Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IBT Local 863 Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IBT Local 863 Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IBT Local 863 Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IBT Local 863 Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental schedules on pages 13 - 16 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Supplemental Schedules-Other

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Administrative Expenses is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

IBT LOCAL 863 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the IBT Local 863 Retirement Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan established pursuant to Section 401(a) of the Internal Revenue Code and the Employee Retirement Security Act (29 U.S.C. 1001, et seq.).

An employee is eligible to become a participant in the Plan if the employee's job is covered by a collective bargaining agreement ("CBA") with the International Brotherhood of Teamsters Local 863 requiring the employer to make contributions on the employee's behalf pursuant to a Participation Agreement. However, before becoming a participant, the employee may be required to complete a probationary period, as defined in the applicable CBA. Once the probationary period is complete, the employee's participation status will be retroactive to their date of hire. The Plan was effective July 1, 2006.

Contributions

The employer shall make contributions to the Plan as set forth in its Collective Bargaining Agreement or Participation Agreement. No employee contributions shall be made to the Plan. Contribution rates vary by employer and are based upon the amounts agreed upon in their applicable collective bargaining agreement.

Participant Accounts

Each participant's account is credited with the allocations of (a) the employers' contribution, (b) plan earnings and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants become 100% vested once they have earned at least 200 hours of service in a twelve (12) consecutive month period. Participants in the Local Union No. 863 I.B.T. Pension Plan who become participants in this Plan are 100% vested immediately.

Payment of Benefits

Benefits are payable in a single lump-sum distribution.

Forfeited Accounts

A participant who has not attained a vested interest in their account as of his termination of employment date shall forfeit their account as of the termination date.

For the years ended December 31, 2024 and 2023, forfeitures of \$262,556 and \$241,147, respectively, were used to reduce administrative expenses and investment fees. To the extent that forfeitures are not used to pay administrative expenses by the last day of a Plan year, forfeitures will be allocated annually among all participants based on their account balances as of that date. Forfeitures of \$10,451 and \$9,249 were reinstated in 2024 and 2023, respectively.

IBT LOCAL 863 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

Employers shall pay for each employee a sum of one (\$1) dollar for each week during which an employee was paid for any hour of work. This amount is paid monthly and used solely to pay and defray administrative costs incurred by the Plan. Employers shall make no additional payments for administrative costs or expenses.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments include the Plan's gains and losses on investments bought and sold as well as held during the year.

Date of Management's Review

The Plan has evaluated subsequent events through October 9, 2025, which is the date the financial statements were available to be issued.

Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter dated February 25, 2011, that the Plan is designed in accordance with section 401-1(b)(3) of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified.

Accounting for Uncertain Tax Positions

The Plan adopted generally acceptable accounting principles for recognition, measurement, presentation and disclosure relating to uncertain tax positions, which applies to business enterprises, not-for-profit entities, and pass-through entities, such as S corporations and limited liability companies.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting for Uncertain Tax Positions (Continued)

The Plan files income tax returns in the U.S. Federal jurisdiction. Filings for the years prior to 2021 are closed under statute of limitations.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIANS

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustees.

	<u>2024</u>	<u>2023</u>
Investments, at fair value:		
Common Stocks and Exchange - Traded Funds	\$ 46,798,869	\$ 45,829,923
Mutual Funds	29,946,925	16,803,154
Money Market Funds	3,462,297	3,481,982
Common Collective Fund	84,881	116,855
U.S. Government Securities	<u>891,622</u>	<u>812,677</u>
	<u>\$ 81,184,594</u>	<u>\$ 67,044,591</u>
Net investment income	<u>\$ 1,977,313</u>	<u>\$ 1,457,031</u>
Net appreciation (depreciation) in fair value of investments	<u>\$ 11,624,868</u>	<u>\$ 10,837,601</u>

In addition, amounts included in non-interest-bearing cash of \$12,051,166 and \$7,411,078, for 2024 and 2023, respectively, were certified by the current custodian, Comerica Bank & Trust, N.A.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;

IBT LOCAL 863 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024:

- *Common Stocks, U.S. Government Securities and Exchange-Traded Funds:* Valued at the closing price reported on the active market on which the individual securities are traded.
- *Mutual Funds:* Valued at net asset value (NAV) of shares held by the Plan at year end.
- *Common Collective Trusts:* Valued at net asset value (NAV) of shares and units held by the Plan at year end.
- *Money Market Funds:* Valued using amortized cost which approximates fair value and the closing price reported on the active market on which the fund is traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level the Plan's assets at fair value as December 31, 2024:

Description	Level 1	Level 2	Level 3	Total
Common stocks & exchange - traded funds	\$ 46,798,869	\$ -	\$ -	\$ 46,798,869
Money market funds	-	3,462,297	-	3,462,297

Total assets at fair value	<u>\$ 46,642,600</u>	<u>\$ 20,401,991</u>	<u>\$ -</u>	<u>\$ 67,044,591</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers into and out of levels at the end of the reporting period. For the years ended December 31, 2024 and 2023, there were no significant transfers into or out of levels 1 and 2.

NOTE 5 - RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>

Net increase (decrease) in net assets available for benefits per Form 5500	<u>\$19,426,759</u>	<u>\$14,746,805</u>

NOTE 6 - TERMINATION OF PLAN

In event of termination of the Plan, the participants will be 100% vested in their accounts. The participant account balances in the Plan will be distributed as they exist on the date the Plan is terminated. No additional contributions will be made or benefits earned after the date of termination (or, if earlier, the date any collective bargaining agreement no longer requires contributions by an Employer to the Plan). Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits and certain disability and survivor's pensions.

IBT LOCAL 863 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 6 - TERMINATION OF PLAN (Continued)

However, the PBGC does not guarantee all types of Plan benefits, and the amount of benefit protection is subject to certain limitations. The Employee Retirement Income Security Act of 1974 ("ERISA") excludes plans like this one from the plan termination insurance provided through the PBGC.

NOTE 7 - SIGNIFICANT MEMBER COMPANIES

During the year ended December 31, 2024, contributions received from four (4) employers amounted to \$7,674,325 and represented approximately 65% of total contributions. During the year ended December 31, 2023, contributions received from four (4) employers amounted to \$5,304,078 and represented approximately 58% of total contributions.

NOTE 8 - RELATED PARTY TRANSACTIONS

Administrative services are provided by Pension Fund of Teamsters' Local Union No. 863. The administrative services consist of rent, employee salaries and benefits, and overhead items (such as utilities, office supplies, technology), but excludes the Plan's legal, investment management and consulting, accounting, and actuarial costs. For the year ended December 31, 2024, amounts paid for administrative services to Pension Fund of Teamsters' Local Union No. 863 was \$179,496.

NOTE 9 - PARTY-IN-INTEREST

A majority of the Plan's investments are managed by Comerica, which is part of Comerica Bank and Trust, N.A. The Plan has investments in Janney Advantage Insured Sweep money market funds and Comerica short term fund common collective trust. Since Comerica, is the custodian and investment manager of the Plan, these transactions qualify as party-in-interest transactions.

All these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 10 – RISKS AND UNCERTANTIES

The Plan maintains cash balances at a banking institution located in New Jersey. Balances are insured by the Federal Deposit Insurance Corporation and may exceed the insured limits during the normal course of business throughout the year.

The Plan invests in common stocks, exchange-traded funds, common collective trusts, money market and mutual funds, which are investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 11 - COMMITMENTS

The Plan is responsible for the payment to terminated participants who have not received their vested benefits. Amounts payable, representing vested benefits, are approximately \$12,117,000 as of December 31, 2024.
