Independent Auditor's Report

To the Plan Administrator and Participants of
Union League Club Employees' Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Union League Club Employees' Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and December 31, 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule – Schedule H – Part IV – Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (continued)

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**UNION LEAGUE CLUB
EMPLOYEES' SAVINGS PLAN**

**Notes to Financial Statements
December 31, 2024**

Note 1 – Description of Plan

The following description of the Union League Club Employees' Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions and investment options. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

General

The Plan is a defined contribution plan established on January 1, 1985, and subsequently amended and restated. All eligible employees of the Union League Club of Chicago (the "Club") are permitted to participate in the Plan upon hire. The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Participants may contribute up to 50% of their compensation in any Plan year, subject to limitations of the Internal Revenue Code. No after-tax contributions may be made to the Plan. The Club matches 50% of participant contributions, up to 3% of their annual compensation for participants after they have completed one year and 1,000 hours of service. Contributions are invested in various investment options offered in the Plan as directed by the participant. Employees who become eligible to participate in the Plan are automatically enrolled to contribute 3% of compensation upon being hired unless they affirmatively elect not to participate in the Plan.

Investment options

Each participant may direct the investment of their account into certain available investment options offered by the Plan. The assets of the Plan are allocated to the applicable funds at the direction of the participant.

Participant accounts

Each participant's account is credited with:

- a) The participant's contribution;
- b) The Club's matching contribution;
- c) Allocation of the Plan's earnings and losses based on participants' account balances, as defined in the Plan document.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

EMPLOYEES' SAVINGS PLAN**

**Notes to Financial Statements (continued)
December 31, 2024**

Note 1 – Description of Plan (continued)

Vesting

The participants are 100% vested in their contributions. Participants become vested in the Club's matching contributions at the rate of 20% per year of service, and are fully vested after five years.

Forfeitures

Forfeitures of \$5,595 were used to reduce the Club's 2024 contributions to the Plan.

Participant notes

Participants are allowed to receive loans against their individual Plan assets. The amount the Plan may loan a participant is limited by rules under the Internal Revenue Code. A participant may borrow a minimum of \$500 and a maximum of the lesser of:

- a) \$50,000 reduced by the excess, if any, of a participant's highest outstanding balance of loans from the Plan during the one-year period prior to the date of the loan over the current outstanding balance of loans; or
- b) $\frac{1}{2}$ of the participant's vested account balance.

Through the adoption of the CARES Act, maximum loan amounts increased to the lesser of \$100,000 or 100% of a participant's vested account balance for loans made on or after March 27, 2020 and before September 23, 2020. A participant was required to meet certain criteria to be eligible for the increased loan amounts.

Interest on loans is based upon the prime rate and ranges from 4.25% to 9.50% as of December 31, 2024.

EMPLOYEES' SAVINGS PLAN**

**Notes to Financial Statements (continued)

Note 1 – Description of Plan (continued)

Payment of benefits

On termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in (a) a lump-sum amount or (b) annual installments over a 10-year period. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, participants may elect in-service withdrawals of their elective deferral account balances after reaching age 59-1/2. Participants may also elect in-service withdrawals of their elective deferral account balances in the case of a hardship. Rollover account balances may be withdrawn at any time, provided the rollover contributions have been properly segregated. Minimum required distributions for participants also apply per Internal Revenue Service ("IRS") regulations.

Plan termination

Although it has not expressed any intent to do so, the Club has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2 – Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, except for the cash basis recording of benefits paid.

Investment valuation and income recognition

The Plan's investments are stated at fair value.

Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on the sales of securities are computed on each individual security.

Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

The aggregate of (a) the net unrealized appreciation (depreciation) in the fair value of investments for the year, and (b) the net gains or losses on dispositions of investments during the year are reflected as net appreciation (depreciation) in investments for the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

EMPLOYEES' SAVINGS PLAN**

Note 2 – Summary of significant accounting policies (continued)

Contributions

Contributions from participants are recorded as they are withheld from participants' wages and contributions from the Club are recorded when earned.

Participant notes receivable

Notes receivable are reflected at unpaid principal plus accrued interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and December 31, 2023.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Certain administrative expenses of the Plan are paid by the Club and are not reflected in the accompanying financial statements. Certain other transaction-related participant expenses, such as those associated with loan maintenance and administration, are paid by the Plan and are included in the accompanying financial statements.

Certain administrative functions are performed by officers or employees of the Club. No such officer or employee receives compensation from the Plan.

Risks and uncertainties

Investments are exposed to various risks such as interest rate, market, credit and liquidity. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits at December 31, 2024. The Plan's investments are not insured or protected by the Pension Benefit Guaranty Corporation, or any other governmental agency, accordingly, the Plan is subject to the normal investment risks associated with mutual funds and common/collective trusts. Any defaults on participant notes receivable are treated as taxable distributions to the participants.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Note 2 – Summary of significant accounting policies (continued)

Subsequent events

The Plan has evaluated events and transactions for potential recognition or disclosure through October 3, 2025, which is the date the financial statements were available to be issued.

Note 3 – Fair value measurements

Accounting principles generally accepted in the United States established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are as follows:

Level 1 – Unadjusted quoted prices in active markets for identical assets.

Level 2 – Quoted prices for identical assets in markets that are not active, quoted prices for similar assets in active markets, inputs other than quoted market prices, and inputs derived principally from observable market data.

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2024 and December 31, 2023:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,116,752	\$ -	\$ -	\$ 12,116,752

Note 3 – Fair value measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2024:

Registered investment companies – mutual funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust - stable value fund

The fair value of the common/collective trust is determined based on the valuation method disclosed in the contract as calculated by the provider. All of these inputs are generally considered obtainable but without readily available financial information. The common/collective trust is classified as Level 2 in the fair value hierarchy due to its ability to meet the NAV segregation and tracking requirements of the fair value hierarchy. The Plan has a common/collective trust with the Principal Global Investors Trust Co. Principal's stable value fund is credited with a contractual rate of return. Principal Global Investors Trust Co. determines and periodically declares the fixed interest rate of return (referred to as the credited interest rate) to be credited to amounts under the contracts held in their general account, including the extent and frequency credited interest rates may be changed.

Note 4 – Information certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and December 31, 2023, and the supplemental schedule – Schedule H – Part IV – Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2024 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

Note 5 – Party-in-interest transactions

The Plan's investments are managed by Principal Trust Company who is a Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Trustee, advisory and other similar type fees related to the administration of the Plan are paid by the Plan or by the Club on behalf of the Plan. These transactions qualify as party-in-interest transactions.

Note 6 – Tax status

The Plan, as amended, obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the “Code”). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Accordingly, the accompanying financial statements do not include a provision for income tax.
