Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(a) Schedule of Delinquent Participant Contributions and Schedule H, Line 4(i) Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOMGAARS SUPPLY, INC. PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF PLAN:

The following description of the Bomgaars Supply, Inc. Profit Sharing and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of Bomgaars Supply, Inc. (the Company) who have completed one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions - Contributions to the Plan are determined as follows:

401(k) Plan Contributions - Each year, participants may elect to contribute up to 100 percent of compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5 percent of eligible compensation and their contributions invested in a designated fund based on their estimated retirement date until changed by the participant. The Company makes matching contributions equal to 100 percent of the first 3 percent contributed by participants and then matches 50 percent of the next 2 percent contributed. Contributions are subject to certain IRS limitations.

Discretionary Contribution - Additional profit-sharing amounts may be contributed by the Company at the discretion of the Company's Board of Directors.

BOMGAARS SUPPLY, INC. PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF PLAN (CONTINUED):

Participant Accounts - Each participant in the Plan has an individual account balance representing the participant's interest in the Plan. Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of the Company's discretionary contributions, and Plan earnings. Allocations of forfeitures, if applicable, and discretionary employer contributions made to each participant's account are in the same proportion that the participant's compensation for the year bears to the total compensation of all participants for the year. Participant accounts are charged with an allocation of any administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions and employer contributions plus actual earnings (losses) thereon.

Notes Receivable from Participants - The Plan does not permit participant loans.

Payment of Benefits - Upon the participant's normal retirement on or after age 65, upon death, or upon becoming totally disabled, the participant will be 100 percent vested in his/her account in the Plan and may receive his/her account balance under either one of two methods: (1) a lump-sum distribution of the participant's vested interest; or, (2) periodic payments of the participant's vested interest until the balance is depleted. Also, in-service distributions are available to the participant who may receive his/her account balance under either method described above provided the employee has reached the age of 59 1/2. If a participant terminates for any reason other than normal retirement, death, or total disability, the participant's vested interest in the Plan shall be paid to him/her in one lump-sum. Participants terminating with account balances less than \$5,000 must be paid out in a lump-sum.

Upon the death of a participant, the Plan shall pay the full balance of the participant's account to the participant's spouse or beneficiary designated in writing.

Forfeited Accounts - Forfeited balances can be used to reduce future employer contributions or pay administrative expenses of the Plan.

BOMGAARS SUPPLY, INC. PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following are the significant accounting policies followed by the Plan:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because the contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates - The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees, with assistance from the Plan's record-keeper as agent for the custodian, determine the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable - Contributions receivable are generally comprised of employer contributions receivable or employee contributions receivable. Employer contributions receivable may include discretionary profit-sharing contributions approved by the Company's Board of Directors after the Plan's year-end and employer matching contributions related to year-end pay periods. Employee contributions receivable may include employee deferrals related to year-end pay periods. The Company has evaluated that no allowance for credit losses is considered necessary related to contributions receivable at December 31, 2024 and 2023.

BOMGAARS SUPPLY, INC. PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels and gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

BOMGAARS SUPPLY, INC. PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED):

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled Separate Accounts - Consist of investments in mutual funds registered with the Securities and Exchange Commission (SEC). The mutual funds publish their daily net asset value and transact at that price. These mutual funds held by the Plan are deemed to be actively traded.

The following tables sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ -	\$ 49,460,940	\$ -	\$ 49,460,940
	<u>\$ -</u>	<u>\$ 49,460,940</u>	<u>\$ -</u>	<u>\$ 49,460,940</u>
	<u>2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ -	\$ 42,027,373	\$ -	\$ 42,027,373
	<u>\$ -</u>	<u>\$ 42,027,373</u>	<u>\$ -</u>	<u>\$ 42,027,373</u>

Gains and losses included in net assets available for benefits for the year ended December 31, 2024 and 2023 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers of investments into or out of level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers of investments into or out of level 3.

BOMGAARS SUPPLY, INC. PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE D - GROUP FUNDING AGREEMENT WITH EMPOWER ANNUITY INSURANCE
COMPANY OF AMERICA:

In 2019, the Plan entered into a traditional fully benefit-responsive insurance contract with Massachusetts Mutual Life Insurance Company (Mass Mutual). Effective December 31, 2020, Empower Retirement acquired the retirement business of Mass Mutual. As a result, business written by Mass Mutual was reinsured by Empower Annuity Insurance Company of America (Empower). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The agreement issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.00 percent. The crediting rate is reviewed on a quarterly basis for resetting. The agreement permits the insurance company and Plan sponsor to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts, because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the agreement, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Events caused by activity of the employer, including, but not limited to, mergers, layoffs, facility closings, bankruptcy or other insolvency proceedings, full or partial Plan termination, material Plan amendments, the addition of a competing fund as a Plan investment option, employer-directed transfers out of the Fixed Account, employer solicitation of participant investment transfers, and early retirement incentive programs. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the agreement issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE D - GROUP FUNDING AGREEMENT WITH EMPOWER ANNUITY INSURANCE
COMPANY OF AMERICA (CONTINUED):

In addition, the issuer may discontinue the agreement with 90 days advance written notice to the Plan or also provide written notice that the agreement is deemed to be discontinued if:

- (i) the Plan or Plan trust fails to maintain its special tax qualified or exempt status under 401(a) of the code;
- (ii) the Plan fails to provide the issuer with information necessary to perform the agreement and the Plan fails to remedy the failure within 31 days from the date of notification;
- (iii) the Plan trust is amended in a way that adversely affects the issuer's obligations under the agreement;
- (iv) all group variable funding agreements in this class of business are amended, changed, or altered due to changes in any applicable laws and it is determined that the obligations under the agreement or ability to maintain this class of business are thereby materially affected;
- (v) the assets held or the participants covered under the agreement are less than the amount required for the agreement to be a group funding agreement under any applicable insurance law;
- (vi) the Plan changes such that it is no longer considered to be an entity which is authorized or eligible to sponsor this agreement;
- (vii) no contributions are made during any consecutive 12 month period; or
- (viii) at any time the contributions or balances are less than the amount required for this class of business under specified underwriting standards in effect as of the agreement effective date.

Upon agreement discontinuance, participants may receive the net surrender value instead of the contract value. The net surrender value is determined in accordance with the Plan's agreement with Empower. The Plan must elect to have paid the portion of the net surrender value as defined in the Fixed Account under either (a) the Book Value Installment Alternative, or (b) the Liquidation Value Formula Lump Sum Alternative, as defined by the agreement. The election must be received in good order.

QUALIFYING INSTITUTION:

The December 31, 2024 and 2023 financial statements and supplemental schedules were prepared in part or entirely from information certified to the Plan administrator by Empower Annuity Insurance Company of America (EAIC) and Empower Trust Company (ETC) on behalf of Mass Mutual Life Insurance Company under a power of attorney granted for the years ended December 31, 2024 and 2023. The information certified to as complete and accurate is as follows:

	<u>2024</u>	<u>2023</u>
Investments:		
Investments in pooled separate accounts at fair value	\$ 49,460,940	\$ 42,027,373
Investments in fixed income account at contract value	<u>3,194,983</u>	<u>3,086,866</u>

	<u>\$ 5,351,025</u>	<u>\$ 5,043,896</u>

NOTE F - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE G - TAX STATUS:

The Plan Sponsor has adopted a Non-Standardized Pre-Approved plan document and is relying on an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022. The letter states that the pre-approved plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

BOMGAARS SUPPLY, INC. PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE G - TAX STATUS (CONTINUED):

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE I - RELATED PARTY TRANSACTIONS AND PARTIES-IN-INTEREST
TRANSACTIONS:

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. The Company pays certain fees for the administration of the Plan. The Plan pays additional fees for investment management and consulting services and are included in the administrative expenses in the accompanying financial statements. Certain employees and officers of the Company, who may be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

All investment transactions are performed by and certain assets are managed by EAIC and ETC based on directions of the participants. ETC is the trustee for the Plan and utilizes an insurance product issued by EAIC, both affiliates of Empower, the administrator; therefore, these transactions qualify as party-in-interest transactions. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

All of these party-in-interest transactions are exempt from prohibited transaction rules.

NOTE J - DELINQUENT TRANSMITTALS:

During 2023, the Company failed to remit to the Plan certain employee deferrals totaling \$18,285 within the period prescribed by the Department of Labor regulations, none for 2024. The Company computed lost earnings on the delinquent contributions and subsequently remitted the deferrals and made a contribution for lost earnings to the Plan.
