## Independent Auditor's Report

To the Plan Administrator  
San Diego Youth Services 403(b) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of San Diego Youth Services 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of San Diego Youth Services 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of San Diego Youth Services 403(b) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about San Diego Youth Services 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of San Diego Youth Services 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about San Diego Youth Services 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis, and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SAN DIEGO YOUTH SERVICES 403(B) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**Note 1 - Description of Plan:**

The following description of the San Diego Youth Services 403(b) Plan (the “Plan”) is provided for general information purposes only. For additional information concerning the Plan’s provisions, participants should refer to the Plan agreement and Summary Plan Description.

**General**

The Plan is a 403(b) defined contribution plan covering all employees of San Diego Youth Services (the “Company” and “Employer”), and who elect to participate in the Plan. An employee can become a participant in the Plan on their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company is the Plan’s sponsor and serves as Plan Administrator.

The Company has appointed Metropolitan Life, Inc. (MetLife) and Mutual of America Life Insurance Company (Mutual of America) as Custodians of the Plan assets with authority over management and investment of Plan assets. Prior to December 31, 2008, Participants could direct payroll deferrals (contributions) into Plan assets held in trust by either MetLife or Mutual of America. Participant asset balances held in trust by MetLife may be distributed (rolled over) into assets held in trust by Mutual of America or remain in trust of MetLife at the election of the Participant.

**Contributions**

Participants may make elective deferral contributions up to the maximum dollar amount established by the Internal Revenue Code (IRC) of pretax annual compensation, as defined by the Plan. Participants age 50 and older may make catch-up contributions to a maximum dollar amount established by the IRC. In 2015, the Plan was amended to allow participants to elect to designate all or any portion of their Elective Deferral Contributions as Roth Elective Deferrals. Participants may also contribute amounts representing distributions from other tax qualified plans (rollovers). In January 2023, the Plan was amended to provide Company matching contributions to participants up to 2% of compensation as soon as participant enrolls in the plan. In addition that plan amendment allows for automatic enrollment with no age or minimum service requirement.

**Participant Accounts**

Each participant’s account is credited with the participant’s contribution; allocation of the participant’s share of the Company’s matching contributions, if any, and the participant’s share of the Plan’s earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds, a money market fund, and guaranteed interest accounts.

**Forfeitures**

Forfeitures are used to reduce the Employer matching contributions. Employer contributions were reduced by \$43,432 from forfeited, non-vested accounts for the year ended December 31, 2024. Forfeited balances totaled \$627 and \$823 at December 31, 2024 and 2023, respectively.

**SAN DIEGO YOUTH SERVICES 403(B) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**Note 1 - Description of Plan: (Continued)**

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions is based on years of service. A participant is 100% vested in the Company matching portion of their accounts after six years of credited service as follows:

Years of Service (As Defined)	Percentage Vested
Less than 2 years	0%
2 but less than 3 years	20%
3 but less than 4 years	40%
4 but less than 5 years	60%
5 but less than 6 years	80%
6 or more years	100%

**Notes Receivable From Participants**

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less, subject to certain restrictions, in accordance with borrowing procedures established by the Plan. The loans are secured by up to one-half of the vested account balance in the participant's account, and such other security as the Plan may require under certain circumstances. At December 31, 2024 and 2023, the interest rate on outstanding loans was 4.60% to 5.85%, with various maturities through December 2026.

**Payment of Benefits**

On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in installments specified by the participant or designated beneficiary, an amount of at least \$100 to be withdrawn each month. In 2015, the Plan was amended to have terminated participants with vested benefits of \$5,000 or less will receive a distribution of the value of the entire vested portion of such accounts and the non-vested portion shall be treated as a forfeiture. Participants may withdraw any part of their vested account upon attaining age 59½.

The Plan permits hardship withdrawals in certain circumstances.

**Note 2 - Significant Accounting Policies:**

**Accounting Method**

The financial statements of the Plan have been prepared on the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Employee and Employer contributions were recognized in the period that contributions are due.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

**SAN DIEGO YOUTH SERVICES 403(B) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**Note 2 - Significant Accounting Policies: (Continued)**

**Fair Value Measurements**

Fair value accounting standards define fair value, establish a framework for measuring fair value, outline a fair value hierarchy based on inputs used to measure fair value and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

- Level 1 inputs are quoted prices in active markets for identical investments that the investment manager has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the investment.

The Plan's statements of net assets available for benefits include the following financial instruments that are required to be measured at fair value on a recurring basis:

- Pooled separate accounts ("PSA") represent units held in pooled separate accounts that are valued using the net asset value ("NAV") of the fund. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a PSA is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund.

**Investment Income Recognition**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

**Notes Receivable From Participants**

Participant loans are reported at their unpaid balances plus accrued and unpaid interest.

**Payments of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Expenses of the Plan, including legal, audit, administrative, and Custodian expenses, are generally paid by the Company, with the exception of certain administrative expenses which are paid for by the Plan and charged to participants' accounts. The Plan incurred \$2,369 of administrative expenses for the year ended December 31, 2024. Participants with loan balances pay an origination fee for loan administration from their respective Plan accounts.

**SAN DIEGO YOUTH SERVICES 403(B) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**Note 2 - Significant Accounting Policies: (Continued)**

**Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participant’s account balances and the amounts reported in the statements of net assets available for benefits.

**Subsequent Events**

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 9, 2025, the date the financial statements were available to be issued, and concluded that there were no events or transactions that needed to be disclosed.

**Note 3 - Fair Value Measurements:**

The Plan has no assets measured at fair value that are required to be reported by classification within the fair value hierarchy at December 31, 2024 and 2023.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

		2024		
Instrument	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 9,215,590	N/A	Daily	12 months
		2023		
Instrument	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 7,718,236	N/A	Daily	12 months

**Note 4 - Information Prepared and Certified by the Custodians:**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to the Plan’s investments disclosed in the accompanying financial statements, including investments held at December 31, 2024 and 2023, net appreciation in fair value of investments, and interest and dividend income for the year ended December 31, 2024 was obtained or derived from information certified as complete and accurate by Mutual of America Life Insurance Company and Metropolitan Life, Inc., the Custodians of the Plan.

**SAN DIEGO YOUTH SERVICES 403(B) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**Note 5 - Guaranteed Interest Accounts:**

The Plan has Guaranteed Interest Accounts with Mutual of America Life Insurance Company and Metropolitan Life, Inc., which are not fully benefit responsive. Mutual of America Life Insurance Company and Metropolitan Life, Inc. maintain the contributions in general accounts that invest primarily in fixed maturity securities, real estate and mortgages, equity securities and policy loans. Funds placed in these accounts earned a guaranteed interest rate for a specified period (called the guaranteed period). Each account earns its own guaranteed interest rate. A charge may apply to early withdrawals or transfers of funds from these accounts before the guarantee period ends. The contracts are included in the financial statements at contract value, which is deemed to be fair value as reported by Mutual of America Life Insurance Company and Metropolitan Life, Inc., and totaled \$1,224,038 and \$1,171,663 at December 31, 2024 and 2023, respectively.

**Note 6 - Party-In-Interest Transactions:**

Certain Plan investments are shares of pooled separate accounts and other investments managed by Mutual of America Life Insurance Company and Metropolitan Life, Inc., the Custodians, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation or depreciation in fair values of investments.

**Note 7 - Plan Termination:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Note 8 - Tax Status:**

On June 27, 2007, the Company adopted the Mutual of America 403(b) Thrift Plan. The Plan has not received a determination letter from the Internal Revenue Service. The Company believes that the Plan currently is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan believes that it has appropriate support for any tax position taken, and, as such, does not have any uncertain tax positions that are material to the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2020.
