INDEPENDENT AUDITOR'S REPORT

October 10, 2025

To the Plan Administrator of
Wraparound Services of the Hudson Valley Defined Contribution Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wraparound Services of the Hudson Valley Defined Contribution Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WRAPAROUND SERVICES OF THE HUDSON VALLEY DEFINED CONTRIBUTION PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following brief description of Wraparound Services of the Hudson Valley Defined Contribution Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits for employees of Wraparound Services of Hudson Valley, Inc. (the Sponsor). The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees become participants of the Plan upon completing one year of employment (defined as a minimum of 1,000 hours of service within a 12-month consecutive period) and attaining the age of 21. Effective January 1, 2023, the Plan was formally amended to require employment on the last day of the Plan year to be eligible for employer contributions. The plan does not allow for employee contributions.

Employer Contributions

Each year, the Sponsor may make a discretionary contribution to the Plan as determined by the Board of Directors that will be allocated based on participants' eligible compensation. Effective January 1, 2023, the Plan was formally amended to exclude bonuses from eligible compensation. For the years ended December 31, 2024 and 2023, the Sponsor's discretionary profit-sharing contributions to the Plan were 7% of participant's eligible compensation. Discretionary profit-sharing contributions made to the Plan were approximately \$391,000 and \$455,000 for 2024 and 2023, respectively.

Vesting

Vesting of a participant's proportionate interest in contributions and net earnings is based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 3	0%
3 or more	100%

Participant Accounts

Participant accounts are credited with an allocation of the Sponsor's contributions and Plan earnings/(losses). Allocations are based on each participant's earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts. Participants direct the investment of their share of the Sponsor's contributions into various investment options offered by the Plan. Participants may change their investment allocation at any time.

Payment of Benefits

On termination of service due to death, disability, or normal retirement (age 65), a participant with a vested benefit in his or her account, if not more than \$5,000, shall be paid in a lump-sum as soon as practical after the termination of employment. If a participant's vested benefit is greater than \$5,000, the participant may elect to defer payment.

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits (continued)

Such payment will be distributed as soon as practical after the attainment of normal retirement age or, at a later date if elected by the participant. If a participant stops working for the Sponsor before retirement age for other reasons, the participant may choose to have all, or any part of the vested amount paid at any time as a lump-sum distribution.

Forfeitures

Forfeitures of non-vested accounts, as a result of terminations, may first be used to pay Plan expenses. Any forfeitures left after paying Plan expenses are utilized to reduce the Sponsor's contribution. As of December 31, 2024, the forfeiture balance was \$7,715. During 2024, \$96,308 in forfeitures were used to reduce Sponsor contributions. As of December 31, 2023, there were no forfeited non-vested accounts, and no forfeitures were used during the year.

Administration

The Plan is administered by the Sponsor. In 2023, Newport Retirement Services ("Newport") served as the Plan's recordkeeper, and Charles Schwab Bank was the trustee of all Plan assets. In 2024, BPAS Plan Administration & Recordkeeping Services ("BPAS") assumed recordkeeping responsibilities from Newport, and Hand Benefits & Trust Company succeeded Charles Schwab Bank as trustee of Plan assets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Contribution Receivable and Allowance for Credit Losses

The Plan records a receivable for the employer contribution that is remitted to the Plan subsequent to the Plan's year end. The Plan recognizes an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and expected future conditions. No significant deteriorations are expected in the future economic conditions; therefore, management has determined that no allowance for credit losses is necessary for the year ended December 31, 2024 and 2023.

Investment Valuation and Income Recognition

The Plan's investments are stated in the accompanying financial statements at fair value, except for the fully-benefit responsive guaranteed investment contract, which is reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive guaranteed investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statements of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the net realized gains (losses) on investment transactions throughout the period and net unrealized gains (losses) on investments at the end of the period.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Payment of Benefits

Benefits payments to participants are recorded when paid.

Administrative Expenses

All general administrative expenses of maintaining the Plan are paid by the Plan, if not paid by the Sponsor. Distribution fees are deducted from the proceeds paid to the initiating participants.

Estimates

The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

3. INFORMATION CERTIFIED BY TRUSTEES

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Hand Benefits & Trust Company as of December 31, 2024 and for the period from January 1, 2024 to December 31, 2024 and Charles Schwab Trust Bank as of December 31, 2023 and for the period from January 1, 2023 to June 5, 2024.

4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There were no changes in valuation techniques during 2024 or 2023.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Money market accounts*: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ <u>5,599,515</u>	\$ _____ -	\$ _____ -	\$ <u>5,599,515</u>
Total Assets at Fair Value	\$ <u>5,599,515</u>	\$ _____ -	\$ _____ -	\$ <u>5,599,515</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ <u>5,034,203</u>	\$ _____ -	\$ _____ -	\$ <u>5,034,203</u>
Money Market Accounts	<u>1,336</u>	_____ -	_____ -	<u>1,336</u>
Total Assets at Fair Value	\$ <u>5,035,539</u>	\$ _____ -	\$ _____ -	\$ <u>5,035,539</u>

5. GUARANTEED INVESTMENT CONTRACTS

The Plan entered into group variable and fixed annuity guaranteed investment contracts with Lincoln Life. Lincoln Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Lincoln Life is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Lincoln Life, represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

The group variable and fixed annuity contracts do not mature and may be terminated by the issuer or contract holder with proper notice, as defined in the contract.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the trustees, Hand Benefits & Trust Company and Charles Schwab Trust Bank. Accordingly, transactions between the Plan and these trustees qualify as party-in-interest transactions. In addition, the Plan Sponsor utilized BPAS and Newport to provide recordkeeping services. Fees paid to these entities also represent party-in-interest transactions.

7. TAX STATUS

The Plan is exempt from federal taxes pursuant to applicable sections of the Internal Revenue Code (IRC) Section 401(a). The Internal Revenue Service (IRS) has determined and informed by letter for the pre-approved plan adopted by the Plan, dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the IRC. The Plan has not requested its own determination letter from the IRS. The Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. PLAN TERMINATION

While it has not expressed any intent to do so, the trustees of the Plan have the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination, partial termination, or complete discontinuance of contributions to the Plan, all amounts credited to the accounts of the participants would become fully vested and nonforfeitable. All distributions would be made in accordance with any applicable requirements of ERISA and the IRC.

9. RECONCILIATION TO THE FORM 5500

A reconciliation of net assets available for Plan benefits per the financial statements to the Form 5500 is as follows:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 6,540,990	\$ 5,944,179
Employer contributions receivable	<u>(487,102)</u>	<u>(454,756)</u>
Net assets available for benefits per the Form 5500	<u>\$ 6,053,888</u>	<u>\$ 5,489,423</u>

The following is a reconciliation of total additions per financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Change in net assets available for benefits per the financial statements	\$ 596,811	\$ 784,778
Net change in employer contributions	<u>(32,346)</u>	<u>68,682</u>
Change in net assets available for benefits per the Form 5500	<u>\$ 564,456</u>	<u>\$ 853,460</u>

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 10, 2025, which is the date the financial statements were available to be issued.
