Independent Auditor's Report

Plan Administrator and Management
H & H Coldwater LLC (k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed the audit of the financial statements of H & H Coldwater LLC 401 (k) Profit Sharing Plan & Trust (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by a qualified institution and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for 12 months beyond the date of the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i- schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

Note 1. Description of Plan

The following description of the H & H Coldwater, LLC 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions. Copies of the Plan Agreement are available from H & H Coldwater, LLC (the Company).

General - The Plan is a contributory defined contribution profit sharing plan covering all Company employees who have completed 1 month of service and are age 16 or older. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions - Participants may contribute up to the maximum salary deferral set by law and up to 92% of their eligible compensation. Participants may also contribute amounts representing rollover distributions from other qualified plans. The Plan does not allow for employer matching contributions.

The Plan also allows the participants to make after-tax Roth deferrals, and the Company to make discretionary profit-sharing contributions which are determined by the Company's management based on each participant's annual compensation as defined in the Plan Agreement. Generally, a participant must be credited with 1,000 hours of service and be employed by the Company on the last day of the plan year to share in the allocation of any Company contributions. However, the Plan must satisfy certain ratio percentage tests thereby potentially allowing allocation of Company contributions to certain participants not employed by the Company at plan year end. No profit-sharing contributions were made to the Plan for the year ended December 31, 2024.

Participant accounts - All contributions are allocated at the discretion of the participant among selected investments. Each participant's interest in each of the investment accounts is accounted for in three separate accounts: one each relating to the participant's pre-tax contributions, the participant's Roth contributions, and the Company's discretionary profit-sharing contributions. Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings, and charged with allocations of investment-related fees. Allocations are based on participant earnings, specific participant contributions, or participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions, the Company's discretionary profit-sharing contributions and the related earnings.

Participant rollover contributions from previous plans are fully vested. A participant becomes fully vested in the event of death, disability, or attainment of normal retirement age as defined in the Plan Agreement.

H & H Coldwater, LLC 401(k) Profit Sharing Plan & Trust

Notes to the Financial Statements

Note 1. Description of Plan (Continued)

Payment of benefits - In the event of death, disability, retirement, or termination, a participant's benefit is to be distributed in accordance with specific provisions of the Plan Agreement. In service distributions and hardship withdrawals are also permitted upon meeting certain requirements as defined in the Plan Agreement and are subject to certain limitations.

Forfeitures - Nonvested portions of the Company's contribution accounts may be applied to reduce the Company's future contributions or to pay plan administration expenses. The Plan had no forfeitures for the year ended December 31, 2024.

Administration - Certain administrative functions are performed by Company officers and employees. No such officers or employees receive compensation from the Plan. Generally, accounting, legal, and other expenses to maintain the Plan's records are paid by the Company and are therefore not reported as expenses on the accompanying statements of changes in net assets available for benefits.

Note 2. Summary of Significant Accounting Policies

Basis of accounting - The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates - The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions - Participant contributions are recorded when the Company computes payroll deductions. Company contributions are recorded based on amounts actually received or committed to be paid for the year.

Investment valuation and income recognition - The Plan's investments in mutual funds were valued at fair value based on quoted market prices on the measurement date, as more fully described in Note 3.

Realized gains and losses on the Plan's investments in mutual funds are recognized upon the sale of the related investments, and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair values. Net realized and unrealized appreciation or depreciation in the fair values of the Plan's investments in mutual funds includes gains and losses on investments bought and sold, as well as held during the year.

H & H Coldwater, LLC 401(k) Profit Sharing Plan & Trust

Notes to the Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Certain investment-related fees charged to the Plan are deducted from income earned on investments and are not separately reflected on the accompanying statements of changes in net assets available for benefits.

Consequently, investment return is reflected net of those investment-related fees on the accompanying statements of changes in net assets available for benefits.

Benefit and withdrawal payments - Benefit and withdrawal payments are recorded when paid.

Subsequent events - The Plan's management has evaluated subsequent events through October 14, 2025, the date the financial statements were available for issue.

Note 3. Information Certified or Provided by Mid Atlantic Trust Company ("MATC"), The Plan Trustee and Custodian

The following is a summary of the Plan's asset information as of December 31, 2024, and for the year ended December 31, 2024, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Plan's trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and the supplemental schedules related to the following assets as of December 31, 2024 and 2023:

	December 31	
	2024	2023
Investments at fair value:		
Mutual Funds		
Money Market Fund	\$ -	\$ 2,090
International Equity Funds	262	4,532
Fixed Income Funds	203	4,092
Equity Funds	652	12,112
Total investments at fair value	\$ 1,117	\$ 22,826

The trustee also certified the completeness and accuracy of \$2,539 of net appreciation in fair value of investments for the year ended December 31, 2024.

H & H Coldwater, LLC 401(k) Profit Sharing Plan & Trust

Notes to the Financial Statements

Note 4. Fair Value Measurements

The FASB Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC, Fair Value Measurements and Disclosures, are described below.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices for the asset or liability that are observable
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, Level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques that are used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund, Mutual funds held by the Plan are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,117			\$ 1,117
Total investments	\$ 1,117	\$ -	\$ -	\$ 1,117

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,826			\$ 22,826
Total investments	\$ 22,826	\$ -	\$ -	\$ 22,826

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

Note 5. Related Party and Party-in-Interest Transactions

MATC is the custodian and trustee of the Plan; therefore, transactions with the custodian and trustee qualify as party-in-interest transactions.

The Plan sponsor paid certain administrative expenses related to the Plan for the year ended December 31, 2024.

Note 6. Plan Termination

On March 5, 2024, management of the Plan Sponsor approved the termination of the H & H Coldwater, LLC 401(k) Profit Sharing Plan & Trust. As a result, all participants became fully vested in their accounts and were given the option to receive a lump sum distribution, roll over their balances to an IRA, or transfer to another qualified retirement plan.

Notes to the Financial Statements

Note 7. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate and credit risks, and overall market volatility. Market risks include global events such as pandemics or international conflicts which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that reductions in the values of the Plan's investment securities reported as of December 31, 2024 will occur in the near term and that such reductions would materially affect participant account balances and amounts reported on the accompanying December 31, 2024 statement of net assets available for benefits.

The Plan's exposure to concentrations risk is limited by diversification of investments across all investment elections. In addition, the investments within each pooled separate account investment election are further diversified into various financial investments.

Note 8. Tax Status

Effective May 1, 2023, the Plan operates under a non-standardized pre-approved profit sharing/money purchase plan sponsored by FIS Business Systems LLC. The Internal Revenue Service (IRS) ruled in an opinion letter dated June 30, 2020 that the non-standardized plan was qualified under applicable sections of the Internal Revenue Code (IRC). Previously, the Plan operated under a volume submitter profit sharing plan. The IRS ruled in an opinion letter dated March 31, 2014 that the volume submitter plan was qualified under applicable sections of the IRC. The Plan has been amended since the date of the IRS opinion letters. However, the Plan's trustee, sponsor, and administrator are not aware of any occurrences that would adversely affect the Plan's qualified status, and believe the Plan is currently designed and operating in compliance with the applicable IRC requirements, is qualified, and the related trust is tax exempt.

GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken, or expected to be taken, that would require recognition of a tax liability, or disclosure in the financial statements. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress. The Plan's administrator believes the Plan is no longer subject to income tax examinations for years prior to the year ended December 31, 2021.
