TOGETHER WITH INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Al Warren Oil Co./Altom Transport, Inc.
Group Benefit Plan

Opinion

We have audited the accompanying financial statements of Al Warren Oil Co./Altom Transport, Inc. Group Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and of benefit obligations of Al Warren Oil Co./Altom Transport, Inc. Group Benefit Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits and of changes in benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Al Warren Oil Co./Altom Transport, Inc. Group Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Al Warren Oil Co./Altom Transport, Inc. Group Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a

guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Al Warren Oil Co./Altom Transport, Inc. Group Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Al Warren Oil Co./Altom Transport, Inc. Group Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

AL WARREN OIL CO./ALTOM TRANSPORT, INC.
GROUP BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(1) DESCRIPTION OF PLAN:

The following description of the Al Warren Oil Co./Altom Transport, Inc. Group Benefit Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General -

The Plan provides health and other benefits to eligible employees of Al Warren Oil Company, Inc. and Altom Transport, Inc. (the Companies) and covered dependents. Employees are eligible to enroll if they are full-time (30 hours per week) and have been employed for sixty (60) or more days.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Benefits -

The Plan provides health benefits (medical, vision, dental, and prescription drugs), life insurance and accidental death and dismemberment benefits. The Plan covers employees of the Companies who work at least 30 hours per week. Employees become eligible to enroll after being employed full-time for 60 days, and cease to be eligible under the Plan when employment is terminated. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits -

The Plan offers participants the choice between a preferred provider organization (PPO) and a high-deductible health plan (HDHP). The Plan fully insures the life insurance benefits (basic, supplemental, and dependent), accidental death and disability benefits (basic, supplemental, and spousal), and vision benefits. The Companies purchase annual insurance contracts for these insured benefits. Premiums for all these insured benefits are paid from the assets of the Plan.

Stop Loss Coverage -

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

(1) DESCRIPTION OF PLAN (CONTINUED):

Self-Insured Benefits -

All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the general assets of the Companies. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions -

The Plan agreement provides that the Companies make contributions to the Plan in adequate amounts to provide benefits for employees. In addition, an employee is required to contribute specified amounts determined annually by the Plan administrator to provide benefits to the employees and their dependents.

The percentage of the premium that the Companies pay varies per employee depending upon whether the employee's date of employment with the Companies was before, or after, March 22, 2010. In general, if an employee joined the Companies before March 22, 2010, the Companies pay a higher percentage of your health insurance premium than it does for employees who were hired after March 22, 2010.

The Companies make contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Companies on a pay-as-you-go basis.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting and Use of Estimates -

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits -

Premiums paid by the Sponsor are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processors. Amounts due to claims processors or the Sponsor that have yet to be reimbursed by the Plan are recorded as accounts payable in the accompanying statements of net assets available for benefits. Short-term disability payments are processed through the Sponsor's payroll system and paid from the general assets of the Sponsor. These payments are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Stop Loss -

Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. For the years ended December 31, 2024 and 2023, stop loss refunds totaling \$862,428 and \$312,560, respectively, have been netted with claims paid in the accompanying statement of changes in net assets.

Refunds -

Pharmacy rebates are recorded when received. For the years ended December 31, 2024 and 2023, pharmacy refunds totaling \$349,139 and \$258,229, respectively, have been netted with claims paid in the accompanying statement of changes in net assets.

Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies and procedures and reports to the Plan management. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. As of December 31, 2024 and 2023, the plan did not hold any investments.

Subsequent Events -

Management has evaluated subsequent events for the Plan through October 13, 2025, the date the financial statements were available to be issued.

(3) CLAIMS INCURRED BUT NOT REPORTED:

Plan obligations at December 31, 2024 and 2023, for benefit claims incurred by participants but not reported at that date are estimated by the Plan based mainly on health benefits lag reports provided by the administrator. Such estimated amounts are reported in the accompanying statements of the Plan's benefit obligations at estimated present value. These amounts are paid by the Plan only if claims are submitted and approved for payment.

(4) ADMINISTRATIVE EXPENSES:

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Sponsor on behalf of the Plan.

(5) TAX STATUS:

The Plan is intended to qualify as tax exempt pursuant to Section 501(c)9 of the Internal Revenue Code and, accordingly, the Trust's net investment income is exempt from income taxes. The Plan sponsor believes that the trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the appropriate taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) TERMINATION OF THE PLAN:

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

(7) RISKS AND UNCERTAINTIES:

The Plan invests in a checking account with a bank. This checking account is not covered by the bank's FDIC insurance.

The present value of benefit obligations is reported based on certain assumptions noted on health benefit lag reports. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

(8) RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500:

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Schedule H of Form 5500 as of December 31, 2024:

Benefit obligations currently payable	(212,904)
