INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator
of the TechCXO LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of TechCXO LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TechCXO LLC 401(k) Profit Sharing Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TechCXO LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TechCXO LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TechCXO LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TechCXO LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TECHCXO LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
Years ended December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION

The following description of the TechCXO LLC 401(k) Profit Sharing Plan (the "Plan") provides general information regarding the Plan. Refer to the Plan document for a complete description of Plan provisions.

General

The Plan is a contributory, defined contribution plan covering substantially all employees and members of TechCXO LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed under ERISA.

Eligibility

The Plan allows any employee, except those scheduled to work less than 20 hours per week, to begin participating in the Plan immediately upon employment. Notwithstanding the preceding, an employee who is credited with at least 1,000 hours of service during the 12-consecutive month period beginning on the employment commencement date during any Plan year and who satisfies the Plan's other eligibility requirements, will be eligible to participate in the Plan.

Contributions

A participant may contribute up to 100% of compensation, as defined, up to the allowable Internal Revenue Service ("IRS") limits per year as an authorized payroll deduction. Participants reaching age 50 and older may elect to defer additional "catch-up contributions" as well. The Company makes safe harbor contributions equal to 3% of Plan compensation. In addition, the Company may, at its discretion, make additional profit sharing contributions to the Plan. The Company contributed \$2,469,534 and \$2,463,605 in profit sharing contributions to the Plan for the years ended December 31, 2024 and 2023, respectively.

Participants are immediately 100% vested in employer contributions and salary deferrals made to the Plan. However, employees must reach the age of 18, have one year with 1,000 hours of service, and be employed with the Company on the last day of the Plan year to receive profit sharing contributions.

Participant Accounts and Investment Options

Each participant's account is credited with the participant's contribution and the Company's contribution and is entitled to the benefit that can be provided from the participant's account. Participants direct the investments of their contributions into various mutual funds.

Administrative Expenses

Recordkeeping expenses are deducted from the participant accounts. Certain administrative expenses of the Plan are paid by the Company, except for fees that are paid by the participant for certain maintenance expenses and other withdrawal charges.

Termination of the Plan

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

TECHCXO LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
Years ended December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION (continued)

Loans

Participants may borrow against the vested portion of their account balance. The minimum amount of any loan is \$1,000, and the loan cannot exceed 50% of the vested portion of the participant's account balance or \$50,000, whichever is less. Repayments are made through payroll withholding or direct payment from participants. The loans are secured by the balance in the participant's account, and new loans issued bear interest at the prime rate plus 1%.

Benefit Payments

On termination of service due to death, disability, retirement, or termination of employment, a participant may receive a lump-sum distribution or may elect annuity payments. In-service distributions may be taken for hardships as specified in the Plan document or when the participant reaches age 60.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Investment Presentation, Valuation, and Income Recognition

The Plan's investments are stated at fair value. See Note 4 for discussion of fair value measurements. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year end, is presented in the statement of changes in net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest at the Plan's year end. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document. Interest income is recorded when paid. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid.

TECHCXO LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
Years ended December 31, 2024 and 2023

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

As of December 31, 2024 and 2023, and for the years then ended, the Plan administrator elected, as permitted by Section 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, to have financial information certified by the trustee, Reliance Trust Company. The following information was certified by the trustee as being complete and accurate and not subjected to normal audit procedures:

- a. Statements of Net Assets Available for Benefits – Notes receivable from participants (participant loans) at amortized cost, and all other investments at fair value.
- b. Statements of Changes in Net Assets Available for Benefits – Interest and dividend investment income, interest income on participant loans, net appreciation (depreciation) in fair value of investment accounts.
- c. Schedule H, Line 4i – Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024.

NOTE 4: FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards generally accepted in the United States establishes a hierarchy of inputs to valuation of that price using three levels described in the following:

Level 1 -- unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 -- other observable inputs (such as prices for similar assets in active markets, or the same asset in an inactive market).

Level 3 -- unobservable inputs based on the best information available in the circumstances, to the extent observable inputs are not available.

The hierarchy gives the highest priority to level 1 inputs and the lowest to level 3 inputs. Accordingly, the degree of judgement exercised in determining fair value is greatest for level 3 assets. The Plan measures assets at fair value on a recurring basis and does not have any liabilities measured at fair value. Additionally, there are no assets or liabilities at fair value on a nonrecurring basis.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used at December 31, 2024 and 2023. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$39,138,468	\$ -	\$ -	\$39,138,468
Total investments at fair value	\$39,138,468	\$ -	\$ -	\$39,138,468
	Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$31,509,645	\$ -	\$ -	\$31,509,645
Total investments at fair value	\$31,509,645	\$ -	\$ -	\$31,509,645

NOTE 5: PARTIES IN INTEREST AND ADMINISTRATIVE FEES

The Plan used the services of T. Rowe Price and their sub-contractor DST Retirement Solutions, LLC (recordkeeping, custodian, and advisory services); Northwestern Mutual (advisory services); ERISA services (advisory services); Mersereau, Lazenby and Rockas, LLC (audit services), and Reliance Trust Company (trust services), which are parties in interest with respect to the Plan. Transactions with these service providers are not considered prohibited transactions under the IRC and are not prohibited by ERISA. Substantially all of the expenses for investing and managing the assets are paid by the Plan and charged to each investment fund option within the Plan. However, fees related to the administration of notes receivable from participants and certain fees for distributions from the Plan are charged directly to the participant's account and included in fees in the financial statements.

NOTE 6: CONTRIBUTIONS RECEIVABLE

For the years ended December 31, 2024 and 2023, employer contributions receivable resulted from accruals of profit sharing contributions from the sponsor in the amounts of \$2,469,534 and \$2,463,605, respectively. Amounts were received into the Plan in March of 2025 and 2024, respectively.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is, at least, reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: TAX STATUS

The Plan sponsor adopted a plan which received a favorable opinion from the Internal Revenue Service dated June 1, 2021, which states that the Plan is designed in accordance with the applicable sections of the IRC and is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024 and 2023, there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

NOTE 9: RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 as of December 31:
