## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees  
Museum Associates dba Los Angeles County  
Museum of Art 403(b) Plan  
Los Angeles, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Museum Associates dba Los Angeles County Museum of Art 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

To the Board of Trustees  
Museum Associates dba Los Angeles County  
Museum of Art 403(b) Plan

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

**MUSEUM OF ART 403(b) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following brief description of the Museum Associates dba Los Angeles County Museum of Art 403(b) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

**A. General**

The Plan is a defined contribution plan that was established on April 1, 2000 by the Museum Associates (the "Employer") to provide retirement benefits for eligible employees, as defined in the Plan document. The Plan is administered by State Street Bank and Trust Company ("State Street"), the custodian, and Transamerica Retirement Solutions Corporation ("Transamerica"), the recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**B. Administrative Expenses**

The Employer pays most administrative expenses of the Plan. Certain asset charges and account fees are paid from participants' accounts.

**C. Eligibility**

Eligibility in the Plan is upon date of hire. The Employer also has a related 401(a) plan which is comprised of only Employer contributions.

**D. Contributions**

Participants may elect to contribute, on a tax-deferred basis, from 1% to 25% of their annual compensation up to a maximum of \$23,000 into the Plan, subject to Internal Revenue Code (Code) limitations. The Employer matches 100% of the participant's contributions up to 4% of the participant's annual compensation into the 401(a) plan, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions up to a maximum of \$7,500, subject to certain Code limitations.

**E. Participant Accounts**

Each participant's account is credited with the participant's contributions, rollover contributions and an allocation of Plan earnings. The Plan has various investment options from which the participants may select any combination for investment of their account balance.

**F. Vesting**

Participants are 100% vested in their contributions and rollovers at all times.

**G. Notes Receivable from Participants**

Participants may borrow from their account a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or \$50,000. Loan terms range from one to five years, except for the purchase of a primary residence. Loans are secured by the balance in the participant's account, and bear interest ranging between 4.25% to 9.50% as of December 31, 2024. Loans are due and payable upon termination of the participant.

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**H. Payment of Benefits**

A participant's benefits may be distributed at retirement, death, disability, or termination of service. The participant or beneficiary may elect to receive such benefits as an annuity, lump sum payment equal to the value of the vested interest in his or her account, or as a direct rollover. The participant may elect to defer the distribution for a specific period of time ending no later than the participant's normal retirement age. Hardship withdrawals are permitted.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**B. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**C. Investment Valuation and Income Recognition**

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Level 1 inputs are quoted prices in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The following tables summarize Plan investments reported at fair value based on the inputs used to value them:

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 28,378,027	\$ -	\$ -	\$ 28,378,027

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Investment Valuation and Income Recognition (Continued)**

Level 1 investments are mutual funds valued at quoted market prices. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

**D. Risks and Uncertainties**

The Plan holds a variety of investments, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

**NOTE 3 - RELATED PARTY TRANSACTIONS**

State Street and Transamerica Life Insurance Company ("TLIC") provide investment options offered under the Plan. Transactions in these funds, while considered party in interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party in interest transactions under ERISA.

**NOTE 4 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIANS**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2024 and 2023 and investment income for the year ended December 31, 2024 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by State Street and TLIC, the custodians of the Plan.

**NOTE 5 - GUARANTEED ACCOUNTS**

The Plan maintains a fully benefit-responsive group annuity contract with TLIC through guaranteed accounts. Contributions to the guaranteed accounts are maintained in TLIC's general assets and credited for interest and charged for participant withdrawals and administrative expenses. TLIC is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. The guaranteed accounts meet fully benefit-responsive investment contract criteria and are reported at contract value. Contract value represents contributions made under a contract, plus earnings, less participant withdrawals and administrative expenses. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions within the terms of the Plan.

**NOTE 6 - INCOME TAX STATUS**

Section 403(b) tax deferred annuity plans are not required to obtain a determination letter from the Internal Revenue Service stating they are qualified under the Code. However, the plan administrator believes the Plan has been designed and operated to comply with applicable requirements of the Code and is tax exempt. Therefore, no provision for income taxes has been included in the financial statements.

**MUSEUM ASSOCIATES dba LOS ANGELES COUNTY**  
**MUSEUM OF ART 403(b) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 6 - INCOME TAX STATUS (Continued)**

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

**NOTE 8 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 14, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that require recognition or additional disclosures in the financial statements.
