Helgesen Industries, Inc. Profit Sharing 401(k) Plan

Financial Statements and Supplemental Schedule

Year Ended December 31, 2024

WIPFLI

Independent Auditor's Report

To the Plan Administrator
Helgesen Industries, Inc. Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Helgesen Industries, Inc. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Helgesen Industries, Inc. Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Helgesen Industries, Inc. Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Helgesen Industries, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

"Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Helgesen Industries, Inc. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Helgesen Industries, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

WIPFLI

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Helgesen Industries, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Helgesen Industries, Inc. Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The SECURE 2.0 Act of 2022 (SECURE 2.0), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. Management has evaluated those provisions and determined there is no material impact on the Plan. Plan management will determine the optional provisions to elect in the future.

General

The Plan is a participant directed defined contribution plan that was established by Helgesen Industries, Inc. (Helgesen). Helgesen was acquired by Standard Iron Holdings, LLC (Standard) on August 2, 2024. Helgesen was the Plan Sponsor and Plan Administrator until August 1, 2024. Helgesen Industries, LLC, owned by Standard, was named the Plan Sponsor and Plan Administrator on August 2, 2024. Principal Life Insurance Company (Principal) is the custodian of the Plan's investment assets and is the Plan's record keeper.

In conjunction with the sale of Helgesen, the assets of current and former employees of Cynergi3 West, LLC (Cynergi) were spun-off as of August 1, 2024 to create Cynergi3 West, LLC Profit Sharing 401(k) Plan. Cynergi was not acquired by Standard. Prior to the spinoff, Cynergi employees were considered Helgesen employees per the Plan documents.

Eligibility

Eligible employees include all employees over the age of 18, who are not under a collective bargaining agreement, are leased, or are independent contractors. Employees are eligible to participate in the Plan on the first day of the month coinciding with or immediately following the completion of 60 days of service, as defined by the Plan.

Contributions

Participants may contribute a percentage of their pretax annual compensation in the form of salary deferrals, not to exceed the limits of the Internal Revenue Service (IRS). Participants may contribute distributions from other qualified plans (rollovers) and make Roth IRA deferrals. The Sponsor matches 50% of participant contributions, up to 6% of total eligible compensation. The Sponsor may also make discretionary contributions at the option of its Board of Directors. To be eligible to receive a discretionary contribution, a participant must have at least 1,000 hours of service in the Plan year and be employed on the last day of the Plan year. There were no discretionary contributions for the year ended December 31, 2024.

Helgesen Industries, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Sponsor's matching contributions and allocation of discretionary contributions, and net Plan earnings (losses) thereon. Allocations of the Sponsor's discretionary contributions are based on a percentage of participant's compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's matching and discretionary contribution portions of their accounts, plus actual net earnings thereon, is based on the number of years of continuous service as shown by the following:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2 years	0
2 Years	20
3 Years	40
4 Years	60
5 Years	80
6 or more	100

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the participant's vested account balance. Participants may have a maximum of three notes outstanding at one time. The notes are secured by the balance in the participant's account. Interest rates on existing loans range from 3.75% to 9.00%. Interest rates are determined by the Plan Administrator and are commensurate with local prevailing rates. Principal and interest are paid through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in their account as a lump-sum distribution or in annual installments. For termination of service for a reason other than the ones listed above, a participant may receive the value of the vested interest in their account as a lump sum distribution. Under certain circumstances, participants may qualify to receive a hardship distribution (less applicable income taxes and penalties) from their account balance. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Forfeitures

Forfeitures are portions of participant account balances that participants surrender by terminating employment prior to becoming fully vested. Forfeitures in the Plan are used to offset administrative expenses or reduce future Sponsor contributions. Any remaining forfeitures are allocated back to the participants. At December 31, 2024 and 2023, the balance of unallocated forfeitures was \$0 and \$15, respectively. Forfeitures of \$72,255 in 2024 were applied against Plan expenses and Sponsor contributions.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates in Preparation of Financial Statements

The preparation of the accompanying financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Helgesen Industries, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements.

Note 2: Summary of Significant Accounting Policies (Continued)

Administrative Expenses

The Plan and Sponsor share certain administrative expenses, including investment management fees. Expenses that are paid by the Sponsor are excluded from these financial statements.

Subsequent Events

Subsequent events have been evaluated through October 15, 2025, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP specifies a three-tier fair value hierarchy, which prioritizes the inputs used in estimating fair value. These tiers include Level 1, defined as observable inputs such as quoted market prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own assumptions.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Pooled separate accounts: The net asset value (NAV) of each of the separate accounts is calculated in a manner consistent with GAAP for investment companies and represents the price at which the Plan would be able to initiate a transaction. Several of the separate accounts invest in publicly quoted mutual funds or actively managed stocks. Some of the separate accounts also invest in fixed income securities. Quoted prices of similar assets are used to determine the NAV of the separate account, which is not publicly quoted.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: Valued at NAV as reported by the investment manager based on the fair value of the underlying investments. Investments can be purchased and sold continuously. A notice of redemption is not required. The Plan has no obligation to buy additional units.

Helgesen Industries, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

The Principal Stable Value Z fund is a collective investment trust whose objective is to provide a low-risk, moderate yield investment. These funds contain synthetic investment contracts comprised of both underlying investment and contractual components including quoted prices for similar assets in active or non-active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at:

<i>December 31, 2024</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,632,754	\$ -	\$ -	\$ 16,632,754
Pooled separate accounts and collective investment trusts measured at NAV (a)				5,159,359
Total investment assets at fair value				\$ 21,792,113

<i>December 31, 2023</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,272,973	\$ -	\$ -	\$ 15,272,973
Pooled separate accounts and collective investment trusts measured at NAV (a)				4,715,424
Total investment assets at fair value				\$ 19,988,397

(a) Certain investments that were measured at NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Helgesen Industries, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 4: Information Certified by Plan's Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest income, and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal, the custodian of the Plan.

Note 5: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7: Tax Status

The Plan adopted a nonstandard prototype document with an IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Party-In-Interest Transactions

Plan investments managed by Principal, the Plan custodian, administrative expenses paid to Principal, and notes receivable from participants qualify as party-in-interest transactions. These transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Helgesen Industries, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 9: Excess Contributions Payable

Benefits paid to participants of \$1,193,395 for the Plan year ended December 31, 2024, include excess deferral contributions of \$2,953 made to certain active participants to be returned as required to satisfy the relevant non-discrimination provisions of the Plan and are also included in the Plan's statements of net assets available for benefits as excess contributions payable at December 31, 2024. For the year ended December 31, 2023, amounts payable of \$21,972 for excess deferral contributions were also recorded as a liability.
