant Contributions

The Plan sponsor determined that during the 2024, 2023, and 2022 Plan years, certain participant contributions and loan repayments were not remitted within the required time frame specified by the DOL’s regulations, which have been reported on the accompanying Schedule H, line 4a – Schedule of Delinquent Participant Contributions in the amount of \$974,575, \$1,009,747, and \$139,389, respectively. The Plan sponsor is in the process of finalizing lost earnings and will make corrections outside of the Voluntary Fiduciary Correction Program.

9. Subsequent Events Evaluation Date

Management of the Plan evaluated the events and transactions subsequent to its December 31, 2024 financial statement date and determined there were no significant events necessary for disclosure through October 14, 2025, which is the financial statement issuance date.
