Independent Auditor's Report

To the Plan Administrator and Participants of
The McGraw Group of Affiliated Companies 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the McGraw Group of Affiliated Companies 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Newport Trust Company as of December 31, 2024 and 2023, and for the period from January 1, 2024 to November 13, 2024, and Ascensus Trust Company as of December 31, 2024 and for the period from November 14, 2024 to December 31, 2024 stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year end and schedule of delinquent participant contributions as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE MCGRAW GROUP OF AFFILIATED COMPANIES 401(k) PLAN

Notes to Financial Statements
December 31, 2024 and 2023

1. Description of the Plan

The following description of The McGraw Group of Affiliated Companies 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a profit-sharing contribution plan in which all qualified employees of The McGraw Group of Affiliated Companies (McGraw, the Group, or the Plan Sponsor). The Plan was established by McGraw on January 1, 1991 to provide retirement income for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA). All employees that are over 21 years of age and have been working at the Group for over one month are qualified, excluding non-resident aliens, unionized employees, and leased employees.

Newport Trust Company (Newport) was contracted to serve as the Recordkeeper and Trustee of the Plan. On November 14, 2024, the Plan migrated its recordkeeping and trustee services from Newport to Ascensus Trust Company (Ascensus).

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act (Secure 2.0 Act) was passed by Congress. The Secure 2.0 Act contains numerous provisions that impact employee benefit plans. Generally, the deadline for formally adopting any required plan amendments made pursuant to the Secure 2.0 Act is December 31, 2026; however, plans must be operated in accordance with the effective dates of each new provision. The Plan has administratively complied with and adopted all applicable provisions of the Secure 2.0 Act for the years ended December 31, 2024 and 2023. Plan Sponsor expects the Plan to be formally amended prior to the Secure 2.0 Act deadline.

Contributions

The Plan includes automatic enrollment for all eligible employees, with deferral contributions set at 4% and allocated to a Vanguard target retirement fund determined by retirement age. Participants may elect to change the automatic deferral to be between 0% and 100% of their pre-tax or after-tax compensation, as defined by the Plan document, up to the maximum amount allowed by the Internal Revenue Service (IRS). Participants who are age 50 or older are allowed to make additional (catch up) contributions up to the maximum amount allowed by the IRS. Participants may also contribute amounts representing distributions from other qualified plans. The Group makes a non-discretionary matching contribution on a pay period basis equal to 60% of the amount that a participant contributes to the Plan. For the year ended December 31, 2024 and 2023, the Group's non-discretionary matching contributions were \$1,070,874 and \$1,023,209, respectively.

In addition, the Group may elect to contribute a discretionary profit-sharing contribution. No discretionary profit-sharing contributions were made or approved for the years ended December 31, 2024 and 2023.

Notes to Financial Statements (Continued)
December 31, 2024 and 2023

1. Description of the Plan (Continued)

Participant Accounts

Each participant account is credited with the participant's contributions, rollovers, and allocations of McGraw's contributions and the Plan's earnings or losses. The Plan's earnings or losses are allocated based upon each participant account balance. Certain fees are charged to the fund investments and are offset against the Plan's investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

Vesting

Participant contributions, rollovers, and net earnings on these contributions are fully vested when made or earned.

McGraw's non-discretionary matching contributions and discretionary profit-sharing contributions, if any, as well as all earnings on these contributions, are vested according to the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions, in percentage increments or flat dollar amounts, into a series of mutual funds, money market funds, and self-directed brokerage account offered by the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance, not to exceed \$50,000 reduced by the highest outstanding note balance during the prior 12-month period. Note terms range from 1 year to a maximum of 5 years, except for notes used to purchase a participant's primary residence, which may be extended to 30 years. The notes are secured by the balances in the participants' accounts and bear an interest rate of 2% plus the prime interest rate. Interest rates on participant notes were ranging from 5.25% to 10.50% as of December 31, 2024. The amount of the note, plus interest, is amortized over the repayment period. Notes are repaid by payroll deduction, personal checks from employees on leave, or cashier's checks for the full payoff of a note.

Payment of Benefits

Upon retirement, death, or total disability, a participant's account balance is distributed at the direction of the participant (or his or her beneficiary): (a) in the form of a lump-sum cash payment; (b) for the purchase of a life annuity with payments guaranteed for 20 years; or (c) for the purchase of a 100% joint and survivor annuity. Additionally, under certain financial hardship circumstances, a participant may be permitted to withdraw all or part of their pre-tax and/or Roth contribution account.

Upon termination of employment for reasons other than death, disability, or retirement, the participant's employee accounts and vested portion of his or her employee accounts shall be paid to him or her in a lump sum payment upon the former employee's request.

Forfeitures

Forfeitures will be used to reduce expenses related to the administration of the Plan and to reduce future contributions from the Group. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$7,292 and \$0, respectively. Forfeited funds in the amount of \$63,823 were used to reduce the Group's matching contributions for the year ended December 31, 2024.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing these financial statements are reasonable and prudent. Actual results could differ from these estimates.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balances plus any accrued but unpaid interest. Interest income on participant notes is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisor and the Trustees. See Note 3 for discussion of fair value measurements.

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Group. Expenses that are paid by the Group are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Information Certified by the Trustees

Newport and Ascensus have prepared and certified as complete and accurate the Plan's schedule of investment assets, transactions, net realized and unrealized gains and losses on investments, and interest and dividend income, which was used to prepare the accompanying financial statements and supplemental schedules.

3. Fair Value Measurements

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the following fair value measurement.

- Level 1: quoted prices in active markets for identical assets or liabilities;
- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

3. Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for financial instruments measured at fair value.

- Mutual funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.
- Money market funds: valued using fair value based on the outstanding balance.
- Self-directed brokerage account: valued using fair value based on the price of the security's last trade registered on the security's market of record on the reporting date. Investments held in participant self-directed accounts are typically market traded securities.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value on a recurring basis as of December 31:

	Level 1	Level 2	Level 3	Total
<u>2024</u>				
Mutual funds	\$ 34,512,733	\$ -	\$ -	\$ 34,512,733

Total	\$ 29,665,443	\$ 358,551	\$ -	\$ 30,023,994

4. Administrative Expenses

Administrative expenses of \$10,204 were paid directly by the Plan for the year ended December 31, 2024.

5. Information Certified by the Trustees

The Plan Sponsor elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Under this provision of ERISA, certain information certified need not be subject to independent audit.

5. Information Certified by the Trustees (Continued)

The Plan Sponsor has obtained certifications from the Trustees and the Recordkeepers that the following information included in the Plan's financial statements is complete and accurate:

- Investments and participant notes as of December 31, 2024 and 2023, and
- Investment income and investment transactions for the year ended December 31, 2024.

Newport's certification is as of December 31, 2024 and 2023, and for the period from January 1, 2024 to November 13, 2024. Ascensus' certification is as of December 31, 2024 and for the period from November 14, 2024 to December 31, 2024.

6. Tax Status

The Plan uses a prototype plan document sponsored by Pension Specialists Inc. who received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRS. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes have been included in the Plan's financial statements.

7. Party-in-Interest Transactions

The Plan allows participants to borrow from their vested balances. These transactions qualify as party-in-interest transactions. All of these transactions are exempt from the prohibited transaction rules under ERISA.

8. Plan Termination

The Group has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Group reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, distributions will be made to participants as described in the Plan agreement.

9. Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rates, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

10. Non-Exempt Prohibited Transactions

During the years ended December 31, 2024 and 2023, the Company failed to timely remit to the Plan withheld employee contributions in the aggregate amount of \$55,255 (including \$5,037 in loan repayments) and \$2,247, respectively, in accordance with the plan asset provision of the Department of Labor Regulation 2510.3-102, resulting in prohibited, or nonexempt, transactions. The accompanying schedule of delinquent participant contributions discloses these transactions with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

11. Subsequent Events

The Plan evaluated subsequent events until October 13, 2025, the date the financial statements were available to be issued. No events have occurred subsequent to December 31, 2024 requiring recording or disclosure in these financial statements.
