## INDEPENDENT AUDITOR'S REPORT

Managing Committee  
Ricoh Printing Systems America, Inc.  
Retirement Income and Savings Plan  
2390-A Ward Avenue  
Simi Valley, California 93065

Members of the Committee:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Ricoh Printing Systems America, Inc. Retirement Income and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

**RETIREMENT INCOME AND SAVINGS PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The Ricoh Printing Systems America, Inc. Retirement Income and Savings Plan (the “Plan”) is a defined contribution plan established on July 28, 1970, covering substantially all domestic employees of Ricoh Printing Systems America, Inc. (the “Company”). Employees are eligible to participate in the Plan beginning on the first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company’s Board of Directors appoints a Managing Committee to administer the Plan and interpret its provisions.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

**A. Basis of Accounting**

The Plan prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**B. Estimates**

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**C. Investment Valuation and Income Recognition**

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

GAAP standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are based on quoted prices for similar instruments and model based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan’s investments based on the inputs used to value them:

<sup>A</sup> In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consists of a mutual fund at fair value based on closing market prices. Pooled separate accounts may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares for any of the pooled separate accounts. Each investment has its own investment strategy. Purchases and sales of investments are reported on a trade-date basis. Dividends are recorded on the ex-dividend date.

**D. Guaranteed Interest Account**

The Plan maintains fully benefit-responsive group annuity contracts issued by Massachusetts Mutual Life Insurance Company and administered by Empower Annuity Insurance Company of America through the SAGIC Core Bond Fund (SAGIC). Contributions to SAGIC are maintained in an insurance company general account and credited for interest and charged for participant withdrawals and administrative expenses. SAGIC is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. SAGIC meets fully benefit-responsive investment contract criteria and is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions within the terms of the Plan.

The crediting rate is based on a formula established by Empower Annuity Insurance Company of America may not be less than 1% percent. The crediting rate is reviewed on a quarterly basis for resetting. The crediting rate for the 2024 and 2023 Plan years was 3.45% and 4.20%, respectively.

**D. Guaranteed Interest Account (Continued)**

The Plan's ability to receive amounts due is dependent on SAGIC's ability to meet its financial obligations. There are no reserves against contract value for credit loss. Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the fixed and contract account funds. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

**E. Notes Receivable from Participants**

The Plan allows participants to borrow the lesser of 50% of his or her vested account balance or \$50,000. The minimum loan is \$500. The term of the loan cannot exceed five years. Loans bear interest at a rate commensurate with the prevailing interest rate charged on similar commercial loans by persons in the business of lending money. Principal and interest payments are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2024 carry interest rates ranging between 5.25% and 10.50%.

**F. Distributions and Withdrawals**

Vested benefits are payable upon termination, death, disability or retirement. Additionally, a participant may withdraw vested amounts from his or her account prior to termination of employment after attaining age 59½ or, prior to that age, by demonstrating financial hardship, as defined by the Plan. Normal retirement age is 70½. Benefits are recorded when paid.

**G. Contributions**

Participants may elect to defer between 1% and 50% of their compensation, as defined in the Plan, up to a statutory maximum determined by the Internal Revenue Code (the "IRC"). In addition, participants may elect to contribute between 1% and 50% of their compensation on an after-tax basis. Effective February 1, 2024, eligible participants will be automatically enrolled into the Plan at a deferral rate of 3%, with no automatic escalation feature. The maximum amount a participant may contribute in total is 50% of compensation. The Company makes matching contributions at the rate of 50% of each participant's contributions, up to a maximum deferral of 6%.

**H. Vesting**

Participants are immediately vested with respect to their individual contributions, rollovers and earnings thereon. Participants become vested in their allocated Company matching contributions and related earnings at the rate of 25% after one year of service and an additional 25% for each subsequent year up to 4 years, after which all contributions are 100% vested. Company contributions also become fully vested upon attainment of retirement age, total disability, or death.

**I. Forfeitures**

Forfeitures of nonvested participants' accounts are used to reduce the Company's matching contributions and pay Plan expenses. As of December 31, 2024 and 2023, there were \$17,393

and \$2,813, respectively, of unused forfeitures. During the year ended December 31, 2024, forfeitures totaled \$14,288.

**J. Administrative Expenses**

A majority of the administrative expenses incurred by the Plan are paid by the Company. The amount of such administrative expenses is not significant to the accompanying financial statements.

**K. Risks and Uncertainties**

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

**NOTE 2 - INCOME TAX STATUS**

The Plan adopted Empower Retirement's Prototype Non-Standardized Profit Sharing plan, which has received a favorable opinion letter dated November 14, 2022 from the Internal Revenue Service stating that the Plan constitutes a qualified plan under Section 401(a) of the IRC and that is exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since 2022; however, the plan administrator and the Managing Committee believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 3 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon the participants' account balances at that time.

**NOTE 4 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN AND TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2024 and 2023, and investment income for the year ended December 31, 2024 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC ("Empower"), trustee and custodian of the Plan.

**NOTE 5 - PARTIES-IN-INTEREST TRANSACTIONS**

Empower manages certain investments offered under the Plan. Transactions in these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**NOTE 6 - PLAN AMENDMENT**

Effective October 16, 2023, the Plan adopted the Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"), the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), the Further Consolidated Appropriations Act (the "FCAA") and the Bipartisan American Miners Act (the "BAMA Act").

Effective February 1, 2024, the Plan was amended to automatically enroll eligible participants at a deferral rate of 3%, with no automatic escalation feature.

**NOTE 7 - SUBSEQUENT EVENTS**

Effective September 19, 2025, the Plan elected to add a Roth contribution source.

Management has evaluated subsequent events through October 14, 2025, the date on which the financial statements were available to be issued. Except as noted above, there were no material subsequent events that required recognition or additional disclosures in these financial statements.

## INDEPENDENT AUDITOR'S REPORT

Managing Committee  
Ricoh Printing Systems America, Inc.  
Retirement Income and Savings Plan  
2390-A Ward Avenue  
Simi Valley, California 93065

Members of the Committee:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Ricoh Printing Systems America, Inc. Retirement Income and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

Managing Committee

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**RETIREMENT INCOME AND SAVINGS PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The Ricoh Printing Systems America, Inc. Retirement Income and Savings Plan (the “Plan”) is a defined contribution plan established on July 28, 1970, covering substantially all domestic employees of Ricoh Printing Systems America, Inc. (the “Company”). Employees are eligible to participate in the Plan beginning on the first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company’s Board of Directors appoints a Managing Committee to administer the Plan and interpret its provisions.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

**A. Basis of Accounting**

The Plan prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**B. Estimates**

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**C. Investment Valuation and Income Recognition**

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

GAAP standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are based on quoted prices for similar instruments and model based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan’s investments based on the inputs used to value them:

Investments Measured at Net Asset Value <sup>A</sup>				15,607,449
				\$ 16,908,822

<sup>A</sup> In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consists of a mutual fund at fair value based on closing market prices. Pooled separate accounts may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares for any of the pooled separate accounts. Each investment has its own investment strategy. Purchases and sales of investments are reported on a trade-date basis. Dividends are recorded on the ex-dividend date.

**D. Guaranteed Interest Account**

The Plan maintains fully benefit-responsive group annuity contracts issued by Massachusetts Mutual Life Insurance Company and administered by Empower Annuity Insurance Company of America through the SAGIC Core Bond Fund (SAGIC). Contributions to SAGIC are maintained in an insurance company general account and credited for interest and charged for participant withdrawals and administrative expenses. SAGIC is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. SAGIC meets fully benefit-responsive investment contract criteria and is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions within the terms of the Plan.

The crediting rate is based on a formula established by Empower Annuity Insurance Company of America may not be less than 1% percent. The crediting rate is reviewed on a quarterly basis for resetting. The crediting rate for the 2024 and 2023 Plan years was 3.45% and 4.20%, respectively.

**D. Guaranteed Interest Account (Continued)**

The Plan's ability to receive amounts due is dependent on SAGIC's ability to meet its financial obligations. There are no reserves against contract value for credit loss. Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the fixed and contract account funds. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

**E. Notes Receivable from Participants**

The Plan allows participants to borrow the lesser of 50% of his or her vested account balance or \$50,000. The minimum loan is \$500. The term of the loan cannot exceed five years. Loans bear interest at a rate commensurate with the prevailing interest rate charged on similar commercial loans by persons in the business of lending money. Principal and interest payments are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2024 carry interest rates ranging between 5.25% and 10.50%.

**F. Distributions and Withdrawals**

Vested benefits are payable upon termination, death, disability or retirement. Additionally, a participant may withdraw vested amounts from his or her account prior to termination of employment after attaining age 59½ or, prior to that age, by demonstrating financial hardship, as defined by the Plan. Normal retirement age is 70½. Benefits are recorded when paid.

**G. Contributions**

Participants may elect to defer between 1% and 50% of their compensation, as defined in the Plan, up to a statutory maximum determined by the Internal Revenue Code (the "IRC"). In addition, participants may elect to contribute between 1% and 50% of their compensation on an after-tax basis. Effective February 1, 2024, eligible participants will be automatically enrolled into the Plan at a deferral rate of 3%, with no automatic escalation feature. The maximum amount a participant may contribute in total is 50% of compensation. The Company makes matching contributions at the rate of 50% of each participant's contributions, up to a maximum deferral of 6%.

**H. Vesting**

Participants are immediately vested with respect to their individual contributions, rollovers and earnings thereon. Participants become vested in their allocated Company matching contributions and related earnings at the rate of 25% after one year of service and an additional 25% for each subsequent year up to 4 years, after which all contributions are 100% vested. Company contributions also become fully vested upon attainment of retirement age, total disability, or death.

A majority of the administrative expenses incurred by the Plan are paid by the Company. The amount of such administrative expenses is not significant to the accompanying financial statements.

**K. Risks and Uncertainties**

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

**NOTE 2 - INCOME TAX STATUS**

The Plan adopted Empower Retirement's Prototype Non-Standardized Profit Sharing plan, which has received a favorable opinion letter dated November 14, 2022 from the Internal Revenue Service stating that the Plan constitutes a qualified plan under Section 401(a) of the IRC and that is exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since 2022; however, the plan administrator and the Managing Committee believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 3 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon the participants' account balances at that time.

**NOTE 4 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN AND TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2024 and 2023, and investment income for the year ended December 31, 2024 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC ("Empower"), trustee and custodian of the Plan.

**NOTE 5 - PARTIES-IN-INTEREST TRANSACTIONS**

Empower manages certain investments offered under the Plan. Transactions in these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**NOTE 6 - PLAN AMENDMENT**

Effective October 16, 2023, the Plan adopted the Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"), the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), the Further Consolidated Appropriations Act (the "FCAA") and the Bipartisan American Miners Act (the "BAMA Act").

Effective February 1, 2024, the Plan was amended to automatically enroll eligible participants at a deferral rate of 3%, with no automatic escalation feature.

**NOTE 7 - SUBSEQUENT EVENTS**

Effective September 19, 2025, the Plan elected to add a Roth contribution source.

Management has evaluated subsequent events through October 14, 2025, the date on which the financial statements were available to be issued. Except as noted above, there were no material subsequent events that required recognition or additional disclosures in these financial statements.
