Hyatt Corporation Welfare Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Hyatt Corporation Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – Modified Cash Basis as of December 31, 2024 and Schedule H, Line 4j – Schedule of Reportable Transactions – Modified Cash Basis for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Continued)

In our opinion:

- the form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HYATT CORPORATION WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
(MODIFIED CASH BASIS)
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following is only a summary of the Hyatt Corporation Welfare Plan (the Plan) and its provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General: The Plan provides medical, dental, prescription, and vision benefits as well as certain life and disability insurance benefits. In 2024, the Plan also offered accident, critical illness and hospital confinement indemnity insurance. Regular full-time employees and their dependents, as defined, of Hyatt Corporation (the Company) and its affiliates and subsidiaries are generally eligible for enrollment beginning on the first day of the month after such active employee has completed 30 days of continuous employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Company has established a trust (the Trust) with The Northern Trust Company, the custodian of the Plan. The Trust receives employer and employee contributions, holds and invests the Plan's assets, and pays benefits under the Plan as directed by the plan administrator. The Company has engaged Blue Cross Blue Shield of Illinois (BCBS) and Meritain Health (Meritain) to administer the payment of self-insured medical benefits, Cigna Health Insurance (Cigna) to administer the payment of self-insured dental benefits, and Express Scripts, Inc. (ESI) to administer the payment of self-insured pharmacy benefits from the Trust. The Company has also engaged Vision Service Plan (VSP) to administer the payment of self-insured vision benefits and SurgeryPlus to administer the payment of self-insured medical benefits, specifically for certain non-emergency surgeries. The Company has engaged various other providers to administer other fully insured benefits provided by the Plan such as Hawaii Medical Service Association (HMSA), Hawaii Dental Service, Kaiser Permanente, Sistemas Medicos Nacionales, S.A. de C.V. (SIMNSA), MetLife and Voya. The Plan also has a Flexible Spending Arrangement (FSA). The FSA allows a participant to set aside a portion of his or her earnings to pay for qualified expenses as established by the Plan.

Contributions: The plan agreement provides that both the Company and employees make contributions to the Plan to provide health benefits for employees. Employee contributions for the self-insured health plans are based on fixed monthly payments and are determined by the Plan. The Plan pays premiums out of both Company and employee contributions for some fully insured health and dental benefits based on fixed monthly payments determined by the insurer. The Plan also allows employees, at their cost, to purchase via payroll deductions, voluntary supplemental, spouse and child insurance. Premiums are fixed monthly payments determined by the insurer. The Company pays basic group life and LTD and temporary state mandated disability premiums determined by the insurer.

Plan Expenses: Expenses of the Plan, including charges and expenses incurred in connection with the administration of the Plan and the investment of plan assets, are paid by the Plan. Certain management and legal services provided to the Plan are paid by the Company.

Other: Although it has not expressed any intention to do so, the plan sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan, subject to the provisions set forth in ERISA.

NOTES TO FINANCIAL STATEMENTS
(MODIFIED CASH BASIS)
December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements of the Plan are prepared on a modified cash basis of accounting, which differs from accounting principles generally accepted in the United States of America. Therefore, contributions and interest income are recorded when received; administrative expenses are recorded when paid. Similar to the accrual basis of accounting, benefits and premiums are recorded when paid by the Plan. Pharmacy rebates are recorded when received and \$18.8 million of rebates have been netted with benefits paid in the accompanying statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024.

Investment Valuation: The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a settlement-date basis.

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Common Trust: The fair value of participation units held in the common trust is based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. The common trust provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements at December 31, 2024		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments in fair value hierarchy	\$ -	\$ -	\$ -
Investments measured at net asset value*			
Common trust – short-term investment fund	\$ 16,329,806		
Total investments at fair value	\$ 16,329,806		

	Fair Value Measurements at December 31, 2023		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments in fair value hierarchy	\$ -	\$ -	\$ -
Investments measured at net asset value*			
Common trust – short-term investment fund	\$ 8,314,289		
Total investments at fair value	\$ 8,314,289		

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

Use of Estimates: The preparation of financial statements requires management to make significant estimates and assumptions that affect the reported disclosures of the claims incurred but not reported as of the plan year end and the reported amounts of additions, deductions, and changes in the claims incurred but not reported during the reporting period. Actual results could differ from those estimates. It is at least reasonably possible that a significant change may occur in the near term for the estimates of claims incurred but not reported.

Claims Incurred but Not Reported: Estimated claims incurred but not reported are based on actual claims lag data provided by Meritain, BCBS, ESI, Cigna, VSP, and SurgeryPlus.

December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Claims Payable: Claims paid by Meritain, BCBS, ESI, Cigna, VSP, or SurgeryPlus prior to year-end but not reimbursed by the Plan until after year-end are recorded as claims payable (a benefit obligation).

Deposits with Insurance Companies: The Plan provided insurance companies with deposits which represent reserves for medical and dental claims. The required deposit is evaluated annually by the insurance company.

NOTE 3 - INVESTMENTS – CERTIFIED INFORMATION

Certain information related to the investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including the investments held at December 31, 2024 and 2023, and the interest income for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by The Northern Trust Company (the Plan's custodian).

NOTE 4 - BENEFIT OBLIGATION

The Plan's benefit obligation includes claims reported but not paid and estimated claims incurred but not reported. The benefit obligation as of December 31, 2024 and changes therein for the year then ended is as follows:

Claims payable and claims incurred but not reported:	
Balance at beginning of year	\$ 21,515,577
Claims and premiums incurred	236,620,443
Claims and premiums paid	<u>(232,110,567)</u>
Balance at end of year	<u>\$ 26,025,453</u>

The Plan's deficiency of net assets over benefit obligations at December 31, 2024 relates primarily to claims incurred but not reported, the funding of which is made based on actual claims filed. It is expected that the deficiency will be funded through contributions from Hyatt Corporation and future increases in employee contribution rates.

NOTE 5 - TAX STATUS

The Trust established under the Plan to hold the Plan's assets obtained its latest determination letter dated May 7, 1992, in which the Internal Revenue Service (IRS) stated that the Trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC) Section 501(c)(9). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

NOTE 5 - TAX STATUS (Continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in a short-term investment fund managed by The Northern Trust Company, which could be exposed to various risks, such as interest rate, market, liquidity and credit risk as well as risks associated with global events. Due to the level of risk associated with certain underlying investments of the fund and the level of uncertainty related to changes in the value of investments, the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. As of December 31, 2024 and 2023, the Plan's investment in this fund represents approximately 91% and 81%, respectively, of net assets available for benefits.

The Plan is subject to a concentration of credit risk related to non-interest-bearing cash held at Bank of America, N.A. Accounts at this institution are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At December 31, 2024 and 2023, the Plan had \$1,131,516 and \$1,287,083 in excess of the FDIC insured limit, respectively.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company, and certain others. The Plan holds an investment which is issued by The Northern Trust Company. As The Northern Trust Company is a custodian of the Plan's assets, this investment is considered a party-in-interest investment. Additionally, as the Plan also holds non-interest-bearing cash in a bank account held by Bank of America, N.A and Bank of America, N.A. is a custodian of the Plan's assets, this asset is considered a party-in-interest asset.

Certain trustee and recordkeeping fees were paid to The Northern Trust Company by the Plan. In addition, fees were also paid to certain parties-in-interest for claims administration, audit services, and other consulting services. These transactions are also considered party-in-interest transactions.

NOTE 8 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 14, 2025, which is the date the financial statements were available to be issued.
