## INDEPENDENT AUDITORS' REPORT

### TO THE RETIREMENT PLANS COMMITTEE AND PARTICIPANTS OF GOLDEN RAIN FOUNDATION 401(k) RETIREMENT PLAN

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of GOLDEN RAIN FOUNDATION 401(k) RETIREMENT PLAN (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year then ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule H Line 4a: Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## GOLDEN RAIN FOUNDATION 401(k) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2024

#### NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Golden Rain Foundation 401(k) Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was established on January 1, 1997 and most recently restated effective January 1 2024, to provide retirement benefits for eligible employees of Golden Rain Foundation of Walnut Creek (the “Company” or “Employer”).

The Plan is a voluntary defined contribution plan available to certain employees of the Company who have attained 21 years of age and who are not covered by a collective-bargaining agreement, are not non-resident aliens and are not classified as “benefit-ineligible”. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (“ERISA”), as amended, and certain provisions of the Internal Revenue Code (“IRC”).

As the plan administrator, the Company is responsible for keeping accurate and complete records with regard to the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law. The Plan is administered by the Company’s Retirement Plans Committee (the “Committee”). The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan’s investment selections and monitors investment performance. Empower Retirement LLC (“Empower Retirement”) is the Plan’s recordkeeper and acts at the direction of the Plan’s administrator.

Participant Contributions – Participants may elect to contribute up to 100% of their pretax and post-tax (“Roth”) annual compensation, as defined in the Plan, with maximum contributions for the calendar year 2024 of \$23,000. The Plan allows participants who are 50 years of age or more by the end of the calendar year and who are making contributions to the Plan, to also make catch-up contributions of up to \$7,500 for 2024. Participant contributions are vested and nonforfeitable at all times. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans.

Employer Contributions – The Company may make matching and qualified non-elective contributions to the Plan subject to limitations imposed by applicable provisions of the IRC. The Company provides a fixed employer contribution equal to 3% of each participant’s annual eligible compensation. The Company also provides matching contributions equal to 100% of each participant’s contribution up to a maximum of 2% of each participant’s eligible compensation per payroll period. Effective January 1, 2024, participants in the Plan who were also covered by a separate defined benefit plan sponsored by the Company are now eligible for employer contributions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant’s contributions and the Company’s contributions and allocations of investment earnings and losses, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their voluntary contributions, employer contributions and rollover contributions plus actual earnings thereon.

Investment Options – Participants may direct the investment of their account balance among the various funds available through the Plan.

Notes Receivable from Participants – Participants may borrow from their vested account balances provided they meet the Plan’s eligibility requirements. The minimum loan amount is \$1,000 and the maximum amount is equal to the lesser of one-half of the participant’s vested account balance or \$50,000. Note terms range from one to five years or up to thirty years for the purchase of a primary residence. The notes are secured by the balance in the participant’s account and bear interest at a rate based on the prime interest rate in effect at the time of the loan. Principal and interest are paid ratably through semi-weekly payroll deductions. Any outstanding loans will become due and payable upon termination of employment or death.

Payment of Benefits – Upon termination of service, death, disability or retirement, a participant may receive either a lump-sum distribution, partial lump sum, installment distribution or annuity distribution equal to the value of the participant’s vested interest in his or her account. If a terminated participant’s account balance is between \$1,000 and \$7,000, and no instructions have been received from such participant, the amount will be rolled over to an individual retirement account as designated by the plan administrator. Terminated participants with a balance greater than \$7,000 may delay receipt of distribution. Vested account balances of less than \$1,000 are automatically paid out as a single lump-sum distribution. A participant may also elect to receive a pre-retirement distribution if the participant has reached 59 ½ years of age. A participant may also be eligible for a withdrawal due to financial hardship in certain circumstances. Benefit payments to the participant generally must begin by the later of the year after the participant attains age 73 or the year in which the participant terminates employment.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan’s financial statements are prepared on the accrual basis of accounting in conformity with generally accepted accounting principles in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Committee determines the Plan’s valuation policies utilizing information provided by Empower Retirement and an investment advisor. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred.

Contributions – Contributions are recorded in the Plan year which coincides with the payroll pay date.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability as of December 31, 2024 and 2023 with a corresponding reduction to participant contributions. The Plan distributed the excess contributions to the affected participants in 2025 and 2024, respectively.

Payments of Benefits – Benefit payments are recorded when paid.

Expenses – Certain expenses of maintaining the Plan may be paid directly by the Company or by the Plan as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Certain investment management expenses paid by the Plan are netted against appreciation or depreciation of fair value of investments.

Concentrations – As of December 31, 2024 and 2023, two investments accounted for approximately 32% and 37%, respectively, of total investments. As of December 31, 2024 and 2023, the aggregate of the Plan’s target date funds represented 33% and 25% of total investments, respectively.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used are required to maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes to these methodologies in 2024 and 2023.

Following is a summary of the valuation methods used by the Plan to determine fair value as of December 31, 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following tables set forth the Plan’s investments within the fair value hierarchy as of December 31:

	2024			Total
	Level 1	Level 2	Level 3	
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	\$ 16,008,680	\$ -	\$ -	\$ 16,008,680
Investments Measured at NAV Practical Expedient <sup>(a)</sup>				2,849,717
Investments at Fair Value				\$ 18,858,397
	2023			Total
	Level 1	Level 2	Level 3	
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	\$ 12,131,737	\$ -	\$ -	\$ 12,131,737
Investments Measured at NAV Practical Expedient <sup>(a)</sup>				3,153,783
Investments at Fair Value				\$ 15,285,520

(a) In accordance with Subtopic 820-10, certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The following table summarizes investments for which fair value is based on NAV per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable to the Plan.

	Fair Value 12/31/2024	Fair Value 12/31/2023	Unfunded Commitments	Redemption Frequency	Redemption Notice Period

NOTE 4 – CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of compliance as permitted by 29 CFR 250.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants presented on the accompanying Statements of Net Assets Available for Benefits and the investment information presented in Note 3 as of December 31, 2024 and 2023, the supplemental Schedule H, Line 4i: Schedule of Assets (Held at Year End) as of December 31, 2024, and the related investment income and interest income earned on notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – TAX STATUS

The Company has adopted a pre-approved prototype plan which received a favorable opinion letter from the IRS on November 14, 2022, which stated that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has not filed for a separate determination letter; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain expenses related to the Plan's operations and investment activity to various service providers. These transactions are party-in-interest transactions.

NOTE 7 – PLAN TERMINATION

The Company has established the Plan with the expectation that it will continue the Plan. However, if circumstances make it impossible or inadvisable to continue the Plan, the Company reserves the right to terminate it at any time subject to the provisions of ERISA. In the event of Plan termination, participants will continue to be 100% vested in their accounts. Benefits will be held in the trust fund which will remain in existence until the Company requests the discontinuance of the trust agreement.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment securities in any combination among the funds offered through the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment value in the near term would materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2022, there were unintentional delays by the Company in remitting certain employee contributions and participant loan repayments amounting to \$32,670 to the Plan within the period prescribed by Department of Labor regulations. The Company intends to calculate and contribute lost earnings arising from the delays to the accounts of the affected participants during the year end December 31, 2025.

NOTE 10 – SUBSEQUENT EVENTS

Effective January 1, 2025, the Plan was restated with substantially the same provisions. In addition, effective January 1, 2025, the Company has elected to make safe harbor matching contributions equal to 100% of the first 3% of a participant's eligible compensation.

The Plan's management has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued.
