## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
**CHICKIE'S AND PETE'S, INC. 401(K) PROFIT SHARING PLAN AND TRUST**  
Bensalem, Pennsylvania

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements**

We have performed audits of the accompanying financial statements of **CHICKIE'S AND PETE'S, INC. 401(K) PROFIT SHARING PLAN AND TRUST**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **CHICKIE'S AND PETE'S, INC. 401(K) PROFIT SHARING PLAN AND TRUST'S** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **CHICKIE'S AND PETE'S, INC. 401(K) PROFIT SHARING PLAN AND TRUST** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **CHICKIE'S AND PETE'S, INC. 401(K) PROFIT SHARING PLAN AND TRUST'S** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **CHICKIE'S AND PETE'S, INC. 401(K) PROFIT SHARING PLAN AND TRUST'S** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **CHICKIE'S AND PETE'S, INC. 401(K) PROFIT SHARING PLAN AND TRUST'S** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

## Other Matters

### Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule I – Schedule of Assets Held for Investment Purposes, as of December 31, 2024 and 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 – NATURE OF OPERATIONS**

Effective January 2, 2017, Chickie’s and Pete’s, Inc. adopted a 401(k) Profit Sharing Plan. The following description of the Chickie’s and Pete’s, Inc. 401(k) Profit Sharing Plan and Trust (“Plan”) provides only general information purposes. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

1. General - The Plan is a defined contribution Plan covering all full-time employees of Chickie’s and Pete’s, Inc. and Affiliates (“Company”), who have completed one year of service, 1,000 hours, are age eighteen or older and are not subject to a collective bargaining agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.
2. Contributions - Each year, eligible participants may contribute a percentage of pretax annual compensation, as defined in the Plan not to exceed \$23,000 and \$22,500 in 2024 and 2023, respectively, subject to certain discrimination tests prescribed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may voluntarily change their deferral amounts or elect to decline participation. Participants may contribute amounts representing distributions from other qualified plans (rollover). The Company contributes 50% of deferral up to 6% of base compensation. Each year the Company may modify the matching contribution formulas. Additional non-elective employer contributions, when made, shall be allocated to eligible Plan participants. During the years ended December 31, 2024 and 2023, the Company did not make any non-elective contributions. Contributions are subject to certain IRS limitations.
3. Investment Options – Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds.

The Pension Protection Act created the Qualified Default Investment Alternative (the “QDIA”) which provided employers a safe harbor from fidelity risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected the Yourpath Ishares Moderate Funds 2010, 2020, 2025, 2030, 2035, 2040, 2045, 2050, 2055, 2060, and 2065 and the Yourpath Ishares Aggressive Funds 2045 and 2050.

4. Participant Accounts - Each participant’s account is credited with the participant’s contributions and allocations of the Company’s contribution and Plan earnings and charged with the allocation of expenses and losses. Allocations are generally based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 – NATURE OF OPERATIONS (Continued)**

5. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts plus/minus actual earnings/losses thereon is based on years of service. Company 401(k) contributions vest to employees as follows:

Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

6. Payment of Benefits - On termination of service due to death, disability or qualified retirement a participant will be entitled to the full value of their account balance. Qualified retirement requires a minimum years of service and age. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.
7. Participant Loans - The participants are allowed to apply for a loan from their account. The amount of the loan shall be the lesser of \$50,000 or 50% of the participant’s vested interest in their account. The loans are secured by the balance in the participant’s account. Interest will be charged at prevailing rates at the time of the loan. Repayment generally cannot extend beyond five years. Principal and interest payments are generally deducted from the participant’s paychecks. Participants’ notes receivable are valued at their outstanding principal balance plus accrued interest.
8. Forfeitures - At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$39,394 and \$11,432, respectively. Forfeited amounts may be used to reduce employer contributions and/or administrative fees.
9. Hardship Withdrawals – Prior to termination of employment, a participant may withdraw, subject to the Plan’s requirements, all or a portion of the value of his or her participant account and the vested value their individual account attributable to elective deferrals, matching contributions, and employer profit sharing contributions in the event of demonstrated financial hardship.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act (“SECURE Act”) of 2019 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective on January 1, 2020, and will require significant changes to plan administration and recordkeeping.

The Coronavirus (COVID-19) outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants.

Amongst those changes referenced in the CARES Act, qualified participants are allowed to receive a coronavirus-related distribution of up to \$100,000 through December 31, 2020 without incurring a 10% early withdrawal penalty. The CARES Act allows participants to elect to have their coronavirus-related

It also waived the required minimum distribution requirements for the calendar year 2020 for employee benefit plans.

Section 2202 of the CARES Act allowed qualified participants to receive a coronavirus-related loan of the lesser of: 1) \$100,000 or 2) the participant’s vested benefit under the Plan, for loans made from March 27, 2020 to September 22, 2020. If a loan was outstanding on or after March 27, 2020, and any repayment on the loan was due from March 27, 2020 to December 31, 2020, that due date may have been delayed under the Plan for up to one year. Any payments made after the suspension period should be adjusted to reflect the delay and any interest accrued during the delay.

Qualified participants are participants, their spouse, or their dependent, who experienced at least one of the following:

- A diagnosis of SARS-CoV-2 or COVID-19 by a CDC-approved test;
- Financial difficulties after being quarantined, furloughed, laid off, or given reduced work hours due to the disease;
- An inability to work due to lack of childcare due to the disease; or
- An inability to work due to the closing or reduced hours of a business owned or operated by the individual due to the disease.

On July 22, 2024, the Plan was amended to allow service with CPC Airport PHL, LLC, an affiliated entity, to count towards eligibility, vesting and applying any allocation conditions under this Plan.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except that benefits paid to Plan participants are recorded on a cash basis.

**Adoption of New Accounting Standards**

**Credit Losses**

Effective January 1, 2023, the Company adopted Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended, which modifies the measurement of expected credit losses. The Company adopted the new guidance utilizing the modified retrospective method. The adoption of the standard did not have a material impact on the Company’s financial statements but did change how the allowance for credit losses is determined.

**DECEMBER 31, 2024 AND 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Use of Estimates**

The preparation of financial statements in conformity with United States generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Participant Notes Receivable**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for doubtful accounts or for credit losses has been recorded at December 31, 2024, 2023 and 2022, respectively.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**Payment of Benefits**

Benefits are recorded when paid.

**Investments (Unaudited)**

The Plan's investments were held in trust and administered by the trustees Mid Atlantic Trust Company for the year ended December 31, 2023. In February 2024, substantially all Plan investments were transferred to Lincoln Financial Group, the new trustee, for the year ended December 31, 2024. All investment information disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustees.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy FASB Accounting Standards Codification (“ASC”) 820 are described as follows:

*Level 1*            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2*            Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified or contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3*            Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

<b>Description</b>	<b>2024</b>			
	<b>Totals</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>

Stable Value Fund – The fund is composed of a fully benefit-responsive traditional group fixed annuity investment contract and is valued at the contract value as determined by the asset custodian based upon the value of the underlying investments.

**NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan’s investments are managed by Mid Atlantic Trust Company (“MATC”) and Lincoln Financial Group (“LFG”). MATC and LFG are the Trustees, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. MATC and LFG charge the participant directly for any fees related to the securities in their account.

In addition, MATC and LFG may collect fees or other compensation from mutual fund service providers for services MATC and LFG provide to the funds and make distributions to the participants in accordance with the service agreement.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**  
**(Continued)**

The Plan holds units of a guaranteed investment contract managed by Lincoln Financial Group, the trustee of the plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. As of December 31, 2024 and 2023, the balance of the guaranteed investment contract was \$146,796 and \$0, respectively.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, record-keeping and financial reporting of the Plan. The Company pays the salaries of these individuals and also pays other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by the statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

The Plan sponsor pays directly any other fees related to the Plan's operations.

**NOTE 6 – STABLE VALUE FUND**

The Plan has an investment in the Lincoln Financial Group Stable Value Fund. The fund is an investment option that participants may choose. The fund is invested primarily in diversified fixed income instruments across asset classes, sectors, issuers, and geography. The account is designed to prove a stable asset value. If the Plan sponsor decides to terminate the contract, payouts can be made by paying out the balance in six installments over five years, completing a market value payout based on a formula in the contract, or completing the payout as a thirty-six month or shorter put option. Withdrawals from the fund may be subject to certain restrictions and may be subject to a market value adjustment. The Plan administrator believes the occurrence of such events would limit the Plan's ability to transact at contract value with Plan participants is not probable.

**NOTE 7 – PLAN TERMINATION**

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions. Any unallocated assets of the Plan shall be allocated to participants accounts and distributed in such a manner as the Company may determine.

**NOTE 8 – UNCERTAINTY OF INCOME TAX**

The Internal Revenue Service has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax exempt.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 8 – UNCERTAINTY OF INCOME TAX (Continued)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

**NOTE 9 – RISKS AND UNCERTAINTIES**

The Plan’s investment contracts with MATC and LFG are exposed to various risks such as interest rate and market fluctuations, as well as credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:

	<u>2024</u>	<u>2023</u>
Net Assets Available for Benefits per Financial Statements	\$ 4,550,184	\$ 3,764,209

**NOTE 11 – SUBSEQUENT EVENTS**

The Company has evaluated subsequent events through October 8, 2025, which is the date the financial statements were issued. The Company has determined there were no events or matters that require additional disclosure or recognition in the combining financial statements.
