## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees  
Kedren Retirement Plan  
Los Angeles, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Kedren Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise of the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## KEDREN RETIREMENT PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

---

### NOTE 1. DESCRIPTION OF THE PLAN

The following is a brief description of the Kedren Retirement Plan (the Plan) provided for general information purposes only. Participants and other interested parties should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan, established on January 1, 2009 and as amended, is a defined contribution plan covering all active full-time employees of Kedren Community Health Center, Inc. (the Employer), who have attained age 21 and completed six months of service. The Plan document, as restated on December 1, 2024, revised the age of eligible participants to age 18 with a service requirement of three months. In addition, the Plan allows for non-elective safe harbor contributions starting on January 1, 2024. The Plan excludes those who are covered by a collective bargaining agreement. Employees who have met the eligibility requirements as stipulated in the restated Plan document are also eligible for safe harbor matching and non-elective contributions. In addition, employees who have attained age 18, have completed one year of service with 1,000 hours, and are employed on the last day of the Plan year, would also qualify for discretionary profit sharing contributions, if any. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 1, 2024, the Plan was restated to comply with the provisions of Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019. As a result, long-term, part-time (LTPT) employees who have attained age 18 and completed at least 500 hours of service in three consecutive 12-month periods are now eligible to make elective deferrals under the Plan beginning in the Plan year starting on January 1, 2024.

**Contributions:** Participants may defer from 1% to 100% of their annual compensation, as defined in the Plan, through payroll deductions up to the maximum amount permitted under the Internal Revenue Code (IRC), which was \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively. Catch-up contributions of \$7,500 were also available to participants who had attained age 50 or older at the end of both years, and had not exceeded the contribution limit for the Plan year. Eligible employees will be automatically enrolled in the Plan by deferring 3% of eligible employee's salary through payroll deduction. The Employer will make a safe harbor matching contribution to the Plan each year. The safe harbor matching contribution will equal 100% of the first 1% of compensation deferred and an additional 50% on the next 6% of compensation deferred. Effective January 1, 2024, the Company will make nonelective safe harbor contributions equal to 3% of compensation on behalf of each eligible participant. The Employer may also make discretionary profit sharing contribution at the end of each Plan year.

The Employer made the following contributions for the years ended December 31, 2024 and 2023:

	2024	2023
Matching contributions	\$ 616,206	\$ 582,434
3% Safe harbor non-elective contributions	902,715	--
Discretionary profit-sharing contributions	1,468,904	--
Qualified non-elective contributions	<u>--</u>	<u>37,108</u>
Total employer contributions	<u>\$ 2,987,825</u>	<u>\$ 619,542</u>

As of December 31, 2024 and 2023, employer contributions receivable on the accompanying statements of net assets available for benefits totaled \$2,403,550 and \$60,721, respectively.

### NOTE 1. DESCRIPTION OF THE PLAN (Continued)

**Participant Accounts:** Each participant's account is credited or charged with the participant's deferrals, rollover contributions from an employee's other qualified plans, an allocation of the Employer's safe harbor matching and discretionary profit sharing contributions, any earnings or losses and administrative expenses resulting from the investment of those contributions.

**Vesting:** Participants are 100% vested in their elective deferral, Employer safe harbor matching contributions and rollover contributions. Participants vest in the Employer discretionary profit sharing contribution portion of their accounts according to the following schedule:

Years of Service	Percentage Vested (%)
1	0
2	20
3	40
4	60
5	80
6 or more	100

Notwithstanding the above, if a participant (1) dies or (2) terminates employment by reason of permanent disability, the Employer discretionary profit sharing contributions become 100% vested without regard to years of service.

**Notes Receivable from Participants:** Participants may borrow from their vested account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the vested balance in the participant's account and bear interest at the Wall Street Journal prime rate plus 2%. The prime rate as of December 31, 2024 was 7.50%. Principal and interest are paid ratably through payroll deductions within five-year period, unless the purpose of the loan is to acquire a principal residence, which then has a repayment term of 30 years.

**Benefit Payments:** On termination of service, death, disability or retirement, a participant or his or her beneficiaries may elect to receive a lump-sum equal to the value of the participant's vested interest in his or her account.

In-service distributions from deferral portion of the accounts are allowed upon either attaining age 59½, reaching normal retirement date, or experiencing a financial hardship as defined by the IRC, subject to administrative approval. In-service distributions from the employer safe harbor matching and discretionary profit sharing accounts are allowed (a) after participant reaches age 59½ and (b) the participant is 100% vested in all accounts.

**Forfeitures:** Participants who are not 100% vested will forfeit the non-vested portion of their accounts at the earlier of (1) the end of the Plan year in which the participants are distributed their vested accounts, or (2) the end of the Plan year in which the participants have incurred more than five-year break-in service. Such forfeitures may be applied to reduce future Employer contributions or used to offset Plan administrative expenses. No forfeitures were applied towards administrative expenses and Employer matching contributions during the years ended December 31, 2024 and 2023. Forfeitures available at December 31, 2024 and 2023 amounted to \$26,499 and \$22,018 respectively. Management used \$13,165 to fund a portion of the discretionary profit sharing contributions for the year ended December 31, 2024.

### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Presentation:** The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires the Plan Administrator to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Realized and unrealized appreciation is based on the market value of the assets at the end of the Plan year compared to the market value of the assets at the beginning of the Plan year, or at the time of asset purchase or exchange during the Plan year.

**Notes Receivable from Participants:** Participant loans are reported at their unpaid principal balances plus any accrued but unpaid interest.

**Contributions Receivable:** Contributions receivable are recognized when amounts are due to the Plan from employers, participants, or other sources as of the reporting date. Recognition is based on a demonstrated commitment, such as a formal resolution, a consistent funding policy, a tax deduction taken by the employer, or the employer's recording of a liability. The Plan Sponsor evaluated contributions receivable for expected credit losses and determined that the impact to the Plan's financial statements for the year ended December 31, 2024 and 2023 were minimal.

**Benefit Payments:** Benefits are recorded as expenses when paid.

**Administrative Fees:** The Employer incurs certain expenses in administering the Plan which are not passed on as expenses of the Plan. Administrative expenses charged to the Plan consist of transaction charges associated with benefit payments and loan processing.

### NOTE 3. CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income (loss), notes receivable from participants and the schedule of assets held at end of year have been derived from information certified as complete and accurate by Empower Trust Company, LLC (Empower), the custodian of the Plan, in accordance with 29 CFR 2520.103 5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## KEDREN RETIREMENT PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

---

### NOTE 4. TAX-EXEMPT STATUS

The Plan adopted a non-standardized pre-approved profit sharing plan which received an opinion letter dated June 30, 2020 from the Internal Revenue Service, which stated that the form of the Plan is acceptable under applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2024, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to December 31, 2021.

### NOTE 5. GROUP ANNUITY CONTRACT

The Plan has a group annuity contract with Empower Annuity Insurance Company of America (EAICA). The group annuity contract, EI Fixed Account – Series Class I is a fixed account that is part of the general account of EAICA, which is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The methodology for calculating the interest credit rate is based on the earnings of the underlying assets in the entire medium long-term new portfolio compared to the minimum interest crediting rate (which will never be less than 0% as stated in the contract), and prevailing market conditions. Interest crediting rate is reset quarterly. The average crediting rate was 1.41% and 1.23% for the years ended December 31, 2024 and 2023, respectively.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value.

Contract value, as reported to the Plan by EAICA, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (1) premature termination of the contracts by the Plan, (2) plant closings, (3) layoffs, (4) Plan termination, (5) bankruptcy, (6) and early retirement incentives. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not terminate the contract at any amount less than the contract value.

## KEDREN RETIREMENT PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

---

### NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with parties who perform services or have fiduciary responsibilities to the Plan. The majority of Plan's investments includes mutual funds managed by Empower. The fees paid by the Plan to Empower for administrative charges amounted to \$31,391 and \$16,330 for the years ended December 31, 2024 and 2023, respectively. Therefore, these transactions qualify as party-in-interest transactions as defined by Section 3(14) of ERISA.

### NOTE 8. FAIR VALUE MEASUREMENTS

In accordance with accounting principles generally accepted in the United States of America, the Plan establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*Level 1* Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in active markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*Level 3* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that are assigned with the United States Securities and Exchange Commission. These funds are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

The valuation method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## KEDREN RETIREMENT PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

### NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Fair Value Measurements Using			Total
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
At December 31, 2024				
Mutual funds	<u>\$ 13,501,761</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 13,501,761</u>

	Fair Value Measurements Using			Total
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
At December 31, 2023				
Mutual funds	<u>\$ 11,631,612</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 11,631,612</u>

### NOTE 9. RISKS AND UNCERTAINTIES

The Plan provides for various investments, principally mutual funds. Investment securities within the funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statements of changes in net assets available for benefits.

### NOTE 10. DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REPAYMENTS

During the year ended December 31, 2024 and 2023, the Employer has inadvertently failed to deposit a total of \$69,594 and \$117,566, respectively, in participant contributions and loan repayments within the timeframe as stated by the DOL regulations. As of December 31, 2024 and 2023, the Employer has not corrected the lost earnings related to these late deposits, which totaled \$187,160. The Employer is in the process of correcting the late contribution remittances by restoring lost earnings using the general assets of the Employer, and not the assets of the Plan.

### NOTE 11. SUBSEQUENT EVENTS

Management has evaluated subsequent events for recognition and disclosure through October 13, 2025, which is the date the financial statements were available to be issued and has determined that no events or transactions require recognition or disclosure in the financial statements.
