## INDEPENDENT AUDITORS' REPORT

Board of Trustees  
Associated Oregon Loggers Health Benefits Trust Group Health Plan  
Salem, Oregon

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statement of Associated Oregon Loggers Health Benefits Trust Group Health Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statement.

In our opinion, the financial statement referred to above present fairly, in all material respects, the net assets available for benefits of Associated Oregon Loggers Health Benefits Trust Group Health Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of Associated Oregon Loggers Health Benefits Trust Group Health Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statement***

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Oregon Loggers Health Benefits Trust Group Health Plan's ability to continue as a going concern for one year after the date the financial statement is available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statement***

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Associated Oregon Loggers Health Benefits Trust Group Health Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Oregon Loggers Health Benefits Trust Group Health Plan's ability to continue as a going concern for a reasonable period of time.

Board of Trustees  
Associated Oregon Loggers Health Benefits Trust Group Health Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2024**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of Associated Oregon Loggers Health Benefits Trust Group Health Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan was established August 10, 2023, by the Associated Oregon Loggers, Inc., to provide health and other benefits for eligible employees and their dependents. The Plan began operations and the first transactions occurred starting April 1, 2024. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. This Trust is considered a "group insurance arrangement" as defined by the regulations promulgated under ERISA. ERISA regulations define a "group insurance arrangement" as an arrangement providing benefits to the employees of two or more unaffiliated employers, fully insuring one or more welfare plans of each participating employer, and using a trust as the holder of the insurance contracts and conduit for payment of premiums to the insurance company(ies).

**Eligibility**

An employer is entitled to participate in the Trust once the employer has completed and filed a master application adopting the Trust agreement, has been accepted for participation by the insurers, and has made all contributions required by the Trust.

To be eligible for benefits, participants must be employed by a participating employer and must meet eligibility requirements set by the conditions stated in the employer's Master Application.

Dependent eligible participants include spouses, domestic partnerships, children under the age of 26. A dependent's eligibility will terminate at the end of the month in which the employee's coverage ends or the dependent no longer meets the definition of a dependent set forth here.

An employee's eligibility will terminate at the end of the month in which the employee no longer satisfies the eligibility criteria set forth in the employer's Master Application, the applicable employer or employee premium is not received, the employer ceases to be eligible to participate in the Trust or Plan or the Trust ceases to provide a benefit plan.

Continuation of health care benefits to participants who would otherwise lose those benefits due to certain events, as mandated by the Consolidated Omnibus Budget Reconciliation Act (COBRA), normally applies to all employers employing 20 or more employees during a calendar year. It is each participating employer's responsibility to determine whether they need to comply with COBRA.

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Contributions**

Participating employers contribute predetermined monthly premium amounts for each participating employee and the employee's eligible dependents, if any. Retirees and recently unemployed participants may contribute specified amounts, as determined periodically by the Plan, in order to extend their individual coverage.

**Benefits**

The Plan provides medical, dental, vision, and prescription drug benefits for eligible employees and their dependents. The Plan has been fully insured since it was established. Fully insured premiums are paid by the Plan.

**Administration**

The Plan is administered by a Board of Trustees that is assisted by a contract administration organization and various professional service providers. Administrative expenses are borne by the Plan.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Cash**

The Plan has concentrated its credit risk for cash by maintaining deposits in one financial institution which may at times exceed amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation (FDIC). The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk to cash.

**Contributions Receivable**

Contributions due and not paid prior to year-end are recorded as contributions receivable. Delinquent contributions are recorded when collected. There were no amounts recorded as contributions receivable as of December 31, 2024. The estimate for expected credit losses considers historical loss experience, current economic conditions, and forward-looking information, including factors such as payment history, employer financial condition, and labor trends. As of December 31, 2024, the allowance for credit losses was insignificant.

NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2024**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Contributions**

Accounting principles generally accepted in the United States of America require separate disclosure of employer and employee contributions. Each employer determines the cost allocation between employee and employer to provide benefits. Based on how the Plan is administered, it is not feasible to segregate between the source of the contributions and, consequently, that information is not disclosed in the accompanying financial statements.

**Unearned Contributions**

Unearned contributions represent contributions received prior to year-end that relate to the subsequent month coverage. As of December 31, 2024, there were no unearned contributions.

**Benefit Obligations**

Premiums payable is estimated based on participant eligibility earned as a result of work performed by participants through December 31 and paid by the Trust subsequent to year-end. As of December 31, 2024 there were no obligations recorded in the financial statements.

**Payment of Benefits**

Premiums paid by the Plan are recorded as premium payments in the accompanying the statement of changes in net assets available for benefits when paid.

**Administrative Expenses**

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators and brokers. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses.

**Subsequent Events**

The Plan has evaluated subsequent events through October 7, 2025, the date the financial statements were available to be issued.

Insurance Premiums Payable - Beginning of Year	\$ -

**NOTE 4 TAX STATUS AND INCOME TAXES**

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The application for tax-exempt status has not yet been filed. The Plan is within the 27-month period from the date of formation during which such filing may be made and is in the process of preparing the necessary application. The Plan administrator believes that the trust, as amended, continues to qualify and to operate in accordance with the applicable provisions of the IRC and believes there is no activities that would generate business income tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 5 PLAN TERMINATION**

In the event the obligations of the employers to make contributions to the Plan terminate, the Trustees shall determine the disposition of any assets in the Trust after all expenses of the Plan have been paid, provided that any such distribution will only be made for the benefit of former participants and for the purposes set forth in the Plan. The surplus, if any, will be used to purchase such benefits for participants eligible at the time of termination, as the Trustees of the Plan may determine.

**ASSOCIATED OREGON LOGGERS HEALTH BENEFITS TRUST GROUP HEALTH PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2024**

**NOTE 6 FUNDING POLICY**

The Plan is financed by employer contributions and from participants electing COBRA coverage. The monthly contribution rate, including the rate for COBRA coverage, is determined by the coverage type selected by the employer in their Trust Master Application. The employer contribution rate is required to be at least 50% of the monthly contribution rate but can be up to 100% of the monthly contribution rate. Employee contributions include contributions which are being deducted from participant wages when the employer contribution rate is less than 100% of the monthly contribution rate and COBRA contributions. Employee contributions withheld from participant wages were included with employer contributions and are not segregated on the statement of changes in net assets available for benefits.

**NOTE 7 PARTY-IN-INTEREST TRANSACTIONS**

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.
