INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Plumbers & Pipefitters Local 653
Pension Plan

Opinion

We have audited the accompanying financial statements of Plumbers & Pipefitters Local 653 Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Plumbers & Pipefitters Local 653 Pension Plan as of December 31, 2024, and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers & Pipefitters Local 653 Pension Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers & Pipefitters Local 653 Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standard will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers & Pipefitters Local 653 Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers & Pipefitters Local 653 Pension Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, schedule H, line 4i - schedule of assets (held at end of year), is presented for purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF PLAN

The following brief description of Plumbers & Pipefitters Local 653 Pension Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

A. General

The Plan is a defined benefit pension plan covering all qualifying members of the Plumbers & Pipefitters Local 653. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Pension Benefits

Members with five or more years of service are entitled to monthly pension benefits beginning at normal age (65). Benefits under the Plan are based on members' hours of service. Currently, the normal retirement benefit rate is: (a) \$54.00 for years of credited service earned through December 31, 2012, (b) \$68.00 for years of credited service earned from January 1, 2013 through December 31, 2022, and (c) \$88.75 for years of credited service earned on or after January 1, 2023. The Plan permits early retirement at age 55.

C. Death and Disability Benefits

If an active member dies before retirement, a death benefit is paid to the members beneficiary equal to the greater of (a), (b), or (c) where (a) is fifty percent (50%) of the contribution which the plan has received on behalf of such participant from employers, (b) the present value of the participants accrued benefit, and (c) \$7,500. The post-retirement death benefit is \$3,750. Members under age 65 with five years of vested service and at least 400 hours of service during the preceding 24 months are eligible for disability benefits. Monthly benefits are equal to the amount that a participant would be entitled to as a normal retirement benefit based on years of credited service as of the disability retirement date.

D. Reciprocal Income and Payments

In accordance with agreements in place between Plumbers & Pipefitters local unions, contributions earned by members in the Plan while working in other local union jurisdictions are remitted to the Plan and counted towards those members' eligibility in the Plan. Similarly, contributions received by the Plan for hours worked by members of other local union jurisdictions while working in the Plan jurisdiction are paid to the respective members' local union office. Receipts and payments made under these agreements are included in reciprocity income and reciprocity expense, respectively, on the Statements of Changes in Net Assets Available for Benefits.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

A. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in accordance with accepted accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Employer Contribution Receivable

The receivable balance is recorded through February 28, 2025, and is presented at realizable value since this total was collected after year-end. No allowance for credit losses is needed since the total amount was realized within 60 days of December 31, 2024.

E. Payment of Benefits

Benefit payments to participants are recorded upon distribution.

F. Expenses

The Plan's expenses are paid by the Plan, as provided by the plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statement of Changes in Net Assets Available for Benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTE 3. ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS

Accumulated plan benefits are those future periodic payments, including lump-sum distributions that are attributable, under the Plan's provisions, to the service that members have rendered.

Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated members or their beneficiaries, (b) beneficiaries of members who have died, and (c) present members or their beneficiaries. Benefits under the Plan are based on members' hours of service.

Benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included to the extent they are deemed attributable to member service rendered to the valuation date. Early disability and termination pensions are also available.

The actuarial present value of accumulated plan benefits is determined by an actuary from Ekon Benefits and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuations as of January 1, 2025, and 2024, were (a) life expectancy of participants (for January 1, 2025 and 2024 the PRI-12 Employee Blue Collar Table for males and females) (b) retirement age assumptions (the assumed average retirement age was 62), and (c) investment return (the January 1, 2025 and 2024 valuations included assumed average rates of return of 7.00%). The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

The actuarial present value of accumulated plan benefits as of the current valuation date is shown below and is compared with the figures from the prior year.

NOTE 4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of mutual funds and exchange traded funds are based on quoted market prices.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2024, and 2023, there were no significant transfers in or out of Level 1, 2, or 3.

Fair Value of Investments That Calculate Net Asset Value (NAV)

The following table summarizes the AFL-CIO Building Investment Trust for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024, and 2023.

AFL-CIO Building Investment Trust

The AFL-CIO Building Investment Trust represents a bank collective trust that acquires direct or indirect interest in commercial real estate and mortgage loans secured by commercial real estate. The primary objective of the Trust is to maintain a portfolio that is balanced by property type and geographic location.

NOTE 5. FUNDING POLICY

The Plan is funded by contributions made by participating employers, under the terms of collective bargaining agreements, in amounts such that all employees' benefits will be fully provided for by the time they retire. For plan year 2023, employers contributed at the rate of \$4.50 per hour from January 1 – August 31 and \$5.06 per hour from September 1 through year end. For plan year 2024, employers contributed at the rate of \$5.06 per hour from January 1 – August 31 and \$5.11 per hour from September 1 through year end. The employers' contributions for the years ended December 31, 2024, and 2023 exceeded the minimum funding requirements of ERISA.

NOTE 6. PLAN TERMINATION

The Trustees shall have the right to discontinue or terminate this Plan in whole or in part, although they have not expressed any intention to do so. The rights of all affected participants to benefits accrued to the date of termination, partial termination, or discontinuance shall be nonforfeitable to the extent funded. In the event of termination, the assets then remaining in the Plan after providing for any administrative expenses, shall be allocated among the pensioners, beneficiary spouses and participants. Participants should refer to the Plan document for allocation order and further details.

NOTE 7. TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated January 28, 2015, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 7. TAX STATUS (CONT'D)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 8. RELATED PARTIES

The Plan has a related party, Plumbers & Pipefitters Local 653, which provides administration for the Pension Plan. Total administration fees paid for the years ended December 31, 2024, and 2023 were \$6,000 and \$7,500, respectively.

NOTE 9. PARTIES IN INTEREST

The Board of Trustees have contracted Ekon Benefits to maintain eligibility records, account for employer contributions, pay qualified pension benefits, advise participants of plan changes, and perform other duties that may be required to administer the Plan. For the years ended December 31, 2024, and 2023, the Plan paid \$30,634 and \$30,454, respectively, for administration and actuarial services.

The Plan's investments are held by Ekon Benefits. Investment management fees for the years ended December 31, 2024, and 2023 totaled \$31,904 and \$27,918, respectively.

The Plan's annual audit is performed by Scheffel Boyle. Audit fees for the years ended December 31, 2024, and 2023 totaled \$6,250 and \$8,250, respectively.

The Plan's legal fees for the years ended December 31, 2024, and 2023 totaled \$1,361 and \$4,183, respectively.

NOTE 10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and those such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Plan contributions are made, and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

NOTE 11. PLAN AMENDMENTS

Effective January 1, 2024, the following amendment has been made to the plan: normal retirement benefit rates are \$54.00 for years of credited service earned through December 31, 2012, \$68.00 for years of credited service earned from January 1, 2013, through December 31, 2022, and \$88.75 for years of credited service earned on or after January 1, 2023.

NOTE 12. SUBSEQUENT EVENTS

The effect of subsequent events on the financial statements has been evaluated through October 7, 2025, which is the date the financial statements were available to be issued. Effective January 1, 2025, the following amendments has been made to the plan: normal retirement benefit rates are \$56.70 for years of credited service earned through December 31, 2012, \$71.40 for years of credited service earned from January 1, 2013, through December 31, 2022, and \$93.20 for years of credited service earned on or after January 1, 2023. Monthly pension benefits will increase by 5% for all retirees who retired on or before December 31, 2024 starting with the May 1, 2025 payment.
