	(c) Amount	(d) Purpose	

(a) Name and address of the agent, broker, or other person to whom commissions or fees were paid

(b) Amount of sales and base commissions paid	Fees and other commissions paid		(e) Organization code
	(c) Amount	(d) Purpose	

**Part II Investment and Annuity Contract Information**  
 Where individual contracts are provided, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

<b>4</b> Current value of plan's interest under this contract in the general account at year end .....	<b>4</b>	
<b>5</b> Current value of plan's interest under this contract in separate accounts at year end.....	<b>5</b>	47964456

**6** Contracts With Allocated Funds:

**a** State the basis of premium rates ▶

<b>b</b> Premiums paid to carrier .....	<b>6b</b>	
<b>c</b> Premiums due but unpaid at the end of the year .....	<b>6c</b>	
<b>d</b> If the carrier, service, or other organization incurred any specific costs in connection with the acquisition or retention of the contract or policy, enter amount. .... Specify nature of costs ▶	<b>6d</b>	

**e** Type of contract: (1)  individual policies (2)  group deferred annuity  
 (3)  other (specify) ▶

**f** If contract purchased, in whole or in part, to distribute benefits from a terminating plan, check here ▶

**7** Contracts With Unallocated Funds (Do not include portions of these contracts maintained in separate accounts)

**a** Type of contract: (1)  deposit administration (2)  immediate participation guarantee  
 (3)  guaranteed investment (4)  other ▶

**b** Balance at the end of the previous year ..... **7b** 0

<b>c</b> Additions: (1) Contributions deposited during the year .....	<b>7c(1)</b>	
	<b>7c(2)</b>	
	<b>7c(3)</b>	
	<b>7c(4)</b>	
	<b>7c(5)</b>	

(6) Total additions ..... **7c(6)** 0

**d** Total of balance and additions (add lines **7b** and **7c(6)**) ..... **7d** 0

**e** Deductions:

(1) Disbursed from fund to pay benefits or purchase annuities during year	<b>7e(1)</b>	
	<b>7e(2)</b>	
	<b>7e(3)</b>	
	<b>7e(4)</b>	

(5) Total deductions ..... **7e(5)** 0

**f** Balance at the end of the current year (subtract line **7e(5)** from line **7d**) ..... **7f** 0

**Part III Welfare Benefit Contract Information**  
 If more than one contract covers the same group of employees of the same employer(s) or members of the same employee organizations(s), the information may be combined for reporting purposes if such contracts are experience-rated as a unit. Where contracts cover individual employees, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

**8** Benefit and contract type (check all applicable boxes)

- a**  Health (other than dental or vision)
- b**  Dental
- c**  Vision
- d**  Life insurance
- e**  Temporary disability (accident and sickness)
- f**  Long-term disability
- g**  Supplemental unemployment
- h**  Prescription drug
- i**  Stop loss (large deductible)
- j**  HMO contract
- k**  PPO contract
- l**  Indemnity contract
- m**  Other (specify) ▶

**9** Experience-rated contracts:

<b>a</b>	Premiums: (1) Amount received .....	<b>9a(1)</b>		
	(2) Increase (decrease) in amount due but unpaid .....	<b>9a(2)</b>		
	(3) Increase (decrease) in unearned premium reserve .....	<b>9a(3)</b>		
	(4) Earned ((1) + (2) - (3)) .....		<b>9a(4)</b>	0
<b>b</b>	Benefit charges (1) Claims paid .....	<b>9b(1)</b>		
	(2) Increase (decrease) in claim reserves .....	<b>9b(2)</b>		
	(3) Incurred claims (add (1) and (2)) .....		<b>9b(3)</b>	0
	(4) Claims charged .....		<b>9b(4)</b>	
<b>c</b>	Remainder of premium: (1) Retention charges (on an accrual basis) --			
	(A) Commissions .....	<b>9c(1)(A)</b>		
	(B) Administrative service or other fees .....	<b>9c(1)(B)</b>		
	(C) Other specific acquisition costs .....	<b>9c(1)(C)</b>		
	(D) Other expenses .....	<b>9c(1)(D)</b>		
	(E) Taxes .....	<b>9c(1)(E)</b>		
	(F) Charges for risks or other contingencies .....	<b>9c(1)(F)</b>		
	(G) Other retention charges .....	<b>9c(1)(G)</b>		
	(H) Total retention .....		<b>9c(1)(H)</b>	0
	(2) Dividends or retroactive rate refunds. (These amounts were <input type="checkbox"/> paid in cash, or <input type="checkbox"/> credited.) .....		<b>9c(2)</b>	
<b>d</b>	Status of policyholder reserves at end of year: (1) Amount held to provide benefits after retirement .....		<b>9d(1)</b>	
	(2) Claim reserves .....		<b>9d(2)</b>	
	(3) Other reserves .....		<b>9d(3)</b>	
<b>e</b>	Dividends or retroactive rate refunds due. (Do not include amount entered in line 9c(2).) .....		<b>9e</b>	

**10** Nonexperience-rated contracts:

<b>a</b>	Total premiums or subscription charges paid to carrier .....	<b>10a</b>	
<b>b</b>	If the carrier, service, or other organization incurred any specific costs in connection with the acquisition or retention of the contract or policy, other than reported in Part I, line 2 above, report amount. ....	<b>10b</b>	

Specify nature of costs.

**Part IV Provision of Information**

**11** Did the insurance company fail to provide any information necessary to complete Schedule A? .....  Yes  No

**12** If the answer to line 11 is "Yes," specify the information not provided. ▶

**Statement by Enrolled Actuary**  
 To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

<b>SCHEDULE C</b> <b>(Form 5500)</b>  <small>Department of the Treasury Internal Revenue Service</small>  <small>Department of Labor Employee Benefits Security Administration</small>  <small>Pension Benefit Guaranty Corporation</small>	<b>Service Provider Information</b>  This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA).  <b>▶ File as an attachment to Form 5500.</b>	<small>OMB No. 1210-0110</small>  <b>2024</b>  <b>This Form is Open to Public Inspection.</b>
--	--	---

For calendar plan year 2024 or fiscal plan year beginning **01/01/2024** and ending **12/31/2024**

<b>A</b> Name of plan <b>ATLAS COPCO PENSION PLAN</b>	<b>B</b> Three-digit plan number (PN) ▶	<b>001</b>
<b>C</b> Plan sponsor's name as shown on line 2a of Form 5500 <b>ATLAS COPCO NORTH AMERICA LLC</b>	<b>D</b> Employer Identification Number (EIN) <b>20-5024915</b>	

**Part I Service Provider Information (see instructions)**

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

**a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).....  Yes  No

**b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

**(b)** Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

**EMPOWER ANNUITY INSURANCE COMPANY**

**06-1050034**

**(b)** Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

**(b)** Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

**(b)** Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

---

---

**(b)** Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

---

---

---

**(b)** Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

---

**(b)** Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

---

---

---

**(b)** Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

---

---

---

**(b)** Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

---

**2. Information on Other Service Providers Receiving Direct or Indirect Compensation.** Except for those persons for whom you answered "Yes" to line 1a above, complete as many entries as needed to list each person receiving, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of value) in connection with services rendered to the plan or their position with the plan during the plan year. (See instructions).

(a) Enter name and EIN or address (see instructions)

EMPOWER ANNUITY INSURANCE CO

06-1050034

(b) Service Code(s)	(c) Relationship to employer, employee organization, or person known to be a party-in-interest	(d) Enter direct compensation paid by the plan. If none, enter -0-.	(e) Did service provider receive indirect compensation? (sources other than plan or plan sponsor)	(f) Did indirect compensation include eligible indirect compensation, for which the plan received the required disclosures?	(g) Enter total indirect compensation received by service provider excluding eligible indirect compensation for which you answered "Yes" to element (f). If none, enter -0-.	(h) Did the service provider give you a formula instead of an amount or estimated amount?
13 50 15 64 37	NONE	107541	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	0	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>

(a) Enter name and EIN or address (see instructions)

(b) Service Code(s)	(c) Relationship to employer, employee organization, or person known to be a party-in-interest	(d) Enter direct compensation paid by the plan. If none, enter -0-.	(e) Did service provider receive indirect compensation? (sources other than plan or plan sponsor)	(f) Did indirect compensation include eligible indirect compensation, for which the plan received the required disclosures?	(g) Enter total indirect compensation received by service provider excluding eligible indirect compensation for which you answered "Yes" to element (f). If none, enter -0-.	(h) Did the service provider give you a formula instead of an amount or estimated amount?
			Yes <input type="checkbox"/> No <input type="checkbox"/>	Yes <input type="checkbox"/> No <input type="checkbox"/>		Yes <input type="checkbox"/> No <input type="checkbox"/>

(a) Enter name and EIN or address (see instructions)

(b) Service Code(s)	(c) Relationship to employer, employee organization, or person known to be a party-in-interest	(d) Enter direct compensation paid by the plan. If none, enter -0-.	(e) Did service provider receive indirect compensation? (sources other than plan or plan sponsor)	(f) Did indirect compensation include eligible indirect compensation, for which the plan received the required disclosures?	(g) Enter total indirect compensation received by service provider excluding eligible indirect compensation for which you answered "Yes" to element (f). If none, enter -0-.	(h) Did the service provider give you a formula instead of an amount or estimated amount?
			Yes <input type="checkbox"/> No <input type="checkbox"/>	Yes <input type="checkbox"/> No <input type="checkbox"/>		Yes <input type="checkbox"/> No <input type="checkbox"/>

**Part I Service Provider Information (continued)**

3. If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

<b>(a)</b> Enter service provider name as it appears on line 2	<b>(b)</b> Service Codes (see instructions)	<b>(c)</b> Enter amount of indirect compensation
<b>(d)</b> Enter name and EIN (address) of source of indirect compensation	<b>(e)</b> Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	
<b>(a)</b> Enter service provider name as it appears on line 2	<b>(b)</b> Service Codes (see instructions)	<b>(c)</b> Enter amount of indirect compensation
<b>(d)</b> Enter name and EIN (address) of source of indirect compensation	<b>(e)</b> Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	
<b>(a)</b> Enter service provider name as it appears on line 2	<b>(b)</b> Service Codes (see instructions)	<b>(c)</b> Enter amount of indirect compensation
<b>(d)</b> Enter name and EIN (address) of source of indirect compensation	<b>(e)</b> Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	

**Part II Service Providers Who Fail or Refuse to Provide Information**

**4** Provide, to the extent possible, the following information for each service provider who failed or refused to provide the information necessary to complete this Schedule.

<b>(a)</b> Enter name and EIN or address of service provider (see instructions)	<b>(b)</b> Nature of Service Code(s)	<b>(c)</b> Describe the information that the service provider failed or refused to provide

<b>(a)</b> Enter name and EIN or address of service provider (see instructions)	<b>(b)</b> Nature of Service Code(s)	<b>(c)</b> Describe the information that the service provider failed or refused to provide

<b>(a)</b> Enter name and EIN or address of service provider (see instructions)	<b>(b)</b> Nature of Service Code(s)	<b>(c)</b> Describe the information that the service provider failed or refused to provide

<b>(a)</b> Enter name and EIN or address of service provider (see instructions)	<b>(b)</b> Nature of Service Code(s)	<b>(c)</b> Describe the information that the service provider failed or refused to provide

<b>(a)</b> Enter name and EIN or address of service provider (see instructions)	<b>(b)</b> Nature of Service Code(s)	<b>(c)</b> Describe the information that the service provider failed or refused to provide

<b>(a)</b> Enter name and EIN or address of service provider (see instructions)	<b>(b)</b> Nature of Service Code(s)	<b>(c)</b> Describe the information that the service provider failed or refused to provide

**Part III Termination Information on Accountants and Enrolled Actuaries (see instructions)**

<b>j</b> Total expenses. Add all <b>expense</b> amounts in column (b) and enter total.....	<b>2j</b>		2707049

**Net Income and Reconciliation**

<b>k</b> Net income (loss). Subtract line <b>2j</b> from line <b>2d</b> .....	<b>2k</b>		-288397
<b>l</b> Transfers of assets:			
(1) To this plan.....	<b>2l(1)</b>		
(2) From this plan .....	<b>2l(2)</b>		

**Part III Accountant's Opinion**

**3** Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

**a** The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1)  Unmodified (2)  Qualified (3)  Disclaimer (4)  Adverse

**b** Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1)  DOL Regulation 2520.103-8 (2)  DOL Regulation 2520.103-12(d) (3)  neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

**c** Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: COHNREZNICK LLP

(2) EIN: 33-4144829

**d** The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1)  This form is filed for a CCT, PSA, DCG or MTIA. (2)  It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

**4** CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
<b>a</b> Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
<b>b</b> Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
<b>c</b> Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
<b>d</b> Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
<b>e</b> Was this plan covered by a fidelity bond?	X		1500000
<b>f</b> Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
<b>g</b> Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
<b>h</b> Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
<b>i</b> Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
<b>j</b> Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	X		
<b>k</b> Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
<b>l</b> Has the plan failed to provide any benefit when due under the plan?		X	
<b>m</b> If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
<b>n</b> If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

**5a** Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?  Yes  No  
If "Yes," enter the amount of any plan assets that reverted to the employer this year \_\_\_\_\_.

**5b** If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

<b>5b(1)</b> Name of plan(s)	<b>5b(2)</b> EIN(s)	<b>5b(3)</b> PN(s)

**5c** Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) .....  Yes    No    Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year 545770.

<b>SCHEDULE R</b> <b>(Form 5500)</b>  <small>Department of the Treasury Internal Revenue Service</small>  <small>Department of Labor Employee Benefits Security Administration</small>  <small>Pension Benefit Guaranty Corporation</small>	<b>Retirement Plan Information</b>  This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code).  <b>▶ File as an attachment to Form 5500.</b>	<small>OMB No. 1210-0110</small>  <b>2024</b>  <b>This Form is Open to Public Inspection.</b>

<b>Part I</b>	<b>Distributions</b>
---------------	----------------------

**All references to distributions relate only to payments of benefits during the plan year.**

**1** Total value of distributions paid in property other than in cash or the forms of property specified in the instructions..... 

1		0
---	--	---

**2** Enter the EIN(s) of payor(s) who paid benefits on behalf of the plan to participants or beneficiaries during the year (if more than two, enter EINs of the two payors who paid the greatest dollar amounts of benefits):  
 EIN(s): 22-1211670 06-1050034

**Profit-sharing plans, ESOPs, and stock bonus plans, skip line 3.**

**3** Number of participants (living or deceased) whose benefits were distributed in a single sum, during the plan year..... 

3		39
---	--	----

<b>Part II</b>	<b>Funding Information</b> (If the plan is not subject to the minimum funding requirements of section 412 of the Internal Revenue Code or ERISA section 302, skip this Part.)
----------------	---

**4** Is the plan administrator making an election under Code section 412(d)(2) or ERISA section 302(d)(2)? .....  Yes  No  N/A  
**If the plan is a defined benefit plan, go to line 8.**

**5** If a waiver of the minimum funding standard for a prior year is being amortized in this plan year, see instructions and enter the date of the ruling letter granting the waiver. **Date:** Month \_\_\_\_\_ Day \_\_\_\_\_ Year \_\_\_\_\_  
**If you completed line 5, complete lines 3, 9, and 10 of Schedule MB and do not complete the remainder of this schedule.**

<b>6 a</b> Enter the minimum required contribution for this plan year (include any prior year accumulated funding deficiency not waived) .....	<b>6a</b>	
<b>b</b> Enter the amount contributed by the employer to the plan for this plan year .....	<b>6b</b>	
<b>c</b> Subtract the amount in line 6b from the amount in line 6a. Enter the result (enter a minus sign to the left of a negative amount).....	<b>6c</b>	

**If you completed line 6c, skip lines 8 and 9.**

**7** Will the minimum funding amount reported on line 6c be met by the funding deadline?.....  Yes  No  N/A

**8** If a change in actuarial cost method was made for this plan year pursuant to a revenue procedure or other authority providing automatic approval for the change or a class ruling letter, does the plan sponsor or plan administrator agree with the change? .....  Yes  No  N/A

<b>Part III</b>	<b>Amendments</b>
-----------------	-------------------

**9** If this is a defined benefit pension plan, were any amendments adopted during this plan year that increased or decreased the value of benefits? If yes, check the appropriate box. If no, check the "No" box.....  Increase  Decrease  Both  No

<b>Part IV</b>	<b>ESOPs</b> (see instructions). If this is not a plan described under section 409(a) or 4975(e)(7) of the Internal Revenue Code, skip this Part.
----------------	---

**10** Were unallocated employer securities or proceeds from the sale of unallocated securities used to repay any exempt loan? .....  Yes  No

**11 a** Does the ESOP hold any preferred stock? .....  Yes  No

**b** If the ESOP has an outstanding exempt loan with the employer as lender, is such loan part of a "back-to-back" loan? (See instructions for definition of "back-to-back" loan.) .....  Yes  No

**12** Does the ESOP hold any stock that is not readily tradable on an established securities market? .....  Yes  No

**Part V Additional Information for Multiemployer Defined Benefit Pension Plans**

**13** Enter the following information for each employer that (1) contributed more than 5% of total contributions to the plan during the plan year or (2) was one of the top-ten highest contributors (measured in dollars). See instructions. Complete as many entries as needed to report all applicable employers.

**a** Name of contributing employer \_\_\_\_\_

**b** EIN \_\_\_\_\_ **c** Dollar amount contributed by employer \_\_\_\_\_

**d** Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box  and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month \_\_\_\_\_ Day \_\_\_\_\_ Year \_\_\_\_\_

**e** Contribution rate information (If more than one rate applies, check this box  and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) \_\_\_\_\_

(2) Base unit measure:  Hourly  Weekly  Unit of production  Other (specify): \_\_\_\_\_

**a** Name of contributing employer \_\_\_\_\_

**b** EIN \_\_\_\_\_ **c** Dollar amount contributed by employer \_\_\_\_\_

**d** Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box  and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month \_\_\_\_\_ Day \_\_\_\_\_ Year \_\_\_\_\_

**e** Contribution rate information (If more than one rate applies, check this box  and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) \_\_\_\_\_

(2) Base unit measure:  Hourly  Weekly  Unit of production  Other (specify): \_\_\_\_\_

**a** Name of contributing employer \_\_\_\_\_

**b** EIN \_\_\_\_\_ **c** Dollar amount contributed by employer \_\_\_\_\_

**d** Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box  and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month \_\_\_\_\_ Day \_\_\_\_\_ Year \_\_\_\_\_

**e** Contribution rate information (If more than one rate applies, check this box  and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) \_\_\_\_\_

(2) Base unit measure:  Hourly  Weekly  Unit of production  Other (specify): \_\_\_\_\_

**a** Name of contributing employer \_\_\_\_\_

**b** EIN \_\_\_\_\_ **c** Dollar amount contributed by employer \_\_\_\_\_

**d** Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box  and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month \_\_\_\_\_ Day \_\_\_\_\_ Year \_\_\_\_\_

**e** Contribution rate information (If more than one rate applies, check this box  and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) \_\_\_\_\_

(2) Base unit measure:  Hourly  Weekly  Unit of production  Other (specify): \_\_\_\_\_

**a** Name of contributing employer \_\_\_\_\_

**b** EIN \_\_\_\_\_ **c** Dollar amount contributed by employer \_\_\_\_\_

**d** Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box  and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month \_\_\_\_\_ Day \_\_\_\_\_ Year \_\_\_\_\_

**e** Contribution rate information (If more than one rate applies, check this box  and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) \_\_\_\_\_

(2) Base unit measure:  Hourly  Weekly  Unit of production  Other (specify): \_\_\_\_\_

**a** Name of contributing employer \_\_\_\_\_

**b** EIN \_\_\_\_\_ **c** Dollar amount contributed by employer \_\_\_\_\_

**d** Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box  and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month \_\_\_\_\_ Day \_\_\_\_\_ Year \_\_\_\_\_

**e** Contribution rate information (If more than one rate applies, check this box  and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) \_\_\_\_\_

(2) Base unit measure:  Hourly  Weekly  Unit of production  Other (specify): \_\_\_\_\_

**14** Enter the number of deferred vested and retired participants (inactive participants), as of the beginning of the plan year, whose contributing employer is no longer making contributions to the plan for:

<b>a</b> The current plan year. Check the box to indicate the counting method used to determine the number of inactive participants: <input type="checkbox"/> last contributing employer <input type="checkbox"/> alternative <input type="checkbox"/> reasonable approximation (see instructions for required attachment).....	<b>14a</b>	
<b>b</b> The plan year immediately preceding the current plan year. <input type="checkbox"/> Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....	<b>14b</b>	
<b>c</b> The second preceding plan year. <input type="checkbox"/> Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....	<b>14c</b>	

**15** Enter the ratio of the number of participants under the plan on whose behalf no employer had an obligation to make an employer contribution during the current plan year to:

<b>a</b> The corresponding number for the plan year immediately preceding the current plan year .....	<b>15a</b>	
<b>b</b> The corresponding number for the second preceding plan year .....	<b>15b</b>	

**16** Information with respect to any employers who withdrew from the plan during the preceding plan year:

<b>a</b> Enter the number of employers who withdrew during the preceding plan year .....	<b>16a</b>	
<b>b</b> If line 16a is greater than 0, enter the aggregate amount of withdrawal liability assessed or estimated to be assessed against such withdrawn employers.....	<b>16b</b>	

**17** If assets and liabilities from another plan have been transferred to or merged with this plan during the plan year, check box and see instructions regarding supplemental information to be included as an attachment .....

**Part VI Additional Information for Single-Employer and Multiemployer Defined Benefit Pension Plans**

**18** If any liabilities to participants or their beneficiaries under the plan as of the end of the plan year consist (in whole or in part) of liabilities to such participants and beneficiaries under two or more pension plans as of immediately before such plan year, check box and see instructions regarding supplemental information to be included as an attachment .....

**19** If the total number of participants is 1,000 or more, complete lines (a) and (b):

**a** Enter the percentage of plan assets held as:  
 Public Equity: 27.1 % Private Equity: \_\_\_\_\_ % Investment-Grade Debt and Interest Rate Hedging Assets: 67.8 %  
 High-Yield Debt: \_\_\_\_\_ % Real Assets: \_\_\_\_\_ % Cash or Cash Equivalents: \_\_\_\_\_ % Other: 5.1 %

**b** Provide the average duration of the Investment-Grade Debt and Interest Rate Hedging Assets:  
 0-5 years  5-10 years  10-15 years  15 years or more

**20 PBGC missed contribution reporting requirements.** If this is a multiemployer plan or a single-employer plan that is not covered by PBGC, skip line 20.

**a** Is the amount of unpaid minimum required contributions for all years from Schedule SB (Form 5500) line 40 greater than zero?  Yes  No

**b** If line 20a is "Yes," has PBGC been notified as required by ERISA sections 4043(c)(5) and/or 303(k)(4)? Check the applicable box:  
 Yes.  
 No. Reporting was waived under 29 CFR 4043.25(c)(2) because contributions equal to or exceeding the unpaid minimum required contribution were made by the 30th day after the due date.  
 No. The 30-day period referenced in 29 CFR 4043.25(c)(2) has not yet ended, and the sponsor intends to make a contribution equal to or exceeding the unpaid minimum required contribution by the 30th day after the due date.  
 No. Other. Provide explanation: \_\_\_\_\_

**Part VII IRS Compliance Questions**

**21a** Does the plan satisfy the coverage and nondiscrimination tests of Code sections 410(b) and 401(a)(4) by combining this plan with any other plans under the permissive aggregation rules?  Yes  No

**21b** If this is a Code section 401(k) plan, check all boxes that apply to indicate how the plan is intended to satisfy the nondiscrimination requirements for employee deferrals and employer matching contributions (as applicable) under Code sections 401(k)(3) and 401(m)(2).  
 Design-based safe harbor method  
 "Prior year" ADP test  
 "Current year" ADP test  
 N/A

**22** If the plan sponsor is an adopter of a pre-approved plan that received a favorable IRS Opinion Letter, enter the date of the Opinion Letter 03 / 30 / 2018 (MM/DD/YYYY) and the Opinion Letter serial number J501167A.

Independent Auditor's Report

To the Plan Administrator  
Atlas Copco Pension Plan

*Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Atlas Copco Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended and the statement of accumulated plan benefits (modified cash basis) as of December 31, 2023, and the related statement of changes in accumulated plan benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

*Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Emphasis of Matter - Basis of Accounting*

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis of accounting in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

#### *Supplemental Schedules Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year) (Modified Cash Basis) (Schedule H, Line 4i) and Schedule of Reportable Transactions (Modified Cash Basis) (Schedule H, Line 4j) as of or for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Atlas Copco Pension Plan

### Notes to Financial Statements December 31, 2024 and 2023

#### Note 1 - Plan description

The following description of the Atlas Copco Pension Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### **General**

The Plan is a cash balance defined benefit plan providing retirement, disability and death benefits to all eligible employees. The Plan sponsor is Atlas Copco North America, LLC (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan includes salaried and nonunion hourly employees of the Company and certain of its subsidiaries.

Effective December 31, 2019, the Plan was frozen to participation and benefit accruals for all participants.

Benefits accumulate to each eligible participant in a cash balance account established in the participant's name. The account grows each year with Interest Credits. Interest Credits are earned on the last day of the Plan year. The interest rate is calculated as the Treasury Note yield as of November 30 of the previous year plus 0.25%, but not more than 10% and no less than 3%.

The Plan is administered by the Company's Pension Committee ("Committee"). The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

##### **Funding policy**

The Plan's funding policy is for the Company to contribute an amount which will meet or exceed the annual ERISA minimum funding requirement. To the extent that these requirements are fully covered by assets in the Plan, the Company may elect not to make any contributions in a particular year. No such contributions were made during 2024 or 2023. The Company periodically evaluates whether to make discretionary cash contributions to the Plan.

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

##### **Pension benefits**

Benefits are determined based on the participant's hypothetical account balance. Plan participants are eligible for their Plan benefits after terminating employment with vested rights. Participants become vested in the Plan upon completion of five or more years of service or attainment of the normal retirement age (65). If a participant has an account on January 1, 2008 and is credited with an hour of service after December 31, 2007, the participant shall be fully vested after three years of service. If employees terminate before becoming fully vested, they forfeit the right to receive the portion of their accumulated plan benefits attributable to the Company's contributions. Upon termination of employment, participants have the option of receiving their vested benefit in the form of a one-time lump sum payment or a monthly annuity payable for their lifetime.

For certain Plan participants, benefits are determined based on the years of their credited service. These participants are entitled to receive a monthly retirement benefit equal to the number of years of their credited service multiplied by an established rate.

## **Atlas Copco Pension Plan**

### **Notes to Financial Statements December 31, 2024 and 2023**

#### **Death and disability benefits**

If a participant dies before the benefit commencement date, as defined by the Plan, a death benefit equal to the value of the employee's accumulated pension benefit is paid to the employee's beneficiary. Active employees who become totally disabled receive annual disability benefits that are equal to the equivalent normal retirement benefit they have accumulated as of the time they become disabled. Disability benefits are paid until normal retirement age, at which time disabled participants will receive the normal retirement benefit computed as though they had been employed to normal retirement age, with their annual compensation remaining the same as at the time they became disabled.

#### **Note 2 - Summary of significant accounting policies**

##### **Basis of accounting**

The accompanying financial statements are prepared on the modified cash basis of accounting. The primary differences from financial statements prepared under accounting principles generally accepted in the United States of America ("GAAP") arise from accounting for investment income and contributions which are recorded when received, and investment and administrative expenses and return of excessive contributions which are recorded when paid, rather than recording such items on an accrual basis. Accordingly, the financial statements are not intended to be presented in conformity with GAAP.

##### **Use of estimates**

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

##### **Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by its investment advisers, custodians, and insurance company. See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are recorded on the settlement date under the modified cash basis. Interest and dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Payment of benefits**

Benefit payments to participants are recorded upon distribution.

##### **Administrative expenses**

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits (modified cash basis). In addition, certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits (modified cash basis).

## Atlas Copco Pension Plan

### Notes to Financial Statements December 31, 2024 and 2023

#### Subsequent events

The Plan has evaluated subsequent events through October 1, 2025, the date the financial statements were available to be issued.

#### Note 3 - Actuarial present value of accumulated plan benefits

Accumulated plan benefits are those future periodic payments, including lump sum distributions that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits under the Plan are accumulated based on employees' compensation during each year of credited service. The accumulated plan benefits for active employees will equal the accumulation, with interest, of the annual benefit accruals as of the benefit information date. Benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to employee service rendered to the valuation date. Benefits to be provided via annuity contracts excluded from Plan assets are excluded from accumulated plan benefits. The actuarial present value of accumulated plan benefits is determined by an independent actuary and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuation as of December 31, 2023 were (a) life expectancy of participants, Pri-2012 Total Dataset Mortality Table with Scale MP-2021, (b) retirement age assumptions (the assumed average retirement age was 65 for salaried employees, while hourly employees are assumed to begin to retire after eligibility for retirement is met), and (c) investment return. The interest rate used to discount the obligation for 2024 was 5.94%. The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. The computations of the actuarial present value of accumulated plan benefits were made as of January 1, 2024. Had the valuations been performed as of December 31, 2023, there would be no material differences.

#### Note 4 - Plan termination

In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

1. Benefits attributable to employee contributions, taking into account those paid out before termination.
2. Annuity benefits that former employees or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount is further limited to the lowest benefit that would be payable under Plan provisions in effect at any time during the five years preceding Plan termination.

## Atlas Copco Pension Plan

### Notes to Financial Statements December 31, 2024 and 2023

3. Other vested benefits insured by the Pension Benefit Guaranty Corporation ("PBGC") (a U.S. government agency) up to the applicable limitations.
4. All other vested benefits (that is, vested benefits not insured by the PBGC).
5. All nonvested benefits.

Certain benefits under the Plan are insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at that time, of the Plan's net assets to provide for accumulated benefit obligations, and may also depend on the financial condition of the Plan sponsor and the level of benefits guaranteed by the PBGC.

#### Note 5 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board issued Accounting Standards Codification 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

## Atlas Copco Pension Plan

### Notes to Financial Statements December 31, 2024 and 2023

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Pooled separate accounts:* Valued using the net asset value ("NAV"), which is based on the value of the underlying assets of the accounts. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

In accordance with Subtopic 820-10, all investments in the Plan were measured at NAV per share (or its equivalent) and, therefore, have not been classified in the fair value hierarchy.

#### Fair value of investments in entities that use NAV

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2024				
	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Pooled separate accounts	\$ 47,964,455	None	Daily	Daily

  

December 31, 2023				
	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Pooled separate accounts	\$ 48,252,852	None	Daily	Daily

#### Note 6 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits (modified cash basis).

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

#### Note 7 - Tax status

The Plan obtained its latest determination letter on February 11, 2016, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

## **Atlas Copco Pension Plan**

### **Notes to Financial Statements December 31, 2024 and 2023**

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 8 - Related party and party-in-interest transactions**

Certain Plan investments are shares of funds managed by Prudential Retirement Insurance and Annuity Company, the trustee. Prudential Retirement Insurance and Annuity Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$188,514 and \$177,363 for the years ended December 31, 2024 and 2023, respectively. The Plan sponsor pays directly any other fees related to the Plan's operations.

#### **Note 9 - Certified investments**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2024 and 2023, and investment income for the years then ended, that are disclosed in the accompanying financial statements and supplemental schedules, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Empower Trust Company LLC, the trustee of the Plan.

## Actuarial methods

Under the actuarial methods described below, if all current assumptions remain constant and are realized, funding at least the minimum required contribution each year will eventually accumulate sufficient plan assets to cover the funding target. Future widening of the interest rate stabilization corridor may extend the time period for the plan to become fully funded.

### Cost method

Costs have been computed in accordance with the unit credit actuarial cost method and reflect the actuarial assumptions described under “Actuarial assumptions” of this report as provided under the applicable regulations of the Pension Protection Act of 2006.

### Target normal cost

The target normal cost is the present value of benefits expected to accrue during the plan year plus an estimate of the expenses to be paid from plan assets during the plan year.

### Funding target and funding shortfall

The funding target is the present value of benefits accrued as of the beginning of the plan year and the funding shortfall is the excess of the funding target over the actuarial value of assets (reduced by the credit balance). The initial funding shortfall is amortized over 15 years.

In subsequent years, the funding shortfall less the present value of prior year amortization installments is amortized over 15 years, and added to any prior year amortization installments.

### Sponsor elections

Discount rate: Full Yield Curve

Mortality table: Prescribed IRS generational mortality table – separate

### At-risk determination

The at-risk funding target is determined by assuming that participants eligible to retire in the current plan year and next 10 plan years retire at the earliest possible date, but not before the end of the plan year. All participants are assumed to elect the optional form resulting in the highest possible present value.

A load is added to the at-risk funding target and at-risk target normal cost when a plan is at-risk in at least two years during the preceding four years. The load increases the at-risk funding target by 4% of the not at-risk funding target plus \$700 per participant, and increases the at-risk target normal cost by 4% of the not at-risk target normal cost.

The funding target and target normal cost are calculated by multiplying the not at-risk values by 100% minus the phase-in percentage, plus the at-risk values multiplied by the phase-in percentage.

**Credit balance**

The credit balance consists of the carryover balance from excess contributions prior to the Pension Protection Act (PPA) of 2006, plus the prefunding balance from elected excess contributions after the PPA. Balances accumulate with interest and are reduced for amounts applied towards the minimum required contribution, voluntary waivers by the plan sponsor, and compelled waivers to avoid benefit restrictions. The actuarial value of assets is reduced by the credit balance to determine certain funded percentages and to determine the funding shortfall.

**Asset valuation method**

The actuarial value of assets is equal to the fair market value of assets.

## Actuarial assumptions

### Funding Assumptions:

The discount rate and mortality assumptions are prescribed assumptions set by law. All other assumptions are non-prescribed assumptions set by the actuary which reflect estimates of future experience, are appropriate for the purpose of the measurement, consider relevant plan characteristics, and contain no significant bias unless otherwise noted. Relevant historical information, such as credible plan experience and experience from representative populations, was considered in the selection of the non-prescribed assumptions with a significant effect on the measurement. Factors that may affect future experience and the views of experts were also considered.

The retirement age and interest crediting assumptions consider the experience study completed in 2020 based on plan experience from 2015 through 2019.

An annual review of actuarial assumptions is completed and there has been no consistent pattern of material gains or losses occurring for any non-prescribed assumptions.

The investment return is based on the plan's asset allocation and reflects a weighted average of expected returns by asset class based on the Empower Capital Market Assumptions.

### ASC 960 Assumptions:

All assumptions are set by the plan sponsor and they align with the Funding Assumptions except for the mortality assumption.

The mortality assumption reflects experience from representative populations, based on the Pri-2012 Private Retirement Plans Mortality Table Report issued by the Society of Actuaries (SOA) in October 2019 and the Mortality Improvement Scale MP-2021 Report issued by the SOA in November 2021.

Below are the actuarial assumptions as of January 1, 2024.

**Investment Return:**

*Funding:* IRS Full Yield Curve Interest Rates for December 2023

*Accounting:* 5.94%, net of investment and contract fees

**Mortality:**

*Funding:* The IRS 2024 Generational Mortality Table

*Accounting:* Pri-2012 Total Dataset Mortality Table with Scale MP 2021

**Rate of Interest Credit:**

Accounts provided under the Cash Balance formula are assumed to grow with the following Interest Credits:

<u>Year</u>	<u>Interest Credit</u>
2024-2025	4.50%
2026+	3.25%

**Retirement:**

For participants with a Cash Balance account, the assumed rates of retirement are:

<u>Age</u>	<u>Rate</u>
45-61	5.0%
62-64	15.0%
65	25.0%
66-69	30.0%
70+	100.0%

For participants of Chicago Pneumatic, it is assumed that 2/3 of the deferred vested participants retire at age 55 and 1/3 retire at age 65.

Age 62 for Compressor Hourly Employees and Prime Employees.

Age 65 for Assembly Systems Hourly Employees, Quincy Employees, and all other terminated participants.

Estimated Expenses:	Annual expenses expected to be paid from plan assets are assumed to be \$150,000 plus the PBGC premium, rounded to the nearest \$25,000. For the 2024 plan year, the figure is \$275,000.
Salary Scale:	Not Applicable
Termination:	None
Disability:	None
Spouse Benefit:	It is assumed that husbands are 3 years older than wives. It is assumed that 80% of the male Participants and 80% of the female Participants who are or will become eligible for coverage under the Spouse Benefit will be survived by an eligible spouse.

**Statement by Enrolled Actuary**  
 To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

<b>SIGN HERE</b>	Eric Pers <i>EP</i> Signature of actuary	9/12/2025 Date

**Part V Assumptions Used to Determine Funding Target and Target Normal Cost**

**21** Discount rate:

<b>a</b> Segment rates:	1st segment: %	2nd segment: %	3rd segment: %	<input checked="" type="checkbox"/> N/A, full yield curve used
<b>b</b> Applicable month (enter code).....				<b>21b</b>

**22** Weighted average retirement age ..... **22** 63

**23** Mortality table(s) (see instructions)  Prescribed - combined  Prescribed - separate  Substitute

**Part VI Miscellaneous Items**

**24** Has a change been made in the non-prescribed actuarial assumptions for the current plan year? If "Yes," see instructions regarding required attachment.....  Yes  No

**25** Has a method change been made for the current plan year? If "Yes," see instructions regarding required attachment. ....  Yes  No

**26** Demographic and benefit information

**a** Is the plan required to provide a Schedule of Active Participants? If "Yes," see instructions regarding required attachment. ....  Yes  No

**b** Is the plan required to provide a projection of expected benefit payments? If "Yes," see instructions regarding required attachment ...  Yes  No

**27** If the plan is subject to alternative funding rules, enter applicable code and see instructions regarding attachment..... **27**

**Part VII Reconciliation of Unpaid Minimum Required Contributions For Prior Years**

<b>28</b> Unpaid minimum required contributions for all prior years .....	<b>28</b>	0
<b>29</b> Discounted employer contributions allocated toward unpaid minimum required contributions from prior years (line 19a).....	<b>29</b>	0
<b>30</b> Remaining amount of unpaid minimum required contributions (line 28 minus line 29) .....	<b>30</b>	0

**Part VIII Minimum Required Contribution For Current Year**

**31** Target normal cost and excess assets (see instructions):

<b>a</b> Target normal cost (line 6c).....	<b>31a</b>	275,000
<b>b</b> Excess assets, if applicable, but not greater than line 31a .....	<b>31b</b>	275,000

**32** Amortization installments:

	Outstanding Balance	Installment
<b>a</b> Net shortfall amortization installment .....	0	0
<b>b</b> Waiver amortization installment .....	0	0

**33** If a waiver has been approved for this plan year, enter the date of the ruling letter granting the approval (Month \_\_\_\_\_ Day \_\_\_\_\_ Year \_\_\_\_\_) and the waived amount .....

	<b>33</b>	
--	-----------	--

**34** Total funding requirement before reflecting carryover/prefunding balances (lines 31a - 31b + 32a + 32b - 33)..... **34** 0

	Carryover balance	Prefunding balance	Total balance
<b>35</b> Balances elected for use to offset funding requirement .....	0	0	0

**36** Additional cash requirement (line 34 minus line 35)..... **36** 0

**37** Contributions allocated toward minimum required contribution for current year adjusted to valuation date (line 19c)..... **37** 0

**38** Present value of excess contributions for current year (see instructions)

<b>a</b> Total (excess, if any, of line 37 over line 36)	<b>38a</b>	0
<b>b</b> Portion included in line 38a attributable to use of prefunding and funding standard carryover balances .....	<b>38b</b>	0

**39** Unpaid minimum required contribution for current year (excess, if any, of line 36 over line 37) .....

	<b>39</b>	0
--	-----------	---

**40** Unpaid minimum required contributions for all years .....

	<b>40</b>	0
--	-----------	---

**Part IX Pension Funding Relief Under the American Rescue Plan Act of 2021 (See Instructions)**

**41** If an election was made to use the extended amortization rule for a plan year beginning on or before December 31, 2021, check the box to indicate the first plan year for which the rule applies.  2019  2020  2021

## Changes since last year's valuation

### Changes in pension plan provisions

No changes in the pension plan provisions were recognized with this actuarial valuation.

### Legislated changes

There were no legislative changes recognized with this actuarial valuation.

### Changes in actuarial assumptions

Effective with the January 1, 2024 valuation, the following change was made to the non-prescribed assumptions:

- The interest crediting assumptions were updated to:

<u>Year</u>	<u>Interest Credit</u>
2024-2025	4.50%
2026+	3.25%

The interest rate used for the purpose of calculating the ASC #960 liabilities was changed to 5.94%.

### Changes in actuarial methods

No changes in actuarial methods were recognized with this actuarial valuation.

## Actuarial methods

Under the actuarial methods described below, if all current assumptions remain constant and are realized, funding at least the minimum required contribution each year will eventually accumulate sufficient plan assets to cover the funding target. Future widening of the interest rate stabilization corridor may extend the time period for the plan to become fully funded.

### Cost method

Costs have been computed in accordance with the unit credit actuarial cost method and reflect the actuarial assumptions described under “Actuarial assumptions” of this report as provided under the applicable regulations of the Pension Protection Act of 2006.

### Target normal cost

The target normal cost is the present value of benefits expected to accrue during the plan year plus an estimate of the expenses to be paid from plan assets during the plan year.

### Funding target and funding shortfall

The funding target is the present value of benefits accrued as of the beginning of the plan year and the funding shortfall is the excess of the funding target over the actuarial value of assets (reduced by the credit balance). The initial funding shortfall is amortized over 15 years.

In subsequent years, the funding shortfall less the present value of prior year amortization installments is amortized over 15 years, and added to any prior year amortization installments.

### Sponsor elections

Discount rate: Full Yield Curve

Mortality table: Prescribed IRS generational mortality table – separate

### At-risk determination

The at-risk funding target is determined by assuming that participants eligible to retire in the current plan year and next 10 plan years retire at the earliest possible date, but not before the end of the plan year. All participants are assumed to elect the optional form resulting in the highest possible present value.

A load is added to the at-risk funding target and at-risk target normal cost when a plan is at-risk in at least two years during the preceding four years. The load increases the at-risk funding target by 4% of the not at-risk funding target plus \$700 per participant, and increases the at-risk target normal cost by 4% of the not at-risk target normal cost.

The funding target and target normal cost are calculated by multiplying the not at-risk values by 100% minus the phase-in percentage, plus the at-risk values multiplied by the phase-in percentage.

**Credit balance**

The credit balance consists of the carryover balance from excess contributions prior to the Pension Protection Act (PPA) of 2006, plus the prefunding balance from elected excess contributions after the PPA. Balances accumulate with interest and are reduced for amounts applied towards the minimum required contribution, voluntary waivers by the plan sponsor, and compelled waivers to avoid benefit restrictions. The actuarial value of assets is reduced by the credit balance to determine certain funded percentages and to determine the funding shortfall.

**Asset valuation method**

The actuarial value of assets is equal to the fair market value of assets.

## Actuarial assumptions

### Funding Assumptions:

The discount rate and mortality assumptions are prescribed assumptions set by law. All other assumptions are non-prescribed assumptions set by the actuary which reflect estimates of future experience, are appropriate for the purpose of the measurement, consider relevant plan characteristics, and contain no significant bias unless otherwise noted. Relevant historical information, such as credible plan experience and experience from representative populations, was considered in the selection of the non-prescribed assumptions with a significant effect on the measurement. Factors that may affect future experience and the views of experts were also considered.

The retirement age and interest crediting assumptions consider the experience study completed in 2020 based on plan experience from 2015 through 2019.

An annual review of actuarial assumptions is completed and there has been no consistent pattern of material gains or losses occurring for any non-prescribed assumptions.

The investment return is based on the plan's asset allocation and reflects a weighted average of expected returns by asset class based on the Empower Capital Market Assumptions.

### ASC 960 Assumptions:

All assumptions are set by the plan sponsor and they align with the Funding Assumptions except for the mortality assumption.

The mortality assumption reflects experience from representative populations, based on the Pri-2012 Private Retirement Plans Mortality Table Report issued by the Society of Actuaries (SOA) in October 2019 and the Mortality Improvement Scale MP-2021 Report issued by the SOA in November 2021.

Below are the actuarial assumptions as of January 1, 2024.

**Investment Return:**

*Funding:* IRS Full Yield Curve Interest Rates for December 2023

*Accounting:* 5.94%, net of investment and contract fees

**Mortality:**

*Funding:* The IRS 2024 Generational Mortality Table

*Accounting:* Pri-2012 Total Dataset Mortality Table with Scale MP 2021

**Rate of Interest Credit:**

Accounts provided under the Cash Balance formula are assumed to grow with the following Interest Credits:

<u>Year</u>	<u>Interest Credit</u>
2024-2025	4.50%
2026+	3.25%

**Retirement:**

For participants with a Cash Balance account, the assumed rates of retirement are:

<u>Age</u>	<u>Rate</u>
45-61	5.0%
62-64	15.0%
65	25.0%
66-69	30.0%
70+	100.0%

For participants of Chicago Pneumatic, it is assumed that 2/3 of the deferred vested participants retire at age 55 and 1/3 retire at age 65.

Age 62 for Compressor Hourly Employees and Prime Employees.

Age 65 for Assembly Systems Hourly Employees, Quincy Employees, and all other terminated participants.

Estimated Expenses:	Annual expenses expected to be paid from plan assets are assumed to be \$150,000 plus the PBGC premium, rounded to the nearest \$25,000. For the 2024 plan year, the figure is \$275,000.
Salary Scale:	Not Applicable
Termination:	None
Disability:	None
Spouse Benefit:	It is assumed that husbands are 3 years older than wives. It is assumed that 80% of the male Participants and 80% of the female Participants who are or will become eligible for coverage under the Spouse Benefit will be survived by an eligible spouse.

## Plan provisions

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Effective date	The effective date of the Atlas Copco Pension Plan [the ACP] is January 1, 1957. The effective date of the most recent amendment is January 1, 1998.
Conversion date	The ACP was converted to a cash balance format effective January 1, 1998 for all non-bargaining participants.
Covered employees	<p>Salaried employees of participating Atlas Copco divisions enter the ACP on the first of the month coincident with or the following attainment of age 21 with one year of service.<sup>1</sup></p> <p>The following Atlas Copco divisions participate in the ACP:</p> <p>Atlas Copco North America Inc. [ACNA]            Atlas Copco Comptec Inc. [ACC]            Atlas Copco Jarva [ACJV] *            Atlas Copco Industrial Tools [ACIT]            Atlas Copco Compressors Inc. [ACIC]            Berema Inc. [BRMA]            Monsum-Tison [MTNA] *            Gas Powered Systems [GPST]*            Desoutter, Incorporated [DESO]            Atlas Copco Rental Inc. [ACRN] – Benefits frozen 03/31/2000            Atlas Copco Wagner Inc. [WAGN] – benefits frozen 03/31/2004            Atlas Copco Assembly Systems, Inc. [AFS]            Atlas Copco Rotoflow Inc. [ROTO] – Sold 05/29/2000            Electric Tools, Inc. [ACET] *            CMT USA            Atlas Copco Drilling Solutions, Inc.            Atlas Copco BHMT Inc.</p> <p>* No active participants</p>

<sup>1</sup> Under the current ACP employees become participants on the first month coincident with or following attainment of age 21 and the completion of one year of service. For this purpose, a year of service is completed if, during the first year of employment, the employee works 1,000 hours; otherwise, the employee must work 1,000 hours during any calendar year, starting with the calendar year that includes the employee's first employment anniversary date.

 EIN / PN 20-5024915/001  
 Form 5500 2024 Schedule SB, Part V – Summary of Plan Provisions

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Covered employees (cont'd)	<p>With regard to certain acquired divisions, WAGN, AFS, DESO, ROTO, ACET, and UNRC, the following special provisions apply:</p> <ul style="list-style-type: none"> <li>(a) <u>WAGN</u> – Salaried employees of WAGN who has previously participated in the PACCAR Pension Plan entered the Atlas Copco Pension Plan on October 4, 1989.</li> <li>(b) <u>AFS</u> – Salaried employees who were not already participants in the Plan [9 participants from ACIT had transferred to AFS by January 1, 1991] became participants on or after January 1, 1991 upon the fulfillment of the Plan's age and service requirements.</li> <li>(c) <u>DESO</u> – Effective 4/1/1991, the Desoutter Incorporated Employees' Pension Plan [DIEPP] was merged into the ACPP. The DIEPP provisions applied unchanged through 12/31/1991 at which point all accruals under the former DIEPP provisions were frozen and the former DIEPP participants started accruing benefits under the ACPP Plan provisions, recognizing for Credited Service purposes the same service as of 1/1/1992 as would have been recognized under the DIEPP and recognizing all service for Vesting Service purposes.</li> <li>(d) <u>ROTO</u> – Effective 1/1/1992, the Plan was extended to Rotoflow Corporation, recognizing only post-1/1/1992 service for purposes of determining Credited Service and recognizing all service for purposes of determining Vesting Service. This location was sold as of May 29, 2000.</li> <li>(e) <u>ACET</u> – Effective 4/1/1992, the ACPP was extended to Electric Tools, recognizing only post-4/1/1992 service for purposes of determining Credited Service and recognizing all service for purposes of determining Vesting Service.</li> <li>(f) <u>UNRC</u> – Effective 1/1/1995, the ACPP was extended to Uniroc Inc., recognizing only post-1/1/1995 service for purposes of determining Credited Service and recognizing all service for purposes of determining Vesting Service.</li> <li>(g) <u>ACRN</u> – Benefits were frozen for this group as of March 31, 2000.</li> </ul> <p>Effective January 1, 2008, active employees not getting a transition credit who are either less than age 50 or have less than 10 years of service will cease accruing benefit credits.</p>
Accrued benefit	The accrued benefit as of a given date equals the cash balance account as of that date.

Atlas Copco Pension Plan  
 EIN / PN 20-5024915/001  
 Form 5500 2024 Schedule SB, Part V – Summary of Plan Provisions

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Pay credit service	Pay credit service is all service with the Company prior to date of death or other termination of employment, excluding any service before date of participation, except that, for former PACCAR Plan participants, credited service under the PACCAR Plan as of October 4, 1991 is recognized as credited service under the Plan.
Contributions	None. Company pays full cost of the Plan.
Participation	This plan is a continuation of the ACPP. All participants in the ACPP as of 12/31/1997 continue to participate in the plan. All other covered employees become plan participants on the later of January 1, 1998 and, having attained age 21, the first of the month following the completion of one year of service.
Opening account	Each active participant as of 1/1/1998 has an opening account which is based on his or her 12/31/1997 accrued benefit under the ACPP. The opening value was determined by multiplying the 12/31/1997 annual accrued benefit by the appropriate factor from Table 1.  The portion of the above account that will be provided by the qualified pension plan was calculated by capping pay for 1997 at \$160,000 and <u>all prior years</u> at \$150,000.
Pay credits	Accounts are credited with an amount at the end of every calendar year. The amount credited equals pensionable Pay for the year times the pay credit percentage in Table 2.  If an employee commences his pension before the end of a calendar year, the pay credit credited at the end of the year to his Account will be discounted (at the interest credit rate described below) to the Annuity Starting Date [ASD].
Pensionable compensation	W-2 Compensation with IRC §125 and 401(k) salary deferrals added back, excluding moving and car expenses.
Interest credits	Accounts will be credited with interest based on the rate for 5-year Treasury constant maturities as of November 30 of the preceding year <sup>2</sup> plus 25 basis points, but not less than 3.00% and not more than 10.00% per year.

<sup>2</sup> As published in the Federal Reserve statistical release H.15

 Form 5500 2024 Schedule SB, Part V – Summary of Plan Provisions

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Vesting	Five-year cliff vesting. Effective January 1, 2008 3 year cliff vesting for participants who have a cash balance account on January 1, 2008 and have at least one hour of service on or after January 1, 2008.
Pre-retirement death benefits	The account is payable to a designated beneficiary, whether employee is married or not. Beneficiaries of disabled employees who die before age 5 receive only annuities of 50% of what the employee could have received if he or she had retired on the first of the month following death under a joint and 50% survivor annuity.
Disability benefits	The account at time of disability continues to grow with interest credits until age 65 at which time the employee can take a lump sum distribution or convert the account to any one of the available annuity forms.
Benefit options at termination of employment	<p><i>Normal form</i> – A life annuity for single employees and a joint and 50% surviving spouse annuity for married employees.</p> <p><i>Lump sum</i> – A lump sum payment equal to the Cash Balance account; automatic lump sum payment if the account is under \$5,000 at termination.</p> <p><i>Life annuity</i></p> <p><i>Joint &amp; contingent annuities</i> – Joint &amp; 50%, 75% or 100% contingent annuities.</p> <p><i>10-year certain and life annuity</i></p> <p><i>Cash refund annuity</i> – An annuity payable for the life of the participant, with the excess of the Cash Balance account at the ASD over the sum of the pension payments received up until the participant’s death payable as a lump sum to the participant’s beneficiary.</p> <p><i>Increasing annuity</i> – A life annuity that increases on every ASD anniversary by the ratio of (a) over (b) where:          (a) equals the actuarial equivalent interest rate, and          (b) equals the actuarial equivalent interest rate less 3.5%</p> <p>In all cases the above annuities will be the actuarial equivalent of the Cash Balance account at the ASD.</p>
Actuarial equivalence for converting the Cash Balance account to Annuities	<p><i>Mortality</i> – The applicable GATT Mortality Table.</p> <p><i>Interest</i> – The applicable GATT Interest Rate for the fifth month preceding the ASD. Except for the increasing annuity option, this rate shall be further increased by 1%.</p>

 Form 5500 2024 Schedule SB, Part V – Summary of Plan Provisions

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Prior plan minimum benefit	The benefit payable under the optional form of payment selected cannot be less than the 12/31/1997 accrued benefit payable in such optional form.
Nonactive participants	The terms of the plan as in effect prior to 1/1/1998 will apply to participants who retired, terminated employment, or became disabled prior to 1/1/1998. Any participant who is still in employment but in a non-covered status will be covered under the terms of the plan in effect when such participant transferred to non-covered status.
Transfers into the Cash Balance plan from the Assembly Systems Bargaining Unit, the Compressors Bargaining Unit, or a prior Atlas Copco Pension Plan	Any employee who transfers into the Cash Balance plan on or after 1/1/1998 will not receive credit under the Cash Balance plan for prior Atlas Copco service except for vesting and eligibility purposes, except that total Atlas Copco service is used to determine the pay credit.
Treatment of rehired employees	<p>Rehired participants who had previously received lump sum distributions of their Cash Balance accounts will not have their pre-distribution accounts restored.</p> <p>A rehired participant who had previously elected an annuity will not be suspended and the participant's account will not be restored. Any additional accruals under the plan will be paid either as a lump sum or as a separate annuity at a future ASD.</p> <p>If a rehired participant's employment had</p> <ul style="list-style-type: none"> <li>• terminated prior to 1/1/1998, and</li> <li>• the participant had not previously received or commenced payment of his or her accrued benefit,</li> </ul> <p>an opening account shall be established for the participant as of 1/1/1998 and brought forward to the last annual account valuation date using the interest credit rates in effect from 1/1/1998 through the last account valuation date. The opening account will be based on the participant's accrued benefit at prior termination.</p>
Grandfathered provisions	<p>Accounts are credited with an amount at the end of every calendar year. The amount credited equals Pensionable Pay for the year times the transition credit percentage. Transition credits apply only to those participants who met the five-year vesting requirements at the conversion date.</p> <p>The transition credit percentage is calculated so that the annuity equivalent of the projected account during the retirement years is approximately equal to that provided under the prior plan.</p>

Pension Earnings	Total W-2 earnings plus salary reduction amounts under Internal Revenue Code Sections 125 and 401(k). Effective January 1, 1994, max earnings is \$150,000 as indexed (\$170,000 for 2001 and \$200,000 thereafter). For acquisitions, no earnings are used prior to date of acquisition. Earnings after March 31, 2000 are not considered.
Final Earnings	Highest average earnings received in any five consecutive full calendar years during the last ten years before retirement date, early retirement, or termination of employment, or March 31, 2000.
Service	All years of Service with the Employer from date of employment to early retirement, termination of employment, or Normal Retirement Date except Service before age 18.
Credited Service	<p>Credited Service begins on the later of September 6, 1989 or date of participation. No credited service is accrued prior to July 1, 1996 for Hi-Lift participants and no credited service is accrued prior to January 1, 1997 for participants of Alpine and Skyreach. No credited service is accrued prior to July 1, 1997 for participants of Rental Depot and Star, and no credited service is accrued prior to January 1, 1998 for participants of Arrow, Norquip, SRS, Resco, and Mite-E-Lift. No credited service is accrued prior to July 1, 1998 for participants of C&amp;E Rentals and Rental Tools, and no credited service is accrued prior to January 1, 1999 for participants of Clementina.</p> <p>For participants who were Employees of the W.R. Grace Company, Credited Service under the W.R. Grace Company Retirement Plan counts toward the 35-year restriction.</p> <p>No credited service is accrued after March 31, 2000.</p>
Normal Form of Annuity	Life annuity.

Atlas Copco  
Atlas Copco Pension Plan  
Prime Equipment Pension Plan

Early Eligibility	Ten years early with five years of Service.
Early Benefit Amount	Normal Retirement Benefit accrued to early retirement. The amount of the early retirement reduction is as follows: age 65 to 62, zero percent reduction; age 62 to 55, 1/3% reduction per month that the early retirement date precedes age 62.
Vesting Schedule	Five years of Service equals 100% vesting. Service with the W. R. Grace Company counts toward vesting Service under the PRIME Equipment Pension Plan.
Vested Benefit	Benefit accrued to date of termination adjusted by the appropriate vesting percentage.
Preretirement Spouse Benefit	
A. <i>Eligibility</i>	Eligible for early retirement, married.
<i>Benefit Formula</i>	50% of the pension benefit accrued to date of death, reduced by appropriate early retirement and joint-and-survivor factors.
B. <i>Eligibility</i>	Eligible for vesting but not eligible for early retirement, married.
<i>Benefit Formula</i>	50% of the vested pension benefit accrued to date of death, payment deferred to no earlier than the early retirement date of the deceased Participant and reduced by the appropriate early retirement and joint-and-survivor factors.
Disability Benefit	
<i>Eligibility</i>	Must be receiving Social Security disability payments. Age 35 with five years of Service.
<i>Benefit Formula</i>	An eligible disabled Participant will receive a benefit, payable at age 65, based upon the Final Average Earnings and Covered Compensation at disablement and on Credited Service to age 65 (subject to the maximum of 35 years). No credited service is counted after March 31, 2000.

Service	The participant's number of years of service in which credited service is at least 1,000 hours.
Credited Service	Service from date of hire to date of termination, based on the number of hours worked during each calendar year while a member of the Union. A full year of service is earned for each 1800 hours, 1/12 <sup>th</sup> year is earned for each 150 hours during a year. No Credited Service is accrued prior to March 1, 2010.
Normal Form of Annuity	5 year certain and life.
Normal Retirement Date	The first day of the month coincident with or next following age 65.
Participation Eligibility	All employees are eligible to participate under the plan on their date of employment provided they are then covered by the collective bargaining agreement between the Union, Lodge 822 of the International Association of Machinists and Aerospace Workers, and EnPro Industries Inc.; no participants are eligible prior to March 1, 2010.
Benefit Formula	Monthly benefit equals years of Credited Service times benefit rate effective at termination:  \$32.00 for employees who retire on or after 03/01/2010
Income Payable	Amount described in section (a) or (b) below, whichever applies:  a. If Participant has a Spouse as of his retirement date and does not elect otherwise, retirement income shall be paid on the basis of Joint and Survivor form, as stipulated by ERISA, and will be the amount determined under the benefit formula multiplied by the appropriate factor.  b. If Participant either has no Spouse as of his retirement date or elects to receive his income under the Normal Form, retirement income will be the amount determined under the benefit formula.

Early Eligibility	Age 55 with 10 years of vesting service.
Early Benefit Amount	Normal Retirement Benefit reduced by 1/4 of 1% for the first 36 months and 1/3 of 1% for the next 84 months for each month the participant retires prior to age 65; payable on the first day of any calendar month before the normal retirement date.
Vesting Schedule	Five years of Service equals 100% vesting. Service.
Vested Benefit	Accrued normal pension deferred to age 65 or, if completed 10 years of service, a pension commencing between ages 55 and 65, reduced in the same manner as an early retirement pension.
Preretirement Spouse Benefit	
A. <i>Eligibility</i>	Eligible for early retirement, married.
<i>Benefit Formula</i>	50% of the pension benefit accrued to date of death, reduced by appropriate early retirement and joint-and-survivor factors.
B. <i>Eligibility</i>	Eligible for vesting but not eligible for early retirement, married.
<i>Benefit Formula</i>	50% of the vested pension benefit accrued to date of death, payment deferred to no earlier than the early retirement date of the deceased Participant and reduced by the appropriate early retirement and joint-and-survivor factors.
Disability Benefit	
<i>Eligibility</i>	Total and permanent disability of participant prior to normal retirement date with 10 years of service.
<i>Benefit Formula</i>	110% of the unreduced early retirement pension, payable no sooner than the seventh month of total and permanent disability, not greater than the normal retirement pension.

## Plan provisions

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Effective date	The effective date of the Atlas Copco Pension Plan [the ACP] is January 1, 1957. The effective date of the most recent amendment is January 1, 1998.
Conversion date	The ACP was converted to a cash balance format effective January 1, 1998 for all non-bargaining participants.
Covered employees	<p>Salaried employees of participating Atlas Copco divisions enter the ACP on the first of the month coincident with or the following attainment of age 21 with one year of service.<sup>1</sup></p> <p>The following Atlas Copco divisions participate in the ACP:</p> <p>Atlas Copco North America Inc. [ACNA]            Atlas Copco Comptec Inc. [ACC]            Atlas Copco Jarva [ACJV] *            Atlas Copco Industrial Tools [ACIT]            Atlas Copco Compressors Inc. [ACIC]            Berema Inc. [BRMA]            Monsum-Tison [MTNA] *            Gas Powered Systems [GPST]*            Desoutter, Incorporated [DESO]            Atlas Copco Rental Inc. [ACRN] – Benefits frozen 03/31/2000            Atlas Copco Wagner Inc. [WAGN] – benefits frozen 03/31/2004            Atlas Copco Assembly Systems, Inc. [AFS]            Atlas Copco Rotoflow Inc. [ROTO] – Sold 05/29/2000            Electric Tools, Inc. [ACET] *            CMT USA            Atlas Copco Drilling Solutions, Inc.            Atlas Copco BHMT Inc.</p> <p>* No active participants</p>

<sup>1</sup> Under the current ACP employees become participants on the first month coincident with or following attainment of age 21 and the completion of one year of service. For this purpose, a year of service is completed if, during the first year of employment, the employee works 1,000 hours; otherwise, the employee must work 1,000 hours during any calendar year, starting with the calendar year that includes the employee's first employment anniversary date.

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Covered employees (cont'd)	<p>With regard to certain acquired divisions, WAGN, AFS, DESO, ROTO, ACET, and UNRC, the following special provisions apply:</p> <p>(a) <u>WAGN</u> – Salaried employees of WAGN who has previously participated in the PACCAR Pension Plan entered the Atlas Copco Pension Plan on October 4, 1989.</p> <p>(b) <u>AFS</u> – Salaried employees who were not already participants in the Plan [9 participants from ACIT had transferred to AFS by January 1, 1991] became participants on or after January 1, 1991 upon the fulfillment of the Plan's age and service requirements.</p> <p>(c) <u>DESO</u> – Effective 4/1/1991, the Desoutter Incorporated Employees' Pension Plan [DIEPP] was merged into the ACPP. The DIEPP provisions applied unchanged through 12/31/1991 at which point all accruals under the former DIEPP provisions were frozen and the former DIEPP participants started accruing benefits under the ACPP Plan provisions, recognizing for Credited Service purposes the same service as of 1/1/1992 as would have been recognized under the DIEPP and recognizing all service for Vesting Service purposes.</p> <p>(d) <u>ROTO</u> – Effective 1/1/1992, the Plan was extended to Rotoflow Corporation, recognizing only post-1/1/1992 service for purposes of determining Credited Service and recognizing all service for purposes of determining Vesting Service. This location was sold as of May 29, 2000.</p> <p>(e) <u>ACET</u> – Effective 4/1/1992, the ACPP was extended to Electric Tools, recognizing only post-4/1/1992 service for purposes of determining Credited Service and recognizing all service for purposes of determining Vesting Service.</p> <p>(f) <u>UNRC</u> – Effective 1/1/1995, the ACPP was extended to Uniroc Inc., recognizing only post-1/1/1995 service for purposes of determining Credited Service and recognizing all service for purposes of determining Vesting Service.</p> <p>(g) <u>ACRN</u> – Benefits were frozen for this group as of March 31, 2000.</p> <p>Effective January 1, 2008, active employees not getting a transition credit who are either less than age 50 or have less than 10 years of service will cease accruing benefit credits.</p>
Accrued benefit	The accrued benefit as of a given date equals the cash balance account as of that date.

 Form 5500 2024 Schedule SB, Part V – Summary of Plan Provisions

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Pay credit service	Pay credit service is all service with the Company prior to date of death or other termination of employment, excluding any service before date of participation, except that, for former PACCAR Plan participants, credited service under the PACCAR Plan as of October 4, 1991 is recognized as credited service under the Plan.
Contributions	None. Company pays full cost of the Plan.
Participation	This plan is a continuation of the ACPP. All participants in the ACPP as of 12/31/1997 continue to participate in the plan. All other covered employees become plan participants on the later of January 1, 1998 and, having attained age 21, the first of the month following the completion of one year of service.
Opening account	Each active participant as of 1/1/1998 has an opening account which is based on his or her 12/31/1997 accrued benefit under the ACPP. The opening value was determined by multiplying the 12/31/1997 annual accrued benefit by the appropriate factor from Table 1.  The portion of the above account that will be provided by the qualified pension plan was calculated by capping pay for 1997 at \$160,000 and <u>all prior years</u> at \$150,000.
Pay credits	Accounts are credited with an amount at the end of every calendar year. The amount credited equals pensionable Pay for the year times the pay credit percentage in Table 2.  If an employee commences his pension before the end of a calendar year, the pay credit credited at the end of the year to his Account will be discounted (at the interest credit rate described below) to the Annuity Starting Date [ASD].
Pensionable compensation	W-2 Compensation with IRC §125 and 401(k) salary deferrals added back, excluding moving and car expenses.
Interest credits	Accounts will be credited with interest based on the rate for 5-year Treasury constant maturities as of November 30 of the preceding year <sup>2</sup> plus 25 basis points, but not less than 3.00% and not more than 10.00% per year.

<sup>2</sup> As published in the Federal Reserve statistical release H.15

 Form 5500 2024 Schedule SB, Part V – Summary of Plan Provisions

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Vesting	Five-year cliff vesting. Effective January 1, 2008 3 year cliff vesting for participants who have a cash balance account on January 1, 2008 and have at least one hour of service on or after January 1, 2008.
Pre-retirement death benefits	The account is payable to a designated beneficiary, whether employee is married or not. Beneficiaries of disabled employees who die before age 5 receive only annuities of 50% of what the employee could have received if he or she had retired on the first of the month following death under a joint and 50% survivor annuity.
Disability benefits	The account at time of disability continues to grow with interest credits until age 65 at which time the employee can take a lump sum distribution or convert the account to any one of the available annuity forms.
Benefit options at termination of employment	<p><i>Normal form</i> – A life annuity for single employees and a joint and 50% surviving spouse annuity for married employees.</p> <p><i>Lump sum</i> – A lump sum payment equal to the Cash Balance account; automatic lump sum payment if the account is under \$5,000 at termination.</p> <p><i>Life annuity</i></p> <p><i>Joint &amp; contingent annuities</i> – Joint &amp; 50%, 75% or 100% contingent annuities.</p> <p><i>10-year certain and life annuity</i></p> <p><i>Cash refund annuity</i> – An annuity payable for the life of the participant, with the excess of the Cash Balance account at the ASD over the sum of the pension payments received up until the participant’s death payable as a lump sum to the participant’s beneficiary.</p> <p><i>Increasing annuity</i> – A life annuity that increases on every ASD anniversary by the ratio of (a) over (b) where:            (a) equals the actuarial equivalent interest rate, and            (b) equals the actuarial equivalent interest rate less 3.5%</p> <p>In all cases the above annuities will be the actuarial equivalent of the Cash Balance account at the ASD.</p>
Actuarial equivalence for converting the Cash Balance account to Annuities	<p><i>Mortality</i> – The applicable GATT Mortality Table.</p> <p><i>Interest</i> – The applicable GATT Interest Rate for the fifth month preceding the ASD. Except for the increasing annuity option, this rate shall be further increased by 1%.</p>

 Form 5500 2024 Schedule SB, Part V – Summary of Plan Provisions

Atlas Copco  
 Atlas Copco Pension Plan  
 Salaried Employees

Provision	Description
Prior plan minimum benefit	The benefit payable under the optional form of payment selected cannot be less than the 12/31/1997 accrued benefit payable in such optional form.
Nonactive participants	The terms of the plan as in effect prior to 1/1/1998 will apply to participants who retired, terminated employment, or became disabled prior to 1/1/1998. Any participant who is still in employment but in a non-covered status will be covered under the terms of the plan in effect when such participant transferred to non-covered status.
Transfers into the Cash Balance plan from the Assembly Systems Bargaining Unit, the Compressors Bargaining Unit, or a prior Atlas Copco Pension Plan	Any employee who transfers into the Cash Balance plan on or after 1/1/1998 will not receive credit under the Cash Balance plan for prior Atlas Copco service except for vesting and eligibility purposes, except that total Atlas Copco service is used to determine the pay credit.
Treatment of rehired employees	<p>Rehired participants who had previously received lump sum distributions of their Cash Balance accounts will not have their pre-distribution accounts restored.</p> <p>A rehired participant who had previously elected an annuity will not be suspended and the participant's account will not be restored. Any additional accruals under the plan will be paid either as a lump sum or as a separate annuity at a future ASD.</p> <p>If a rehired participant's employment had</p> <ul style="list-style-type: none"> <li>• terminated prior to 1/1/1998, and</li> <li>• the participant had not previously received or commenced payment of his or her accrued benefit,</li> </ul> <p>an opening account shall be established for the participant as of 1/1/1998 and brought forward to the last annual account valuation date using the interest credit rates in effect from 1/1/1998 through the last account valuation date. The opening account will be based on the participant's accrued benefit at prior termination.</p>
Grandfathered provisions	<p>Accounts are credited with an amount at the end of every calendar year. The amount credited equals Pensionable Pay for the year times the transition credit percentage. Transition credits apply only to those participants who met the five-year vesting requirements at the conversion date.</p> <p>The transition credit percentage is calculated so that the annuity equivalent of the projected account during the retirement years is approximately equal to that provided under the prior plan.</p>

Atlas Copco  
Atlas Copco Pension Plan  
Prime Equipment Pension Plan

Normal Retirement Date	The first day of the month coinciding with or next following the Participant's 65th birthday, or five years of participation.
Covered Compensation	Average of Taxable Wage Bases in effect during the 35 years including calendar year in which Social Security Retirement Age is attained; subject to the automatic increases under the current law through March 31, 2000.
Participation Eligibility	January 1 or July 1 after age 21 with one year of Service. Employees of acquisitions become participants on the January 1 or July 1 after age 21, one year of Service, or date of acquisition.
Benefit Formula	<p>1% Final Earnings up to Covered Compensation plus 1.4% of Final Earnings in excess of Covered Compensation multiplied by Credited Service. Maximum Credited Service allowed is 35 years.</p> <p>Benefit accruals have been ceased effective March 31, 2000.</p>
Income Payable	<p>Amount described in section (a) or (b) below, whichever applies:</p> <p>a. If Participant has a Spouse as of his retirement date and does not elect otherwise, retirement income shall be paid on the basis of Joint and Survivor form, as stipulated by ERISA, and will be the amount determined under the benefit formula multiplied by the appropriate factor.</p> <p>b. If Participant either has no Spouse as of his retirement date or elects to receive his income under the Normal Form, retirement income will be the amount determined under the benefit formula.</p>

Atlas Copco Pension Plan  
Prime Equipment Pension Plan

Early Eligibility	Ten years early with five years of Service.
Early Benefit Amount	Normal Retirement Benefit accrued to early retirement. The amount of the early retirement reduction is as follows: age 65 to 62, zero percent reduction; age 62 to 55, 1/3% reduction per month that the early retirement date precedes age 62.
Vesting Schedule	Five years of Service equals 100% vesting. Service with the W. R. Grace Company counts toward vesting Service under the PRIME Equipment Pension Plan.
Vested Benefit	Benefit accrued to date of termination adjusted by the appropriate vesting percentage.
Preretirement Spouse Benefit	
A. <i>Eligibility</i>	Eligible for early retirement, married.
<i>Benefit Formula</i>	50% of the pension benefit accrued to date of death, reduced by appropriate early retirement and joint-and-survivor factors.
B. <i>Eligibility</i>	Eligible for vesting but not eligible for early retirement, married.
<i>Benefit Formula</i>	50% of the vested pension benefit accrued to date of death, payment deferred to no earlier than the early retirement date of the deceased Participant and reduced by the appropriate early retirement and joint-and-survivor factors.
Disability Benefit	
<i>Eligibility</i>	Must be receiving Social Security disability payments. Age 35 with five years of Service.
<i>Benefit Formula</i>	An eligible disabled Participant will receive a benefit, payable at age 65, based upon the Final Average Earnings and Covered Compensation at disablement and on Credited Service to age 65 (subject to the maximum of 35 years). No credited service is counted after March 31, 2000.

Service	The participant's number of years of service in which credited service is at least 1,000 hours.
Credited Service	Service from date of hire to date of termination, based on the number of hours worked during each calendar year while a member of the Union. A full year of service is earned for each 1800 hours, 1/12 <sup>th</sup> year is earned for each 150 hours during a year. No Credited Service is accrued prior to March 1, 2010.
Normal Form of Annuity	5 year certain and life.
Normal Retirement Date	The first day of the month coincident with or next following age 65.
Participation Eligibility	All employees are eligible to participate under the plan on their date of employment provided they are then covered by the collective bargaining agreement between the Union, Lodge 822 of the International Association of Machinists and Aerospace Workers, and EnPro Industries Inc.; no participants are eligible prior to March 1, 2010.
Benefit Formula	Monthly benefit equals years of Credited Service times benefit rate effective at termination:  \$32.00 for employees who retire on or after 03/01/2010
Income Payable	Amount described in section (a) or (b) below, whichever applies:  a. If Participant has a Spouse as of his retirement date and does not elect otherwise, retirement income shall be paid on the basis of Joint and Survivor form, as stipulated by ERISA, and will be the amount determined under the benefit formula multiplied by the appropriate factor.  b. If Participant either has no Spouse as of his retirement date or elects to receive his income under the Normal Form, retirement income will be the amount determined under the benefit formula.

Early Eligibility	Age 55 with 10 years of vesting service.
Early Benefit Amount	Normal Retirement Benefit reduced by 1/4 of 1% for the first 36 months and 1/3 of 1% for the next 84 months for each month the participant retires prior to age 65; payable on the first day of any calendar month before the normal retirement date.
Vesting Schedule	Five years of Service equals 100% vesting. Service.
Vested Benefit	Accrued normal pension deferred to age 65 or, if completed 10 years of service, a pension commencing between ages 55 and 65, reduced in the same manner as an early retirement pension.
Preretirement Spouse Benefit	
A. <i>Eligibility</i>	Eligible for early retirement, married.
<i>Benefit Formula</i>	50% of the pension benefit accrued to date of death, reduced by appropriate early retirement and joint-and-survivor factors.
B. <i>Eligibility</i>	Eligible for vesting but not eligible for early retirement, married.
<i>Benefit Formula</i>	50% of the vested pension benefit accrued to date of death, payment deferred to no earlier than the early retirement date of the deceased Participant and reduced by the appropriate early retirement and joint-and-survivor factors.
Disability Benefit	
<i>Eligibility</i>	Total and permanent disability of participant prior to normal retirement date with 10 years of service.
<i>Benefit Formula</i>	110% of the unreduced early retirement pension, payable no sooner than the seventh month of total and permanent disability, not greater than the normal retirement pension.

Independent Auditor's Report

To the Plan Administrator  
Atlas Copco Pension Plan

*Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Atlas Copco Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended and the statement of accumulated plan benefits (modified cash basis) as of December 31, 2023, and the related statement of changes in accumulated plan benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

*Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Emphasis of Matter - Basis of Accounting*

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis of accounting in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

#### *Supplemental Schedules Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year) (Modified Cash Basis) (Schedule H, Line 4i) and Schedule of Reportable Transactions (Modified Cash Basis) (Schedule H, Line 4j) as of or for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Atlas Copco Pension Plan

### Notes to Financial Statements December 31, 2024 and 2023

#### Note 1 - Plan description

The following description of the Atlas Copco Pension Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### **General**

The Plan is a cash balance defined benefit plan providing retirement, disability and death benefits to all eligible employees. The Plan sponsor is Atlas Copco North America, LLC (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan includes salaried and nonunion hourly employees of the Company and certain of its subsidiaries.

Effective December 31, 2019, the Plan was frozen to participation and benefit accruals for all participants.

Benefits accumulate to each eligible participant in a cash balance account established in the participant's name. The account grows each year with Interest Credits. Interest Credits are earned on the last day of the Plan year. The interest rate is calculated as the Treasury Note yield as of November 30 of the previous year plus 0.25%, but not more than 10% and no less than 3%.

The Plan is administered by the Company's Pension Committee ("Committee"). The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

##### **Funding policy**

The Plan's funding policy is for the Company to contribute an amount which will meet or exceed the annual ERISA minimum funding requirement. To the extent that these requirements are fully covered by assets in the Plan, the Company may elect not to make any contributions in a particular year. No such contributions were made during 2024 or 2023. The Company periodically evaluates whether to make discretionary cash contributions to the Plan.

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

##### **Pension benefits**

Benefits are determined based on the participant's hypothetical account balance. Plan participants are eligible for their Plan benefits after terminating employment with vested rights. Participants become vested in the Plan upon completion of five or more years of service or attainment of the normal retirement age (65). If a participant has an account on January 1, 2008 and is credited with an hour of service after December 31, 2007, the participant shall be fully vested after three years of service. If employees terminate before becoming fully vested, they forfeit the right to receive the portion of their accumulated plan benefits attributable to the Company's contributions. Upon termination of employment, participants have the option of receiving their vested benefit in the form of a one-time lump sum payment or a monthly annuity payable for their lifetime.

For certain Plan participants, benefits are determined based on the years of their credited service. These participants are entitled to receive a monthly retirement benefit equal to the number of years of their credited service multiplied by an established rate.

## **Atlas Copco Pension Plan**

### **Notes to Financial Statements December 31, 2024 and 2023**

#### **Death and disability benefits**

If a participant dies before the benefit commencement date, as defined by the Plan, a death benefit equal to the value of the employee's accumulated pension benefit is paid to the employee's beneficiary. Active employees who become totally disabled receive annual disability benefits that are equal to the equivalent normal retirement benefit they have accumulated as of the time they become disabled. Disability benefits are paid until normal retirement age, at which time disabled participants will receive the normal retirement benefit computed as though they had been employed to normal retirement age, with their annual compensation remaining the same as at the time they became disabled.

#### **Note 2 - Summary of significant accounting policies**

##### **Basis of accounting**

The accompanying financial statements are prepared on the modified cash basis of accounting. The primary differences from financial statements prepared under accounting principles generally accepted in the United States of America ("GAAP") arise from accounting for investment income and contributions which are recorded when received, and investment and administrative expenses and return of excessive contributions which are recorded when paid, rather than recording such items on an accrual basis. Accordingly, the financial statements are not intended to be presented in conformity with GAAP.

##### **Use of estimates**

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

##### **Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by its investment advisers, custodians, and insurance company. See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are recorded on the settlement date under the modified cash basis. Interest and dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Payment of benefits**

Benefit payments to participants are recorded upon distribution.

##### **Administrative expenses**

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits (modified cash basis). In addition, certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits (modified cash basis).

## Atlas Copco Pension Plan

### Notes to Financial Statements December 31, 2024 and 2023

#### Subsequent events

The Plan has evaluated subsequent events through October 1, 2025, the date the financial statements were available to be issued.

#### Note 3 - Actuarial present value of accumulated plan benefits

Accumulated plan benefits are those future periodic payments, including lump sum distributions that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits under the Plan are accumulated based on employees' compensation during each year of credited service. The accumulated plan benefits for active employees will equal the accumulation, with interest, of the annual benefit accruals as of the benefit information date. Benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to employee service rendered to the valuation date. Benefits to be provided via annuity contracts excluded from Plan assets are excluded from accumulated plan benefits. The actuarial present value of accumulated plan benefits is determined by an independent actuary and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuation as of December 31, 2023 were (a) life expectancy of participants, Pri-2012 Total Dataset Mortality Table with Scale MP-2021, (b) retirement age assumptions (the assumed average retirement age was 65 for salaried employees, while hourly employees are assumed to begin to retire after eligibility for retirement is met), and (c) investment return. The interest rate used to discount the obligation for 2024 was 5.94%. The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. The computations of the actuarial present value of accumulated plan benefits were made as of January 1, 2024. Had the valuations been performed as of December 31, 2023, there would be no material differences.

#### Note 4 - Plan termination

In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

1. Benefits attributable to employee contributions, taking into account those paid out before termination.
2. Annuity benefits that former employees or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount is further limited to the lowest benefit that would be payable under Plan provisions in effect at any time during the five years preceding Plan termination.

## Atlas Copco Pension Plan

### Notes to Financial Statements December 31, 2024 and 2023

3. Other vested benefits insured by the Pension Benefit Guaranty Corporation ("PBGC") (a U.S. government agency) up to the applicable limitations.
4. All other vested benefits (that is, vested benefits not insured by the PBGC).
5. All nonvested benefits.

Certain benefits under the Plan are insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at that time, of the Plan's net assets to provide for accumulated benefit obligations, and may also depend on the financial condition of the Plan sponsor and the level of benefits guaranteed by the PBGC.

#### Note 5 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board issued Accounting Standards Codification 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

## Atlas Copco Pension Plan

### Notes to Financial Statements December 31, 2024 and 2023

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Pooled separate accounts:* Valued using the net asset value ("NAV"), which is based on the value of the underlying assets of the accounts. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

In accordance with Subtopic 820-10, all investments in the Plan were measured at NAV per share (or its equivalent) and, therefore, have not been classified in the fair value hierarchy.

#### Fair value of investments in entities that use NAV

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2024				
	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Pooled separate accounts	\$ 47,964,455	None	Daily	Daily

  

December 31, 2023				
	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Pooled separate accounts	\$ 48,252,852	None	Daily	Daily

#### Note 6 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits (modified cash basis).

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

#### Note 7 - Tax status

The Plan obtained its latest determination letter on February 11, 2016, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

## **Atlas Copco Pension Plan**

### **Notes to Financial Statements December 31, 2024 and 2023**

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 8 - Related party and party-in-interest transactions**

Certain Plan investments are shares of funds managed by Prudential Retirement Insurance and Annuity Company, the trustee. Prudential Retirement Insurance and Annuity Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$188,514 and \$177,363 for the years ended December 31, 2024 and 2023, respectively. The Plan sponsor pays directly any other fees related to the Plan's operations.

#### **Note 9 - Certified investments**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2024 and 2023, and investment income for the years then ended, that are disclosed in the accompanying financial statements and supplemental schedules, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Empower Trust Company LLC, the trustee of the Plan.

## Changes since last year's valuation

### Changes in pension plan provisions

No changes in the pension plan provisions were recognized with this actuarial valuation.

### Legislated changes

There were no legislative changes recognized with this actuarial valuation.

### Changes in actuarial assumptions

Effective with the January 1, 2024 valuation, the following change was made to the non-prescribed assumptions:

- The interest crediting assumptions were updated to:

<u>Year</u>	<u>Interest Credit</u>
2024-2025	4.50%
2026+	3.25%

The interest rate used for the purpose of calculating the ASC #960 liabilities was changed to 5.94%.

### Changes in actuarial methods

No changes in actuarial methods were recognized with this actuarial valuation.
