INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Hitachi America, Ltd., Group Health and Welfare Plan

Opinion

We have audited the financial statements of Hitachi America, Ltd., Group Health and Welfare Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Security Act of 1974 ("ERISA"), which comprise the statements of net assets (deficiency) available for benefits and benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets (deficiency) available for benefits and changes in benefit obligations for the years then ended, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets (deficiency) available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets (deficiency) available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

GROUP HEALTH AND WELFARE PLAN**

NOTES TO FINANCIAL STATEMENTS

(1) Description of the plan

The following brief description of the Hitachi America, Ltd., Group Health and Welfare Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which is available from the plan administrator.

General - Hitachi America, Ltd. (the "Company" or the "Plan Sponsor") and certain of its subsidiaries and affiliates (collectively, the "Participating Companies") established the Plan and related trust to provide Health Care and Other Benefits for their eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan provides benefits through a trust (the "Trust"), which is an exempt organization under Section 501(c)(9) of the Internal Revenue Code (the "Code").

Under the Plan, active full-time and certain active part-time employees of the Participating Companies who meet the eligibility requirements as defined in the Plan document are covered. The cash of the Plan is held by Principal Custody Solutions ("Principal"). Anthem Insurance Companies, Inc. d.b.a. Anthem Blue Cross and Blue Shield ("Anthem") provides administrative services to the Plan and acts as a claims agent. Administrative fees charged by Anthem are based on the number of claim transactions processed. Administrative expenses and trustee fees are paid directly by the Plan.

Benefits - The Plan provides medical, vision, prescription drug, dental, health, and dependent care spending account, group life, short-term and long-term disability benefits to eligible active employees, as well as other benefits. The majority of the participants are enrolled in the Preferred Provider Organization ("PPO") Plan; therefore, the Plan will generally pay 100% of the claims once the network discount and co-pay are applied. For those who are not enrolled in the PPO, the Plan generally pays 80% of the medical claims up to a specified level and 100% thereafter. For dental claims, the Plan generally pays between 50% and 100% depending on the level of coverage, up to a specified level. Vision claims are paid at 100% up to a specified level. Prescription drug coverage is based on a network, and the Plan generally pays 100% once the network discount and co-pay are applied. Under the Plan, the weekly short-term disability benefit (six months) is equal to 50% of the participant's weekly earnings up to a maximum of \$200.

Contributions - Contributions are made monthly by the Participating Companies on behalf of their Plan participants. If, at any point during the year, contributions are insufficient to pay claims, the Participating Companies are required to make an additional contribution to fund claims as deemed necessary by the plan administrator. The contributions of the Participating Companies are determined by the plan administrator in order to provide the Plan with assets sufficient to meet Benefit Obligations. Participating Companies may elect to collect a certain portion of the contributions from their participants throughout the Plan year via payroll deductions.

Prepaid contributions from participating companies - During 2023, the Plan changed its methodology for billing monthly contributions from the individual companies. The change resulted in a prepayment of contributions.

NOTES TO FINANCIAL STATEMENTS

(1) Description of the plan (continued)

Plan termination - While the Plan Sponsor and the Participating Companies have not expressed any intention of doing so, they reserve the right to amend, modify, or terminate the Plan at any time, subject to the provisions of ERISA.

Stop-loss insurance - The Plan maintains stop-loss insurance coverage, which limits the Plan's loss exposure. Under stop-loss insurance coverage, an insurer pays claims in excess of a specified amount. The specified amount based on the insurance contract is \$450,000 per person. The related receivables from the insurer amounted to approximately \$2,945,000 and \$6,017,000 as of December 31, 2024 and 2023, respectively.

(2) Summary of significant accounting policies

Basis of presentation - The Plan prepares its financial statements on the accrual basis of accounting.

Administrative expenses - Administrative expenses paid by the Plan include trustee fees and claims processing fees, which are based on the number of claim transactions incurred by the Plan during the year, as well as ERISA counsel and audit fees.

Other plan benefits - Health claims incurred by active participants but not reported ("IBNR") consist of actual claim runoff subsequently paid. Claims incurred but not reported are estimated by multiplying the estimated paid claims for the reporting year by an effective claims lag factor percentage. Included in Plan obligations are benefits relating to catastrophic events, defined as participants who incurred benefits in excess of \$87,500.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, IBNR, claims payable, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties - The Plan's cash is placed primarily in noninterest-bearing accounts with one financial institution, which exceeds the federally insured limit. The Plan has not experienced any losses in such accounts. Concentration of credit risk with respect to receivables is limited due to the Plan's ongoing monitoring.

Benefit payments - Benefit payments are recorded when paid.

Stop-loss - Premiums for stop-loss insurance are included in insurance premiums in the accompanying statements of changes in net assets (deficiency) available for benefits. Stop-loss refunds totaling approximately \$2,945,000 and \$6,471,000 have been recorded as reductions in claims paid in the accompanying statements of changes in net assets (deficiency) for the years ended December 31, 2024 and 2023, respectively.

Fair value measurements - Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "*Fair Value Measurements and Disclosures*," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

**HITACHI AMERICA, LTD.,
GROUP HEALTH AND WELFARE PLAN**

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Fair value measurements (continued) -

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan did not have any investments as of December 31, 2024 and 2023.

Management of the Plan believes that the fair value of the receivables and liabilities approximates their carrying value due to the short-term nature of these items.

(3) Related-party transactions and party-in-interest transactions

All cash of the Plan is held by Principal. Principal is the Plan asset trustee/custodian as defined by the Plan; therefore, these transactions qualify as party-in-interest. The Plan also pays certain expenses related to Plan operations and administration to various service providers. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt under the prohibition of party-in-interest transactions under ERISA.

Promissory note payable - In May 2023, the Trust entered into an unsecured demand promissory note with the Plan Sponsor whereby the Plan Sponsor contributed \$7,600,000 to the Plan. The promissory note is payable by the Plan over a three-year term beginning in December 2024, with no interest. This promissory note is an exempt party-in-interest transaction under the U.S. Department of Labor Prohibited Transaction Class Exemption 80-26, as amended. As of December 31, 2024 and 2023, the balance on the loan is \$4,600,000 and \$7,600,000, respectively. Payments are to be made in December in each of the years as follows: 2025 - \$2,600,000; 2026 - \$2,000,000.

NOTES TO FINANCIAL STATEMENTS

(4) Tax status

The plan administrator received a favorable tax determination letter from the Internal Revenue Service ("IRS") dated October 8, 1992. This letter provides that the Trust, established under the Plan to hold the Plan's assets, is qualified pursuant to Section 501(c)(9) of the Code, and accordingly, the Trust's net investment income is exempt from income taxes. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related Trust is tax-exempt.

In addition, the Plan and the Trust are required to operate in conformity with the Code to maintain the tax-exempt status of the Trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the related Trust is tax-exempt.

U. S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that "more likely than not" would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) Plan termination

Although it has not expressed any intention to do so, the Participating Companies have the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Participating Companies or be used for purposes other than for the exclusive benefit of the Plan's participants.

(6) Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of net assets (deficiency) available for benefits per the financial statements to Form 5500:
