INDEPENDENT AUDITORS' REPORT

To: The Plan Administrator of
Atlantis Healthcare 1165(e)/401(k)
Savings Plan for Union Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Atlantis Healthcare 1165(e)/401(k) Savings Plan for Union Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Atlantis Healthcare 1165(e)/401(k) Savings Plan for Union Employees' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE POWER OF BEING UNDERSTOOD
ASSURANCE | TAX | CONSULTING

RSM Puerto Rico is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any Jurisdiction.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Atlantis Healthcare 1165(e)/401(k) Savings Plan for Union Employees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantis Healthcare 1165(e)/401(k) Savings Plan for Union Employees' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Atlantis Healthcare 1165(e)/401(k) Savings Plan for Union Employees' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantis Healthcare 1165(e)/401(k) Savings Plan for Union Employees' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1) Plan Description:

The following brief description of Atlantis Healthcare 1165(e)/401(k) Savings Plan for Union Employees (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

- A) General – On July 1, 2006, Atlantis Health Care Group (Puerto Rico), Inc. (the Employer) adopted a defined contribution retirement plan to all eligible employees. Employees become eligible to participate in the Plan after meeting the following requirements: minimum age of twenty-one (21), or twenty-one (21) with three months of service.

The Plan qualifies under Section 1081.01 of the Puerto Rico Internal Revenue Code (the Code) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Banco Popular de Puerto Rico is the trustee of the plan. Other relevant information is as follows:

Plan year : December 31

Normal retirement : The later of participant attaining age 65 or the fifth anniversary after becoming a participant

Plan entry date : Quarterly entry dates. The first day of each of the first, fourth, seventh and tenth months of the Plan Year is an entry date.

- B) Plan Amendment – Effective January 1, 2024, the Adoption Agreement of the Plan was amended to increase the employer matching contributions from 40 cents to 50 cents for each dollar of participant's pre-tax contribution for the year.

- C) Contributions – The Plan provides for contributions to be made by the Employer and by participants as follows:

- Employee pre-tax contributions – Pre-tax contributions were limited to \$15,000 for the year ended December 31, 2024.
- Employee after-tax contributions – May not exceed 10% of the aggregate compensation paid to the employee. After tax contributions may be subject to other restrictions and rules established by the Plan Administrator.
- Employee rollover contributions – Participants may also contribute amounts transferred from other Puerto Rico qualified retirement plans.
- Employer contributions – The Employer contributes to the Plan, on behalf of each Plan participant 50 cents for each dollar of the participant's pre-tax contribution. The employer will match contributions up to 10% of the participant's eligible compensation.
- Profit sharing contributions – For each plan year in which this Plan is in effect, the Employer may make contributions to the Trust in one or more installments out of its net profits for the Plan year, in such amounts as the Employer may determine. The Plan year for which each contribution is made shall be designated at the time of the contribution. Profit sharing contributions shall be allocated as of the last day of the Plan year among employees who have completed 1,560 hours of service during the Plan year.

**ATLANTIS HEALTHCARE 1165(e)/401(k)
SAVINGS PLAN FOR UNION EMPLOYEES**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023**

For the year ended December 31, 2024, total annual contributions made by the Employer and participants were limited to the lesser of \$69,000 or the total compensation paid by the Employer to the participant during the Plan year.

- D) Participant accounts – Individual accounts are maintained for each of the Plan’s participants to reflect the participants and Employer’s contributions as well as the participants’ share of the Plan’s income and any related expenses. Allocations are based on the proportion that each participant’s account balance bears to the total of all participants’ account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested accounts.
- E) Participant elections – Participants may decide how the contributions allocated to them are invested among the investment options offered by the Plan. The Plan currently offers mutual funds as investment options for participants. Any investment election may be changed with respect to future contributions.
- F) Vesting – Contributions made by participants, rollover contributions and qualified non-elective contributions, plus or minus any earnings or losses are 100% vested at all times. Participants are 100% vested in the Profit-Sharing contributions after completing three (3) years of services. Regarding vesting in the matching employer’s contribution portion to their accounts is determined as follows:

| Year of Service | Vested Percentage |
|-----------------|-------------------|
| 1 | 0% |
| 2 | 20% |
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 | 100% |

- G) Payments of benefits – Normal retirement date is the date on which the participant attains the later of reaching age 65 or the fifth anniversary of the first day of the plan year in which the participant entered the Plan. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest or annual installments over a fixed period of time, not to exceed ten (10) years.
- H) Financial hardship – Financial hardship represents participant withdrawal necessary to meet immediate financial needs to cover only the following expenses: medical expenses, purchase of principal residence, tuition payments for post-secondary education, rent or mortgage payments to prevent eviction, and funeral expenses. Plan Administrator may determine any other cause that has produced an immediate and heavy financial need to the extent deemed necessary to satisfy the requirements of Article 1165-8(d)(2) of the Puerto Rico Internal Revenue Code of 2011 (PRIRC), as amended, (the Code) or such other event or circumstances as the Puerto Rico Secretary of the Treasury through regulation may permit.
- I) Forfeitures – Forfeitures represent non-vested portions of Employer contributions on the day of the participants’ termination. Forfeitures are used to reduce any Employer’s contributions. As of December 31, 2024 and 2023, forfeited non-vested accounts amounted to approximately \$8,040 and \$1,321, respectively.

NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

2) Summary of Significant Accounting Policies:

The most significant accounting policies followed by the Plan are summarized below:

- A) Basis of accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.
- B) Use of estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C) Interest in Master Trust – Investment assets of the Plan are maintained in the Master Trust administered by Banco Popular de Puerto Rico, as Trustee.
- D) Investment valuation and income recognition – Plan investments are stated at fair value. See Note 5 for discussion of fair value measurements.

The net appreciation (depreciation) in fair value of investments, including realized gains or losses and net change in unrealized gains or losses, is reflected in the statement of changes in net assets available for benefits. Realized gains or losses on the disposal of investments are determined by specific identification and recognized on a trade date basis. Purchases and sales are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

- E) Contributions – Employer and participant contributions are recorded in the Plan year in which the Employer makes the payroll deductions.
- F) Payment of benefits – Benefits payment to participants is recorded when paid.
- G) Expenses – Expenses are paid by the Employer therefore excluded from these financial statements. Investment related expenses are reported in net appreciation (depreciation) of investments.

3) Information Certified by Banco Popular de Puerto Rico (Trustee):

Plan's asset information as of December 31, 2024 and 2023 and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the trustee related to the Plan's assets is complete and accurate. Accordingly, as permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which appears throughout the financial statements and supplemental schedule related to the following assets:

| Description | 2024 | 2023 |
|--|---------------------|---------------------|
| Plan's interest in Master Trust, at fair value | <u>\$ 1,948,774</u> | <u>\$ 1,496,625</u> |

The Trustee also certified the completeness and accuracy of \$198,297 of investment return related to the aforementioned assets for the year ended December 31, 2024.

| Total other assets | 27,964,872 | - | 22,726,323 | - |
| Total Master Trust Assets | \$ 1,579,367,525 | \$ 1,948,774 | \$ 1,386,573,205 | \$ 1,496,625 |

The net investment return of the Master Trust and the Plan's interest of the net investment return for the year ended December 31, 2024, are presented below:

| Description | Master Trust | Plan's Interest |
|---|-----------------------|-------------------|
| Net appreciation in fair value of investments of the Master Trust | \$ 151,832,435 | \$ 171,742 |
| Interest | 3,491,874 | - |
| Dividends and other income | 27,606,205 | 26,555 |
| Total net investment return | \$ 182,930,514 | \$ 198,297 |

Net appreciation in the fair value of the Plan's interest in the Master Trust consists of the Plan's specific share of realized gains or losses and unrealized appreciation or depreciation on those investments. The net appreciation and interest and dividends are allocated to the participating plans based upon participant Plan account balances.

ATLANTIS HEALTHCARE 1165(e)/401(k) SAVINGS PLAN FOR UNION EMPLOYEES

NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

Information of the Master Trust's investments by level was not readily available.

Investments held by the Plan within the Master Trust are considered Level 1 type investments within the fair value hierarchy, except for the investment in obligations of U.S. governmental agencies that are considered Level 2.

5) Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The valuation techniques are based upon observable or unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Master Trust's market assumptions.

These two types of inputs create the following fair value hierarchy:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

6) Party-In-Interest Transactions:

Atlantis Health Care Group (Puerto Rico), Inc. is a party-in-interest as defined by ERISA. The Plan includes a cash account from Banco Popular of Puerto Rico who is the Trustee of the Plan, therefore, these transactions also qualify as party-in-interest transactions as defined by ERISA. There were no prohibited transactions during the year ended December 31, 2024.

7) Tax Status:

The Plan is intended to be a tax-qualified arrangement that complies with the provisions of ERISA, and with the Code. A Determination Letter was issued by the Puerto Rico Treasury Department on July 10, 2013. Although the Plan has been amended since receiving the latest Determination Letter, the Plan Administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

ATLANTIS HEALTHCARE 1165(e)/401(k) SAVINGS PLAN FOR UNION EMPLOYEES

NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that the Plan, as of December 31, 2024 and 2023, had maintained its tax-exempt status and had taken no uncertain tax positions that would require adjustments or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

8) Risks and Uncertainties:

The Plan's investments are exposed to various risks, such as interest rate fluctuations, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Plan's account balances and the amounts reported in the accompanying statements of net assets available for benefits.

9) Plan Termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

10) Subsequent Events:

The Plan Administrator is not aware of any subsequent events which would require recognition and/or disclosure in the financial statements. The Plan Administrator has evaluated subsequent events through October 7, 2025, the date on which the financial statements were available to be issued.
