## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees  
Capital Cities Leasing 401(k) Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Capital Cities Leasing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Capital Cities Leasing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Capital Cities Leasing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Capital Cities Leasing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Capital Cities Leasing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Capital Cities Leasing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedule of delinquent participant contributions and the schedule of assets (held at end of year) as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DECEMBER 31, 2024 AND 2023**

**1. DESCRIPTION OF PLAN**

The following description of the Capital Cities Leasing 401(k) Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution savings plan covering all non-union employees of Capital Cities Leasing, Inc. and the other members of a controlled group consisting of Bonded Concrete, Inc., Troy Sand and Gravel Co., Inc., Certified Road Constructors, Inc., d/b/a Material Sand and Gravel, 21<sup>st</sup> Century Concrete, Inc. and Century Aggregates, Inc. Employees are eligible to participate upon completion of three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for the oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

***Contributions***

The Plan's provisions allow employees, under the age of 50, to contribute a percentage of their compensation (subject to a maximum of \$23,000 and \$22,500 for 2024 and 2023, respectively). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of \$7,500 for 2024 and 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Matching contributions by the employers are discretionary each plan year. Employers made matching contributions of 50% of electing deferrals up to 8% of compensation for the years ended December 31, 2024 and 2023. Contributions are invested in available investment options in accordance with the individual participant's direction and the Plan provisions.

***Investment Options***

The Plan provides a variety of investment funds with diversified portfolios sponsored by The Vanguard Group, Inc. All investment options are selected and monitored by the Plan's sponsor as part of their fiduciary role. Upon enrollment in the Plan, a participant may direct their contributions and the employer contributions to any of the investment options. Participants may change their investment options at any time during the year.

***Participant Accounts***

Each participant's account is credited with the participant's contribution, the employer's matching contribution and an allocation of plan earnings and charged with an allocation of investment expenses. Allocations are based upon participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment earnings and gains or losses are posted to participant accounts on a daily basis based upon actual investments held by the participants.

**1. DESCRIPTION OF PLAN**

***Vesting***

Participants are immediately vested in their contribution plus earnings thereon. Employer contributions are vested based upon a six-year graduated schedule as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notwithstanding the vesting schedule above, all participants shall be 100% vested when they attain age 65, die while still employed by the plan sponsor or one of the controlled group members, terminate employment due to 100% disability, or if the Plan terminates.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans may only be issued in the case of a hardship or the purchase of primary residence. Loans are generally repayable over a period of one to five years, however, if the loan is for the purchase of the participant's principal residence, the term of the loan can be up to ten years. The loans are collateralized by the balance in the participant's account. The loans bear a reasonable rate of interest, the Wall Street Journal prime rate plus 1.5%. Principal and interest is paid ratably through weekly payroll deductions.

***Payments of Benefits***

Upon termination of employment, death, disability or retirement, participants may receive either a lump sum distribution, installment payment, or a life sum annuity equal to the value of their account.

Participants who have attained age 59½ will be permitted to withdraw the vested portion of their employer account balance while still employed by the employer.

***Termination***

Although they have not expressed any interest to do so, the plan sponsor has the right, under the Plan, to terminate the Plan subject to the provisions of the plan document and ERISA. In the event of the Plan terminating, participants would become 100% vested in the employer contribution portion of their account.

**1. DESCRIPTION OF PLAN**

***Forfeitures***

At the time a participant's employment with the plan sponsor is terminated, any non-vested participant contributions are forfeited by the employee. Forfeitures for the years ended December 31, 2024 and 2023 totaled \$12,118 and \$4,752, respectively. In accordance with the plan document, forfeitures are available to pay plan expenses and reduce future employer contributions to the Plan. In 2024 and 2023, employer contributions were reduced by \$12,752 and \$66,708, and \$10,417 and \$2,613, respectively, of forfeitures were used to pay plan expenses.

***Administrative Fee Credit Account***

The Plan has entered into an Administrative Fee Credit Account (AFCA) with The Vanguard Group, Inc. (Vanguard). The AFCA is funded by receipts from Vanguard that Vanguard receives from registered investment companies (mutual funds) that are in excess of Vanguard's revenue requirements for the Plan. The AFCA credit that the Plan receives is designed to be used to pay administrative expenses of the Plan; however, amounts remaining in the AFCA in excess of the amount needed to cover administrative expenses can be allocated to the participants' accounts. During the years ended December 31, 2024 and 2023, the AFCA was credited with \$3,711 and \$2,704 of income, and \$4,670 and \$11,606, respectively, was used to pay administrative expenses. As of December 31, 2024 and 2023, \$824 and \$1,783, respectively, remained in the EBA account.

***Suspense Account***

At times, amounts are received by the Plan that are not immediately allocated to participant accounts, instead these amounts are held in various investments offered by the Plan and then allocated at a later time. During the years ended December 31, 2024 and 2023, \$4,502 and \$6,930, respectively, were received by the Plan, the investments earned \$718 and \$2,023, respectively, and \$13,424 and \$-0-, respectively, were allocated out to the participant accounts. As of December 31, 2024 and 2023, there was \$749 and \$8,953, respectively, in the suspense account yet to be allocated.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The financial statements of the Plan are prepared using the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with the accrual basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at

***Investment Valuation and Income Recognition***

the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividend income is recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets, the net appreciation (depreciation) in the fair value of investments, which consists of realized gains or losses and unrealized appreciation (depreciation) on these investments.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

***Payment of Benefits***

Benefits are recorded when paid.

***Plan Expenses***

Certain administrative, accounting and audit expenses for the Plan were paid directly by the plan sponsor and are excluded from these financial statements. The amount of these costs has not been quantified. Fees related to the administration of notes receivable from participants and fees related to the distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**3. FAIR VALUE MEASUREMENTS**

FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access. Inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets.
- Level 2 - Inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**CAPITAL CITIES LEASING 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**3. FAIR VALUE MEASUREMENTS**

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- Registered Investment Companies (Mutual Funds) and cash and cash equivalents: Valued at the daily closing price as reported by the fund.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2024.

**4. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

**5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

As of and for the years ended December 31, 2024 and 2023, the plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus as agent for Ascensus Trust Company, the Trustee, has certified to the completeness and accuracy of the

investments and notes receivable reflected in the accompanying statements of net assets available for benefits and the supplemental schedule of assets (held at end of year) as of December 31, 2024. Ascensus has also certified to the completeness and accuracy of the investment related activity and interest on notes receivable from participants included in the accompanying statements of changes in net assets available for benefits.

**6. TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed the plan sponsor of the prototype non-standardized plan document adopted by the Company by letter dated November 23, 2020, that the plan document adopted by the plan sponsor and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**7. PARTIES-IN-INTEREST**

The following organizations are considered parties-in-interest based upon services they provide to the Plan:

- Capital Cities Leasing, Inc. - Plan Sponsor
- Bonded Concrete, Inc. - Controlled Group Member
- Troy Sand & Gravel Co., Inc. - Controlled Group Member
- Certified Road Constructors, Inc., d/b/a Material Sand & Gravel - Controlled Group Member
- 21<sup>st</sup> Century Concrete, Inc. - Controlled Group Member
- Century Aggregates, Inc. - Controlled Group Member
- Mengel, Metzger, Barr & Co. LLP - Plan Audit Firm
- Ascensus as agent for Ascensus Trust Company - Trustee
- Ascensus, Inc. - Record Keeper, as subcontractor of The Vanguard Group, Inc.
- Ascensus, LLC - Investment Advisor
- SetAway, LLC - Third-Party Administrator

The following services provided to, and paid for by, the Plan, qualify as party-in-interest transactions.

SetAway, LLC (SetAway) provides third-party administrator services to the Plan. During the years ended December 31, 2024 and 2023, SetAway received \$3,825 and \$3,750, respectively, for these services. These amounts are included in the administrative expenses in the accompanying statements of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**7. PARTIES-IN-INTEREST**

The Vanguard Group, Inc. (Vanguard) provides recordkeeping services to the Plan. During the years ended December 31, 2024 and 2023, Vanguard received direct compensation of \$19,202 and \$17,949, respectively. These amounts are included in administrative expenses and/or the net appreciation in fair value of investments in the accompanying statements of changes in net assets available for benefits.

Other than disclosed in Note 8, there were no other prohibited transactions between either the related parties and the Plan or the parties-in-interest.

**8. PROHIBITED TRANSACTIONS**

During the year ended December 31, 2022, the plan sponsor failed to remit to the Plan's trustee certain participant contributions and loan repayments in a timely manner as defined by ERISA. The amount remitted late was \$3,611. As of December 31, 2024, plan management had not corrected the late remittance. There were no prohibited transactions during the years ended December 31, 2024 and 2023.

**9. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H, FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Schedule H, Form 5500 as of December 31:
