Independent Auditor's Report

To the Fiduciary Committee
Idaho Power Company Group Health Plan
Boise, Idaho

Opinion

We have audited the financial statements of Idaho Power Company Group Health Plan (the Plan), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and plan benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

eidebailly.com

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

IDAHO POWER COMPANY GROUP HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following brief description of the Idaho Power Company Group Health Plan (the Plan) is provided for general information only. Participants should refer to the Plan's governing documents for a more complete description of the Plan's provisions.

The Plan was established on January 1, 2011, as a new stand-alone employee-only defined benefit health and welfare plan. The Plan is a spin-off of the employee health and welfare portion of the plan formerly known as the Idaho Power Company Group Health Plan, which was renamed the Idaho Power Company Inactive Group Health Plan (the Inactive Plan) effective January 1, 2011. The plan assets and postretirement benefit obligations were retained by the Inactive Plan. Benefits expected to be received in retirement that are earned by current employees are plan obligations of and will be paid out of the Inactive Plan.

General Description - The Plan is a defined benefit health and welfare benefit plan providing health insurance benefits for eligible active employees of IDACORP, Inc. (the Company) and its participating subsidiaries including Idaho Power Company (Idaho Power, the Plan Sponsor, or the Plan Administrator). Eligible participants primarily include full-time employees, part-time employees that are regularly scheduled and working an average minimum of 24 hours per workweek, and eligible family members of the eligible employees. The Plan also provides health and welfare benefits for separated employees that have retained insurance coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). The Plan is funded by Idaho Power and participants, as provided in the Plan's governing documents, and pays medical, dental, and vision claims through its third-party claims processors, Regence BlueShield of Idaho, Delta Dental of Idaho, and Vision Service Plan of Idaho, Inc.

The Fiduciary Committee of Idaho Power controls and manages the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits and Contributions - The Plan self-insures all benefits under the Plan and provides eligible participants medical, prescription drug, dental, and vision health insurance during active service, with costs of the benefits shared between the Company and the plan participants. Effective January 1, 2020, the Plan switched from paying premiums for the provision of vision benefits to self-insuring these benefits. Reimbursement of current benefits paid by third-party administrators is made on a pay-as-you-go basis.

The Plan provides active employee and COBRA participants with two medical coverage options, a low-deductible but higher-employee-premium standard medical plan option and a high-deductible but lower-employee-premium health investment plan option designed to be combined with an HSA.

For participants who select the health investment option, the Company contributes to a participant's health savings account (HSA) \$1,000 annually for Employee Only participants and \$2,000 annually for Employee and Spouse, Employee and Child, Employee and Children, and Employee and Family participants. To be eligible to participate in the HSA, electing participants and their eligible family members must, among other requirements, have coverage under the Company's high deductible health plan. Contributions to participants' HSAs are made with Company funds and are not included in the Plan's financial statements because they are not obligations of the Plan. HealthEquity, Inc. is the administrator for participants' HSAs, but participants themselves are responsible for the appropriate use of their accounts. Participants' HSA balances are not considered assets of the Plan.

Prescription Rebates - Prescription drug rebates are recorded in the period to which the claims paid are attributable and are shown netted with benefit payments. For 2024, prescription drug rebates totaled \$2,676,969.

Stop Loss Coverage - The Sponsor has entered into a stop-loss insurance arrangement in an effort to limit the Plan's exposure for self-insured medical benefits (for individual participant claims over a specific dollar amount). The cost of the stop loss coverage is included in the administrative fees paid to the Plan's third-party claims processors. The Plan received \$1,391,702 of stop loss proceeds during 2024. When received, stop-loss receipts are netted against benefits paid on behalf of participants in the statement of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates - The preparation of the Plan's financial statements in conformity with GAAP requires management to make estimates and assumptions that affect reported amounts of net assets and benefit obligations and changes therein, claims incurred but not reported, and claims payable as well as disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits - Claim payments are recorded when paid by the third-party claims processors. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as claims payable to benefit providers in the accompanying statements of Plan's benefit obligations. These payments are recorded as benefits paid on behalf of participants in the accompanying statement of changes in net assets available for benefits.

Claims Incurred But Not Reported - The Plan's liability for incurred but unreported medical claims as of December 31 of each year is estimated using actual claim payments through June 30 of the subsequent year for services rendered prior to the end of the year being reported. The Plan assumes that two percent of incurred but not reported claims as of the end of the year remain unpaid after six months.

For dental claims, the Plan's liability for incurred but unreported health claims at year-end is estimated using actuarial methods that use historical trend information developed through studies of medical claim lag patterns observed in prior years. Factors are then applied to paid claims amounts to estimate claims incurred but not reported at year-end. The estimated liabilities for

participants' health claims incurred but unreported as of December 31, 2024 and 2023, are included in the benefit obligation.

Administrative Expenses - Plan administrative expenses are paid by the Plan Sponsor or the Plan as provided for by the Plan's governing documents.

3. FUNDING POLICY

The Bank of New York Mellon Corporation, as the trustee, manages the assets held in the Idaho Power Company Voluntary Employees' Beneficiary Association Trust (the Trust, or the Master Trust) under the supervision of the Fiduciary Committee. Payments for benefits and plan expenses made by the Plan Sponsor may pass through the Master Trust or be made directly to the third-party administrators or insurance provider. Assets held by the Master Trust are only used for paying benefits and expenses of the Inactive Plan and, as a result, have been allocated to the Inactive Plan. Company contributions into the Master Trust for the Plan are made concurrently with and in amounts equal to payments made by the Master Trust for benefits and administrative expenses.

4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right to terminate the Plan at any time subject to the provisions set forth in ERISA; however, if the Company has not paid in full its contributions on behalf of the Plan for the trust year in which the termination is to occur, the Company is required to make contributions to the trust assets within 30 days of the date of termination. In the event the Plan is terminated, the net assets will be allocated and distributed, as prescribed by ERISA and its related regulations.

5. FEDERAL INCOME TAX STATUS

The Master Trust funding certain benefits of the Plan received an exemption letter from the IRS dated November 1, 1990, stating that the Trust is tax-exempt under the provisions of Section 501(a) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the Master Trust may be subject to income taxes. No federal or state income taxes have been recorded in 2024 for unrelated business taxable income.

In addition, the Plan and the Master Trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related Master Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan pays medical, dental, and vision claims through its third-party claims processors, Regence BlueShield of Idaho, Delta Dental of Idaho, and VSP. These third-party administrators are service providers under the Plan and are, therefore, parties-in-interest with respect to the Plan. Fees paid to these service providers qualify as exempt party-in-interest transactions and are included in administrative expense on the Statement of Changes in Net Assets Available for Benefits.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2024 and 2023:
