## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of the  
Radius Global Marketing Research LLC 401(k):

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the Radius Global Marketing Research LLC 401(k) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibility for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# NawrockiSmith

## ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibility for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

# NawrockiSmith

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to certified investment information, except for obtaining and reading the certification, comparing the certified investment information with related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## ***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets Held (At End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# NawrockiSmith

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**(1) Plan Description:**

The following description of the Radius Global Marketing Research LLC 401(k) (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**Background -**

Radius Global Marketing Research LLC (the “Sponsor”) established the Plan on January 1, 2005. On June 1, 2019, the Sponsor’s CEO approved the merger of the Illumination Research, Inc. 401(k) PSP and Trust with this Plan. Illumination Research, Inc. is a wholly owned subsidiary of the Sponsor. The Plan is a defined contribution plan covering all eligible employees who have attained the age of 21 and completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Plan Contributions -**

Participants may contribute pre-tax compensation, as defined in the Plan, and Roth elective deferrals subject to Internal Revenue Service (“IRS”) statutory limitations by means of payroll deductions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of the contributions into various investment options offered by the Plan.

The Plan document was amended as of January 1, 2019 to allow a discretionary matching contribution. For the year ended December 31, 2024, the amount was 100% of the participant’s deferral up to 3% of eligible compensation and 50% of their deferral between 3% and 5% of eligible compensation.

The Sponsor may also contribute a discretionary profit sharing contribution. There was no profit sharing contribution for the year ended December 31, 2024.

**Vesting -**

Participants are immediately vested in their contributions plus actual earnings, thereon. Rollover contributions are always 100% vested. Participants are 100% vested in the Sponsor’s matching and profit sharing contributions, and related earnings, after three years of continuous service.

Participant Accounts -

Each participant's account is credited with the participant's contributions, the Sponsor's matching and profit sharing contributions, Plan gains or losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants -

Each participant can borrow up to 50% of their vested account balance, subject to a maximum of \$50,000 and a minimum of \$1,000. Each loan is for a five-year period, unless it is for the purchase of a principal residence, in which case the loan may be for a reasonable period in excess of five years. The effective interest rate assumed is the prime rate plus 1% (9.50% and 9.00% to 9.50% for the years ended December 31, 2024 and 2023, respectively). Loan repayments are deposited back into the participant's account through payroll deductions. Loans are secured by the participant's account.

Payment of Benefits -

If a participant terminates employment with the Sponsor for any reason other than death, the participant can elect to leave the vested account balance in the Plan until the normal retirement date, if the account balance is greater than \$1,000. If the account balance is less than \$1,000, the participant will receive an involuntary cash-out payment in the form of a lump sum distribution. Upon retirement, the total value of a participant's account can be distributed in the form of a lump-sum or partial payment. Participants are required to begin distributions when the age of 72 is attained. In the case of death of a participant, the beneficiary designated by the participant shall be paid the deceased employee's vested account balance immediately, or in payments for up to five years from the anniversary of the date of death. If the beneficiary is the participant's spouse, payment of benefits may be deferred until they reach the age of 72. Participants who reached the age of 73 during the year ended December 31, 2023 were required to begin distributions during 2024 in accordance with the SECURE 2.0 Act.

Forfeitures -

Participants who separate or withdraw from the Plan will forfeit any amounts not vested with respect to the Sponsor's matching and profit sharing contributions. Forfeitures are transferred to a separate account and may be used to reduce future profit sharing contributions.

**RADIUS GLOBAL MARKETING RESEARCH LLC 401(k)**

---

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$28,623 and \$19,954, respectively. No forfeitures were used to reduce contributions for the year ended December 31, 2024.

**(2) Summary Of Significant Accounting Policies:**

Basis of Presentation -

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Use of Accounting Estimates -

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Net appreciation in fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of investments are recorded on a trade date basis. Dividends are recorded at the ex-dividend date.

Notes Receivable from Participants -

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payments of Benefits -

Benefits are recorded when paid.

**RADIUS GLOBAL MARKETING RESEARCH LLC 401(k)**

Expenses -

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

An administrative fee credit account, an ERISA budget account, has been established for the Plan. The account is credited with amounts taken from investments for 12b-1 and sub-transfer agent fees generated from investments that are then used to pay plan expenses. Any credits that exceed fees paid may be reallocated to participant accounts. At December 31, 2024 and 2023, the account balance was \$40,683 and \$37,245, respectively. Expenses of \$14,643 were paid from the account during the year ended December 31, 2024.

**(3) Fair Value Measurement And Investments**

Financial Accounting Standards Board ("FASB") guidelines on fair value measurements, establish a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reported entity has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodology used for assets measured at fair value:

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (“SEC”). These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the methodology used at December 31, 2024 or 2023.

The following table represents the Plan’s fair value hierarchy for investments at fair value as of December 31, 2024:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$21,440,419</u>	<u>\$21,440,419</u>	<u>\$ -</u>	<u>\$ -</u>

The following table represents the Plan’s fair value hierarchy for investments at fair value as of December 31, 2023:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$18,031,387</u>	<u>\$18,031,387</u>	<u>\$ -</u>	<u>\$ -</u>

**(4) Risks And Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statements of Net Assets Available For Benefits.

**(5) Information Prepared And Certified By Trustee**

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Ascensus Trust Company, the Trustee. All investments are participant directed:

	<u>2024</u>	<u>2023</u>
Mutual funds	<u>\$21,440,419</u>	<u>\$18,031,387</u>
Notes receivable from participants	<u>\$ 86,748</u>	<u>\$ 59,010</u>

---

Net appreciation in fair value of investments	<u>\$ 2,213,530</u>
Dividends	<u>\$ 301,963</u>
Interest on notes receivable from participants	<u>\$ 7,545</u>

**(6) Plan Termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right. Accordingly, in the event of Plan termination, participants would become 100% vested in their total account balances.

**(7) Income Tax Status**

The Sponsor has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. generally accepted accounting principles require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes there are no such positions, and therefore, no provision for income tax has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**(8) Transactions With Parties-In-Interest**

Certain Plan investments are shares of mutual funds managed by Vanguard. Vanguard provides investment management services to the Plan through a partnership with Ascensus, the recordkeeper and Trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$94,933 for the year ended December 31, 2024.
