### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Safe-Harbor 401(k) Profit-Sharing Plan for Employees of Legal Services of North Florida, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2024 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

### **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Board of Directors  
Safe-Harbor 401(k) Profit-Sharing Plan for Employees  
of Legal Services of North Florida, Inc.

## INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2024 Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance

### INDEPENDENT AUDITOR'S REPORT

with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES  
OF LEGAL SERVICES OF NORTH FLORIDA, INC.  
NOTES TO THE FINANCIAL STATEMENT**

**Note 1 - Description of Plan**

The following description of the Safe-Harbor 401(k) Profit-Sharing Plan for Employees of Legal Services of North Florida, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

**General**

The Plan, established January 1, 2004 and most recently restated January 1, 2022, is a defined contribution plan covering all eligible employees, as defined, of Legal Services of North Florida, Inc. (the Company). Employees must attain 19 years of age to participate in the Plan. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Participants may elect to contribute either pre-tax or after-tax Roth deferrals up to 100% of their eligible annual compensation, as defined in the Plan agreement, up to the maximum of \$23,000 allowed under the Internal Revenue Service (IRS) limitation for calendar year 2024. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 to the Plan in 2024. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

The Plan provides for the Company to make safe harbor non-elective contributions equal to 3% of eligible compensation, as defined, for participants that have attained age 19. The Company may also, at its discretion, elect to make a profit-sharing contribution to the Plan each year. A participant must have attained age 19, be employed on the last day of the Plan year, and complete at least 1,000 hours of service during the Plan year to be eligible to receive an allocation of the Company's discretionary profit-sharing contribution. Allocation of the discretionary profit-sharing contribution is based on the percentage that each participant's eligible compensation bears to total eligible compensation of all participants. For the year ended December 31, 2024, the Company contributed \$164,180 in discretionary profit-sharing contributions.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's safe harbor non-elective contributions, an allocation of the Company's profit-sharing contributions, and an allocation of Plan earnings and charged with benefit payments and an allocation of the Plan's losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investment Options**

Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor.

**Vesting**

Participants vest immediately in their elective contributions and Company safe harbor non-elective contributions, plus earnings thereon. Company discretionary profit-sharing contributions plus actual earnings thereon vest over a period of six years as follows:

**SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES  
OF LEGAL SERVICES OF NORTH FLORIDA, INC.  
NOTES TO THE FINANCIAL STATEMENT**

1 Year	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years	100%

A participant will also be 100% vested in discretionary profit-sharing contributions upon death, disability, or attainment of normal retirement age, as defined.

**Forfeitures**

Any non-vested amounts remaining after the distribution of a terminated participant's vested account balance are forfeited. Amounts forfeited by participants may be used to pay Plan expenses, reduce Company contributions, or may be allocated to participants as an additional contribution. At December 31, 2024 and 2023, unallocated forfeitures totaled \$49,284 and \$41,658, respectively. There were no forfeitures used during the year ended December 31, 2024.

**Payment of Benefits**

Upon termination of service due to death, disability, retirement, or termination of employment, a married participant with a vested balance greater than \$5,000 at the date benefits are to begin will automatically receive a joint and 66 2/3% survivor annuity, unless an alternative form of payment is elected. Participants that are not married at the date benefits are to begin will automatically receive a life annuity, unless an alternative form of payment is elected. If a participant elects to receive a distribution in a form other than an annuity, the participant (and spouse, if married) must first waive the annuity form of payment. Alternative forms of payment include a single lump-sum payment, installments over a period of time, partial withdrawals, or the purchase of a different form of annuity. Distribution from a participant's account with a vested balance of less than \$5,000 may only be made in the form of a single lump-sum payment. Hardship withdrawals may be requested from certain contribution sources, as defined, and are paid in one lump-sum upon approval. In-service distributions from a participant's vested account balance may be made provided the participant has reached the age of 59 ½.

**Administrative Expense**

The Plan's administrative expenses are paid by either the Plan or the Company. Expenses paid by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan are included in administrative expenses and certain investment-related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits. Any costs associated with the investment of a participant's account are charged to that participant.

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES  
OF LEGAL SERVICES OF NORTH FLORIDA, INC.  
NOTES TO THE FINANCIAL STATEMENT**

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments in pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional discussion of fair value measurements.

The Plan invests in the Mutual of America Life Insurance Company Interest Accumulation Account, which is considered to be a fully benefit-responsive guaranteed interest account that is included within Mutual of America Life Insurance Company's (MOALIC) General Account. The primary objective of the Interest Accumulation Account is stability of principal. Under the terms of the contract, an annual crediting rate is established in accordance with the National Association of Insurance Commissioners minimum rate formula and will not be less than 0.15% or greater than 3.00%.

The contract meets the fully-benefit responsive contract criteria and, therefore, is reported at contract value. Contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MOALIC, represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES  
OF LEGAL SERVICES OF NORTH FLORIDA, INC.  
NOTES TO THE FINANCIAL STATEMENT**

**Subsequent Events**

The Company has evaluated events and transactions occurring subsequent to December 31, 2024, as of October 13, 2025, which is the date the financial statements were available to be issued. No material events have occurred since December 31, 2024, that require recognition or disclosure in the financial statements.

**Note 3 - Information Certified by Mutual of America Life Insurance Company**

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule of assets (held at end of year), which was certified by MOALIC, as of and for the year ended December 31, 2024, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	<u>2024</u>	<u>2023 (Compiled)</u>
Investments, at Fair Value	\$ 5,681,122	\$ 4,701,625
Investments, at Contract Value	\$ 926,716	\$ 764,984
		<u>2024</u>
Net Appreciation in Fair Value of Investments		\$ 691,270
Interest on Guaranteed Interest Account		\$ 24,682

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

**Note 4 - Fair Value Measurements**

The Plan measures and reports its financial assets and liabilities using a three-tier hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

**Level 1**—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2**—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES  
OF LEGAL SERVICES OF NORTH FLORIDA, INC.  
NOTES TO THE FINANCIAL STATEMENT**

**Level 3**—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology at December 31, 2024 and 2023.

*Pooled Separate Accounts*—The Plan holds units of participation in the separate accounts, which are valued daily at their accumulation unit value. Accumulation unit value is determined based on the net asset values of the funds as reported by the fund managers and the contract’s separate account charges. The pooled separate accounts invest directly in designated actively traded mutual funds, which are valued daily at their net asset values. There are no redemption restrictions or unfunded commitments on these investments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan’s management believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

**Note 5 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100% vested in their account balances.

OF LEGAL SERVICES OF NORTH FLORIDA, INC.  
NOTES TO THE FINANCIAL STATEMENT**

**Note 6 - Risks and Uncertainties**

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 7 - Tax Status**

The Plan adopted a non-standardized pre-approved profit sharing/money purchase plan, which received a favorable opinion letter from the IRS dated November 30, 2020. The opinion letter stated that the Plan was designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the ruling. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress

**Note 8 - Party-In-Interest Transactions**

Investments held by the Plan are issued by MOALIC. Transactions related to these investments qualify as party-in-interest transactions. Administrative fees paid to an affiliate of MOALIC totaled \$851 for the year ended December 31, 2024. These transactions qualify as exempt party-in-interest transactions.

**Note 9 - Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023:

	<u>2024</u>	<u>(Complied) 2023</u>

**SAFE-HARBOR 401(k) PROFIT-SHARING PLAN FOR EMPLOYEES

NOTES TO THE FINANCIAL STATEMENT**

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:

2023 Employee Contributions Receivable	22,527
<b>Net Increase in Net Assets Available for Benefits Per Form 5500</b>	<b>\$ 1,141,229</b>

**Note 10 - Plan Correction**

In connection with the restatement of the Plan effective January 1, 2020, the eligibility requirements for certain employer contributions were revised as follows:

- The eligibility criteria to receive safe harbor non-elective contributions were amended from requiring both attainment of age 19 and one year of service to requiring only attainment of age 19.
- The eligibility criteria to receive the Company’s discretionary profit-sharing contributions were revised from requiring both attainment of age 19 and one year of service to requiring attainment of age 19, one year of service, and employment on the last day of the Plan Year.

However, subsequent to the restatement, the Company continued to apply the prior eligibility criteria for both the safe harbor and discretionary profit-sharing contributions.

The Company is currently evaluating the impact of this operational error and intends to self-correct the error through a retroactive amendment to the Plan’s eligibility provisions to conform with criteria that were applied in practice. Accordingly, the Company does not believe that this error will have a material effect on the Plan’s financial statements.
