Independent Auditor's Report

To the Plan Administrator
Visionary Eye Care Partners 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Visionary Eye Care Partners 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

To the Plan Administrator
Visionary Eye Care Partners 401(k) Plan

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Visionary Eye Care Partners 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Visionary Eye Care Partners 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator
Visionary Eye Care Partners 401(k) Plan

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Visionary Eye Care Partners 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Visionary Eye Care Partners 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator
Visionary Eye Care Partners 401(k) Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. VISIONARY EYE CARE PARTNERS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 1: DESCRIPTION OF PLAN

The following description of the Visionary Eye Care Partners 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan, which was established and effective January 1, 2024, covering all eligible employees of Visionary Eye Care Partners, LLC, and participating employers: Refocus Management Services, Refocus Eye Health of Central CT, Refocus Eye Health of PA, PC., Refocus Eye Health of NJ, PC, Refocus Eye Health of RI, LLC, Greenwich MSO, Inc., NERA MSO, Inc., and Dulles Eye Associates, Inc. (the “Company”). The Company is the Plan’s sponsor and serves as plan administrator. Empower Trust Company, LLC is the directed trustee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - All employees of the Company, excluding collective bargaining (union) employees, non-resident aliens, residents of Puerto Rico, and independent contractors are eligible to participate in the Plan. Employees that attain 21 years of age are eligible to participate in the Plan on first day of each month.

Contributions - Each year, participants may contribute up to 100% of pretax and Roth annual compensation, as defined in the plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company provides various types of contributions to the Plan. Non-elective contributions are made on a discretionary basis, as determined annually by the Company. The Company also makes safe harbor matching contributions equal to 100% of an employee’s salary deferrals, up to 4% of each participant’s eligible compensation. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts - Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Participants are immediately vested in their own contributions, rollovers, and actual earnings or losses thereon. Additionally, participants are immediately vested in the Company’s safe harbor and non-elective matching contribution.

VISIONARY EYE CARE PARTNERS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2024

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years. The interest rate is based on the rates available for similar loans from commercial lending institutions. Principal and interest are paid ratably through payroll deductions. The number of loans that a participant may take are limited to one at any one time.

Payment of Benefits - Upon termination of service due to death, disability, or retirement (65), a participant or beneficiary will receive 100% of his or her vested account balance as a lump sum. A participant that attains age 59½ may receive an in-service distribution while still employed by the Company.

As required under Section 401(a)(9) of the Code, a participant who is not a five percent or more owner of the Company must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (i) the calendar year following the year in which the participant reaches age 73, or (ii) the calendar year in which the participant retires.

If a terminated participant does not elect to have a mandatory distribution not exceeding \$1,000 paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, the plan administrator will direct the trustee to immediately distribute such benefit in a lump sum without the participant's consent. For any distribution exceeding \$1,000, but not in excess of \$5,000 (\$7,000 effective October 15, 2024), the participant shall be given the option to elect to have such distribution paid directly to an eligible retirement plan specified by him or her in a direct rollover or to receive the distribution directly. If neither option is selected, the plan administrator shall make such distribution in a direct rollover to an individual retirement plan designated by the plan administrator and shall provide written notice to the participant informing the participant that he or she has the option to transfer such amount into another individual retirement plan of his or her own choice.

Hardship Withdrawals - Participants may withdraw their elective deferral contributions in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan. The distribution may exceed the immediate and heavy financial need by the amount of federal, state, or local income tax or penalties reasonably anticipated to result from the distribution. The participant must exhaust all other avenues prior to obtaining a hardship withdrawal, including obtaining a nontaxable loan from the Plan.

Forfeitures - Forfeitures are the nonvested portion of a participant's account that are lost upon separation of service before attaining the vesting requirements. Due to immediate vesting of employer contributions, as of December 31, 2024 and 2023, there were no forfeited accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants as of the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contributions - Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when they are incurred.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events - The Plan's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The plan administrator has evaluated events and transactions through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Registered Investment Companies (Mutual Funds) - Registered Investment Companies (Mutual Funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed Annuity Contract - The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

The following table discloses, by level, the fair value hierarchy of the Plan's assets at fair value as of December 31:

NOTE 4: INFORMATION CERTIFIED BY CUSTODIAN

The Plan's investments as of December 31, 2024 and 2023, were held by Empower Annuity Insurance Company of America and Empower Trust Company, LLC. The Company has elected the method of annual reporting compliance permitted by Regulation 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Empower Annuity Insurance Company of America and Empower Trust Company, LLC have certified that the following information included in the Plan's financial statements and supplemental schedule of assets (held at end of year) is complete and accurate.

VISIONARY EYE CARE PARTNERS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2024

NOTE 5: RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has not considered normal plan operations such as participant and employer contributions to the Plan or benefits accrued or paid by the Plan for participants as party-in-interest transactions that require separate disclosure. Certain plan investments are shares of registered investment companies managed by Empower Trust Company, LLC.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances. Any unallocated forfeitures would be allocated to participants' accounts and distributed in such a manner as the Company may determine.

NOTE 7: TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the IRS dated November 14, 2022, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the Company believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or DOL. The Company has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan's federal Form 5500 is subject to examination by the IRS and DOL, generally for the three years after it was filed.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

VISIONARY EYE CARE PARTNERS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2024

NOTE 9: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there may be various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the Organization, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

NOTE 10: PLAN TRANSFER

Effective October 1, 2025, the Company spun off its participation in the Tri-Net PEO Plan and created this new plan on January 1, 2024. On October 17, 2025, \$37,159,456 of participant accounts, including loans, were transferred into the Plan.
